Proud to support the

NHS staff and volunteers are doing amazing work right now in caring for Covid-19 patients and we want to do our bit to show support too. During these times, it gives us all as individuals, groups and organisations the chance to show we care and to make a difference.

Here at ROL Cruise we have been thinking how we can assist in the current climate. Our commitment is to raise £100,000 to show our appreciation to the amazing NHS who are working tirelessly to save lives. For every booking made with us, we will donate £25 to the NHS Charities National campaign that acknowledges and supports the health and emotional wellbeing of those at the frontline of the NHS, including NHS Staff, volunteers and patients.

"NHS staff and volunteers are doing such amazing work in caring for patients with Covid-19 and we want to do our bit to show our support too. A donation is made for every booking made with us, which will then be used by the NHS in so many ways. We are really pleased to have received support from the Daily Mail and Telegraph with this initiative. We are confident in reaching our ambitious target and would like to thank everyone who is supporting us along the way."

Sarah Wikevand, MD, ROL Cruise

About NHS Charities Together

The NHS Charities National Covid-19 Urgent Appeal was launched to acknowledge and support NHS staff, volunteers and patients impacted by Covid-19 across the country.

The money raised is funding grants to help NHS charities support NHS staff, volunteers and patients in ways above and beyond what NHS funding can ordinarily provide, including wellbeing packs, rest and recuperation rooms, electronic tablets for isolated patients to communicate to loved ones. The funds will also resource vital care partnerships and longer term mental health recovery of staff and families.

SMALL SHIPS FOR AN INTIMATE EXPERIENCE

On a Fred. Olsen ship, you'll have room to relax and enjoy yourself in a friendly and elegant atmosphere. Big ships often drop several thousands of people at one port, and suddenly the whole place is overrun. With smaller ships and fewer guests, Fred. Olsen can show more respect for the places they visit and for the people who live there.

YOU'LL ENJOY A MORE PERSONAL SERVICE

On Fred. Olsen's smaller ships, you'll experience levels of service that other ships may be too big or too busy to provide.

THE FRED. OLSEN DIFFERENCE

Fred. Olsen Cruise Lines provide the security of ABTA and ATOL protection and their Enjoyment Promise gives real peace of mind⁺⁺. Plus, Shore Tours and purchases on board their ships are priced in Pound Sterling – so you can explore the world without worrying about exchange rates.

TREASURES OF THE ADRIATIC

22 NIGHTS DEPARTING 2ND SEPTEMBER & 24TH OCTOBER 2021

- Day 1** Embark *Spirit of Adventure* and depart Southampton
- Day 5** **Málaga, Spain**
The southern Spanish city of Málaga has a lot more to offer than a sunny Mediterranean climate. The city where artist Pablo Picasso was born is now regarded as Andalusia's cultural capital. It boasts an astonishingly diverse array of museums, narrow pedestrianised streets within the restored historic centre and the remnants of Moorish architecture
- Day 8** **Valletta, Malta**
Lined with Baroque buildings and enclosed within its 16th century city walls, it's almost as if time stands still in Valletta. With 7,000 years of history just waiting to be discovered, the Maltese capital is a dream to explore
- Day 10** **Dubrovnik, Croatia**
Situated on the far south of the Croatian coast, Dubrovnik was founded during the 7th century. The city enjoyed its golden age during the 15th and 16th centuries when its Merchant Navy rivalled Venice for maritime trade. Croatia's most famous coastal town is included on the UNESCO World Heritage List
- Day 11 -** **Venice, Italy (overnight)**
Day 12 With a maze of canals threaded through the city and hints of history to be found on every corner, it's easy to see why Venice is considered one of the most beautiful and charming destinations in the world

- Day 13** **Split Croatia**
Twisting cobbled streets lead to churches, both Roman and Gothic; while the old town of Split is remarkably well-preserved. With plenty of museums, galleries and cafés, you won't be short of things to do
- Day 14** **Kotor, Montenegro**
In Kotor, be met with car-free stone streets, medieval architecture and café-lined courtyards. Discover its maritime history at the museum within Grgurina Palace, then follow the narrow streets towards the Cathedral of Saint Tryphon
- Day 17** **Mahón, Menorca**
- Day 19** **Gibraltar**
- Day 23** **Arrive in Southampton**

Days not mentioned are spent relaxing at sea. Itinerary is based on 24th October 2021 departure. Please note, 2nd September 2021 departure is on board *Spirit of Discovery*

DID YOU KNOW?

Saga have been creating cruises exclusively for over 50s (a travelling companion can be over 40) for more than 60 years, with incredible destinations, memorable experiences and fantastic value at the heart of what they do.

YOUR SAGA EXPERIENCE

A BALCONY FOR EVERY GUEST

It's one of the most distinctive feature: every cabin has a balcony, giving you your own outside space. So whether you're cruising into New York, or around Morocco's top destinations, you have your own place to relax, enjoy the views and fresh air, and watch the sun set as you head to another incredible destination.

SUITE DREAMS

For even more luxury, why not upgrade to a sumptuous Suite? They're the most exclusive accommodation that *Spirit of Discovery* and *Spirit of Adventure* have to offer, packed with extra features and butler service designed to make your cruise even more special. Offering far more space up to a staggering 730 square feet per cabin, they feature elegant living and dining areas and much more.

SUMPTUOUS SINGLE CABINS

Solo cruisers are also spoilt for choice, with a range of over 100 single balcony cabins. This is a first for the cruising industry: no other ship has dedicated such space to single cruise-goers. In keeping with the ship's theme of choice, single cabins are available in a wide selection of grades, giving solo travellers just as much choice.

A Brighter & Safer Future, Together

As we begin to return to travel, many cruise lines and travel partners are working hard to establish new and elevated health and safety procedures and protocols in line with Cruise Lines International Association (CLIA) recommendations. Your safety and wellbeing are always the cruise lines' first priority and they want to ensure that you can travel without worry and stay safe throughout your holiday. Cruise lines already have medical facilities and doctors on board ships, they already do pre-screening, and are already used to cleaning and sanitisation, but we are all adjusting to a new way of travel. One of the great things about the cruise industry is its ability to adapt, and in taking advice from public health authorities, cruise lines are implementing ways in which they can keep you safe at sea. Here are just some of the new and enhanced health and safety procedures some cruise lines are implementing to keep you safe and give you peace of mind at sea...

Understanding & Knowledge

- Every crew member undergoes a health check and have completed WHO's official COVID-19 course for hygiene procedures and infection management.
- As normal service resumes, the overall number of guests on board will be reduced, giving you plenty of space around you when aboard.
- Before embarkation, guests will be required to hand in a health questionnaire which ensures the safety of themselves, fellow passengers and crew.
- Crew have thorough first-aid training and can quickly contact healthcare professionals should any medical need arise.

Food service

- More seating sessions for dining will be added so that there will be fewer people having their meals there at any time.
- Instead of self-service buffets, wait staff will serve food directly to your individual plate.
- The kitchens will continue to uphold its usual high standards of hygiene and quality.

Strict cleaning practices on board

- Gloves, face masks and small bottles of hand sanitizer will be readily available for each guest.
- Each ship will have a new team dedicated to ensuring communal areas are continually cleaned and disinfected.
- Sanitizing dispensers will be placed at the entrance to the ship and in other strategic locations throughout the decks.
- Any on board payments are processed using a contactless payment method and credit card machines will be wiped after each pin entry.

Excursions

Cruise lines are working closely with their travel partners to enhance health and safety protocols

- Transportation is cleaned and wiped with disinfectant before each use.
- The maximum occupancy per bus/coach has been adjusted to reduce the total number of people together at one time.
- Face masks are also available on the buses/coaches, in addition to the staterooms.

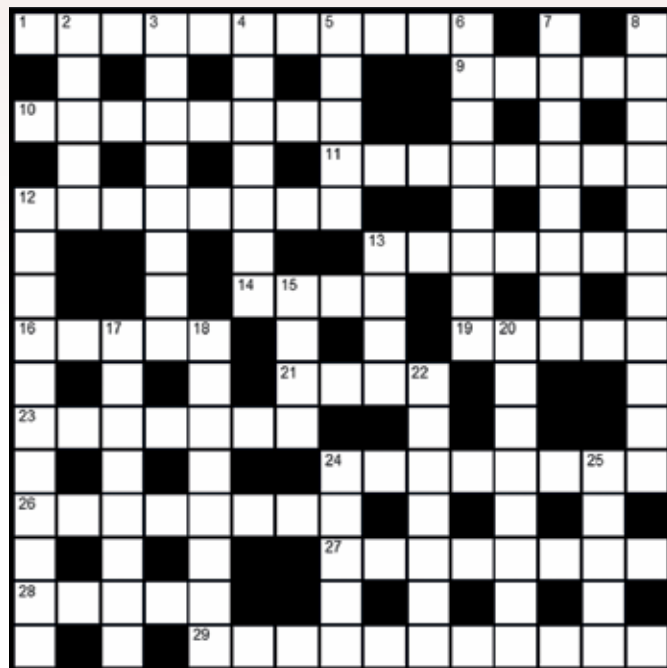

Your health and safety is of paramount importance and you can rest assured that all cruise lines are looking forward to welcoming you back on board.

To ensure they are operating with the smallest footprint possible, Hurtigruten have removed plastic straws, coffee lids and plastic bags on all of their 14 ships!

YOUR SEVEN NIGHT BORNEO TOUR[×] HIGHLIGHTS

Sepilok Orangutan Sanctuary

During your time in Borneo, you will have the incredible opportunity to visit the renowned Sepilok Orangutan Sanctuary, a rehabilitation centre that strives to reintroduce captive orangutans back into the wild. Here, you'll be able to observe orangutans at their feeding stations in the rainforest and, if the nursery is open, witness baby orangutans playing amongst themselves. We promise, this is a very special moment that you will keep with you forever.

Bornean Sun Bear Conservation Centre

Visit the Bornean Sun Bear Conservation Centre, where over 30 sun bears live in the bear house and outdoor enclosures. The centre rescues captured sun bears and is involved in the conservation, welfare rehabilitation and education of sun bears. Sun bears are one of the most recognisable species who inhabit the rainforests of Borneo, and you'll get the special opportunity to see the incredible work that the centre puts into the welfare of the species.

Mangrove Forests

From Sandakan, embark on a boat cruise up the Lower Kinabatangan River, passing pristine mangrove forests in search of wildlife. These watery forests are unlike the forests we know and are a haven for all manner of strange and beautiful creatures. Look out for the Proboscis Monkey with its unusually long nose that can only be found in the rainforests of Borneo, or keep your eyes peeled for an array of colourful species of bird, including the Bornean bristlehead, Rhinoceros hornbill, woodpeckers and much more.
