AN EXCLUSIVE INTERVIEW WITH *Captain* KATE MCCUE

THE CRUISE INDUSTRY'S FIRST AMERICAN FEMALE CAPTAIN

Captain Kate McCue has worked for cruise lines for 13 years, was the first American woman to captain a luxury cruise vessel and is about to take the helm of Celebrity's newest ship, **Celebrity BeyondSM**. Here we chat to her about everything from the toughest jobs she faces at sea, to her top tips for our readers...

CAPTAIN KATE MCCUE TO TAKE THE HELM OF CELEBRITY BEYONDSM

It has been announced that Captain Kate McCue, the first American female cruise ship captain, will take the helm of **Celebrity BeyondSM**, the company's third ship in its industry-transforming Edge Series debuting in spring 2022.

Since that time Captain Kate has been a pioneer and trailblazer, breaking the gender barrier in 2015 when Lutoff-Perlo named her to be the first – and still only – American female to captain a major cruise ship – **Celebrity Summit[®]**. She moved to **Celebrity Equinox[®]** before being appointed to helm the exquisite **Celebrity Edge[®]** in September 2019. On 8th March, 2020, McCue further cemented her place in the history books when she captained the history-making, barrier-breaking sailing on Celebrity Edge that comprised a cruise ship's first-ever all-female bridge and officer team.

"To be the 'take out' captain for a new vessel is an honour for any captain and it is an absolute dream come true for me. I always say that if you see it, you can be it and I hope that Celebrity Beyond sails as an inspiration for all to see past convention in pursuit of any goal in life," said Captain Kate McCue.

Q1 HI CAPTAIN KATE! YOU HAVE MADE HISTORY AS THE CRUISE INDUSTRY'S FIRST AMERICAN FEMALE CAPTAIN. OUR READERS ARE NO STRANGERS TO ENJOYING TIME ON THE WATER – WHAT WAS IT THAT FIRST MADE YOU WANT TO EMBARK ON A CAREER AT SEA?

When I was 12 years old, my parents took me on my first cruise. When we were packing the car to drive home, I told my dad that I wanted to work on a cruise ship when I got older, as the person who plans all the fun events on board. My dad told me that I could do that OR drive the thing, if I wanted to.

Q2 CAN YOU TELL US A BIT ABOUT YOUR CAREER IN THE CRUISING INDUSTRY AND HOW IT IS THAT YOU CAME TO BE THE CRUISE INDUSTRY'S FIRST AMERICAN FEMALE CAPTAIN?

My career on cruise ships began in 2001 as a 3rd Officer with Disney Cruise Line. With only two ships, there wasn't much career growth opportunity so I went looking for a company that was expanding. I was hired by Royal Caribbean as a 2nd Officer and worked my way up to Staff Captain over 13 years on seven different ships. In 2015 I was sailing as a guest with my husband, who was Chief Engineer on the Quantum of the Seas, when I received a call from Celebrity Cruises President and CEO Lisa Lutoff-Perlo offering me the position as Captain, which made me the first female Captain in history in America.

Q3 AS WITH ANY CAREER, THERE ARE PROBABLY TIMES WHERE IT ISN'T ALL PLAIN SAILING. WHAT ARE SOME OF THE TOUGHEST JOBS THAT YOU HAVE TO DO AS CAPTAIN?

Just as with any leadership position, I believe that there shouldn't be a job that you're not willing to do. Some will be

less glamorous, but that doesn't make them any less important. Some of the toughest jobs have to do with things that are outside of my control, i.e. the weather, but if I err on the side of safety, I can sleep at night knowing that a tough decision was the right decision because everyone is safe.

Q4 WHAT ARE SOME PERSONAL HIGHLIGHTS OF YOUR CAREER?

Highlights in my career include the promotion to Captain in 2015; rescuing six lives from an adrift and sinking sailboat in 2016; making history by sailing with the first-ever all-woman bridge and management team for International Women's Day on March 8, 2020; and being able to get my crew on board the Celebrity Edge home during the earlier days of the pandemic.

Q5 DO YOU HAVE ANY TOP TIPS FOR OUR READERS TO MAKE THE MOST OUT OF THE ON BOARD EXPERIENCE?

My advice for both frequent cruisers, as well as those new to cruising, is to be willing to step outside your comfort zone. Try things you'd never thought of or had the opportunity, from the food we offer to the excursions and activities curated, there is something for everyone and you might just find a new passion on board.

Q6 WHAT ARE YOU MOST EXCITED ABOUT THE FUTURE OF CELEBRITY CRUISES?

I love Celebrity Cruises and over the last year I have seen first-hand how we treat our guests and crew. The people are what make this company so great and that's why I'm most excited to see their faces as they walk back up the gangway to join our ships.

A HONEYMOON LIKE NO OTHER WITH *CELEBRITY APEX*™...

I was lucky enough to celebrate my honeymoon on board the most incredible ship, *Celebrity Apex*™!

We cruised on a back to back voyage of the Greek Islands and Croatia just last summer. This was an experience that we will hopefully get the opportunity to have again and felt like VIPs for 14 days.

We decided to treat ourselves to a Sky Suite, and were blown away by the incentives you receive by doing so. Premium Drinks, Wi-Fi and gratuities are the main benefits, but as a suite guest you also have access to The Retreat and your own private speciality restaurant Luminae. The food is amazing and complimentary. Having a private sundeck just for suite guests also made us feel very exclusive!

As my husband and I are massive foodies, we were very excited to try the speciality restaurants on board, and with \$300 on board spending money each, we managed to eat in every single one, including The Magic Carpet, a gastronomic event!

Our favourite was Eden, the closest thing to a Michelin star restaurant in London. They had live music and acrobats performing during dinner, and the food was nothing short of spectacular. As it was our honeymoon, they surprised us with a rare bottle of Veuve Clicquot, we just felt so special, an evening we will never forget!

As our Honeymoon came to an end, we had time to reflect on the incredible time we had, the friends we made and the places we had visited! Our cruise director Giuseppe told us not to be sad it was over, but to be happy that we had been on board!

We look forward to hopefully joining my parents in 2022 on board *Celebrity Beyond*.

CELEBRITY EDGE® AT A GLANCE

ENJOY THE SAME
INCREDIBLE FEATURES ON
BOARD *CELEBRITY APEX*™!

Introducing the Infinite Veranda

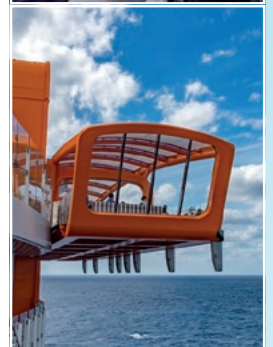

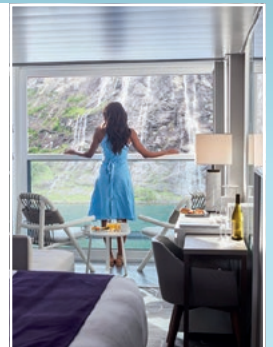

These revolutionary rooms take the standard veranda stateroom and blur the boundaries between outside and in, turning your entire living area into the veranda.

The First-Ever "Magic Carpet"

The Magic Carpet is a marvel of engineering. This unique space acts as an extension of the ship's venues and restaurants, transforming at different decks. The Magic Carpet floats along 13 stories, where expansive glass windows promise incredible ocean views. On Deck 2, Magic Carpet turns into a luxury embarkation station on the days you're exploring in port. If you're looking to celebrate a special occasion, a select number of guests can experience intimate "Dinner on the Edge" which takes you to the apex of the ship for fine dining al-fresco.

An Entire Art Museum at Sea

Over 4,000 pieces of art decorate the ship from bow to stern. Admire experimental takes on classic pieces, or walk through a mirrored hall of sculptures on the way to grab drinks at Eden.

Your Galápagos Wildlife Watchlist...

Access to the Experts

On this sailing you will be accompanied by highly qualified naturalist guides, who will share with you their deep knowledge of the Galápagos archipelago. Together, you will explore each island, trekking over black lava rocks where marine iguanas sun themselves, to see Galápagos tortoises, sea turtles and the iconic blue-footed Boobies.

MARINE IGUANA

Found only in the Galápagos Islands, the iconic Marine Iguanas are distinguishable by the white "wigs" of salt expelled from glands near their noses. They look fierce, but are actually gentle herbivores, surviving exclusively on underwater algae and seaweed. Their short snouts and razorsharp teeth help them scrape algae off rocks.

SALLY LIGHTFOOT CRAB

The brightly coloured Sally Lightfoot crab is a common sight along the shores and beaches of most of the Galápagos Islands. They are rumoured to have been named after a Caribbean dancer, due to their extreme agility, jumping from rock to rock. Their striking colours make for a stunning appearance too.

GALÁPAGOS SEA LION

The cute Galápagos Sea Lion is the most abundant marine mammal in the archipelago and is often seen sleeping on the beaches or swimming close to shore. Their streamlined bodies make them very efficient swimmers and hunters, especially of sardines. If you're lucky, you may get the chance to witness young pups chasing each other along the sand.

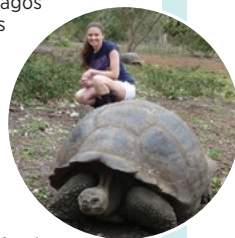

GALÁPAGOS PENGUIN

The Galápagos penguin is one of the smallest penguins in the world and is endemic to the Galápagos Islands. It is the most northerly occurring penguin species, nesting entirely in the tropics.

Gemma, Head of Commercial at ROL Cruise, experienced the wonders of the Galápagos first hand...

"Experiencing the Galápagos on a Celebrity cruise was without a doubt a once-in-a-lifetime experience and one I will look back on with fond memories for the rest of my life. When you set foot on the lava rock of the Galápagos you feel like you've entered another world! It's amazing how fearless the wildlife is, you have to be careful where you step in case there is an iguana underfoot, they really get that close. The guides from Celebrity Cruises are so knowledgeable and passionate about the islands, you could listen to their stories all day! This truly is a destination to be ticked off your bucket list."

Modifications may be made to on board and to destination offerings, dependant on the current government requirements. Celebrity Cruises® and Reader Offers Limited Agency terms of business apply.

INTRODUCING

Gourmet Dining

Food is one of life's greatest pleasures, so delicious gourmet dining comes as standard on your Celebrity cruise. Their celebrated restaurants and dining venues feature a variety of extraordinary ways to enjoy the best cuisine at sea. More space means more room for award-winning, distinctive restaurants.

With globally inspired cuisines, every menu crafted by Celebrity's Michelin-starred chef, locally sourced ingredients and dishes prepared fresh daily, your choice of fine dining whilst on holiday is extraordinary. With up to a dozen speciality restaurants, and an array of bars, lounges and clubs, every experience takes you on a journey. Choose casual or upscale, sushi or Italian, dining room or al fresco under the stars. On Edge® Series, there isn't one main restaurant, there are four, each with a different theme. With the largest & rarest wine collection at sea, there's a vintage to suit every taste and budget and on Solstice® Series, it's even housed in a crystal wine tower spanning two decks! There's also 24-hour room service (if you can squeeze it in!) and with Celebrity's Select Dining, when you dine and with whom, is entirely up to you.

MARVEL AT THE MAGICAL SNOW MONKEYS OF JAPAN

The Japanese macaque, better known as the Snow Monkey are named so because they live in areas where snow covers the ground for many months each year and can be distinguished by their red faces, brown-grey fur and short tails. During your tour, you'll spend time at the Jigokudani Monkey Park, home to the famous snow monkeys. Here you'll have the incredible opportunity to see wild monkeys bathing in a natural hot spring, known in Japan as an onsen. Accustomed to humans, the monkeys can be observed from very close quarters but as a highly protected species there are strict rules in place meaning you mustn't touch them – but you can watch! Marvel as large families of monkeys relax in the warm water – watching how they interact can be highly entertaining.

UNCOVER THE MYSTERIES OF EASTER ISLAND

Just south of the Tropic of Capricorn, Easter Island, or Rapa Nui, lies 3,790 kilometres to the west of Chile. Extraordinarily remote, this island was first inhabited by Polynesians who are believed to have arrived by sea about 1,200 years ago. The island is best known as the site of more than 600 stone statues, or Moai, which stand up to nine metres in height. The statues were carved in the spectacular Rano Raraku quarry and were then believed to have been transported on wooden rollers to their destinations. Little is known about these fascinating statues, and during your full day tours, you can begin to uncover the legends that surrounds Easter Island.

ICONIC Iguazú Falls

No amount of words or pictures can do one of Argentina's most famous natural wonders justice. The late first lady of the United States, Eleanor Roosevelt, was reported to have exclaimed "Poor Niagara", referring to Niagara Falls in New York, when she first came across Iguazu Falls. Meaning 'big water', the falls were formed some 120 million years ago and can be found in the Iguazu National Park, near the Province of Misiones.

One quarter of a million gallons of water cascade down these cliffs – some of which are taller than the Statue of Liberty – every second. This is where you will find the greatest annual flow of any waterfall in the world. Designated a Natural World Heritage Site by UNESCO in 1984, more than one million people visit the falls each year. You will run out of words to describe just how staggering this place is and nothing will be able to describe the sound and feel of the water crashing into the plunge pools below.

Your Incredible Grand Voyage Highlights

YOUR THREE NIGHT 4★ HOTEL STAY IN NEW YORK

With more restaurants, museums and iconic sights than perhaps any other destination, there's something for everyone in the Big Apple. You could easily while away an afternoon simply taking it all in. The torch-bearing Statue of Liberty is, of course, an essential sight to see, as is the world-famous Times Square. You'll also want to visit the Empire State Building – standing at 1,454 feet high, the Art Deco-style building's observation deck offers breathtaking views of the city.

YOUR TWO NIGHT 4★ HOTEL STAY IN REYKJAVIK[‡]

While Iceland is sparsely populated, its capital city is actually home to more than 120,000 people. Red, blue and orange rooftops line the streets in Reykjavik, and its eccentric residents have transformed the remote capital into a hub for street art. As well as getting to know the friendly Icelandic folk, there are some other locals you ought to seek out during your cruise. Minke whales, humpback whales, killer whales and seals patrol the waters surrounding Iceland, ashore, look out for the elusive Arctic fox, mink, rabbits and reindeer.

Please note, all-inclusive refers to the cruise element only. Modifications may be made to on board and to destination offerings, dependant on the current government requirements. Please note, as this is a back to back voyage

Catch a water taxi out to one of the many floating restaurants on the bay
