IN CELEBRATION OF 10 YEARS OF CRUISE MILES®

The Official Rewards Programme from ROL Cruise

We are delighted to present to you this special edition of *Blue Horizons*, in celebration of 10 years of Cruise Miles®!

Cruise Miles®, the free and official rewards programme brought to you exclusively by ROL Cruise, is endorsed by all major cruise lines and has saved our customers over £9 million. One of the biggest benefits of Cruise Miles® is that members are awarded loyalty points in addition to so many other extras that are included as standard on ROL Cruise packages. What's more, ROL Cruise customers aren't expected to choose between earning points via cruise line reward programmes or with us as an agency, they can use them both.

How does Cruise Miles® work?

- For every pound you spend with us, you'll earn one Cruise Mile®. Accumulate your Cruise Miles® for a significant saving on your next booking!
- If you've already booked your next cruise you can later choose to upgrade your cabin or flights, as the Cruise Miles® you have earned can be used for further savings. So why not treat yourself to that luxurious suite you've been admiring? It's not too late!
- You can use your Cruise Miles® towards the cost of a pre-cruise hotel stay with one of our preferred partners. Arrive feeling relaxed, refreshed and ready for your cruise.
- You can ask one of our friendly, knowledgeable Cruise Consultants what your Cruise Miles® are worth at any time.

Cruise Miles® Ambassador -

Jennie Bond

Jennie Bond and the ROL Cruise team formed a close partnership in 2012 when she became the face of Cruise Miles®. When we asked Jennie why she had chosen this role, here's what she said:

"Holidays are a real luxury and, in the current climate, we all need to be a little more selective about with whom we spend our pennies. There is a lot to be said for being loyal and I believe people need a good reason. Cruise Miles® is a wonderful excuse to take more cruise holidays, and as a member I can really treat myself, knowing that next time I book I can take advantage of so many great benefits. ROL Cruise really do look after their clients' holidays as if they were their own; I've taken a number of cruises with them and they really were super."

Here's what our loyal customers have to say...

"Stick with ROL and reap the rewards of Cruise Miles®."

Mr. E Pateman

"ROL Cruise is an excellent company who really do look after you - the Cruise Miles® provide added value to each booking"

Mr. A Warburton

"Cruise Miles® equals Cruise Miles guaranteed!"

Mr. A Jaffray

YOUR VOYAGE HIGHLIGHTS

Portobelo, Panama

Delight in wildlife encounters and cultural experiences aplenty on this fascinating maiden voyage. You may choose to tour the Gatún Locks and lake area of the Panama Canal*, gain an insight into the Mayan civilisation at Chichen Itza* (from Cozumel) or delve into the history of navigators and privateers such as Christopher Columbus and Francis Drake at Portobelo* (from Colón). Those who are looking for adventure may opt to sail down the Costa Rican canal* and spot wildlife in the rainforest, such as monkeys, sloths and toucans, or embark on a river tour in Belize and spot iguanas, crocs and manatees*.

OVERNIGHT STAY IN PUERTO LIMÓN, COSTA RICA

Although the harbour was not built until 1870 – to export Costa Rican bananas and grain – Puerto Limón is one of the oldest cities in Latin America. It was established in 1502 by Christopher Columbus and that long history has given the place some fascinating architecture and a vibrant atmosphere. The open-air market in the centre of town is a must-see, and offers anything from local handicrafts to clothes and household goods. In the side streets are interesting little bars and cafés: cashew nuts are an important crop locally, and the cashew wine is a speciality. With enough time, it is fun to take a trip* in a panga – a motorboat – along the Tortuguero Canal, which runs parallel with the coast for about 200km. Even during a short trip it is possible to see many unusual birds, as well as alligators, turtles and bats.

Turtles, Tortuguero Canal

SMALL SHIPS FOR A BIG WORLD

Fred. Olsen have always believed that small is better, because smaller ships bring big benefits. They mean Fred. Olsen can treat passengers as guests, like the family-run business they are. They can dock at smaller ports, much closer to the parts of our planet Fred. Olsen are most passionate about showing. They mean Fred. Olsen can avoid overcrowding, both aboard and ashore, so you can disembark easily and enjoy the freedom to see, explore and experience. They mean they can offer warmer, more personal levels of service. It would be easy to scale up, cram in and cut corners, but Fred. Olsen never will. Because to Fred. Olsen, the size they are, is the size they should be.

Seals in Antarctica

DISCOVER ANTARCTICA

Found only 200 years ago, Antarctica is a vast expanse of ice shelves and mountain ranges. As noted on BBC's Seven Worlds, One Planet, Antarctica is a land of survivors enduring the most hostile conditions on earth. 98% of mainland Antarctica is covered by ice on which virtually nothing can live, even the sea freezes over. The wildlife, including king penguins, humpback whales, albatross and elephant seals, allow for spectacular and surreal close encounters, all waiting to be discovered on your Antarctica voyage.

Iguazú Falls

THE ICONIC IGUAZÚ FALLS

One of the most beautiful natural features of South America is Iguazú Falls, which sits on the border of Argentina and Brazil and is surrounded by glorious flora and fauna. This where you will find the greatest annual flow of any waterfall in the world. Designated a Natural World Heritage Site by UNESCO in 1984, you will run out of words to describe just how staggering this place is and nothing will be able to describe the sound and feel of the water crashing into the plunge pools below.

INTRODUCING MS ROALD AMUNDSEN

In 2019, Hurtigruten added a brand new ship to its fleet: the *MS Roald Amundsen*. Named after the first man to cross Antarctica and reach the South Pole, *MS Roald Amundsen* leads the way towards an even more sustainable way of travelling. The ship is specially constructed for voyages in polar waters. It serves as a comfortable basecamp at sea – bringing adventurers from all over the world to the most spectacular destinations in the most sustainable way.

*Savings are based on two adults sharing the lowest grade advertised. **Expedition activities are optional and pre-bookable excursions are at a supplement and must be booked at least 28 days prior to departure. The weather, wind and ice conditions have a great influence on the programme and schedule. Safety is always the first priority and the ship's Captain will decide the final sailing schedule. Hurtigruten and Reader Offers Limited Package Holiday booking conditions apply. Please see back page for full terms and conditions.

Mon 13 - Tue 14 **Crossing Drake Passage**

Wed 15 - Sun 19 **★Antarctica★**
 The landscapes of Antarctica stretch as far as your eyes can see – a beautiful realm preserved by pristine snow and ice. Tabular icebergs, parts of the great shelves tower above the waters while ancient glaciers give birth to blue-hued icebergs that are sculpted by wind and sun. This is another world, devoid of human influence and a haven for wildlife like whales, penguins and seals. You have five days to take in every magical moment and jaw-dropping scenery Antarctica grants you. This could be gazing at distant white mountains during a walk ashore or having a playful pair of Weddell seals surface next to your small explorer boat to take a peek at you with their large inquisitive eyes. Or being in the winning lottery of those who can join optional but weather dependent activities* like kayaking, snowshoeing or even camping. These are the kinds of experiences that await you in Antarctica. Rest assured Hurtigruten plan to make the most of each landing and will choose the best sites from numerous possible locations on the Antarctic Peninsula and its surrounding islands

Mon 20 - **Crossing Drake Passage**

Tue 21 **The Falkland Islands**
 The far-flung Falkland archipelago is split between the two main islands of East and West Falkland and nearly 800 smaller islands. Your three days of exploration here and the exact landing sites for each day will be determined by local conditions at the time! Over these few days, you will try and see colonies of penguins, which often have families of fur seals mixed in among them too

Iguazú National Park a total of 55,500 hectares – bears the name of the river serving as northern border, which means "great waters" in the Guaraní language. Surrounded by a lush subtropical rainforest, you will find the majestic Iguazú Waterfalls. Its water volume and more than 275 falls places it among the most important and spectacular waterfalls in the world. On different footbridges, visit the heart of the waterfalls, appreciating them from different angles and visit the lower circuit, to feel part of nature, refreshing yourself with waterfall drizzle. On the upper circuit, stop at different viewpoints, and then reach the balcony at Garganta del Diablo (Devil's Throat). No doubt, this is the most amazing of all falls: water falls down from 80 metres (B)

Wed 29 **Iguazú Falls ★Brazilian Side★**
 Located on the west end of the Paraná River, the Iguazú Park is a huge tropical rainforest which has been declared a World Heritage Site: it is one of the largest forest reserves in South America. Countless flora and fauna species live in it. Take an elevator down to the base of the waterfalls and stop right above the river level. From a 1,000-metre footbridge, you will be able to admire the majestic Iguazú Falls or go up an elevator to the Salto Floreano viewpoint. Later, transfer to the airport for your flight to Buenos Aires. Upon arrival, transfer to a 5★ hotel for your overnight stay† (B)

JAPAN EXPLORER

featuring Snow Monkeys

YOUR VOYAGE HIGHLIGHTS

Snow Monkeys

The Japanese macaque, better known as the snow monkey, is so called because of its habitat in areas where snow covers the ground for many months each year. The monkeys can be distinguished by their red faces, brown-grey fur and short tails. During your tour, you'll spend time at the Jigokudani Monkey Park, home to the famous snow monkeys. Here you'll have the incredible opportunity to see wild monkeys bathing in a natural hot spring, known in Japan as an onsen. Marvel as large families of monkeys relax in the warm water – watching how they interact can be highly entertaining.

Tokyo, Japan

Japan's capital is the world's most populous metropolis and at once offers ultra-modern and enduring tradition. The city is a kaleidoscope of pop culture, history and innovation. Visit classical temples featuring iconic red lanterns, experience the buzz of a pachinko parlour or witness Tokyo's tech-savvy reputation at a robot restaurant.

The Incredible Aquila Private Game Reserve

Aquila Private Game Reserve is an incredible safari destination just 2 hours' drive from Cape Town. The 10,000 hectare conservancy is situated between the Langeberg and the Outeniqua Mountains in the Western Cape, South Africa, and home to the majestic Big 5 legends: elephant, lion, buffalo, leopard, and rhino. Aquila is proud to have re-introduced the Big 5 into the western cape and is dedicated to the preservation of wildlife. Aquila's conservation efforts extend to wildlife rehabilitation and re-introduction, land

rehabilitation, anti-poaching programmes, eco-friendly tourism and community support. Approximately 250 years ago, the Big 5 were on the verge of extinction in the Western Cape by virtue of being hunted. The owner of Aquila, driven by a desire to share his love of the wild with Cape Town, set about searching for the perfect piece of land to re-introduce the Big 5 to the Western Cape. He was fortunate enough to come across a nature reserve that would suit his purpose and was already home to various antelope species.
