BOREALIS REVAMP SENDS 'ZERO TO LANDFILL'

Fred. Olsen have announced that during the refurbishment of newest ship to the fleet, *Borealis*, it sent 'zero to landfill'. Working to recycle products including tiles, carpets and timber for use as fuel on construction sites, with items including bath tubs and panels earmarked to create energy, the British-based cruise line said, "*Borealis is a beautiful ship, and while we wanted to make her our own, we also wanted to ensure that we were not wasteful. It makes us very proud to have achieved 'zero to landfill' for this project.*"

YOUR WORLD VOYAGE HIGHLIGHTS

Circumnavigate the world on Borealis

This immersive, once-in-a-lifetime circumnavigation of the globe features destinations that dreams are made of, from the volcanic islands of Hawaii to the far-flung idylls of French Polynesia. Experience all this and more on board the newest addition to the Fred. Olsen fleet. Stylish, spacious and comfortable, and with capacity for fewer than 1,400 guests, *Borealis* is in keeping with Fred. Olsen's commitment to a more traditional style of cruising.

ASIA

A cruise is the perfect way to experience the continent's fascinating contrasts. The vibrant city-state of Singapore encapsulates this in itself, with ultra-modern skyscrapers overlooking historic temples. With buzzing cities, laidback islands, verdant rice fields, endemic wildlife, ancient traditions and a stunning cultural diversity, Asia has many layers waiting to be uncovered.

SCENIC CRUISING

As you'd expect with Fred. Olsen, the long list of highlights on this voyage is not limited to destinations visited ashore. There are full-day transits of the Panama and Suez canals, as well as a chance to discover the fiords of New Zealand, including the 1,692-metre-high Mitre Peak piercing the sky above Milford Sound.

SYDNEY

Sydney is one of the world's most exciting, must-see modern cities. Home to the famous Harbour Bridge and Opera House – two of the most iconic cityscapes on Earth – the capital of New South Wales has a visual wow factor that most other cities can only dream of. The imposing Darling Harbour is the hub of waterside life, with the revered Royal Botanic Garden nearby. For the more adventurous, Sydney Tower's outdoor platform, the Skywalk, offers 360-degree views of the city.

WHY BOOK A *World Cruise?*

Want to delay your post-holiday blues? Why not swap your usual one or two-week trip for an epic adventure on a world cruise. If you've ever returned from a holiday feeling as though you haven't had the chance to relax or you're desperate to see more of the world but can't face the planning, a world cruise might be for you.

With the opportunity to sail to different cities, countries and continents, world cruises are guaranteed to keep you busy. On one trip you can disembark in the likes of Los Angeles, Honolulu, Auckland, Sydney, Adelaide, Bali, Kuala Lumpur, Colombo and Abu Dhabi, taking in the sights and sounds of some of the Earth's most culturally diverse and fascinating destinations. If you're apprehensive about boarding a cruise ship for more than a week or two, here are five reasons to book a world cruise.

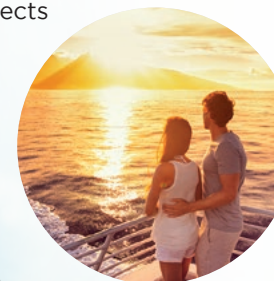

You aren't limited to one continent

World cruises cover a lot of ground (or sea, ahem), including crossing between multiple continents. If you've always wanted to travel the world but been overwhelmed by organising it all, a world cruise could be the answer. With a comfortable stateroom to unwind in and all the logistics taken care of, you are free to truly experience each destination. Your chosen ship may take you to the breathtaking fjords of Alaska, the futuristic cities of China or the wilderness of South America, perhaps all in the same trip.

Cruising is the most relaxing way to travel

One of the most appealing aspects of cruising is how relaxing it is. Once you've embarked the ship and unpacked in your stylish suite, you are free to explore and get to know your surroundings. All the planning is taken care of, including itineraries, and you don't have to worry about arranging transfers between locations. The peace of mind a world cruise can offer is a great reason to book – why wait?

You can experience many different cultures

Though many devote their holidays to a single location, world cruises provide the opportunity to experience many different cultures. Whether you want to smoke a cigar in Cuba, salsa dance in Puerto Rico, experience the hustle and bustle of Vietnam or explore Portugal's plentiful street art, world cruises are packed full of exciting cultural destinations which gives you the chance to experience multiple locations in one long, blissful holiday.

Cruising is the ultimate food tour

Keen foodies are in for a treat on a world cruise. By visiting anywhere between 20-40 destinations in one trip, you can experience a multitude of delicious cuisines. Fresh seafood awaits in French Polynesia, tasty ramen in Japan, bunny chow in South Africa, caribou in Alaska and plenty more in between. Spend your stopovers wandering through street food markets, sampling the finest ingredients each place has to offer, or slow things down at a local restaurant and take recommendations from chefs and your fellow diners. Cruising the world is perfect for food lovers.

You can get an amazing deal

Contrary to popular belief, a world cruise doesn't have to break the bank. When you consider that you could spend 101 nights on a world cruise with Fred. Olsen Cruises from £11,499 per person, doesn't it all seem worthwhile? Traditionally, world cruises set off in January or February, however, schedules have become more flexible in recent years. So, what are you waiting for? Call your Cruise Specialist and find your dream world cruise today.

YOUR GRAND VOYAGE HIGHLIGHTS

MACHU PICCHU*

Arrive through the mist and be mesmerised by the awe-inspiring sight of Machu Picchu, one of the New Seven Wonders of the World. This sprawling Inca citadel, virtually forgotten until the early 20th century, is South America's must-visit landmark.

ANTARCTICA SCENIC CRUISING

Scenic cruising the rugged Antarctic Peninsula is a maiden experience for Fred. Olsen and a journey of discovery following in the footsteps of Sir Ernest Shackleton. This difficult-to-reach region is home to many penguins and seals, all brave and battle-hardened by the elements.

THE FALKLAND ISLANDS

With its red postboxes and pleasant pubs, the remote Falklands Islands archipelago offers a British experience far from the homeland. There are excellent penguin-spotting opportunities on the coves and beaches; while the local museums and memorials offer insight into the Falklands War.

RIO DE JANEIRO

With a warm climate and a jovial atmosphere that extends well beyond Carnival week, it's easy to understand why Rio de Janeiro is known as 'Cidade Maravilhosa' ('The Marvellous City'). The ever-vibrant metropolis has plenty to offer visitors, from fabulous beaches to world-renowned landmarks including Sugarloaf Mountain, Christ the Redeemer and Copacabana Beach.

Your Incredible Voyage Highlights

MYSTICAL EASTER ISLAND

Just south of the Tropic of Capricorn, Easter Island lies 3,790 kilometres to the west of Chile. Extraordinarily remote, this island was first inhabited by Polynesians who are believed to have arrived by sea about 1,200 years ago. The island is 24 km long, with three extinct volcanic craters, and half of the area is a National Park. The island is best known as the site of more than 600 stone statues, or Moai, which stand up to nine metres in height. The statues were carved in the spectacular Rano Raraku quarry and were then believed to have been transported on wooden rollers. It is thought that the last statues were erected around 500 years ago, when the supply of trees for rollers ran out. Today the island has a population of around 5,800, mainly of Polynesian origin, and the main economic activities are cattle farming, fishing and tourism.

YOUR THREE NIGHT STAY AT THE NAYARA HANGAROA HOTEL[†]

Ranked within the top 25 resorts in the world, your stay at the Nayara Hangaroa Hotel is the perfect setting to unwind after full days exploring. Set by the ocean, overlooking the most spectacular sunsets, and constructed with impeccable detail and care, the hotel combines social and cultural responsibility with the forefront of luxury and comfort. Inspired by the local culture and natural resources of Easter Island, the rooms allow guests to feel the magical energy of the island. They invite you to rest, relax and feel at home. The ambience, highlighted by items made by local artisans, prioritises natural light and features the use of natural materials all intended to further connect your stay to the spirit of Rapa Nui. All rooms feature a terrace with ocean views, premium bedding, rain shower and free standing bathtub and bathrobes. You'll return feeling refreshed, relaxed and renewed in both body, mind and soul.

FROM SHELF TO SEA...

Whilst many of us may not have the luxury of time to indulge in a good book back at home, cruising is the perfect opportunity to delve into a new novel – or two! If you need inspiration for what to read on your next cruise, then be sure to add the below books to your list, handpicked by ROL Cruise...

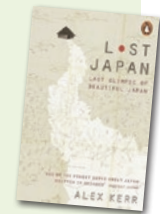

How to Travel Solo BY WANDERLUST

Whether you are solo in Antarctica or exploring India, Wanderlust magazine's *How to Travel Solo* has everything you need to know to strike out on your own. From location focus on solo hotspots, to tips about braving off the beaten path and how to find the best street food, this guide is packed with advice from solo travel experts. *How to Travel Solo* is both inspiring and instructional, helping you to get the very best out of independent travel.

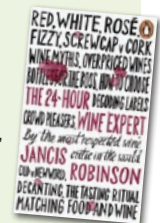

Lost Japan BY ALEX KERR

A resident for over 30 years, Alex Kerr delivers an intensely personal tour through the cultural, social and political history of Japan. *Lost Japan* is both an encomium for the rites, traditions and ceremonies that are fast disappearing from Japanese life, and a warning about the relentless threat that globalisation represents to a unique world culture.

The 24-Hour Wine Expert BY JANCIS ROBINSON

In *The 24-Hour Wine Expert*, Jancis Robinson shares her expertise with authority, wit and approachability. From the difference between red and white, to the shape of bottles and their labels, descriptions of taste, colour and smell, to pairing wine with food and the price-quality correlation, Robinson helps us make the most of this mysteriously delicious drink.

Explore at your leisure

MAY 2022

Transfer to the port in Monte Carlo and embark **Azamara OnwardSM** for your 11 night Maiden Voyage

Tue 3 - **Florence/ Pisa (from Livorno), Italy** (overnight)

But Livorno is also the gateway to magnificent art and architecture, palaces, churches, and museums of Florence, as well as Pisa's famous Leaning Tower. Decisions, decisions!

Thu 5 **Rome (from Civitavecchia), Italy**
Always enchanting, the 'Eternal City' will captivate you – no matter how many times you visit. Walk in the steps of gladiators at the Colosseum, channel your inner statesman at the Forum, or gaze up in wonder at Michelangelo's masterwork in St. Peter's Basilica

Fri 6 **Sorrento, Italy** (depart late night)

Sat 7 **Amalfi, Italy**
Live it up in the land of limoncello. Perched on one of the world's most stunning coastlines, Amalfi delivers a true Italian experience

Mon 9 **Kotor, Montenegro**
A UNESCO World Heritage Site, Kotor is filled with churches, shops, bars, restaurants, and hidden piazzas. The entire city is surrounded by stone, both in the form of imposing Mt. St. John and by towering ancient walls, creating a cosy feeling of protection when you walk the cobblestone streets
