BIGGINS ON BOARD: CHRISTOPHER BIGGINS ON HIS LOVE FOR CRUISING

We recently chatted with Christopher Biggins on his love for cruising & his time aboard *Sky Princess*, which we coordinated alongside Princess Cruises. The voyage sailed Biggins and his partner Neil to the Western Caribbean and Mexico and was "simply fantastic," as Biggins later tells us, his infectious smile beaming as his passion for cruising radiates. Here are just some of the highlights.

Tell us about your cruising background. When did you first start cruising? Have you cruised a lot?

My partner Neil and I have cruised a lot over the years. When I won I'm a Celebrity... Get Me Out of Here! in 2007, part of my prize was a cruise. Unbelievably, it was *Queen Elizabeth 2's* final farewell to Australia.

Have you tried any other cruise types outside of ocean cruises?

We have! We've been to Vietnam on a river cruise and it was truly wonderful. I think cruising is a great way to travel and it's not just for people my age - cruising is for everybody! It's so exciting to wake up in the morning and see where you are. What's more, when cruising down a river, the landscape changes all the time - the backdrop is wonderful.

Let's chat more about your recent cruise aboard *Sky Princess*. How did Princess Cruises differ from other cruise lines you've sailed with?

Well, I think the difference is the luxury. *Sky Princess* was so luxurious in every way; the way she looks, the public areas, the suite, everything was gorgeous. And the staff were absolutely wonderful, looking after us was second nature to them.

How did you enjoy staying in the Most Luxurious Accommodations at Sea?

The suite, oh, the suite! It was very impressive. To have a bathroom with a bath and shower and a separate toilet area was incredible. There was lots of space and of course, the staff! Everything about it was good.

One last question! What message would you give to our readers?

One thing I would say to someone who is thinking of going on a cruise... go for it! It is the most wonderful experience and you won't regret it.

What a lovely sentiment. Thank you for your time, Biggins!

Follow in Biggins' footsteps and experience *Sky Princess* for yourself with a fantastic range of cruises featured on pages 16-17.

Fred. Olsen Cruise Lines

BE A PART OF FRED. OLSEN HISTORY

A UNIQUE OPPORTUNITY IN 2023 TO SEE FRED. OLSEN'S ENTIRE FLEET

Together with Fred. Olsen, ROL Cruise are delighted to announce a memorable reunion of Fred. Olsen's fleet of ships at 'Four Freds in Funchal' in 2023, the first meeting in fact to feature the newest additions to the fleet, *Bolette* and *Borealis*! On Thursday 9th November 2023, a day which promises to be as unforgettable as those enjoyed at the '4B's in Bergen' and 'Captains in Cádiz' events, *Balmoral*, *Braemar*, *Borealis* and *Bolette* will coordinate their arrival into charming Funchal and dock together once again for another historic day of celebration, fun and excitement.

You can enjoy all the events laid on, plus you will have the chance to explore Madeira's capital (the centre is just a short walk from the port). Framed by a backdrop of azure Atlantic waters and the lush green of the Madeiran hills, Funchal really is the fitting setting for this meeting. This spectacular occasion promises to be a marquee event in the world cruising calendar, and guests joining Fred. Olsen in Funchal can expect to enjoy entertainment and activities such as:

- ★ A memorable welcome ceremony and local performances ★
- ★ Fun competitions between guests and crews from each ship on the quayside ★
- ★ An opportunity to explore all four ships in the Fred. Olsen fleet ★
- ★ Time to venture into Madeira's cultural and historic capital ★

PLATINUM JUBILEE BONUS CRUISE MILES®

When it comes to luxury cruising, Saga believe that smaller is better. Beautifully boutique, their exclusive ships offer a uniquely British way to cruise. Sailing since 2019 and 2021 respectively, *Spirit of Discovery* and *Spirit of Adventure* are of a smaller size but are still grand and spacious. INTRODUCING *MS MAUD*

After transforming into an expedition ship running on Bio-diesel, *MS Maud* is designed to take you on a cruise in maximum comfort, equipped for a sustainable and memorable expedition. *MS Maud* will showcase natural Scandinavian materials such as granite, oak, birch and wool with all public areas redesigned to create a relaxed and stylish look and feel, and add to the premium on board experience. A specially designed Expedition Launch – the tender pit area where guests embark on their excursions and off-ship adventures – will be added, complete with tender boats and other expedition equipment. Plus, enjoy Hurtigruten's Science Center, packed with state of the art technology and high tech gadgets.

THE FUTURE IS GREEN

Hurtigruten have made history by removing all single-use plastics from their ships. In the hope others will follow suit, Hurtigruten, who sail to some of the world's most remote, pristine and delicate environments, have made this important commitment at a time when concern for rising plastic in the oceans is at an all time high. To ensure they are operating with the smallest footprint possible, Hurtigruten have removed plastic straws, coffee lids and plastic bags on all of their 14 ships, even single-use butter packaging!

THE BESTSELLING ALL-INCLUSIVE 2023/24 IMMERSIVE JAPAN

featuring the Iconic Snow Monkeys

YOUR ONCE-IN-A-LIFETIME EXPERIENCES

MARVEL AT THE MAGICAL SNOW MONKEYS OF JAPAN

The Japanese macaque, better known as the Snow Monkey are named so because they live in areas where snow covers the ground for many months each year and can be distinguished by their red faces, brown-grey fur and short tails. During your tour, you'll spend time at the Jigokudani Monkey Park, home to the famous Snow Monkeys. Here you'll have the incredible opportunity to see wild monkeys bathing in a natural hot spring, known in Japan as an onsen. Accustomed to humans, the monkeys can be observed from very close quarters but as a highly protected species there are strict rules in place meaning you mustn't touch them – but you can watch! Marvel as large families of monkeys relax in the warm water – watching how they interact can be highly entertaining.

CULTURAL KYOTO

The cultural heart of Japan, Kyoto is home to many unique traditions. Perhaps most resplendent and honoured, Kyoto is famous for Geisha, highly skilled female entertainers who are trained in the performing cultural arts of dance and classical music. Venture to the Gion area of Kyoto for a glimpse into the ancient world of Geisha. For those wishing to fully immerse themselves in ancient Japanese culture, you can rent a Kimono, the beautiful traditional attire, and take a stroll through the old city streets. Don't miss partaking in a tea ceremony at one of Kyoto's many traditional teahouses.

Your Unforgettable Highlights...

UNCOVER THE MYSTERIES OF EASTER ISLAND

Just south of the Tropic of Capricorn, Easter Island, or Rapa Nui, lies 3,790 kilometres to the west of Chile. Extraordinarily remote, this island was first inhabited by Polynesians who are believed to have arrived by sea about 1,200 years ago. The island is best known as the site of more than 600 stone statues, or Moai, which stand up to nine metres in height. The statues were carved in the spectacular Rano Raraku quarry and were then believed to have been transported on wooden rollers to their destinations. Little is known about these fascinating statues, and during your full day tours, you can begin to uncover the legends that surrounds Easter Island.

YOUR ALL-INCLUSIVE THREE NIGHT STAY AT THE 5★ NAYARA HANGAROA ECO VILLAGE & SPA[†]

Ranked within the top 25 resorts in the world, your stay at the 5★ Nayara Hangaroa Eco Village & Spa is the perfect setting to unwind after full days exploring. All rooms feature a terrace with ocean views, premium bedding, rain shower and free standing bathtub and bathrobes. Your all-inclusive stay includes breakfast, lunch, dinner a la carte, an open bar (with the exception of premium beverages), access to the pools, spa and Wi-Fi. THE 6★ ALL-INCLUSIVE JAPAN IN THE SPRINGTIME EXCLUSIVE UPGRADE SALE

Each year Japan transforms into a pink Arcadia as cherry trees are awash with their seasonal bloom. This natural marvel is so well followed in Japan, it even makes the daily weather report.

Very few realise that Japan is an archipelago of 6,852 islands, of which only 430 are inhabited. Japan's southernmost islands are subtropical, and here cherry blossoms can open from as early as January whereas further north, this can be as late as May. All the while people gather under the blossoms for food, drink, songs and company to celebrate Hanami, a long-standing tradition of welcoming spring.
