FEBRUARY 2017

Wed 1 Hanga Roa, Easter Island, Chile
Welcome to the mysteries of Rapa Nui, more commonly known as Easter Island. This island was once divided into tribal territories, each family occupied their own ceremonial site and erected a moai. Nearly 900 were created at the great sculpture workshop in a quarry on the rocky slopes of the Rano Raraku volcano. Roughly half of these intriguing statues are scattered across the island's volcanic landscape.

Exactly how these huge, eerie-looking stone figures were transported miles from the quarry remains a mystery

Tue 7 Papeete, Tahiti, French Polynesia
French Polynesia is comprised of over 100 islands and atolls, with Tahiti possibly being the most famous thanks to its soaring peaks, lush valleys, cascading waterfalls and stunning vistas. The bustling city of Papeete is home to the world's only Pearl Museum and an array of natural treasures including the Faarumai Waterfalls and spring garden of Vaipahi

Wed 8 Bora Bora, French Polynesia
With incredible sandy beaches that stretch as far as the eye can see, grand palm trees swaying gently in the breeze and turquoise waters filled with turtles, sharks, rays and tropical fish, it is hard to find the right words to describe the magic that emanates from this special paradise island

Fri 10 Rarotonga, Cook Islands
According to Captain James Cook – the man who named these islands – when you arrive in Rarotonga you are arriving at the most detached parts of the earth. As you relax on the glorious beaches and explore the unspoilt, natural beauty of the dense jungle and sloping valleys, you feel like you are on another planet, a world away from hectic modern cities

We are delighted to present readers with this brand new unique opportunity to take a close-up look at the world's most fascinating and charming continent, at incredible value launch prices. Travel to the mighty frozen landscapes of the south, see the beautiful fjords of Chile and if weather permits, go on land and explore Cape Horn. With its incredibly rich fauna, the Southern Ocean is drama on a grand scale in which the struggle for survival is constant. This unending, white wilderness of a continent is full of fantastic impressions. There are more penguins, and penguin species, here than anywhere else on Earth. Elephant and fur seals, Minke whales, large flocks of sea birds — not forgetting the wandering albatross — give life to this surreal and beautiful landscape. On board **MS Midnatsol**, one of the most comfortable expedition platforms, you'll enjoy presentations from experts and return with memories that will last a lifetime.

OCTOBER 2017

- Fri 20 Fly from London to Montevideo, Uruguay**
(regional and premium class flights available on request*)
- Sat 21 Montevideo, Uruguay**
Upon arrival, transfer to a hotel[†] for your two night stay
- Sun 22 Montevideo, Uruguay**
Visit the Ciudad Vieja (Old Town) with its 18th century buildings, the vibrant Mercado del Puerto, the bustling Avenida 18 de Julio with its numerous theatres, museums and art galleries, and the stretch of white, sandy beaches surrounding the city
- Mon 23 Montevideo, Uruguay**
Transfer to the port and embark *MS Midnatsol* for your 17 night voyage
- Tue 24 Relaxing at sea**
Get to know your fellow adventurers, have fun in the explorer room or just enjoy the views from deck
- Wed 25 - Peninsula Valdez**
- Fri 27** This is one of the wildlife highlights of Argentina where you can experience some of the largest marine animals in their natural environment
- Sat 28 - Falkland Islands (possible landing sites New Island, Carcass Island, Saunders Island, West Point Island and Stanley)**
The islands have a unique ecosystem of about 70 different sub-Antarctic animal and bird species. The black-browed albatross, Striated Caracara, Elephant seal, sea lion and five different species of penguin including King penguin are just a few of them. There are also about 347 wild plant species in the area. The landscape is majestic, with cliffs and needle-like stones covered in green grass. Enjoy a chance to visit the area around North-West Falkland, home to fascinating landscapes and wildlife, before arriving in Stanley,

the islands' capital, which makes a wonderful starting point for various excursions in the area. You can choose to take an optional excursion* or explore the town on your own
Relaxing at sea

NOVEMBER 2017

- Wed 1 - Antarctica (possible landing sites Half Moon Island, Yankee Harbour, Neko Harbour, Station Brown, Cuverville Island)**
Human beings often become very humbled in their meeting with Antarctica. Imagination alone is not a sufficient tool to "get the picture" — a saying amongst Antarctic travellers is: "If you can describe Antarctica with words — you have probably never been there". While in Antarctica, you will attempt to land on several sites. On land, the expedition team will explain what you see and help you avoid disturbing nature and wildlife
- Sun 5 CRUISING DRAKE PASSAGE**
The Drake Passage connects the southern Atlantic and Pacific Oceans. Here the warm water from the north meets the cold, less salty water from the south. This makes the ocean particularly rich in nutrients and is the basis of the unique marine life here
- Mon 6 Cape Horn & CRUISING CHILEAN FJORDS**
Before continuing through the fabled waters of Patagonia, you will sail in one of the world's most remote, undisturbed and beautiful places. Near the southern tip of Chile the southern Andes mountains plunge into the icy water and leave a region which is so wild and remote that it seems almost undisturbed. In these Chilean fjords, the ice has scoured its way between the mountains, leaving isolated islands and hidden bays. If the weather permits, you will anchor off Cape Horn, where you will be able to leave the ship to explore this deserted and yet romantic piece of land at the end of the world
- Tue 7 CRUISING CHILEAN FJORDS**

Please note ship image featured is not MS Midnatsol. *Shore excursions are at a further supplement, subject to availability and change, are weather permitting and may not be suitable for guests ship's captain will decide the final sailing schedule during the voyage therefore itinerary is subject to change. Wildlife sightings cannot be guaranteed. Please note flights are out of date range and price. Savings have been applied to the advertised prices. Baggage restrictions will apply, please ask for more details. Please note this voyage may not be suitable for guests with mobility

ANTARCTICA HIGHLIGHTS

HALF MOON ISLAND, SOUTH SHETLAND ISLANDS

Half Moon presents many photographic opportunities with its wildlife posed against scenic backgrounds and Antarctic highlights. Weather and conditions permitting you may enjoy a hike passing the Teniente Camara Station and on to a view point that is a popular place to look for whales in the bay facing towards the Bransfield Strait.

YANKEE HARBOUR, SOUTH SHETLAND ISLANDS

The main attraction for many visitors is Yankee's terraced Gentoo penguin colony with an estimated 4,000 breeding pairs. Predatory skuas also nest here and travellers are often witness to the struggle between a penguin protecting its young and a skua trying to feed theirs.

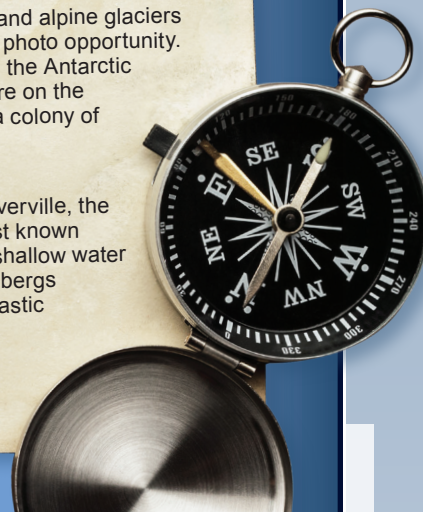

NEKO HARBOUR

The bay is surrounded by mountains and alpine glaciers where its wildlife provides the perfect photo opportunity. Neko is one of the very few places on the Antarctic Peninsula where one can come ashore on the Antarctic mainland. On land there is a colony of Gentoo penguins.

CUVERVILLE ISLAND

Here lie the islands of Danco and Cuverville, the latter being home to one of the largest known colonies of chinstrap penguins. The shallow water between the islands often causes icebergs to become stuck here, offering a fantastic spectacle when it occurs.

Please note these landing sites are not guaranteed and are weather permitting

EXPLORE ANTARCTICA WITH A RANGE OF OPTIONAL SHORE EXCURSIONS (AVAILABLE AT A SUPPLEMENT)*

As you set course for Punta Arenas, sail through some of the wildest and most impressive landscapes anywhere on earth. The Chilean fjords are deep with high mountains and glaciers calving into the sea. Enjoy the amazing views from deck, or come ashore to explore the area like Darwin did more than 180 years ago

Sun 25 Arrive London

The Chinese New Year

On the opening day evil spirits are driven away with firecrackers, fireworks, burning bamboo canes and as much riotous noise as can be joyously created. Each day, up to the arrival of the full moon 15 days later, sees a variety of ancient traditional and religious customs honoured. Finally the appearance of the full moon is celebrated with the Lantern Festival when all join together in the streets carrying a colourful array of lighted lanterns. Hong Kong is famed for entertaining the largest of the celebrations and fireworks displays, creating an outrageous pageant of pyrotechnics. Celebrate the year of the dog on Friday 16th February 2018 when Celebrity Constellation® docks in Hong Kong

INDEPENDENCE DAY 2017

Boston is where the fight for American liberty began so an overnight stay on board on 4th July allows you to join in its very special celebrations. Witness the spectacular firework displays from the Esplanade along the banks of the Charles River and revel in the music of the Boston Pops Orchestra. The celebrations are often capped off by a rendition of Tchaikovsky's "1812 Overture", which also features real cannons and the ringing of local church bells. Boston Harborfest is the largest Independence Day celebration and is a five-day event. You'll be able to enjoy all the entertainment on offer, including historical re-enactments, music, harbour cruises, walking tours and Chowderfest! Alternatively, walk along the harbour, where you can even visit the site of the USS Constitution and its museum in the Charlestown Navy Yard.
