# HELLO AND WELCOME TO YOUR CELEBRITY CRUISES® SPECIAL EDITION OF BLUE HORIZONS

Jeremy Dickinson,  
Chairman of ROL Cruise

**H**ere at ROL Cruise, we are dedicated to helping you discover the destinations you've always dreamed of visiting, together with cruise lines that you love. We've found that there's nothing better than having something to look forward to – particularly when that something is a once-in-a-lifetime holiday with Celebrity Cruises®.

I myself spent two days on *Celebrity Edge*® and felt a definite 'wow factor'. The Magic Carpet is incredible – the platform moves vertically up and down the outside of the ship like a giant elevator and is used as a tender platform or in turn a chic dinner venue. Its overall innovative design is what sets it apart, this is a direct result of Celebrity engaging Kelly Hoppen and Tom Wright to bring the ship to life. Which is just one of the many reasons we are delighted to present this exclusive Celebrity Cruises® Special edition of Blue Horizons.

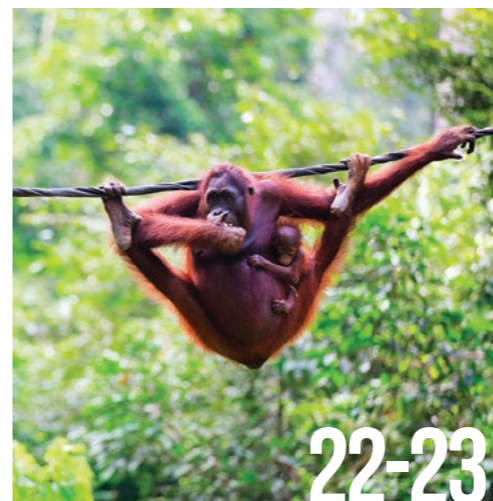

Handpicked by the experts at ROL Cruise, you will find an exciting and immersive holiday with the turn of every page, and whether you prefer No-Fly cruising – from only £699<sup>pp</sup> on pages 6-7 – or journeying 'Down Under' on pages 36-37, you are sure to find the cruise holiday of your dreams.

A whole host of exclusive ROL Cruise Signature Experiences await. Experience a once-in-a-lifetime Rocky Mountaineer journey on pages 20-21, including admission tickets to the 'Greatest Outdoor Show on Earth' – the Calgary Stampede. Turn to pages 34-35 to embark on South America & Iguazú Falls Discovery, this exclusive promotion is packed with incredible experiences – so please don't miss out!

If relaxation is what you're looking for, then turn to page 18 to escape to the islands of the Caribbean, or experience cruising from closer to home on pages 7-10.

With drinks, gratuities and Wi-Fi included for all bookings, you can rest assured that Celebrity Cruises® have taken care of everything, so all you need to do is sit back, relax and enjoy your all-inclusive new luxury holiday.

Happy Cruising!

## An Exclusive Interview with Captain Kate McCue

### THE CRUISE INDUSTRY'S FIRST AMERICAN FEMALE CAPTAIN

Captain **Kate McCue** has worked for cruise lines for 13 years, was the first American woman to captain a luxury cruise vessel and has now taken the helm of Celebrity Cruises new flagship, *Celebrity Edge*®. Here we chat to her about everything from the toughest jobs she faces at sea, to her top tips for our readers...

**Q1** Hi Captain Kate! You have made history as the cruise industry's first American female Captain. Our readers are no strangers to enjoying time on the water – what was it that first made you want to embark on a career at sea?  
When I was 12 years old, my parents took me on my first cruise. When we were packing the car to drive home, I told my dad that I wanted to work on a cruise ship when I got older, as the person who plans all the fun events on board. My dad told me that I could do that OR drive the thing, if I wanted to.

**Q2** Can you tell us a bit about your career in the cruising industry and how it is that you came to be the cruise industry's first American female Captain?  
My career on cruise ships began in 2001 as a 3<sup>rd</sup> Officer with Disney Cruise Line. With only two ships, there wasn't much career growth opportunity so I went looking for a company that was expanding. I was hired by Royal Caribbean as a 2<sup>nd</sup> Officer and worked my way up to Staff Captain over 13 years on seven different ships. In 2015 I was sailing as a guest with my husband, who was Chief Engineer on the Quantum of the Seas, when I received a call from Celebrity Cruises President and CEO Lisa Lutoff-Perlo offering me the position as Captain, which made me the first female Captain in history in America.

**Q3** As with any career, there are probably times where it isn't all plain sailing. What are some of the toughest jobs that you have to do as Captain?  
Just as with any leadership position, I believe that there shouldn't be a job that you're not willing to do. Some will be less glamorous, but that doesn't make them any less important. Some of the toughest jobs have to do with things that are outside of my control, i.e. the weather, but if I err on the side of safety, I can sleep at night knowing that a tough decision was the right decision because everyone is safe.

**Q4** What are some personal highlights of your career?  
Highlights in my career include the promotion to Captain in 2015; rescuing six lives from an adrift and sinking sailboat in 2016; making history by sailing with the first-ever all-woman bridge and management team for International Women's Day on March 8, 2020; and being able to get my crew on board the *Celebrity Edge* home during the earlier days of the pandemic.

**Q5** The cruising world is a predominately male industry, have you faced any challenges throughout your journey?  
I have not faced issues because of my gender and I attribute that to a company which has an established culture that values diversity. The secret to my success is the people I get to work

with every day, coming from over 75 different nationalities. We're all different races, religions, cultures, backgrounds, sexual orientations and genders and because we're so diverse we don't pick on each other's differences, we celebrate them. When you're surrounded by an environment that is so unique in this way, it means that I wasn't defined by my gender. I was defined by the job I do and how well I do it.

**Q6** You have amassed a huge following on social media thanks in part to your Elf Sphinx cat, Bug, who joins you on board. What made you first want to bring Bug on board?  
If my family isn't sailing with me, it can get lonely for the three-month contract away from home. The idea of having a pet, whether it be a dog or a cat, was something I'd always wanted to have on board and since I've sailed with captains who had cats and even a parrot, they'd already set the precedent.

**Q7** What's life like sailing the seven seas with a (not so) furry companion by your side?  
Bug Naked brings a sense of home and family to sailing. She constantly makes me laugh and is always there with unconditional love.

**Q8** Do you have any top tips for our readers to make the most out of the on board experience?  
My advice for both frequent cruisers, as well as those new to cruising, is to be willing to step outside your comfort zone. Try things you'd never thought of or had the opportunity, from the food we offer to the excursions and activities curated, there is something for everyone and you might just find a new passion on board.

**Q9** Do you have any top tips for our readers to make the most out of the destinations visited?  
My recommendation is to get a "taste" for the destination. Try the local cuisine, find a local artisan shop off-the-beaten-path and talk to the locals about what they love to see and do.

**Q10** What are you most excited about the future of Celebrity Cruises?  
I love Celebrity Cruises and over the last year I have seen first-hand how we treat our guests and crew. The people are what make this company so great and that's why I'm most excited to see their faces as they walk back up the gangway to join our ships.

Georgina, a Marketing Executive at ROL Cruise, experienced spectacular modern luxury on board Celebrity Cruises' brand-new ship *Edge*...

“ I was utterly delighted to be given the opportunity to stay on board this revolutionary ship. From the moment I embarked, I was truly blown away by the stunning design and décor – unlike anything I have ever seen before. The food is second-to-none and with so much choice on offer, they really do cater to everyone's taste. My favourite meal on board was in the Cosmopolitan restaurant, I had dishes recommended by our waiter – simply some of the best food and service I have ever experienced. The entertainment was superb, with a vast array of dynamic performances, including; live musicians, theatre productions, on board activities, open air cinema, plus much more! I can't wait to go back! ”

## CELEBRITY EDGE AT A GLANCE

Enjoy the same incredible features on board *Celebrity Apex*™!

### Introducing the Infinite Veranda

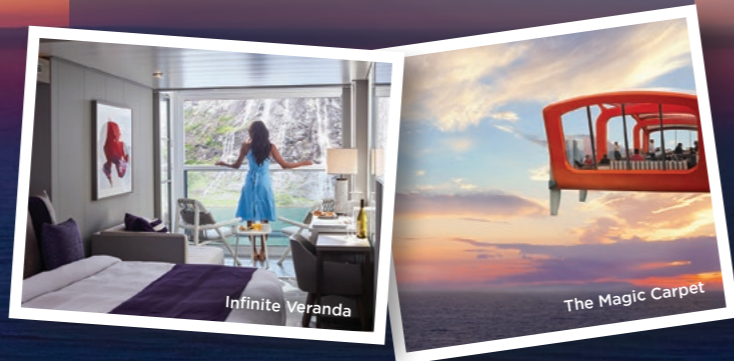

These revolutionary rooms take the standard veranda stateroom and blur the boundaries between outside and in, turning your entire living area into the veranda.

### The First-Ever "Magic Carpet"

The Magic Carpet is a marvel of engineering. This unique space acts as an extension of the ship's venues and restaurants, transforming at different decks. The Magic Carpet floats along 13 stories, where expansive glass windows promise incredible ocean views. On Deck 2, Magic Carpet turns into a luxury embarkation station on the days you're exploring in port. If you're looking to celebrate a special occasion, a select number of guests can experience intimate "Dinner on the Edge" which takes you to the apex of the ship for fine dining al-fresco.

### An Entire Art Museum at Sea

Over 4,000 pieces of art decorate the ship from bow to stern. Admire experimental takes on classic pieces, or walk through a mirrored hall of sculptures on the way to grab drinks at Eden.

## Your Galápagos Wildlife Watchlist...

### Access to the Experts

On this sailing you will be accompanied by highly qualified naturalist guides, who will share with you their deep knowledge of the Galápagos archipelago. Together, you will explore each island, trekking over black lava rocks where marine iguanas sun themselves, to see Galápagos tortoises, sea turtles and the iconic blue-footed Boobies.

#### MARINE IGUANA

Found only in the Galápagos Islands, the iconic Marine Iguanas are distinguishable by the white "wigs" of salt expelled from glands near their noses. They look fierce, but are actually gentle herbivores, surviving exclusively on underwater algae and seaweed. Their short snouts and razorsharp teeth help them scrape algae off rocks.

#### SALLY LIGHTFOOT CRAB

The brightly coloured Sally Lightfoot crab is a common sight along the shores and beaches of most of the Galápagos Islands. They are rumoured to have been named after a Caribbean dancer, due to their extreme agility, jumping from rock to rock. They're striking colours make for a stunning appearance too.

#### GALÁPAGOS SEA LION

The cute Galápagos Sea Lion is the most abundant marine mammal in the archipelago and is often seen sleeping on the beaches or swimming close to shore. Their streamlined bodies make them very efficient swimmers and hunters, especially of sardines. If you're lucky, you may get the chance to witness young pups chasing each other along the sand.

#### GALÁPAGOS PENGUIN

The Galápagos penguin is one of the smallest penguins in the world and is endemic to the Galápagos Islands. It is the most northerly occurring penguin species, nesting entirely in the tropics.

**Gemma, Head of Commercial at ROL Cruise, experienced the wonders of the Galápagos first hand...**

"Experiencing the Galápagos on a Celebrity cruise was without a doubt a once-in-a-lifetime experience and one I will look back on with fond memories for the rest of my life. When you set foot on the lava rock of the Galápagos you feel like you've entered another world! It's amazing how fearless the wildlife is, you have to be careful where you step in case there is an iguana underfoot, they really get that close. The guides from Celebrity Cruises are so knowledgeable and passionate about the islands, you could listen to their stories all day! This truly is a destination to be ticked off your bucket list."

11 NIGHTS DEPARTING 14<sup>TH</sup> JULY, 11<sup>TH</sup> AUGUST, 8<sup>TH</sup> SEPTEMBER, 8<sup>TH</sup> OCTOBER & 17<sup>TH</sup> NOVEMBER 2022  
Departs weekly – please call for details

- Day 1 **Fly from London to Quito, Ecuador**  
Upon arrival, transfer to a hotel for your two night stay
- Day 2 **Quito, Ecuador**  
Today, enjoy a **FREE** guided City Tour of Quito\* with time at your leisure to explore
- Day 3 **Quito, Ecuador**  
This morning, transfer to the airport for your flight to **Baltra, Ecuador**. Upon arrival, transfer to the port and embark **Celebrity Xploration**® for your seven night cruise  
**Black Turtle Cove, Santa Cruz Island** (pm)  
A zodiac ride into Black Turtle Cove brings you up close to the quiet wonders of the Galapagos. Once inside the cove, you'll explore the area looking for sea turtles, several species of rays and sharks
- Day 4 **Sullivan Bay, Santiago Island** (am)  
**Bartolomé Island, Galápagos Islands** (pm)  
Bartolomé Island hosts one of the region's most often-photographed views and a spectacular geologic setting. Its barren moon-like volcanic landscapes, spatter cones, and pinnacle rock make for a unique stop. It is also home to the endemic Galápagos penguin and provides an excellent opportunity for snorkelling
- Day 5 **Urvina Bay, Isabela Island** (am)  
Composed of five coalesced volcanoes, Isabela is the largest island in the Galápagos and the most recently active. Here you will see large land iguanas, finches, and if you're lucky, a giant tortoise or two. In 1954, the intrusion of magma below one of the island's volcanoes caused part of the bay to be uplifted some six metres, and today you can walk through the remains of what was once a thriving underwater reef  
**Tagus Cove, Isabela Island** (pm)  
Historically an anchorage for pirates and whalers, this site offers a breathtaking view of Isabela, its volcanoes and spectacular Darwin Lake. Along the shore, seabirds, penguins, sea lions, sea turtles, and nesting flightless cormorants can often be found
- Day 6 **Espinoza Point, Fernandina Island** (am)  
Fernandina is the youngest island in the Galápagos and, as Darwin wrote, it is "covered with immense deluges of black naked lava." Along with its extraordinary black-lava rocks, this point of land hosts the largest colony of marine iguanas in the Archipelago, along with sea lions and a nesting site for flightless cormorants  
**Vicente Roca Point, Isabela Island** (pm)  
The half-collapsed remains of an ancient volcano make for a spectacular setting at this site. Awe-inspiring cliffs, blue waters, and wildlife create a zodiac ride to remember as you search for sea turtles, penguins, fur seals, the flightless cormorant, marine iguanas, marine mammals, and the oddly shaped form of the elusive sunfish
- Day 7 **Egas Port, Santiago Island** (am)  
With its black sand beach, coastal tide pools, and blue-water grottoes, this stop offers a wonderful taste of the Galápagos and the opportunity to see shore birds, Galápagos Hawks, marine iguanas, and Galápagos fur seals. Sea lions, colourful tropical fish and sea turtles are often seen while snorkelling  
**Espumilla Beach, Santiago Island** (pm)
- Day 8 **Puerto Ayora, Santa Cruz Island**  
This is the main population centre of the islands, and home to the National Park Service tortoise-breeding centre and the Charles Darwin Research Station. You will be able to visit the tortoise-breeding centre and walk through the Charles Darwin Research Station
- Day 9 **El Barranco, Genovesa Island** (am)  
El Barranco, also known as Prince Philip's Steps after the prince who visited in 1965 and again in 1981, is a steep stairway that leads up through a seabird colony full of Nazca and red-footed boobies. Once visitors reach the plateau, the trail continues inland and passes more nesting booby colonies in the thin Palo Santo forest

- Darwin Bay, Genovesa Island** (pm)  
Darwin Bay's soft white sand is only the beginning of a spectacular excursion. A trail from the beach takes you into lush mangroves where red-footed boobies nest. Other local wildlife includes sea lions, swallow-tailed gulls, frigate birds, and more. Snorkelling is a must here, as the nutrient-rich water attracts all types of marine life, including sharks, sea lions, sea turtles, and the occasional manta ray
- Day 10 **Baltra, Galápagos Islands** (am)  
Disembark and transfer to the airport for your short flight to Quito. Upon arrival, transfer to a hotel for your overnight stay
- Day 11 **Quito City, Ecuador**  
Transfer to the airport for your overnight flight to **London**\*
- Day 12 **Arrive in London**

VISIT SEPILOK ORANGUTAN SANCTUARY

★ YOUR SEVEN NIGHT BORNEO LAND TOUR\* HIGHLIGHTS ★

FULL DAY TOUR OF KOTA KINABALU

Kota Kinabalu, the glistening jewel of Malaysia, is a dynamic, multicultural city whose exuberance will delight you. During your full day tour, you'll begin by visiting Yayasan Sahah (Sabah Foundation) building, one of the few buildings in the world to utilize a single column structure. Head to Phu Tho Se Chinese Temple, the Sabah State Mosque (one of the most outstanding pieces of architecture in Sabah) and the Sabah Museum, home to fine exhibits that chronicle Sabah's fascinating historical past and rich cultural heritage.

SEPILOK ORANGUTAN SANCTUARY

During your time in Borneo, you will have the incredible opportunity to visit the renowned

Sepilok Orangutan Sanctuary, a rehabilitation centre that strives to reintroduce captive orangutans back into the wild. Here, you'll be able to observe orangutans at their feeding stations in the rainforest and, if the nursery is open, witness baby orangutans playing amongst themselves. We promise, this is a very special moment that you will cherish forever.

MANGROVE FORESTS

From Sandakan, embark on a boat cruise up the Lower Kinabatangan River, passing pristine mangrove forests in search of wildlife. These watery forests are unlike the forests we know and are a haven for all manner of strange and beautiful creatures. Look out for the Proboscis Monkey with its unusually long nose, that can

only be found in the rainforests of Borneo, or keep your eyes peeled of an array of colourful species of bird, including the Bornean bristlehead, Rhinoceros hornbill, woodpeckers and much more.

BORNEAN SUN BEAR CONSERVATION CENTRE

Visit the Bornean Sun Bear Conservation Centre, where over 30 sun bears live in the bear house and outdoor enclosures. The centre rescues captured sun bears and is involved in the conversation, welfare rehabilitation and education of sun bears. Sun bears are one of the most recognisable species who inhabit the rainforests of Borneo, and you'll get the special opportunity to see the incredible work that the centre puts into the welfare of the species.

### MARVEL AT THE MAGICAL SNOW MONKEYS OF JAPAN

The Japanese macaque, better known as the Snow Monkey are named so because they live in areas where snow covers the ground for many months each year and can be distinguished by their red faces, brown-grey fur and short tails. During your tour, you'll spend time at the Jigokudani Monkey Park, home to the famous snow monkeys. Here you'll have the incredible opportunity to see wild monkeys bathing in a natural hot spring, known in Japan as an onsen. Accustomed to humans, the monkeys can be observed from very close quarters but as a highly protected species there are strict rules in place meaning you mustn't touch them – but you can watch! Marvel as large families of monkeys relax in the warm water – watching how they interact can be highly entertaining.

## EXPERIENCE THE NATURAL WONDER of the Great Barrier Reef

The jewel in Australia's crown, the Great Barrier Reef is blessed with the magnificent beauty of the world's largest coral reef. As one of the Seven Natural Wonders of the World, you'd expect great things from a visit here, and you can rest assured that you will not be disappointed!

Larger than the Great Wall of China, this vibrant body of water is home to an abundance of wildlife and comprises of over 3,000 individual reef systems – an unforgettable experience for many, especially those who adore nature.

Voyaging across Australia's coast before arriving in this paradisiacal, almost other-worldly destination is the perfect introduction to the reef.

As you'll discover, Australia is flawless, and there are incomparable sights and sounds en route to Cairns (known as the 'Gateway to the Great Barrier Reef'). Not only are the views breathtaking, but you'll also have the opportunity to go scuba diving\*\* and get up close and personal with over 1,500 species of fish, 134 species of sharks and more than 30 species of marine mammals, including the vulnerable dugong.
