## CRUISE NEWS

### SILVERSEA CHRISTEN 100-GUEST GALÁPAGOS SHIP

Guests took to the water on Zodiacs to toast the tenth ship in the fleet, *Silver Origin*, a specialist expedition vessel designed solely for the Galápagos that will accommodate just 100 guests on board.

Speaking at the expedition-inspired ceremony in San Cristobal, Jason Liberty, President and Chief Executive, said, "Silversea's efforts to support long-term conservation here in the Galápagos Islands speak to our commitment to the environment. Our approach is built on the mantra that 'respect for the oceans is not a choice, it's a way of life.'"

# HELLO AND WELCOME TO THE MARCH BONUS 2022 EDITION OF BLUE HORIZONS

Jeremy Dickinson,  
Chairman of ROL Cruise

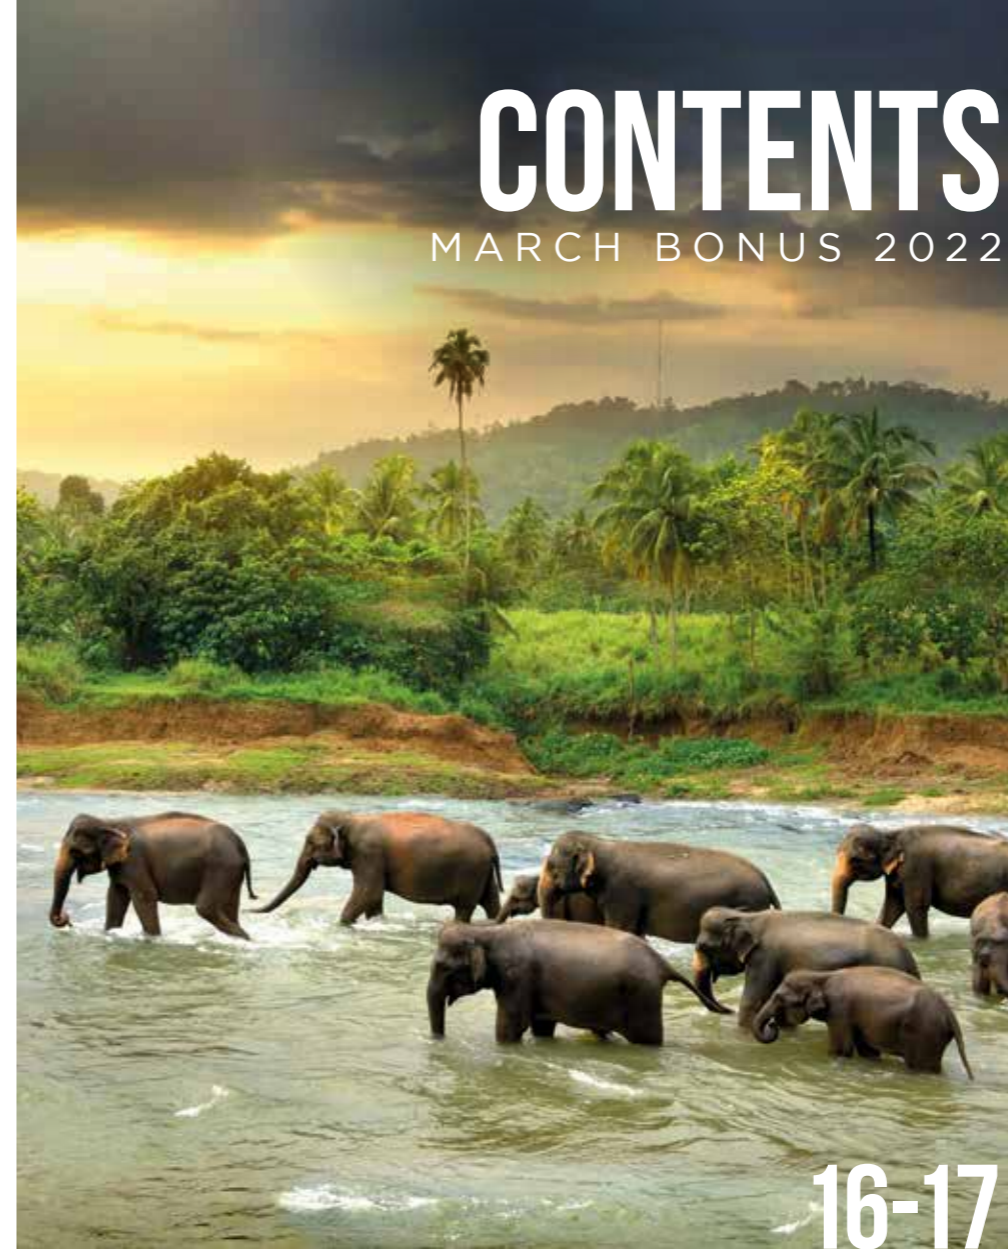

**B**ooking a holiday can be full of questions; where to go? What to pack? When is the best time of year? Thankfully the nature of cruising answers many of these questions for us. A voyage can take us to one country or many, so if you are sold on the delights of Venice and Italy, then perhaps a river cruise with Uniworld on page 22-23 is for you. Or if you can't quite narrow down that long list of dream destinations, then a world cruise will surely help you tick most of them off your list! P&O Cruises' adults-only ship *Arcadia* is waiting on pages 04-05.

We are privileged to work with so many fantastic cruise line partners, who have a deep and profound knowledge of their ships, crew, guests and, most importantly, the regions they sail in. For this reason, you can be assured a Caribbean cruise with Princess on pages 08-09 will provide glorious sunshine, and when Emerald sail their new superyacht to Dubai and the Gulf of Arabia on pages 20-21, they do so in December and January, avoiding the soaring temperatures of July and August, and taking advantage of low rain falls.

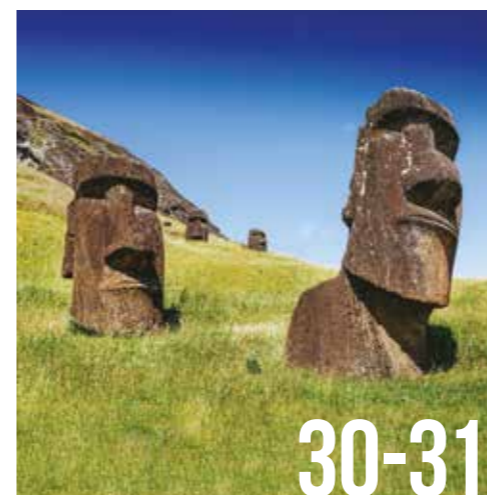

The last and biggest question can be what on Earth to pack! This is truly where a cruise can be a saving grace. Depart direct from the UK with Cunard on pages 06-07 and you won't have any limit on your luggage, allowing you to shop as much as you like in New York and take in the festivities of Independence Day in Boston.

Rest assured the big questions are taken care of in this **Exclusive Double Cruise Miles® Special Edition** of Blue Horizons. You'll find a host of other exclusive benefits too, from Private UK Chauffeur Transfers to savings, on board spending money, free gratuities and even free flights, many of which are only available to book with ROL Cruise.

**Happy Cruising!**

## INDEPENDENCE DAY

In 1775, the people of New England began fighting the British for their independence and on 2<sup>nd</sup> July 1776, the Congress secretly voted for independence from Great Britain. The Declaration of Independence was first published two days later on 4<sup>th</sup> July 1776, but wasn't actually signed until a month later. Today, Independence Day is a federal holiday in the United States commonly known as the 'Fourth of July', where celebrations include fireworks, parades, barbecues, carnivals, sports games and much more.

### QUEEN MARY 2

*Queen Mary 2* is a remarkable flagship, known for her style and elegance. Her fresh, light-filled spaces set her apart and lend an invigorating airy feel, while contemporary Art Deco details offer a nod to her prestigious maritime past. Decipher the mysteries of the night sky in her on board planetarium; Illuminations - destined to be a highlight of your voyage!

### WHITE STAR SERVICE - AS IMMACULATE AS A PAIR OF WHITE GLOVES

Cunard pride themselves on a service that goes above and beyond your expectations. It's the warm smile that welcomes you on embarkation, the white gloved hand that serves you Afternoon Tea, and the polite yet friendly greeting in the corridor.

### STUNNINGLY APPOINTED ACCOMMODATION

Luxury is in the details. And with elegant suites and staterooms, sumptuous new restaurants and a re-imagined Grills experience reaffirm Cunard as the best of the best. There is a range of well-appointed accommodation to choose from.

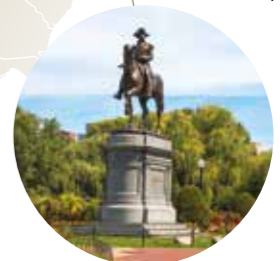

### TWO FULL DAYS IN NEW YORK

As the setting for so many famous films, New York City contains some of the world's most universally recognised landmarks. You could easily while away an afternoon simply taking it all in. The torch-bearing Statue of Liberty is, of course, an essential sight to see, as is the world-famous Times Square. You'll also want to visit the Empire State Building - standing at 1,454 feet high, the Art Deco-style building's observation deck offers breath-taking views of the city.

### BOSTON, MASSACHUSETTS, USA

One of the United States' oldest cities, Boston has had a pivotal role in American history since it was founded almost 400 years ago. Today, this capital of Massachusetts offers a fantastic array of things to see and do, from its cultural attractions to grand architecture.

DRINKS & WI FI INCLUDED\*\*

EXCLUSIVE SAVINGS OF UP TO **£1,080\***

SMALL SHIP EXPEDITION VOYAGE ONLY 180 PASSENGERS

UNIQUE DESTINATIONS & INCREDIBLE UNESCO SIGHTSEEING OPPORTUNITIES

## YOUR MAIDEN SEASON EXPEDITION HIGHLIGHTS

From rocky volcanic promontories in the deep Atlantic, warmed by the dry Saharan winds in the north, to lush and humid tropical rainforests further south, you'll experience a mosaic of cultures, peoples, traditions, landscapes and ecosystems. Dakar, the buzzing capital of Senegal, lies on a promontory jutting out into the ocean.

Laid-back Cape Verde is situated around 350 miles from the African mainland. Its location creates some rare oceanic habitats, with coral reefs rich in marine life, and seas where cetaceans and turtles thrive. It's also a bird-watcher's paradise, with many fascinating species arriving as temporary visitors, together with several extremely rare endemic species.

The Bissagos archipelago, located off the coast of Guinea-Bissau, is a pristine tropical paradise. These islands, which are a UNESCO Biosphere Reserve, are known for their incredible biodiversity. They are also home to the Bijagos people - who have retained their ancient animistic beliefs, and live in a matriarchal society where women manage the economic, political and religious lives of their communities.

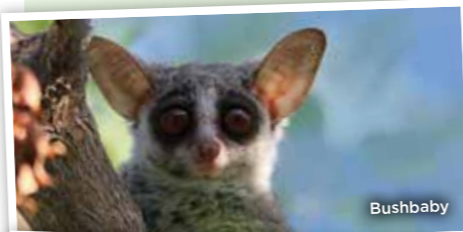

## YOUR EXPEDITION TEAM ON BOARD

*MS Spitsbergen* has its own on board Expedition Team and serves as a university at sea. Interesting lectures inside the ship as well as out on the sun deck make this an exciting and educational journey. Topics depend on the season and the waters we sail in. The Expedition Team host a lecture programme and evening gatherings daily. Out on deck you can participate in live points of interest to learn more about the nature, culture and other phenomena we encounter along the coast. In addition, the Expedition Team will introduce you to the uniquely Norwegian notion of 'friluftsliv' (outdoor life), and encourage you take part in 'friluftsliv' hikes and activities during the journey.

## THE FUTURE IS GREEN

Hurtigruten have made history by removing all single-use plastics from their ships. In the hope others will follow suit, Hurtigruten, who sail to some of the world's most remote, pristine and delicate environments, have made this important commitment at a time when concern for rising plastic in the oceans is at an all time high. To ensure they are operating with the smallest footprint possible, Hurtigruten have removed plastic straws, coffee lids and plastic bags on all of their 14 ships, even single-use butter packaging!

## WILDLIFE WATCHLIST

Please note, wildlife images are for illustrative purposes only. Expedition activities are optional and pre-bookable excursions are at a supplement and must be booked at least 28 days prior to departure. Excursions are subject to change. Please note weather, wind and ice conditions have a great influence on the itinerary and the ship's Captain will decide the final sailing schedule. Therefore, the itinerary is subject to change. This voyage may not be suitable for guests with reduced mobility. Hurtigruten and Reader Offers Limited Agency Terms and Conditions apply. Please see back page for full terms and conditions.

YOUR 13 NIGHT WEST AFRICA & CAPE VERDE EXPEDITION DEPARTS 27<sup>TH</sup> NOVEMBER & 9<sup>TH</sup> DECEMBER 2022 & 2<sup>ND</sup> JANUARY 2023

- Day 1 **Fly from London to Dakar, Senegal\***. Upon arrival, transfer to the port and embark *MS Spitsbergen* for your 12 night West Africa & Cape Verde expedition
- Day 2 **Relaxing at sea**  
Enjoy an idyllic day at sea with plenty to do. Meet your Expedition Team, who prepare you for exciting adventures ahead
- Day 3 **Praia, Cape Verde - The African Soul of Cape Verde**  
Santiago is the largest island in the archipelago, with almost half of all Cape Verdeans living here. It's the perfect introduction to Cape Verde as there's a little bit of everything, including the vibrant capital of Praia, the UNESCO-protected Cidade Velha, sandy beaches, green valleys and craggy mountains. It's also reckoned to be the most African island culturally, and music is woven into the fabric of life here
- Day 4 **São Filipe, Cape Verde - Adventure landing on an active Volcano**  
Get ready for an exploration day. Fogo is dominated by a huge, active volcano which at 9,281 ft. is the highest point in the Cape Verde archipelago. It's also one of the most challenging islands to land on. There are no natural harbours or sheltered bays, just an exposed coast rising from the ocean which climbs steeply from the sea up to the summit of the volcano
- Day 5 **Porto Novo, Cape Verde - Mountain paradise of Cape Verde**  
Welcome to what many say is the most spectacular of the Cape Verde isles. The highest point on the island is Tope da Coroa, which at 6,492 ft. is the second-highest mountain in the archipelago. Santo Antão is big and craggy, and its inhabitants are concentrated in just a few scattered settlements. The rugged topography doesn't lend itself to agriculture, so most of the island is naturally preserved as a wilderness sanctuary
- Day 6 **Sal Rei, Cape Verde - A piece of Sahara**  
Boa Vista is the easternmost island of Cape Verde and one of the most sparsely populated. Ringed by reefs and littered with dunes, this flat, barren and desert-like island is closer to the African mainland than any of its neighbours. The rugged coastline, with its pristine beaches, is perfect for soaking up the sun, but for centuries it was a deadly trap for ships in search of a safe harbour as the numerous wrecks along the coast testify
- Day 8 - Day 11 **Bissagos Islands, Guinea Bissau - Matriarchal societies in a biodiversity hotspot**  
The Bissagos archipelago consists of twenty main inhabited islands and almost seventy smaller ones. Declared a Biosphere Reserve by UNESCO in 1996, these tropical islands are renowned for their diversity, with ecosystems including mangrove swamps, palm groves, rainforest, wooded savannah and coastal lagoons. With around 500 different kinds of birds, several species of sea turtles, crocodiles, some amazing snakes including black and green mambas, elusive manatees, and the unique saltwater hippos - which can best be spotted in November and the beginning of December - there's plenty of wildlife calling the Bissagos Islands home
- Day 12 **Banjul, The Gambia - The smallest capital in Africa**  
Banjul is the island capital of Gambia. Located in the mouth of the river Gambia and almost surrounded by mangroves, the city doesn't have much room for expansion. However, this limitation has been a bonus for tiny Banjul, keeping the city far more relaxed and easygoing than many of the bigger African capitals
- Day 13 **Dakar, Senegal**  
It is time to say farewell to *MS Spitsbergen* and all the crew and staff on board. Immediately after disembarkation you can join a Dakar City Tour, which takes in the main sights of Senegal's capital such as Independence Square, the African Renaissance Monument, the cathedral and the west and east Corniche. With the tour complete, you'll be taken to a hotel where you can spend the rest of the day at leisure before transferring to the airport for your flight to **London\***
- Day 14 **Arrive in London**  
Days not mentioned are spent relaxing at sea. Itinerary is based on 2<sup>nd</sup> January 2023 departure and ports of call may vary on other dates
