— THE REVIEWS ARE IN —

*"We were on the Oceania Nautica 20-day Cruise. Everything worked like clockwork from the brilliant ROL team arranging flights and pickups to the culinary efforts put in by the catering staff on **Nautica**. The crew couldn't do enough to ensure we enjoyed ourselves. The cruise itself was out of this world. We can't wait to go on another cruise arranged by ROL."*

Mrs Emery

*"We had a fantastic time on our cruise. The ship, **Vista** with Oceania cruises was wonderful. We enjoyed the choices of ports and found the staff and service great. ROL were always helpful if we had any queries before departure. Thank you so much."*

THE *Finest Cuisine* AT SEA®

GOURMET DINING EXPERIENCE

Oceania Cruises is a cruise line built by foodies, run by foodies, for foodies. Food is at the heart of everything they do, and Oceania Cruises is thrilled to be the only cruise line to boast two Master Chefs of France, who are also the cruise line's Executive Culinary Directors – Chef Alexis Quaretti and Chef Eric Barale.

It's the finest at sea because Oceania Cruises select only the best ingredients and the most talented chefs from around the globe. From Castilla-La Mancha saffron to French flour custom-milled to our specifications, the artisanal ingredients echo the dedication poured into every dish. In galleys evoking those in Michelin-starred restaurants, the gifted chefs create absolute culinary masterpieces.

EMBER – Aboard *Vista & Allura*

One of the newest additions, Ember will warm your culinary soul. Paying homage to distinctly American classics, the chefs have crafted fresh, contemporary interpretations of classic dishes. Whether you are looking forward to a leisurely evening of dining or a quick dinner before catching the headline show, Ember is where you will want to be.

POLO GRILL – THE CLASSIC STEAKHOUSE

Polo Grill delights diners with the ultimate steakhouse experience. Each course stands as the very definition of a time-honoured favourite, most notably the 28-day dry-aged steaks, all of which are certified Black Angus USDA Prime.

AQUAMAR KITCHEN – Aboard *Vista, Riviera & Allura*

Aquamar Kitchen presents a decidedly fresh perspective on dining and the pursuit of wellness. Whether you are a dedicated flexitarian or a die-hard foodie, Aquamar Kitchen offers an abundance of indulgence with none of the guilt.

TOSCANA – AN EVOLUTION OF TUSCAN CUISINE

Savour delectable Tuscan cuisine in a truly Italian setting of rich Chianina leather, handblown Venetian glass and Carrara marble. Presented on elegant, custom designed Versace china, masterfully prepared dishes exemplify the essence of Tuscany and celebrate Italy's culinary passion.

RED GINGER – BOLD YET BALANCED FLAVOURS

Red Ginger radiates harmony, reflecting both the boldness and subtleties of its Pan-Asian dishes. The Thai, Korean, Japanese and other Asian specialities are a mélange of savoury and sweet that will please virtually any palate.

MEET *Vista's* EXECUTIVE CHEF KEVIN SYMES

Oceania Cruises serves The Finest Cuisine at Sea®. Can you tell us about the ethos behind this gourmet dining experience?

Food is the foundation of what we do on board each of our ships, and in the destinations we visit. As the only true foodie ships in the world, we have more galley space and more fresh food storage than any other cruise line. We also have the highest percentage of culinary personnel devoted to the dining experience. To ensure the impeccable quality of each dish we have one chef to every 10 guests; in fact, half of the crew on board are dedicated to the cooking or serving of food. And as with any great restaurant, all our dishes are prepared à la minute, using only the freshest ingredients. The attention to detail is what makes our food stand out above others.

With 11 dining options on Vista, guests are spoilt for choice. Which restaurant would you recommend and why?

Red Ginger. Asian cuisine is my favourite to cook so this is my favourite restaurant on board. I went to Japan last year and it was a dream come true – I spent time educating my palate, I especially loved the Kobe beef! When Vista joined the fleet in 2023, she debuted two new restaurants, Ember and Aquamar Kitchen.

What can guests expect from them?

Our casual, healthy eatery, Aquamar Kitchen, is open for breakfast

“

To ensure the impeccable quality of each dish we have one chef to every 10 guests

and lunch and offers wellness-inspired choices with a hint of decadence. The menu has a variety of smoothies for breakfast and lunch and offers great plant-based and vegetarian options. Ember offers contemporary upscale American classics in a modern setting complete with exposed brickwork and a fantastic open kitchen.

Privée is a firm favourite on Oceania Cruises. What makes this experience so special on Vista?

The private dining experience at Privée is exceptional. Each course will be perfectly paired with the most incredible wines – the service, ambience and taste make it a meal to remember. The Odyssey menu is very popular, but for a real treat the Dom Perignon experience is a superlative meal paired with five vintage champagnes.

Can you cater for any type of dietary requirement?

We take our time to work with guests and ensure that, regardless of their dietary requirements – whether they are celiac, need to be gluten-free, are lactose intolerant, or anything else – they won't go hungry. It's a very personalised approach, we just need to know the restrictions so that we can be prepared. For example, if we are crafting a regular dish, we will substitute items so guests have the same meal, but perfectly suited to their requirements. I am confident in saying that we go above and beyond, one of the reasons that guests come back to us time and time again.

★TOTAL SOLAR ECLIPSE★

On 12th August 2026, you'll be perfectly positioned to witness the spectacular natural phenomenon of a total Solar Eclipse. As the moon fully blocks the sun during totality, the sun's outer layer, known as the corona, becomes visible in a stunning, ethereal display. The sky quickly darkens, stars and planets become visible, and temperatures drop, creating an almost otherworldly atmosphere. Total solar eclipses are incredibly rare for any one location. Although they happen somewhere on Earth about every 18 months, the path of totality, a narrow strip just 60 to 120 miles wide, means a specific spot may only see one every 360 to 410 years. Oceania have designed this itinerary so that you'll be positioned in an excellent place to witness the Solar Eclipse totality.

A Tree Planted for Every Booking

At ROL Cruise, we're committed to providing unforgettable travel experiences. But we also recognise our responsibility towards the planet we call home. That's why we're thrilled to announce our partnership with More Trees, a leading non-profit organisation dedicated to reforestation and environmental conservation.

Together we have planted over 21,000 trees!

PROJECTS SUPPORTED

Kenya

This vibrant mangrove project in Mombasa, Kenya, is dedicated to restoring overexploited forests while providing local communities with the means to break the poverty cycle while improving climate change defences.

Senegal

Found in Senegal's Nganda Region, this project is working to restore desertified land to its former fertility, as well as planting trees in communal agroforestry systems, supporting local efforts to reduce poverty, hunger, and inequalities.

Tanzania

Located in Tanzania's Kilimanjaro and Tanga regions, this mangrove and agroforestry project aims to reverse the significant tree and biodiversity loss caused by traditional farming methods, while providing locals with alternative sources of income, resources and food.
