SILVERSEA WIN AT BRITISH TRAVEL AWARDS

Ultra-luxury cruise line SilverSea were delighted to announce that they were awarded 'Best Ultra-Luxury Cruise Line' and 'Best Specialist Cruise' at the British Travel Awards 2019. A luxurious cruise means something different to everyone, but SilverSea's small ship cruises personify the true meaning of opulence. With just over 300 suites on their largest ships, their beautiful new flagship *Silver Muse* and some of the most expansive suites at sea and ample public spaces on board, there is simply no better place between sea and sky. Their ships are small enough to visit exceptional destinations and berth right in the beating heart of the destination; yet large enough to make sure that everything you could dream of from exquisite fine dining to a personal butler and superlative service is catered for? That's real luxury.

ITALY & THE MEDITERRANEAN

14 NIGHTS DEPARTING 1ST AUGUST 2020

AUGUST 2020

- Sat 1 Embark the newly-enhanced *Celebrity Silhouette*® and depart Southampton**
- Tue 4 Gibraltar**
Gibraltar is a pleasant blend of familiar and unique. The Rock of Gibraltar is the destination's most popular attraction. Hop on a cable car to whizz up to the top of this dramatic landform and enjoy the spectacular views on offer. Gibraltar is home to the only wild monkey population in the European continent. Barbary macaques (a type of tailless ape) can be found in many areas throughout the territory, but Queen's Gate seems to be their favourite spot to hang out
- Thu 6 Cagliari, Sardinia, Italy**
The main town of Sardinia is a delight; the lagoons, bird sanctuaries, wildlife reserves and long beautiful beaches are captivating. The picturesque old town is an intriguing mix of medieval architecture with North African culture
- Fri 7 Amalfi Coast, Salerno, Italy**
Framed by Mount Vesuvius along a dramatic skyline, the 2,800 year-old port city of Naples is chock full of historical sites, churches, and museums that make it an incredible place for you to explore. And in the region where pizza was first invented, you know the food is going to be incredible. Just 35 miles down the coast, Salerno offers you a rich history but also boasts a marvellous collection of parks, natural wonders, and unique vantage points to take in the beauty of the Tyrrhenian Sea
- Sat 8 Rome (from Civitavecchia), Italy**
The Eternal City is packed with highlights, why not visit St. Peter's Basilica, the Sistine Chapel, the Colosseum, the Forum, the Pantheon and Circus Maximus. Rome's history spans 2,500 years and its historic centre is listed as a UNESCO World Heritage Site
- Sun 9 Florence/Pisa (from La Spezia), Italy**
From Livorno, travel onwards to visit the Leaning Tower, undoubtedly Pisa's most famous landmark, and its unintentional slant is the basis of many a comedic holiday snap. Alternatively, journey to Florence and visit the striking museums, palaces and churches which house some of the greatest artistic treasures in the world
- Mon 10 Provence (from Marseille), France**
- Wed 12 Seville (from Cádiz), Spain**
- Sat 15 Arrive in Southampton**

★Castries, St. Lucia★

Lush, romantic and welcoming, stunning St. Lucia is an adventure waiting to be had. The dramatic twin peaks of the Pitons make a majestic backdrop as you hike through the rainforest, sail with dolphins or sip a cocktail on a palm-fringed beach. The crystal clear waters surrounding St. Lucia are a playground for marine life. Take a sailing tour around the island and keep your eyes peeled for seasonal humpback, sperm and pilot whales as well as dolphins. Whatever you choose to fill your time on this spectacular island, don't forget to bring a book and cocktail for the ultimate in relaxation.

★Rio de Janeiro, Brazil★

Hot all year round and with a tropical rainforest extending down to the sea, it's easy to understand why Rio de Janeiro is known as "Cidade Maravilhosa" ("The Marvellous City"). When you need a retreat from the heat, sip on a Caipirinha in one of the area's pubs or grab a fresh açai smoothie from one of the many juice shops to be found on street corners throughout the city. Ascending to the peak of the beautiful Pão de Açúcar (Sugarloaf Mountain) should be on every visitor's trip checklist. Standing at 1,299 feet (396 metres) above sea level, the mountain offers stunning views of Niterói, Copacabana and Santa Cruz Fortress. An impressive 30 metres tall, the statue sits atop the Corcovado Mountain and is listed as one of the New Seven Wonders of the World.

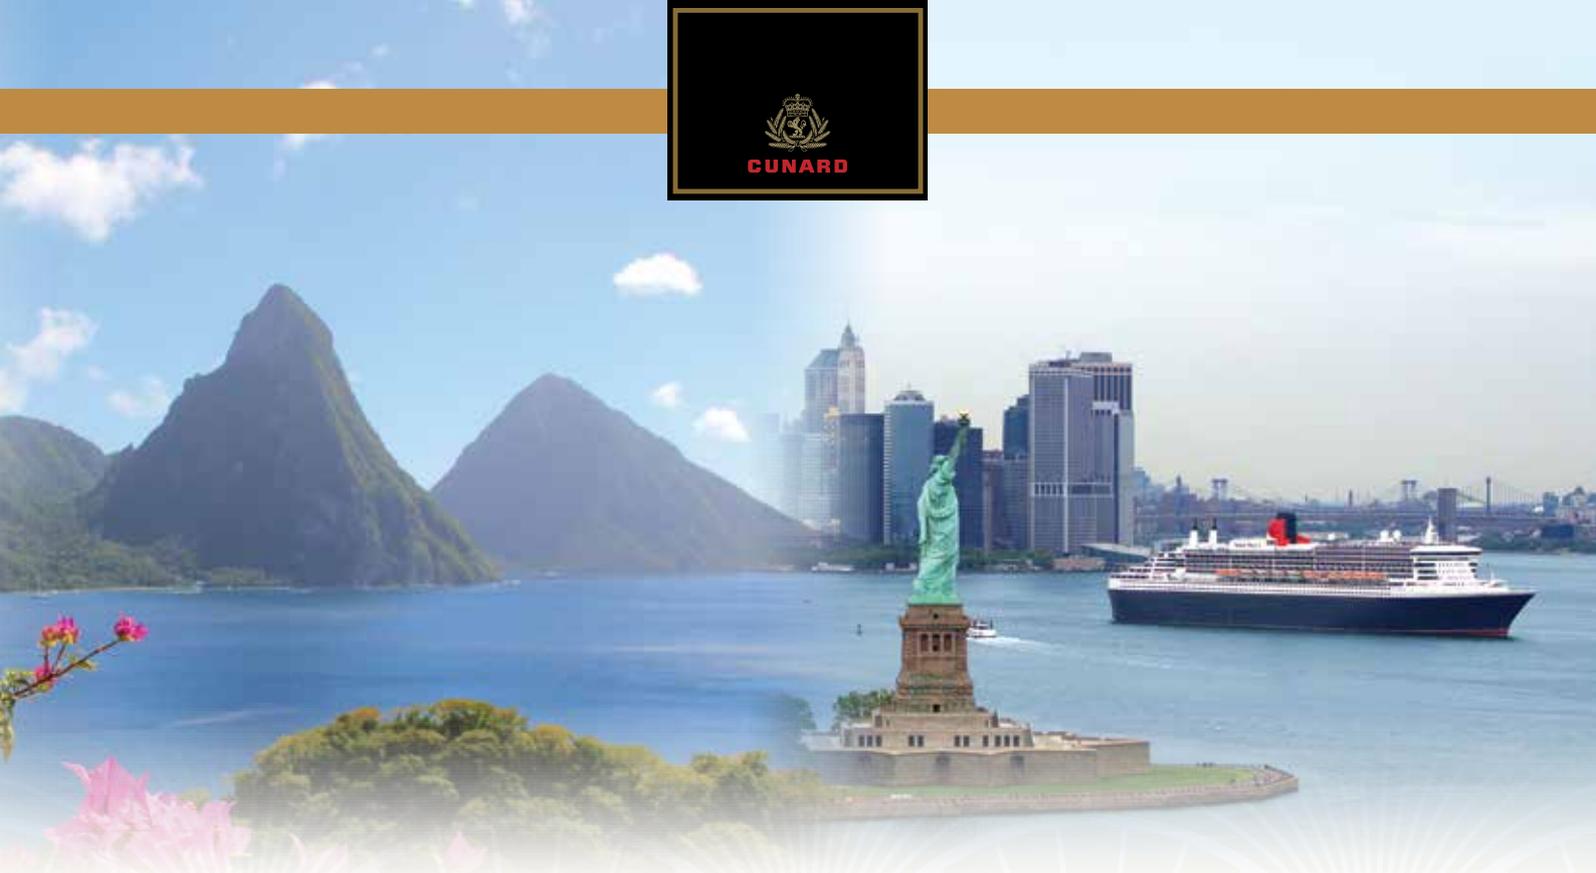

★New York, USA★

New York is the city so good they named it twice. With more restaurants, museums and iconic sights than perhaps any other destination, there's something for everyone in the Big Apple. As the setting for so many famous films, New York City contains some of the world's most universally recognised landmarks. You could easily while away an afternoon simply taking it all in. The torch-bearing Statue of Liberty is, of course, an essential sight to see, as is the world-famous Times Square. You'll also want to visit the Empire State Building – standing at 1,454 feet high, the Art Deco-style building's observation deck offers breathtaking views of the city.

★Bridgetown, Barbados★

Vibrant Bridgetown buzzes with life as Bajan locals and enraptured visitors leisurely wander amidst celebrated sights. Historic Bridgetown and its Garrison are recognised as a World Heritage Site, whilst a short walk from the harbour, the bright buildings of Pelican Village Craft Centre await. Handmade apparel, rum-infused goodies and island-inspired artwork is sure to appeal to souvenir hunters. Elsewhere on the island you'll find exotic botanical gardens, the intriguing Harrison's Cave system, renowned cricket grounds and informative museums. Plus, for a true taste of the island, enjoy a tour* of the Mount Gay Rum Distillery or discover the home-grown secret to delectable Agapey chocolate.

**Additional mileage may be available at a supplement. Booking conditions of Cunard (ATOL 6294) and Reader Offers Limited Agency terms of business apply. Please see back page for full

An Exclusive Q&A with Captain Serena Melani

The First Female Captain to Launch a Luxury Cruise Ship

Regent Seven Seas Cruises® announced in 2019 that Captain Serena Melani will helm the cruise line's newest luxury ship, *Seven Seas Splendor™*, making her the first woman in cruise industry history to captain a new ocean cruise ship at launch. Here, we speak to her about exciting firsts for the cruise line, the Regent experience and what it's really like to captain a luxury cruise ship...

1 You have made history as the first female Captain in the cruise industry to launch a new luxury ship – Regent Seven Seas Cruises luxurious *Seven Seas Splendor*. Can you tell us a bit more about this?

I am very proud and honoured to be taking the helm of *Seven Seas Splendor*, it's an important achievement for a captain to lead a new ship regardless of gender. In the early 1990s, when I started my career, discrimination and prejudice were common. I'm glad that there are many more opportunities for women now. There is a growing number of very talented female captains emerging in our industry, and we're proud to be pioneers for those women who aspire to lead ship crew.

2 You have over 30 years of maritime experience behind you, what are some of your favourite things about the cruise travel industry?

A voyage is not only about travelling to some of the world's most fascinating destinations. There is a parallel holiday experience to be enjoyed on board our ships with its own charm and tempo. Some guests love the life on board so much they decide to stay on the ship even while in port!

It's like a being in a small village. You can find any kind of personality and it's an opportunity to create fantastic shared memories with friends new and old. My main advice is to approach everyone with a friendly curiosity, and you'll have a holiday like no other.

3 You will be the Captain of *Seven Seas Splendor*, Regent's newest luxury ship. What do you think are the main highlights of this beautiful new ship?

Not only will *Seven Seas Splendor* continue Regent's

tradition of elevating the luxury cruise experience, she will also introduce a number of exciting firsts for guests to enjoy, including new destination-inspired menus, al fresco and over-sea dining experiences and new Gourmet Explorer Tours, which will deliver one-of-a-kind epicurean adventures on land.

Seven Seas Splendor will raise the bar for luxury travel, from twinkling crystal chandeliers overhead to the intricate details, exquisite finishing's and enormous balcony space of her suites. The brand-new ship will essentially perfect luxury, surrounding guests with tasteful elegance.

The ship will also feature Serene Spa & Wellness, a new globally inspired spa that offers treatments using techniques and ingredients from around the world. Serene Spa & Wellness was created for *Seven Seas Splendor* and will open in all five ships in our fleet by February 2020.

4 Do you get to spend much time with guests on board? What do you think some of their favourite things about sailing with Regent?

Regent ships have a very welcoming, convivial atmosphere and Regent attracts guests of the same personality who desire to explore the world in luxury. Many of our guests love to make new friends, spending time chatting about their adventures ashore in the beautiful bars and lounges on board.

Since my very first-time on board Regent, back in March 2010, I understood and felt that Regent would be a different experience to other cruise lines. For example, there is a calming ambiance on board – we do not broadcast loud music or make too many announcements because we want our guests to relax and enjoy the ship in an elegant environment.

This ambiance makes my job easier as, when my navigation and safety obligations allow me, I host cocktail parties, dinners and other events. These opportunities mean that I'm able to really connect with guests rather than just meet them. Connecting with our guests is a part of my job that I love.

5 You've no doubt visited many destinations across the world, are you able to tell us about some of your favourites?

I have travelled much of the world over the last 30 years at sea, so it is difficult to say what is my favourite place but I will always remember my first call to Istanbul when I was on a cargo ship sailing to the Black Sea. It's a fascinating city with peerless views when approached by sea. I would suggest the Istanbul Archaeology Museum for a unique journey through history. I was amazed by the natural wonders of Alaska and to be able to see the bubble-net feeding by a group of humpback whales. Sailing through the Amazon River is another unique experience and very difficult to describe in few words!

6 What are you most excited about for Regent's future?

I'm grateful to be working for a company that has placed so much trust in me with the launch of *Seven Seas Splendor*, and it's very exciting that Regent will launch a third sister ship to *Seven Seas Explorer* and *Seven Seas Splendor* in 2023.

With the talented teams both shore-side and on board our ships, the future is incredibly exciting, and I can't wait to see where the next chapter of the Regent Seven Seas Cruises story takes me.

FRED. OLSEN'S NEW PARTNERSHIP WITH ORCA

The ORCA Cruise Conservationist programme is a unique whale and dolphin-monitoring project, which uses cruise ships to identify and monitor whale and dolphin populations around the world. Fred. Olsen are delighted to partner with ORCA and be able to play their part in assisting with the conservation of these wonderful animals. They would like to help create safe spaces in the ocean for whales and dolphins to thrive.

Elegant *Black Watch* will be the perfect base for your adventures. Enjoy beautiful views from the stylish Observatory Lounge, perfect for spotting the incredible Humpback Whale as you cruise to Iceland. *Black Watch's* route has been carefully plotted with lots of consideration, all to ensure a heightened chance of witnessing this regal sea creature. Enjoy an incredible voyage and go in search of these natural wonders of Iceland and the Azores.

WHY CRUISE WITH FRED. OLSEN CRUISE LINES...

On board, the emphasis is on providing an intimate and more traditional cruise experience, allowing you to feel relaxed and at home, the moment you step on board. You will soon get to know the attentive crew, and by sharing your adventure with hundreds (not thousands), you can relax on board without feeling overcrowded. Jane ARCHER

Jane Archer is one of the UK's leading cruise journalists and cruise expert for the Daily Telegraph. She has been sharing her experiences with Blue Horizons' readers for the past 13 years.

I want to ... go all-inclusive

It has to be Regent Seven Seas Cruises, which not only covers everything you could ever want in the price (flights, transfers, excursions, meals, drinks, tips, Wi-Fi), but also has a new ship, *Seven Seas Splendor™*, debuting in February. Regent calls her 'luxury perfected' and she will be dazzling passengers with new cooking classes, unique excursions (underground flamenco anyone?) and lavish theatre shows. She's sailing a great variety of cruises in Europe this summer, including a round-Britain voyage from Southampton in August. You'll find details elsewhere in this month's Blue Horizons.

I want to ... stay in shape

Cue Uniworld's Douro River cruise, which has walking tours around Porto and Salamanca, through vineyards in Foz Coa archaeological park so you can exercise off all the port wine you'll be tasting for free. The cruises are on *Sao Gabriel*, a new ship launching in April with Uniworld's unique maximalist look and suites with butlers. The cruise is a week sailing round-trip from Porto.

I want to ... go exploring

Look no further than Hurtigruten's new *Fridtjof Nansen*, which launches in April, spends summer in Iceland, Greenland and

Norway, then heads to Antarctica for the winter. This is one eco-friendly ship thanks to a dual-fuel system that allows the main engines to be switched off now and then, leaving her to glide silently past icebergs or through fjords on electric power. An expedition team and science centre allow you to learn as you marvel at the majestic scenery.

I want to ... taste wine with Olly Smith

Make a date with 5th September as that's when P&O Cruises' wine guru Olly Smith will be on new ship *Iona* as she sails from Southampton to the Norwegian fjords. When you're not swirling, sniffing and sipping with Olly, there are fjords to admire, hikes to enjoy and a chance to learn about the Vikings in Stavanger's Museum of Archaeology (spoiler alert: they were pretty brutal). *Iona* launches in May and will spend summer 2020 cruising to the Norwegian fjords. You'll find details elsewhere in this month's Blue Horizons.

I want to ... go wild

That's certainly on the cards on *Silver Origin*, Silversea's new expedition ship in the Galápagos Islands, where you are guaranteed to get up close to wildlife. Marine iguanas, blue-footed boobies, giant tortoises, sea lions; you'll see them all – and more – at close quarters as the animals aren't fazed by human visitors. *Silver Origin* arrives in the islands in August and will sail two different island-hopping itineraries from Baltra to San Cristóbal and vice-versa.

SOMETHING FOR EVERYONE IN 2020

Whether you fancy gliding silently through icebergs off western Greenland, viewing vineyards in Northern Portugal or getting up close to the animals in the Galápagos, you can on a new ocean or river ship this year. Incredibly, more than 40 new vessels are launching this year, between them offering some of the most breathtaking holidays ever. It's been a tough choice but here are some of my 2020 favourites.

I want to ... cruise the Mississippi

New Orleans is all about jazz – so how fitting that American Cruise Lines' next new river boat will be called *American Jazz* and sail the Mississippi between New Orleans and Memphis. It's a brilliant itinerary that dips into history, culture and music, with two nights in New Orleans at the start and two in Memphis, the home of Elvis, at the end. You'll find details elsewhere in the magazine.

I want to ... go to the Moon

No problem – as long as we are talking about *Silver Moon*. Another luxurious new ship from the Silversea stable, this time launching in August. She features all-suite accommodation, butlers for all and Silversea's exciting new Sea and Land Taste (SALT) Programme that uses trips ashore and cooking demos on board to give you a taste – literally – of the food and culture of the countries you visit. *Silver Moon* will spend summer in the Mediterranean then follow the sun to the Caribbean and South America. If you can wait until November, ROL has a voyage that pairs a cruise through the Panama Canal with a land tour to Machu Picchu, the Lost City of the Incas. There are more details in this month's Blue Horizons but don't delay as I'm told the cruise is selling fast.

I want to ... get away for Christmas

Saga read your mind. Their Canary Island Christmas voyage not only serves up sun over the festive period but you'll be sailing on *Spirit of Adventure*, a new ship exclusively for the over-50s that launches in August and does boutique better than anyone. There are loads of single cabins, Italian and Nepalese restaurants and no extra charges for food or tips. The itinerary includes an open-air evening concert in Tenerife on Christmas Day and fireworks in Funchal on New Year's Eve. Check out the ROL website for more details.

I want to ... see Siem Reap

Can't argue with that. The Khmer temples there are breathtaking – which is why APT includes several nights in the city, as well as tours to Angkor Wat and its sister sites, at the start or end of its Mekong River cruises. Go at the end of the year and you'll cruise on the new *AmaMekong*, dine in its Indochine restaurant, which serves a delicious menu created by Australian Vietnamese chef Luke Nguyen, and be treated to an evening at Vietnam House, his excellent restaurant in Ho Chi Minh City. ROL's website has all the information, so please don't hesitate to find out more!

FAREWELL *MS TROLLFJORD*

THE 2021 ARCTIC NORWAY & NORTHERN LIGHTS PROMOTION

11 NIGHTS FROM ONLY **£1,599^{PP}**

FREE VOYAGE IF THE LIGHTS DON'T OCCUR[~]

LAST CHANCE TO SAIL ON BOARD *MS TROLLFJORD*

FREE WI-FI & TEA & COFFEE⁺⁺

ULTIMATE BUCKET LIST EXPERIENCE

FAREWELL *MS TROLLFJORD*

Named after the spectacular Trollfjord in Lofoten, this is your last chance to sail on board *MS Trollfjord* before she leaves the classic fleet and is transformed into a hybrid powered expedition ship. Inside she provides spectacular comfort, modern facilities and interior design that makes extensive use of Norwegian wood and stone.

EXPEDITION TEAM ON BOARD

MS Trollfjord has her own on board Expedition Team who serve as a university at sea. Interesting lectures, presentations and activities inside the ship as well as out on the sun deck make this an exciting and educational journey.

Out on deck you can participate in live points of interest to learn more about the nature, culture and other phenomena you'll encounter along the coast. In addition, the Expedition Team will introduce you to the uniquely Norwegian notion of 'friluftsliv' (outdoor life), and encourage you to take part in 'friluftsliv' hikes and activities during the journey.

THE NORTHERN LIGHTS – ENGAGE IN A TRUE ADVENTURE

Hurtigruten's unique heritage and unparalleled experience means that they can offer the best opportunity to see the incredible Northern Lights. The Lights will usually appear at multiple times and in multiple locations during your voyage, and on board announcements ensure that you don't miss a single sighting. There's no hidden fees or separate excursions to see the lights and no time limit either, so you can enjoy them to your heart's content for as often and for as long as they appear.

PRIME TIME

The Lights can start to make an appearance as early as September and as late as May, but it is the winter months between October and March when they are most visible, laying claim to the night sky.

FRONT-ROW VIEWS

Travelling at sea under the Auroral Zone means that displays can appear right above the ship. Outdoor observation decks provide a clear line of sight to the sky, and the close-up view avoids the artificial ambient light common on land.

GET READY TO EXPLORE

Hurtigruten are the expedition experts, so any voyage you undertake will be filled with unique experiences, where you decide how you spend your day. Join expert guides on optional activities* to some of the most picturesque and beautiful destinations that exist in the Norwegian Fjords. Or, simply enjoy the carefree, relaxed environment on board amongst Scandinavian inspired décor, as you watch stunning scenery pass you by.

NORTHERN LIGHTS PROMISE

Hurtigruten are sure that the spectacular Northern Lights will make an appearance on your 11 night Hurtigruten voyage. If not, they'll give you another voyage for FREE. That's their promise to you.

NORWAY'S COASTAL KITCHEN

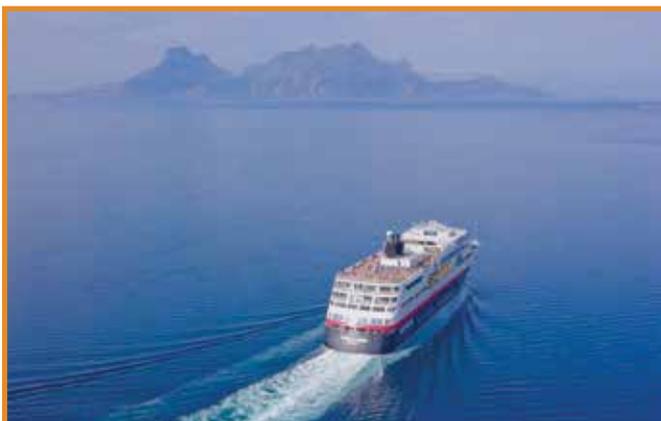

Expect sumptuous seafood caught fresh that morning, local fare such as cured lamb from Hellesylt, roast reindeer from Finnmark, homemade cloudberry jam, and ice cream from a Lofoten dairy.

Flights may be indirect. Northern Lights sightings cannot be guaranteed. ~Northern Lights Promise terms and conditions apply. Please see rolcruise.co.uk for more details. Please note, Polar views. THE FUTURE IS GREEN

Hurtigruten have made history by removing all single-use plastics from their ships.

In the hope that other cruise lines will follow suit, Hurtigruten, who sail to some of the world's most remote, pristine and delicate environments, have made their announcement at a time when concern for rising plastic in the oceans is at an all time high. To ensure they are operating with the smallest footprint possible, Hurtigruten have removed plastic straws, coffee lids and plastic bags on all of their 14 ships!

Game drive in Chobe National Park

CHOBE NATIONAL PARK

The Chobe National Park covers 10,566 square kilometres, and has one of the greatest concentrations of game found on the African continent. Its uniqueness in the abundance of wildlife and the true African nature of the region, offers a safari experience of a lifetime. The park is divided into four distinctly different eco systems: Serondela with its lush plains and dense forests in the Chobe River area in the extreme north-east; the Savuti Marsh in the west; the Linyanti Swamps in the north-west and the hot dry hinterland in between.

Chobe Game Lodge is Botswana's most exclusive safari resort, situated

in the remote and unspoilt northern extremity of the Park. The architecture is Moorish and graceful high arches, barrel-vault ceilings and tiled floors create an atmosphere of spaciousness and tranquillity. All 45 rooms are tastefully furnished and cooled by overhead punkah-punkah fans. For the connoisseur of luxury, there are four private suites each with individual swimming pools and outside garden patio. All rooms overlook the perennial Chobe River and adjacent Caprivi floodplain. Facilities within the lodge include a well-stocked curio shop, wildlife reference library and stylishly decorated Linyanti bar and lounge area.

A Cunard Cocktail: The Mary Rose

A delicious and easy to make cocktail, Cunard's 'The Mary Rose' is a stunning top-seller on board *Queen Elizabeth* and *Queen Victoria* at the Gin & Fizz bar. The cocktail is made with Cunard's very own '3 Queens Gin', *Queen Mary 2* edition.

3 Queens Gin is a collaboration with Edinburgh-based award-winning Pickering's Gin, whose owner is the great nephew of the late Cunard Captain, George Gibbons; a chance connection that has produced a most exceptional gin collection.

Ingredients:

- 20ml freshly squeezed lemon juice
- 20ml rose syrup
- 35ml 3 Queens Gin 'Queen Mary 2'
- 55ml Prosecco Zonin Special Cuvée

Glass:

- Speakeasy glass or Champagne coupe (210ml)

Garnish:

- 3 dried rose buds
- 1 mini meringue inside the glass

Method:

The method for this delicious cocktail couldn't be easier. Simply shake the gin, lemon juice and rose syrup together with ice & strain through hawthorn and fine strainers into a glass. Top with prosecco!
