## INTRODUCING CRUISE & MARITIME VOYAGES' NEW FLAGSHIP – AMY JOHNSON

*Amy Johnson* will become the proud new flagship of the Cruise & Maritime Voyages fleet in April 2021. Given her size she will provide a very generous, spacious and relaxing feel. As a celebration of the courageous exploits of past female explorers and adventurers, Cruise & Maritime Voyages have recognised their remarkable achievements by naming their new ship after Amy Johnson, the pioneering English pilot who was the first woman to fly solo from London to Australia.

Combining beautiful, contemporary decor with a more traditional cruise style, *Amy Johnson* is a mid-size cruise ship by and will be a wonderful new addition to the CMV fleet. *Amy Johnson* offers no less than 11 different lounges and bars including Raffles Bar, The Orient, Dome Observatory, Ocean Bar and Taverner's Pub, so there's a wide choice of contrasting venues to choose from. Restaurants on board offer fantastic dining opportunities including the attractive Waterfront Restaurant which serves breakfast, lunch and dinner or for something more casual, there's the buffet-style Pantry. At lunchtimes, when the weather is fine, the Alfresco Grill adds more choice. # CELEBRATING

## 25 YEARS OF ROL CRUISE

### *THE STORY SO FAR*

Since being established back in 1995 by Peter Beadles, we are Officially the UK's No.1 Independent Cruise Specialist and are delighted to be celebrating our 25<sup>th</sup> Anniversary.

Initially, Peter used his travel experiences and connections to run travel promotions and competitions in the large regional papers and national magazines, eventually contracting some work with Cunard, the QE2, and Sainsbury's magazine.

After advertising on Teletext, Reader Offers Ltd became a national advertiser and started advertising cruise and land-based holidays in publications including the Evening Standard and The Times.

By 2004 we focused solely on promoting cruise holidays due to their popularity and our adverts have since featured nearly every day in The Times, The Daily Telegraph, The Daily Mail, The Daily Express and many other household titles.

Alongside celebrating 10 years of Reader Offers Ltd in 2005, Jeremy Dickinson joined as Marketing Manager and Royal Caribbean and Celebrity Cruises entered as cruise line partners. Blue Horizons, the No.1 Monthly Cruise Magazine, also launched in 2005, providing subscribers with the best cruise deals, most up-to-date cruise news, unique features and exclusive value.

In 2009, due to continued growth, we moved to a larger premises. To mark this occasion the Mayor and Mayoress of Colchester and MP Sir Bob Russell joined the celebrations for the grand opening.

In 2014, Peter announced his retirement, embarking upon a new chapter of his life; enjoying holidays and more sailing, whilst Jeremy

Dickinson took the Reader Offers Ltd reins firmly in his hands to enjoy a new chapter in his, as our CEO, in time to celebrate our 20<sup>th</sup> Anniversary the following year in 2015.

2016 saw us re-brand as ROL Cruise and launch our new website. Two years later, in 2018, Jeremy was delighted to become Chairman and promoted Ellie Fielder, Rosie Cairns and Sarah Wikevand as joint Managing Directors of ROL Cruise.

Since opening back in 1995, ROL Cruise is proud to have a 98% satisfaction rating with our customers and a Feefo rating of 4.8/5, as well as being the proud winners of more than 50 cruise awards in the last 5 years alone!

As ATOL holders and ABTA members, you can enjoy complete peace of mind throughout the booking process, so you can book with confidence knowing that you are fully protected.

Having become the leading national independent cruise specialist since we formed in 1995, ROL Cruise are proud to have been recognised as the number one cruise retailer for many of the major cruise lines over that period; including Celebrity Cruises, Cunard, APT, Emerald Waterways, Scenic, Fred. Olsen Cruise Lines, Cruise & Maritime Voyages and Royal Caribbean to ultra-luxury brands such as Silversea Cruises and Seabourn.

Our very first tailor-made exclusive package featured Cunard's *Queen Mary 2*. Since then, we have tailor-made hundreds of packages and some of our most recent ones can be found within this edition of Blue Horizons.

## EXCLUSIVE CRUISE SHOWS

In August 2010 we held our 1<sup>st</sup> ROL Cruise Show at the Weston Homes Stadium in Colchester, Essex.

Since then, we have held many more Cruise Shows bringing together leading cruise lines and guests to enjoy a wide array of cruise itineraries, ships and packages to those new to cruise travel, as well as seasoned cruising enthusiasts.

Talking of the event, visiting guest Peter Nash from Braintree said; "I thought the organisation was first class and a real pleasure to attend a function without complaints! The staff were well organised, polite and knowledgeable. What a difference in this day and age."

Due to growth and the popularity of these shows, a new venue was sought at Braxted Park in Essex, which is approaching its third year as an ROL Cruise Show host.

In 2019 we were also delighted to launch The Official World Cruise Show in association with The Telegraph at picturesque Braxted Park which provided guests with the opportunity to meet representatives from the leading cruise lines to find out more about the wide array of packages designed to circumnavigate the globe.

These shows are now synonymous with the ROL brand, demonstrating our strong cruise line partnerships and the exceptional value we strive to offer our customers every day.

**WELCOME TO THE GALÁPAGOS ISLANDS...**

The remote location of the Galápagos Islands has allowed for a unique and diverse range of species, seen nowhere else in the world. This isolation has enabled many different and unusual species to flourish not only for this reason, but also because they have fewer natural predators. The phenomenon that are the Galápagos Islands is what inspired Charles Darwin's Theory of Evolution.

- The iconic Blue Footed Boobies nest on the volcanic coast of Bartolomé and travelling in October is a prime time to see them raising their young.

- Spend time with the iconic Giant Tortoise who on average spends 16 hours a day resting.
- The small Galápagos penguins are commonly found on Bartolomé and nest in the coastal lava. They are the only species of Penguin that are to be found north of the Equator.
- South Plaza is home to a colony of Land Iguanas that reside in the cactus forest. This is one of the only places to spot the Hybrid Iguana (a result of a land and marine iguana).
- Large colonies of sea lions bask in the sun on South Plaza but

are widespread throughout the islands. The Galápagos Fur Seal – which is closely related – can be found on Bartolomé.

- The exotic looking Red Sally Lightfoot Crabs can be seen throughout the archipelago feeding on shore debris.
- North Seymour has a breeding colony of the impressive Frigate Birds which are known for inflating their red bill in order to attract a mate.
- Santa Fe is the only place to spot the magnificent and prehistoric-looking Santa Fe Iguana.

# YOUR HIGHLIGHTS

## THREE NIGHT 4★ HOTEL STAY IN SYDNEY‡

As the ship glides towards the port, the view of the Sydney cityscape in the distance is enough to take your breath away. Attracting visitors with its iconic harbour, glorious beaches and the stunning Blue Mountains to the west, Sydney hosts nearly half of all international visits to Australia.

**BOOK** a Concierge Class Stateroom (C3) or above and receive an **EXCLUSIVE FREE** Blue Mountains tour\*. Life really is a beach in Sydney – this city boasts more than 40 of them. The glorious Bondi Beach is the most famous and the place to go to watch surfers catch waves, while Maroubra Beach is a lovely location for a barbeque and simply watching the world go by. If more active pursuits are what you're after, then why not enjoy a bridge tour\* of Sydney's iconic Harbour Bridge? Not for the faint of heart, these tours will take you to the very top of this 134 metre giant. You'll see breathtaking views of Sydney, the Harbour and the Opera House. Just a stone's throw away from the Sydney Opera House and covering a sizeable 74 acres, the Royal Botanic Garden is a beautiful showcase of Australia's native flora and fauna. Taronga Zoo is also especially popular with visitors – here you'll meet the cutest, cuddliest, most endangered and most downright dangerous (but not right up close) of Australia's incredible wildlife.

## THREE NIGHT 4★ HOTEL STAY IN HONOLULU‡

Follow in the footsteps of The Beach Boys and fall in love with incredible Hawaii. Made up of eight volcanic islands, the state boasts dramatic landscapes and a rich culture that's everything you'd expect, plus more.

Learn to surf on Waikiki Beach, feast on local cuisine at a sunset luau and discover the elegant stories and histories told through hula dancing. **BOOK** a Concierge Class Stateroom (C3) or above and receive an **EXCLUSIVE FREE** Pearl Harbour tour.

- Day 5 - Day 6** Crossing the Drake Passage
- Day 7 - Day 11** ★Antarctica Experience★  
Antarctica, the name alone conjures up images of boundless ice, towering icebergs, comedic penguins, epic snowstorms, great sailing ships held tightly by ice and the hardy explorers striving to survive wrapped in thick, heavy parkas. All of this is, or once was, true. Antarctica is the truest of wild places, the majesty of its pristine natural landscapes is second to no other location on earth. The animals that thrive in the Antarctic climate are present in such great numbers and concentrations that they must be seen to be believed. This untouched oasis is pure in its natural innocence. Antarctica has been a source of natural inspiration for as long as humans have been aware of its existence - and it may produce in you one of the most exceptional sensations it is possible to experience on our great planet. Enjoy possible landing sites, including Elephant Island, Half Moon Island, King George island, plus:

**Hope Bay**  
Hope Bay is home to one of the largest colonies of Adélie penguins on the Peninsula. See hundreds of penguins between the colony and shoreline, congregating on the beach before entering the water. None of them wants to be first, but eventually one jumps in and then a cavalcade of plunging penguins follows

**Paradise Harbour**  
Glaciers surround the harbour, forming an amphitheatre of tall, snowcapped mountains. Ice-cliffs rise sheer out of the water and

towering ice pillars known as seracs rise from deep crevasses. Nesting gentoo penguins occupy every available space surrounding the buildings. On the water, brash ice forms a delicate cover amongst the large, sculpted icebergs that drift in the current. Solitary seals lounge on ice floes, oblivious to the rumble of distant glaciers tumbling into the sea. Humpback and orca whales navigate the ice as Antarctic terns fly above

**Baily Head, Deception Island**

One of Deception Island's most spectacular places to visit is Baily Head. The largest chinstrap penguin colony in Antarctica is found at Baily Head, numbering in excess of 200,000 birds. The colony dominates the entire landscape, stretching from the beach to the high ridgeline, outlining every hill and occupying every possible expanse of the ground

**Cuverville Island**  
Here lie the islands of Danco and Cuverville, the latter being home to one of the largest known colonies of chinstrap penguins. The shallow water between the islands often causes icebergs to become stuck here, offering a fantastic spectacle when it occurs

- Day 12 - Day 13** Crossing the Drake Passage

Disembark and transfer to the port for your flight to Buenos Aires. Upon arrival, transfer to the 5★ Alvear Icon Hotel<sup>†</sup> for an overnight stay, including breakfast
