Plus, Gemma was given a sneak peek of **Queen Anne's** outdoor spaces including the Panorama Pool Club which she describes as the ideal spot to soak up the sunshine and enjoy a cocktail or two.

## JANE ARCHER

Jane Archer is one of the UK's leading cruise journalists and cruise expert for the Daily Telegraph. She has been sharing her experiences with Blue Horizons' readers for the past 17 years.

I'm on my balcony, feet dangling in a whirlpool, my eyes taking in the 270-degree views of the horizon stretching far off in the distance. The sun is shining, the sea is blue, the Champagne is on ice and life in the Otium Suite is as good as it gets.

Well, okay, I'm not actually staying in the suite – I've just popped in to look around – but a girl can dream can't she? And believe me, this accommodation – the suite is the biggest and best on Silversea's new **Silver Nova** – is a wonderful dream.

The ship's name, from the Latin novus, meaning new, sums up everything about this vessel. For one thing there's a host of environmentally-friendly behind-the-scenes operational stuff, including advanced hybrid technology, batteries, and dual-fuel engines. For another, the entire layout of the ship is totally different to the Silversea norm.

All its other ships are in two halves, with suites at the front and public rooms at the back. On **Silver Nova**, the suites and public rooms run the length of the vessel (hence it has been able to offer aft suites for the first time). The ship has also been built asymmetrically, which has opened up the ship to let in more light and transformed the whole look and feel of the pool deck.

On other ships, the pool sits in the middle of the ship, equidistant between the port

and starboard sides; on **Silver Nova** it's on the starboard side, overlooking the ocean. Across from the pool a bar sits off-centre and all around there are sun loungers, including on the port side. Forget ships; this is like the rooftop of a hip hotel in the South of France and it is fabulous.

The deck above is equally stunning; open on the starboard side to give a view over the pool and with loads more loungers. Given the ship holds just 728 passengers, you'll never have to nip out early to bag a bed in the sun – especially as there are yet more loungers around the Dusk Bar, a new venue at the back of the ship which is perfect for catching those romantic sunsets at sea.

Silversea regulars will find all their favourite venues back for another outing, but they are not always where they might expect. The Grill and Spaccanapoli come together in a dedicated new venue, The Marquee, on the sundeck but away from the pool. There's covered and open-to-the-elements seating and come evening you can cook your own steaks here on hot lava rocks.

The S.A.L.T. Bar and S.A.L.T. Lab (Sea and Land Taste is a culinary programme that connects passengers with the culinary traditions of the places they are visiting) moves to deck 10. You can learn to cook local dishes in the S.A.L.T. Lab by day;

come evening the venue transforms into a Chef's Table dining experience. I was lucky enough to eat there one evening and it was great, but with 11 courses and room for just 18 diners you need to book early and come with an appetite.

Building **Silver Nova** was not without its challenges, but it was worth all the hard work because the result is stunning. Thank goodness. Because before **Silver Nova** had even touched water for the first time, the steel had been cut for sister ship **Silver Ray**, which launches next June and will have the same beautiful looks and design firsts.

**Silver Nova** is off to Alaska next summer, but **Silver Ray** will be spending her inaugural season cruising the length and breadth of the Mediterranean, ticking off desirable destinations such as Dubrovnik, Corfu, Santorini, Istanbul, Naples, Valletta and Palma as she cruises between Barcelona, Civitavecchia (Rome), Piraeus (Athens) and Fusina, which Silversea uses as a gateway to Venice.

With numerous flights to all those cities from the UK, getting on board could not be easier. And with everything included in door-to-door prices and the experts at ROL Cruise on hand to help you plan and book, all you have to do is pick a cruise. Unfortunately, that is the hard part.

## YOUR INCREDIBLE VOYAGE

Embark on this ultimate voyage sailing from Dover and discover the remote islands, natural wonders and diverse coastlines of the British Isles. With over 127 years' experience of expedition cruising, Hurtigruten will expertly take you to often inaccessible places in England, Wales, Northern Ireland, the Isle of Man, the Republic of Ireland, Scotland and the Hebrides.

### EXPLORATION & ACTIVITIES ASHORE

Your ship is equipped with a professional Expedition Team – a dedicated group of highly educated experts that will help you discover the best of each and every destination. Hurtigruten have on board specialists in marine biology, Arctic survival, oceanography, photography and many more academic fields to help make your journey an unforgettable experience.

### INTRODUCING *MS MAUD*

Carrying just 528 passengers, *MS Maud* features bright interiors appointed in a classic Art Deco style. Colours are inspired by the midnight sun, allowing you to relax in warm vibes year-round. A specially designed Expedition Launch – the tender pit area with expedition equipment from where you'll embark on your off-ship adventures – has been added in addition to a brand-new wellness area featuring a gym, lounge, treatment rooms and outdoor hot tubs.

In keeping with Hurtigruten's adventurous spirit, they visit small remote ports on their expeditions. Due to sea conditions and secluded locations they visit, it's not always possible to dock in port. Sometimes they have to use small expedition boats to get ashore. ±Savings are based on full fare of £3,690 for an Inside Cabin on 26<sup>th</sup> April 2024 departure. Hurtigruten and Reader Offers Limited Agency terms of business apply. Please see back page for full terms and conditions.

# THE EARLY BIRD *Gets the Worm*

## 10 REASONS TO BOOK YOUR DREAM CRUISE EARLY

We have heard that over 40% of cruise guests like to book their dream cruise early. With some wonderful 2025 itineraries available in this edition of Blue Horizons, here are 10 reasons to snap them up early.

### 1 MORE CHOICE

Secure the stateroom you want, in your preferred position on the ship, on the itinerary and date that suits you best!

### 4 NO SETTling FOR SECOND BEST

The early bird does indeed catch the worm – once you've found your ideal cruise, it can be heartbreaking to discover it's sold out, or to have to settle for what is left.

### 2 MORE TIME ASHORE

Shore excursions sell out quickly. By booking early you can secure your place and make the most of your time ashore.

### 3 SAVE FOR THE EXTRAS

Give yourself plenty of time to save for those extra special treats that make a holiday all the more special – from shore excursions to private transfers.

### 5 PERFECT PLANNING

With lots of time to research your holiday, you are more likely to have a stress-free experience.

### 6 CHOOSE HOW YOU DINE

Variety is the spice of life. Dine where you want, including Specialty restaurants, at a time that suits you best. You can even choose your table size!

7

### EXTEND THE INVITATION

The more the merrier. With time to spare, you can invite friends and family to join you if you wish.

8

### FEEL HAPPIER

It's a fact that having a holiday to look forward too gives us a reason to smile!

9

### GET ORGANISED

Leave yourself plenty of time to organise life around your holiday, from pet sitting to travel insurance.

10

### GET EXCITED

Last but not least, enjoy the build up of excitement and anticipation as your cruise draws nearer.

### WHAT OUR CUSTOMERS SAY...

★★★★★  
*"The very best in service for all your future cruises."*  
 - Mr Shepard, Cornwall

★★★★★  
*"I have recently booked a number of cruises through ROL, and I couldn't be happier with their service. From start to finish, their communication was outstanding. They kept me informed every step of the way, answering all my questions promptly.*  
*What really stood out were the amazing offers they provided. I got some fantastic deals on my cruise packages, and they even threw in some free gifts and transfers that made the experience even more special.*  
*Their Cruise points system is a great bonus too - it actually feels like I'm getting rewarded for my loyalty. But the best part was the excellent service. ROL Cruise went above and beyond to ensure my cruise experience was unforgettable. I highly recommend them to anyone looking to book their dream cruise!"*

## YOUR INCREDIBLE LAND TOUR HIGHLIGHTS\*

### THE TAJ MAHAL

One of the New 7 Wonders of the World, the Taj Mahal is ubiquitously recognised as one of the world's greatest landmarks and finest examples of Mughal architecture. Enjoy a once-in-a-lifetime opportunity to admire Emperor Shah Jahan's creation at sunrise. The close-up detail is every bit as exquisite as the overall architectural design, with semi-precious stones and beautiful patterns adorning the marble surface.

### RANTHAMBORE NATIONAL PARK

Centred around the impressive 10<sup>th</sup> century Ranthambore Fort, Ranthambore National Park is scattered with old mosques, temples and hunting pavilions. The highlight of your visit will undoubtedly be the moment that you set eyes upon one of the regal Bengal tigers that live in the park - an experience that few get to have, and once had, very few forget. While on your guided safaris, look out for leopards, boars, hyenas, sloth bears and rhesus macaques, too.
