GREAT BARRIER REEF

An attraction like no other, the Great Barrier Reef sits on the coast of Australia and is the only living thing on Earth that can be visibly seen from space. Stretching over 2,500km, the reef is an expanse of vivid coral that is home to some of the world's prettiest and rarest species of fish, turtles and sea mammals. There is only one way to see this natural wonder in all its glory and that's by taking a snorkelling or scuba diving tour*. Swim amongst fish, paddle into the crevices that line the coral clusters and witness the magical colours of the reef's seabed first hand.

AUCKLAND, NEW ZEALAND

Stretched over a volcanic field on New Zealand's North Island is multicultural Auckland. The country's largest city, this thriving hub offers everything you would expect - enchanting scenery at every turn, fascinating Maori heritage and friendly locals. One of the best ways to appreciate Auckland's amazing vistas is from the 328m tall Sky Tower which offers impressive 360-degree views of the city.

SYDNEY, AUSTRALIA

Spend today exploring this exciting city at your own pace. Considered one of the most cosmopolitan cities in the Southern Hemisphere, Sydney offers so much - from beaches and wineries to stunning landmarks and world-class shopping. Tour architectural marvels like the Sydney Opera House and the Sydney Harbour Bridge or take it all in from above on a tour of the Sydney Tower. You're never far from nature in this thriving urban centre. Well-known surf beaches, zoos, national parks, whale watching tours, bush tours, and the Royal Botanic Gardens.
