'OVER THE MOON' WITH NEW SHIP

The christening of Silversea's ninth ultra-luxury ship marks a milestone in the cruise line's return to global service.

Silver Moon's official naming ceremony was attended in Greece by many esteemed guests, including Roberto Martinoli, President and CEO of Silversea Cruises; Captain Chavdar Georgiev and the Honorable Minister

Harry Theoharis, Greece's Minister of Tourism. Following maritime traditions, Reverend Father Ioannis Patsis blessed the vessel, before the ship's Godmother, Gaia Gaja - of the renowned Italian Gaja Winery - broke a bottle of champagne on the ship's bow.

You can also enjoy a traditional Afternoon Tea – a signature Cunard experience. For those with special dietary requirements, dining on board can be just as memorable.

WHITE STAR SERVICE

Cunard prides themselves on a service that goes above and beyond your expectations. Their attentive crew take great pride in marking your stay on board unforgettable, focusing on the little details that make a difference. You'll notice that every detail of your cruise has been carefully considered to make sure you have the most memorable experience.

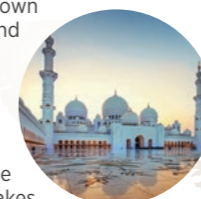

QUEEN MARY 2

Queen Mary 2 is a remarkable flagship, known for her style and elegance. Her Fresh, light-filled spaces set her apart and lend an invigorating airy feel, while contemporary Art Deco details offer a nod to her prestigious maritime past. ABU DHABI, UAE

Abu Dhabi is the culturally rich capital of the United Arab Emirates. A desert oasis once known for its pearling trade and inhabited by nomadic Bedouins, the area grew rapidly after oil was discovered in the late 1950s. With one foot in the past and one eye on the future, it makes for a unique and exciting place for the discerning traveller to discover.

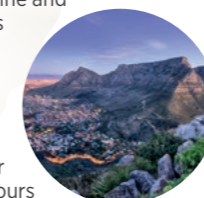

HONG KONG, CHINA

Hong Kong is amongst the most exciting cities in the world, offering an absolute wealth of things to see and do. From the exceptional views across its famous harbour to the sizzling dishes in its glamorous restaurants, you're sure to fall in love with Hong Kong.

CAPE TOWN, SOUTH AFRICA

Situated in the foothills of the 3,000 feet high flat-topped Table Mountain, Cape Town is overwhelming in its natural beauty. Its Mediterranean climate, extensive coastline and rugged mountain ranges make it one of the best places in the world to visit. Ride a cable car to the top of Table Mountain, sample fine wines at Stellenbosch, or simply while away the hours at Victoria & Alfred Waterfront.

SYDNEY, AUSTRALIA

As the ship glides towards the port, the view of the Sydney cityscape in the distance is enough to take your breath away. Attracting visitors with its iconic harbour, glorious beaches and the stunning Blue Mountains to the west, Sydney hosts nearly half of all international visits to Australia.

Cruising is Back...

The moment we have been waiting for is finally here! On Wednesday 28th July 2021, the government announced that the year-long ban on international cruising will be lifted on Monday 2nd August 2021. Following the gradual, phased resumption of cruising, approximately 800,000 people have sailed on cruises around the world, demonstrating the effectiveness of the industry's enhanced protocols. The restart of international sailings is a great step forward!

Speaking after the news was confirmed, the ROL Cruise Management Team said, "The long-awaited and much-anticipated restart of international cruising is fantastic news for our industry. We are elated that we, and our cruise line partners, can get back to doing what we love."

Andy Harmer, Managing Director, CLIA UK & Ireland said, "Our protocols are continuously evaluated and will evolve as circumstances evolve, including updated health guidance, levels of community spread, development and availability of effective rapid testing, treatments, as well as vaccines. A multi-layered approach is the right one for consumer confidence and to help mitigate risk."

This is a huge step forward for the cruise industry and we are so excited to explore the world alongside our guests again.

YOUR GRAND VOYAGE HIGHLIGHTS

MACHU PICCHU*
Arrive through the mist and be mesmerised by the awe-inspiring sight of Machu Picchu, one of the New Seven Wonders of the World. This sprawling Inca citadel, virtually forgotten until the early 20th century, is South America's must-visit landmark.

ANTARCTICA SCENIC CRUISING
Scenic cruising the rugged Antarctic Peninsula is a maiden experience for Fred. Olsen and a journey of discovery following in the footsteps of Sir Ernest Shackleton. This difficult-to-reach region is home to many penguins and seals, all brave and battle-hardened by the elements.

THE FALKLAND ISLANDS
With its red postboxes and pleasant pubs, the remote Falklands Islands archipelago offers a British experience far from the homeland. There are excellent penguin-spotting opportunities on the coves and beaches; while the local museums and memorials offer insight into the Falklands War.

RIO DE JANEIRO
With a warm climate and a jovial atmosphere that extends well beyond Carnival week, it's easy to understand why Rio de Janeiro is known as 'Cidade Maravilhosa' ('The Marvellous City'). The ever-vibrant metropolis has plenty to offer visitors, from fabulous beaches to world-renowned landmarks including Sugarloaf Mountain, Christ the Redeemer and Copacabana Beach.

Here are just some of the innovations you can look forward to as *Celebrity* take you above and *Beyond*™ ...

SUNSET BAR

Celebrity have created a chic, Moroccan-inspired escape that might just remind you of a modern day Casablanca. And that's perfect, because the moment you step through the pergola-covered entrance, you'll know this is the beginning of a beautiful friendship with one of the hottest spots at sea. The bar's aft location offers amazing wake views, creating the perfect backdrop.

ROOFTOP GARDEN

What better place could there be to gaze out to sea than float pools that are cantilevered over the open ocean? This feature is one of the highlights of the redesigned Rooftop Garden, which now extends right over the water's edge. The Rooftop Garden is filled with plenty of other unexpected pleasures, day and night, too. Settle into new shaded seating areas, designed by Kelly Hoppen CBE, that are equal parts cosy and chic. Dance the night away as talented bands play all your favourites. Or just lie back on one of the pillow-soft loungers and gaze up at the sea of stars above you.

AQUAClass® SUITES

The perfectly designed AquaClass® Sky Suites offer a blend of wellness, expansive views and intimate luxury. Each of these large suites features a king-size bed with our signature Cashmere™ mattress and a spacious private veranda. The split bathroom features a large spa tub with shower. As an AquaClass® Sky Suite guest, you'll also enjoy a long list of thoughtfully curated amenities combining the best of AquaClass® with all the benefits of The Retreat®.

‡Saving is per booking and will be applied at the time of booking. Modifications may be made to on board and to destination offerings, dependant on the current government requirements. *Celebrity Cruises*® and Reader Offers Limited Agency terms of business apply. THE NEWLY-
TRANSFORMED
S.S. LA VENEZIA

UNIQUELY UNI^WORLD

I had the very great pleasure of joining Uniworld on the 'Venice & Gems of Italy' river cruise. It was my first experience travelling with Uniworld, and I certainly was not disappointed.

Upon arrival, we were met by a Uniworld representative who took us swiftly to join the ship. She is so beautifully designed and the spaciousness I encountered immediately on board was something to admire. She is elegantly decorated in colours and prints that reflect Italian design and so much light filled her space, that I felt as though I could sit back in the lounge with a freshly-made cocktail in hand, watching the Venetian lagoon forever. It was simply an unmatched pleasure.

I found that my stateroom exceeded my expectations. The beautifully crafted Savoir® of England bed with the finest Egyptian cotton was truly the most comfortable night's sleep I have ever had. The bathroom was thoughtfully appointed with L'Occitane products.

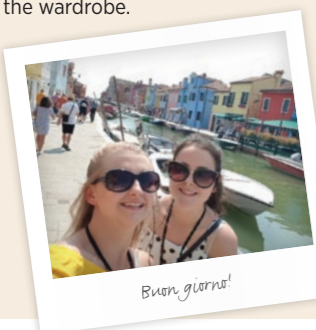

But more than anything, it was the thoughtful details that surprised and pleased me most; from the bottle of water that was replenished every time I returned to my stateroom, to the umbrella hanging in the wardrobe.

The restaurant, with its large windows and elegant furniture, was the perfect venue for the delectable cuisine I experienced on board. The hand-selected wines perfectly married with the menu every night. I've never tasted finer breads or pastries than what were produced in the on board bakery.

But the most wonderful aspect of my entire experience was the immersion into Venice that I experienced. The shore excursions on offer to everyone were so well thought out, I experienced things I wouldn't expect to as an ordinary traveller! And the knowledge of the tour guides were second-to-none.

It's in the little details, the fine wines, the elegant stateroom, the enriching excursions. This is the Uniworld difference.

INTRODUCING THE S.S. LA VENEZIA

The redesign of the *S.S. La Venezia* drew influence from the fine Fortuny fabrics displayed prominently on board. Murano glass, gilded accents and artistic etched elements pay homage to popular Venetian aesthetics of the early 20th century, creating an on board atmosphere that is at once elegant and nostalgic. Highlights of your stateroom or suite include handcrafted Savoir® Beds of England, marble bathroom with Asprey bath and body products, in-suite butler service and a fully stocked mini bar.

MORE SUSTAINABLE VOYAGES — POWERED WITH BIOFUEL

Sustainability is the core of every detail of your Hurtigruten adventure. Hurtigruten is constantly pushing boundaries, and aim to become completely emission free.

The ship will be powered with Biofuel, mixed in with Marine gasoil, to reduce emissions of carbon dioxide, nitrogen oxides and sulphur oxides. Furthermore, the Biofuel used will be environmentally certified and made from waste produce from other industries such as fishing, meaning no palm oil used in its production and no negative effects on rainforests.

As the rest of the Hurtigruten fleet, single-use plastic is banned on *MS Maud*. This ship is also equipped for shore power, completely eliminating emissions when docked in ports with shore power facilities.

THE NORTHERN LIGHTS — ENGAGE IN A TRUE ADVENTURE

PRIME TIME

The Lights can start to make an appearance as early as September and as late as May, but it is the winter months between October and March when they are most visible, laying claim to the night sky.

FRONT-ROW VIEWS

Travelling at sea under the Auroral Zone means that displays can appear right above the ship. Outdoor observation decks provide a clear line of sight to the sky, and the close-up view avoids the artificial ambient light common on land.

GET READY TO EXPLORE

Hurtigruten are the expedition experts, so any voyage you undertake will be filled with unique experiences, where you decide how you spend your day. Join expert guides on included daily activities* to some of the most picturesque and beautiful destinations that exist in the Norwegian Fjords, including maiden port Senja and the awe-inspiring Lofoten Islands.

For a just a few weeks every year, Japan blooms into vibrant pink as the nation's cherry blossom trees (also known as sakura) flower, creating stunningly beautiful scenes across the country. Delight in the fleeting beauty of these delicate flowers that frame the historic temples and towns perfectly. From snow-capped Mount Fuji to the traditions that include Geisha girls and samurai warriors. This is a Japanese experience you will not want to miss out on.

UNCOVER TOKYO WITH A TWO NIGHT 4★ HOTEL STAY[†]

You'll never forget a visit to the sensory explosion that is Tokyo. Capital of Japan, this is a city where you'll find centuries-old culture jostling for a position next to cutting-edge technology – a fabulous blend of history and modernity that has to be seen to be believed. To get a feel for Tokyo's natural beauty, head to Yoyogi Park, where cherry blossoms are resplendent in spring. Close to the Yoyogi Park is the Meiji Jingu Shrine, established in 1920 and dedicated to Emperor Meiji who helped to open Japan up to the west. As impressive as anything else is its 40-foot gate, made of 1,500-year-old cypress. At the main shrine buildings, you may show respect by bowing twice, clapping your hands twice, making a wish then bowing once more. You may be lucky enough to catch a traditional Japanese wedding procession.

SAFARI^x EXPERIENCE AT THE
AQUILA PRIVATE GAME RESERVE

Aquila Private Game Reserve is an incredible safari destination just 2 hours' drive from Cape Town. The 10,000 hectare conservancy is situated between the Langeberg and the Outeniqua Mountains in the Western Cape, South Africa, and home to the majestic 'Big 5' legends: elephant, lion, buffalo, leopard, and rhino. Aquila is proud to have re-introduced the Big 5 into the western cape and is dedicated to the preservation of wildlife. Aquila's conservation efforts extend to wildlife rehabilitation and re-introduction, land rehabilitation, anti-poaching programmes, eco-friendly tourism and community support.

Approximately 250 years ago, the Big 5 were on the verge of extinction in the Western Cape by virtue of being hunted. The owner of Aquila, driven by a desire to share his love of the wild with Cape Town, set about searching for the perfect piece of land to re-introduce the Big 5 to the Western Cape. He was fortunate enough to come across a nature reserve that would suit his purpose and was already home to various antelope species.

Your Incredible Voyage Highlights

Belmond Andean Explorer

Belmond Hiram Bingham

THE BELMOND ANDEAN EXPLORER

Rekindle the romance of the rails as you journey through a time-honoured land aboard the only luxury sleeper train in South America. The *Belmond Andean Explorer* carves a spectacular path from the UNESCO World Heritage Site of Cuzco – the capital of the Inca Empire – to the ‘White City’ of Arequipa. A hand-painted ivory exterior hints at the craftsmanship inside: fabulous timber finishes, leather seating, and bathrooms fashioned from local stone. Each cabin on board offers a haven of comfort, blending signature Peruvian accents with in-built oxygen for additional support at high altitudes.

MACHU PICCHU & THE BELMOND HIRAM BINGHAM

Nothing can quite prepare you for the mesmerising sight as you arrive through the mist to explore Machu Picchu, one of the New 7 Wonders of the World. A visit to a once-in-a-lifetime landmark calls for a once-in-a-lifetime journey, and the elegant 1920s-style carriages of the *Belmond Hiram Bingham* will truly deliver as they take you closer to this sprawling Inca citadel. When your exploration is over, enjoy an opulent afternoon tea in the *Belmond Sanctuary Lodge*, just steps away from the ruins.

*Complimentary Shore Excursions are applicable on the voyages stated and included one excursion per port/per day. Booking conditions of Silversea (ATOL 4681) and Reader Offers Limited Package

An Exclusive ROL Cruise

Q & A
with Dave Monk

Cruise writer Dave Monk has been a journalist for 42 years - most recently as Deputy Editor of Metro - and has featured in titles such as the *Daily Telegraph*, *Mail on Sunday*, *World of Cruising*, *Cruise Trade News* and *Travel Trade Gazette*.

Earlier this year, he was one of the few journalists invited on the maiden voyage of *MSC Virtuosa*, which was also the first ocean cruise to leave a UK port for 14 months. He followed this with the first cruise of the re-vamped *Celebrity Silhouette*[®] from Southampton and the second-ever sailing of tall ship *Golden Horizon*. He also plans to join *Iona*, *Scarlet Lady* and *Sky Princess* during the British summer cruise season.

Here, we ask him for his expert advice on the cruise industry for 2021 & beyond...

With ships set to return to international water later this year, how do you feel this positive step forwards will affect the industry?

Countries are returning to near-normal at different rates, so planning international cruises might remain tricky for the cruise lines for a while, but I hope everywhere will quickly realise how well-placed the industry is to deliver safe tourism. All the passengers will be fully vaccinated and/or will have to give negative tests before boarding.

Some ships have already been sailing safely since August 2020. Vaccinations and the progress in technology and protocols can only help that.

The thing that excites me most about the future of the cruise industry is that new ships – and even new lines – are on the way. From riverboats and expedition vessels, to large floating resorts, they will show how vibrant the sector is. The new ships will be more technologically advanced – and, in many cases, environmentally greener – but still deliver that unique experience of a constantly changing horizon. And, I sincerely hope, cruising will be recognised as the safest form of mass holiday in the post-pandemic age with all its stringent protocols.

What are you most excited about for the future of travel and the cruise industry?

Although I'm doing several round-Britain cruises this summer, I can't wait until I can finally sail abroad again and experience what cruising uniquely offers – the chance to visit several countries in one relaxing holiday at sea.

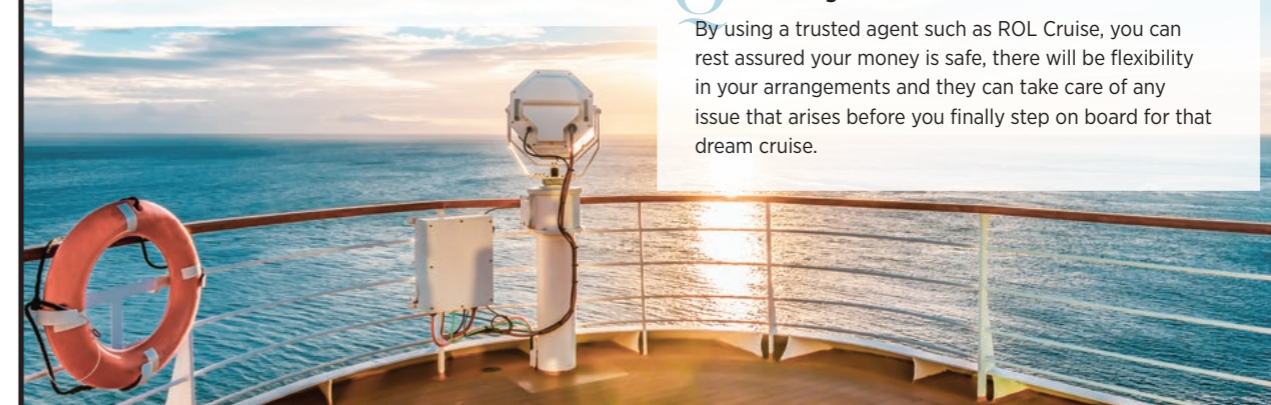

I'm certain that many of those who have been on a ship for the first time this year to enjoy our own shores will now realise the advantage of unpacking just once and being escorted to a variety of destinations within the same week, or fortnight.

What reassurances would you give to our customers who might be nervous about booking their holidays at the moment?

To anyone nervous about booking at the moment, I would advise them to choose a cruise and itinerary they are happy with. Check you are comfortable with the protocols and restrictions – otherwise, book further ahead and make sure that you have adequate insurance.

In your opinion what are the benefits of booking with a cruise travel agent such as ROL Cruise?

By using a trusted agent such as ROL Cruise, you can rest assured your money is safe, there will be flexibility in your arrangements and they can take care of any issue that arises before you finally step on board for that dream cruise.
