**Q As we've spent much of 2020 ashore, many of us can't wait to take to the seas again! Do you have any exciting travel and cruising plans for 2021 and beyond?**  
We are excited to attend our granddaughters wedding in June and are very much looking forward to cruising again.

**Q When we can return to the seas, the cruise experience will be a little different to how it was before. What are your expectations for this newer way of cruising?**  
We feel that the cruising experience will be even more safe than before with raised standards – both on the ships, excursions and ports visited.

**Q What are you most looking forward to about returning to cruising?**  
Firstly, connecting with old friends and ROL Cruise customers and secondly, meeting new ones and extending the ROL Cruise family! We're particularly looking forward to the first Cocktail Party and raising a glass for good health and cruising.

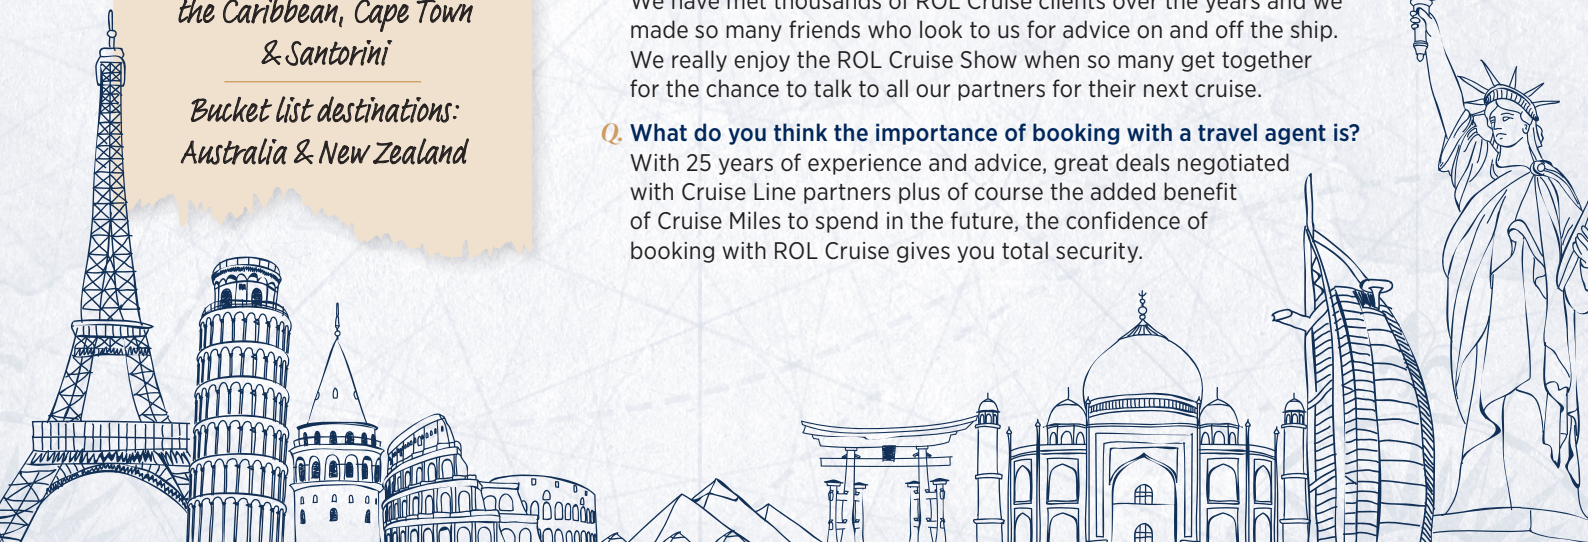

**Q What's on your travel bucket list for the next few years?**  
India, New Zealand, Australia and the Far East.

**Q Do you have any top cruising tips for our readers?**  
When we are on board, we are there for you. Be sure to listen to our tips at the Cocktail Party, and then feel free to come and find us on board for any additional tips and advice on ports of call, excursions, cruising in general and any future cruise requirements we may be able to help with.

**Q Can you tell us a bit about your unique relationship with ROL Cruise?**  
We are proud to be part of the 'Experience the Difference' offered by ROL Cruise. Knowing we are always backed up in Colchester with the support of the UK's No.1 Independent Cruise Specialist.

**Q What do you love most about being an ROL Cruise Ambassador?**  
We have met thousands of ROL Cruise clients over the years and we made so many friends who look to us for advice on and off the ship. We really enjoy the ROL Cruise Show when so many get together for the chance to talk to all our partners for their next cruise.

**Q What do you think the importance of booking with a travel agent is?**  
With 25 years of experience and advice, great deals negotiated with Cruise Line partners plus of course the added benefit of Cruise Miles to spend in the future, the confidence of booking with ROL Cruise gives you total security.

## YOUR EXPEDITION VOYAGE HIGHLIGHTS

Be among the few to sail in the wake of great explorers on as you attempt a journey through the legendary Northwest Passage. Experience the raw and daunting beauty of wild terrain on a rarely travelled voyage. Even today, few ships have the capability to navigate this isolated sea passage that cuts through stunning Arctic landscape.

★ **Ulukhaktok** – Many in the 500-strong community are involved in the local artists co-op, producing prints, tapestries, and other crafts. This is also the location of the world's northernmost golf course which plays host a tournament each summer.

★ **Cambridge Bay** – Located on Victoria Island, this is the largest stop for vessels traversing the Northwest Passage. It is also called 'Iqaluktuutiaq', or 'A Good Fishing Place' due to the Ekalluk River which attracts giant char, muskoxen, and caribou.

★ **Gjøa Haven** – Norwegian explorer Roald Amundsen wintered at this hamlet in 1903 on his

Gjøa expedition. There is an informative walking tour, Heritage Centre, and Hamlet Centre dedicated to the history and culture of the area.

★ **Fort Ross** – An abandoned Hudson's Bay Trading post located at the southern end of Somerset Island. The storehouse here is still used as a shelter by occasional travellers, with bunk beds and shelves of canned goods.

★ **Beechey Island** – This is the final resting place for three members of the lost Franklin expedition which sailed into the Northwest Passage in 1845 but never returned. It is customary for explorers to stop and pay their respects, as did Roald Amundsen in 1903.

★ **Devon Island** – Welcome to the largest uninhabited island on Earth. The only signs of human life are at the long-abandoned settlement of Dundas Harbour along with several archaeological sites from the Thule period.

★ **Pond Inlet** – Picturesque Pond Inlet, called 'Mittimatalik' in Inuktitut, is a traditional Inuit community on Baffin Island. It overlooks Eclipse Sound and the mountains of Bylot Island and is known as a great place to see large pods of narwhal.

<sup>×</sup>Expedition activities are optional and pre-bookable excursions are at a supplement and must be booked at least 28 days prior to departure. Excursions are subject to change. Please note this voyage may not be suitable. Hurtigruten and Reader Offers Limited Package Holiday booking conditions apply. Please see back page for full terms and conditions.

Wed 31 ★ **The Northwest Passage** ★  
SEPTEMBER 2022

Thu 1 - ★ **The Northwest Passage** ★

Thu 8 Sail into the heart of the Northwest Passage. Since the late 15<sup>th</sup> century, the search for this fabled seaway through the Canadian Arctic was a holy grail for hardy adventurers. There are records of almost 40 expeditions that sailed these waters. The first recorded attempt was the voyage of John Cabot in 1497. The most famous journey here was James Cook's failed attempt to sail the Passage in 1776, and of course the ill-fated Franklin expedition of 1845. The first to conquer the Northwest Passage by

ship was Norwegian explorer Roald Amundsen on an expedition that lasted from 1903 to 1906. During your sailing, you will attempt to land on several sites including Ulukhaktok, Cambridge Bay, Gjøa Haven, Fort Ross, Beechey Island, Devon Island and Pond Inlet. In addition, you will be sailing in amazing straits with unique nature and hopefully enough ice to make it for excellent wildlife spotting

Fri 9 **Cross the Davis Strait**  
Today, cross the Davis Strait, named for the English explorer John Davis, who led three expeditions in the area between 1585 and 1587

Sat 10 **Ilulissat, Greenland**  
Ilulissat is set in the stunning scenery of the Ilulissat Icefjord, a UNESCO World Heritage Site. Just outside the town, at the mouth of the fjord, you can often see enormous icebergs that have run aground. They originate from the Jakobshavn Glacier, one of the most productive glaciers in the Northern Hemisphere. The icebergs make their way down the 20km fjord before entering Disko Bay

Sun 11 **Sisimiut, Greenland**  
Sisimiut is situated 40km north of the Arctic Circle and is a modern settlement that maintains ancient traditions. Come ashore to explore the colourful town; visit the small museum, hike in the hills and shop for local handicrafts

Mon 12 – **Sail across the Labrador Sea**

Tue 13 Cross the southern part of the Labrador Sea, this time towards Newfoundland and Labrador in Canada

Wed 14 **Red Bay, Labrador, Canada**  
Red Bay, on the coast of Labrador, is a classic outpost of Atlantic Canada, a coastal community with a

population of less than 200. Wander around the former whaling town and learn about its interesting history

Thu 15 **Corner Brook, Newfoundland, Canada**  
Corner Brook is located on the west coast of the island of Newfoundland and has approx. 20,000 inhabitants. The area was first surveyed by Captain James Cook in 1767. Explore the charming town centre or enjoy its many walking trails amid vibrant autumn leaves

Fri 16 **Relaxing at sea**  
Enjoy time with the Expedition Team to look back at experiences shared and recapping your voyage

Sat 17 **Halifax, Nova Scotia, Canada**  
Disembark and transfer to a hotel for your overnight stay

Sun 18 **Halifax, Nova Scotia, Canada**  
Transfer to the airport for your overnight flight to **London**

## Your Voyage Highlights...

### DISCOVER BUENOS AIRES DURING YOUR THREE NIGHT 4★ HOTEL STAY

A melting pot of European and South American cultures, Buenos Aires is the confident capital of Argentina. Beside the busy port is a metropolis boasting eclectic architecture, delicious parrilla based cuisine and passionate Porteños. It is the birthplace of Pope Francis and Diego Maradona and final resting place of Evita. The famously seductive Argentine tango was born in the cobbled backstreets of the La Boca area, so there's no better place to experience this sultry dance. Follow the sound of a bandoneon to watch street performers and nostalgic locals entertain entranced crowds, then let the seasoned professionals wow you with a staged display of seductive moves at Senor Tango or La Ventana. If you're eager to try it yourself, plenty of lessons are available across the city, at atmospheric haunts such as La Catedral and Complejo Tango. Show off what you've learned at a milonga (social dance) or an intimate café or bar like Salon Canning.

### EXPLORE RIO DURING YOUR TWO NIGHT 4★ HOTEL STAY

Hot all year round and with a tropical rainforest extending down to the sea, it's easy to understand why Rio de Janeiro is known as "Cidade Maravilhosa" ("The Marvellous City"). When you need a retreat from the heat, sip on a Caipirinha in one of the area's pubs or grab a fresh açai smoothie from one of the many juice shops to be found on street corners throughout the city. Ascending to the peak of the beautiful Pão de Açúcar (Sugarloaf Mountain) should be on every visitor's trip checklist. Standing at 1,299 feet (396 metres) above sea level, the mountain offers stunning views of Niterói, Copacabana and Santa Cruz Fortress. An impressive 30 metres tall, the statue sits atop the Corcovado Mountain and is listed as one of the New Seven Wonders of the World. For a closer look, take a cogwheel train or minibus to the top of the mountain, where you'll also enjoy 360 degree panoramic views of the city. Famous for its colourful carnival and fabulous beaches, as well as the dramatic entry to its cruise port, Rio de Janeiro has plenty to offer visitors to the city.

**EXPLORE THE ICONIC SIGHTS OF  
JAPAN & WITNESS THE FAMOUS  
CHERRY BLOSSOM SEASON**

From snow-capped mountains to samurai warriors, Japan is a land of contrasts. Its culture has been crafted for millennia and values that have been in place for centuries are still celebrated, somehow blending perfectly with the neon lights, skyscrapers and high-tech. Each year, Japan transforms into a pink Arcadia as cherry trees become awash with their seasonal bloom. This natural marvel is so well followed in Japan, it even makes the daily weather report. Few realise that Japan is an archipelago of 6,852 islands, of which only 430 are inhabited. Japan's southernmost islands are subtropical, and here cherry blossoms can open from as early as January whereas further north, this can be late in May. All the while people gather under the blossoms to celebrate Hanami, a long-standing tradition of welcoming spring, often by gathering under the blossoms for food, drink, songs and company.

## FROM SHELF TO SEA...

Whilst many of us may not have the luxury of time to indulge in a good book back at home, cruising is the perfect opportunity to delve into a new novel – or two! Most cruise ships come equipped with an on board library, and in between excursions and exciting on board activities, heading off to a quiet nook or lounging by the pool with a novel is certainly tempting.

If you need inspiration for what to read on your next cruise, then be sure to add the below books to your list, handpicked by ROL Cruise...

### Secrets of the Great Ocean Liners

BY JOHN G. SAYERS

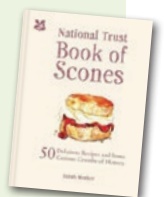

Before the advent of commercial transatlantic flights in the early 1950s, the only way to travel between continents was by sea. In the golden age of ocean liners, between the late 19<sup>th</sup> century and WWII, shipping companies ensured their vessels were a home away from home, providing entertainment, dining, sleeping quarters and smoking lounges to accommodate passengers of all ages and budgets. Available for pre-order, *Secrets of the Great Ocean Liners* leads the reader through each of the stages – and secrets – of ocean liner travel, from booking a ticket and choosing a cabin to shore excursions, dining, on board games, social events, romances, and disembarking on arrival.

### The National Trust Book of Scones

BY SARAH CLELLAND

History is best enjoyed with a scone, as everyone who's visited a National Trust house knows. This book brings you the best of both. Scone obsessive Sarah Clelland has gathered 50 scone recipes from National Trust experts around the country. And she's written a quirky guide to 50 National Trust places to delight and entertain you while you bake or eat those blissful treats.

### A Poem for Every Day of the Year

BY ALLIE ESIRI

Find inspiration on every day of your cruise with this magnificent collection of 366 poems compiled by Allie Esiri. Bursting at the seams with familiar favourites and exciting new discoveries, this soul-enhancing compendium is perfect for those thoughtful morning moments.
