AN EXCLUSIVE INTERVIEW WITH CAPTAIN HEIKKI LAAKKONEN

SKY PRINCESS CAPTAIN

Q1 Hi Captain! What was it that first made you want to embark on a career at sea?

I have always been interested in ships, planes, trains and anything that moves. I was "working" as deck hand on a small passenger ship along the Finnish coast, when I was 13 years old. As I could not work officially due to my age, I was allowed to eat as many sweets and as much ice cream as I wanted. Best contract ever! Later, I completed my national military service in the Finnish Navy, so a career at sea was a natural choice.

Q2 Can you tell us a bit about your career in the cruise industry?

I have worked for the Carnival Corporation for almost 20 years after joining the company as 2nd Officer. In 2006, I completed one contract aboard *Queen Mary 2* as Chief Officer. Later that same year, I was promoted to Staff Captain and in 2013 I was promoted to Captain. My first command was on P&O Australia with *Pacific Dawn*. Since then, I have commanded eight ships including *Sky Princess*.

Q3 What are some of your career highlights?

Moments I'll never forget: When I joined my first foreign-going cargo ship back in 1992; The first time I was on watch alone on the Bridge as a watch-keeping Deck Officer in 1995; When I conducted my first legal wedding back in 2014 and was more nervous than the couple getting married; When I took the delivery of the brand new *Sky Princess* at the Monfalcone shipyard back in 2019.

Q4 Do you have a favourite feature on *Sky Princess*?

Our well-hidden gem, The Enclave, Princess' largest-ever thermal suite with an indoor pool and saunas. You can find it inside Lotus Spa, deck 5 forward.

Q5 And what about your favourite restaurant on board? Crown Grill Steak House, which I miss when I am home!

Q6 Why should people sail with Princess Cruises?

With us you learn what cruising is all about! We have a very dedicated and friendly team who provide extraordinary service. And then there's the unique MedallionClass Experience, which helps create personalised and seamless holidays.

Q7 How can our readers make the most of their time aboard?

There are so many things to do, with activities and experiences for everyone! I would recommend the first thing you should do once you step on board is to take a moment to relax, sit on your balcony or top deck with a drink in hand, close your eyes and enjoy the fresh sea air.

Then check out the Princess Patter, which lists all the activities that are taking place each day. Be sure to check out OceanNow on the MedallionClass app or your stateroom TV too, where you can have food and drink delivered to wherever you are on board thanks to our Medallion technology!

Q7 We have no doubt that you have visited many destinations around the world. Do you have a favourite?

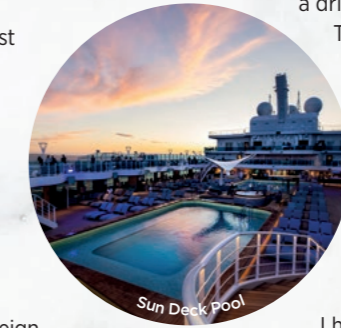

I have so many favourites, so it is extremely difficult to say what is number one. Perhaps, Bora Bora in French Polynesia.

Q8 And which destinations are you looking forward to visiting aboard *Sky Princess*?

New York, one of my favourite cities!

Q9 Lastly, what are you most excited about for the future of Princess Cruises?

We are getting the new ship class in 2024 (Sphere class), which is LNG powered and fitted with Azipod propulsion. I have seen some sketches and let me tell you, the Sphere class will be absolutely spectacular!

Mon 17 **Haugesund, Norway**
Tue 18 **Flåm, Norway**

Lying at the head of Aurlandsfjord, this small village of some 400 people is surrounded by snowcapped mountains, isolated farmsteads and waterfalls. Flåm also boasts the extraordinary Flåms Railway. One of the most dramatic train rides in Europe, the Flåm Railway takes an hour to cover 10 miles, hugging cliffs, plunging through tunnels and pausing for its passengers to admire the views as it ascends the Flåm Valley to Myrdal, a desolate mountain plateau

Sat 22 **North Cape (from Honningsvåg), Norway** ★MIDNIGHT SUN★

Honningsvåg is your gateway to Norway's North Cape on Magerøya Island. This is the northernmost point in Europe, and the true land of the midnight sun. From mid-May to July, the full disc of the sun never dips below the horizon. In winter, the days barely lighten to a spectral gloom. To the north lies only the remote Svalbard Archipelago, Jan Mayen Island, and the polar ice cap. From the cliffs of North Cape, perched 1,000 feet above the Arctic Ocean, one stares into the arctic silence

★YOUR CRUISE HIGHLIGHTS★

PORTLAND

Situated along the southernmost part of the Dorset Coast site lies the fabled island of Portland. This natural harbor was used for over 500 years by the British Royal Navy, and when breakwater construction was performed between 1848 and 1905, it created one of the largest man-made harbors in the world. An important launch site during both World Wars, the harbor was used for naval exercises until 1995, after which the waters became popular for tourism and were used for the sailing events during the 2012 Olympic Games.

CORK

In a land where fable and fact blend to become folklore, Cork is a beacon of romance among Ireland's iconic cities. On a British Isles cruise, see the city's emerald terraces reflected in the lakes of Killarney National Park. Savor an Irish coffee in the 18th-century village of Blarney. Or enjoy a lunch on the hills of Cashel, with the Romanesque architecture of St. Patrick's Rock as your backdrop.

DUBLIN

Experience the best of Irish hospitality on a British Isles cruise to Dublin. Stop by a pub and hear stories of the city from the people who call it home. Tour Trinity College, one of the world's most famous universities. Or discover the secrets to brewing a stout at the Guinness Storehouse, and sip on a complimentary glass just a few hundred yards from where it's made.

GLASGOW

Once an industrial giant, Glasgow is brimming with treasure. When you cruise the British Isles, wander the halls of Inveraray Castle to see a collection of royal portraits. Watch a kaleidoscopic display in Glasgow Cathedral as the sun pours through the stained-glass windows. Or spend the day admiring armor, weaponry and global gems in the Kelvingrove Art Gallery and Museum.

EDINBURGH

With centuries of cultural change, Edinburgh is home to a diverse landscape of design. Cruise the British Isles and follow the Royal Mile to the top of Castle Rock, where Edinburgh Castle sits overlooking the city below. Marvel at the expansive collection of artwork in the Royal Yacht Britannia, or shop for souvenirs on Princes Street while admiring the Georgian architecture of New Town.

Discover the Wonders of Japan in Cherry Blossom

Each year Japan transforms into a pink Arcadia as cherry trees (Sakura) are awash with their seasonal bloom. This natural marvel is so well followed in Japan, it even makes the daily weather report. Here are our top spots for witnessing the flourishing blossoms at this magical time of year showcase the finest regional flavours available – with top end barramundi, locally produced beef and lamb and native Australian fare including wild rosella flower, there is plenty to savour.

Three night hotel stay in Tokyo, Japan

You'll never forget a visit to the sensory explosion that is Tokyo. Capital of Japan, this is a city where you'll find centuries-old culture jostling for a position next to cutting-edge technology – a fabulous blend of history and modernity that has to be seen to be believed. To get a feel for Tokyo's natural beauty, head to Yoyogi Park, where cherry blossoms are resplendent in spring. Close to the Yoyogi Park is the Meiji Jingu Shrine, established in 1920 and dedicated to Emperor Meiji who helped to open Japan up to the west. As impressive as anything else is its 40-foot gate, made of 1,500-year old cypress. At the main shrine buildings, you may show respect by bowing twice, clapping your hands twice, making a wish then bowing once more.

YOUR HIGHLIGHTS

NIAGARA FALLS

Straddling the US-Canadian border, Niagara comprises three falls: Horseshoe Falls, American Falls and Bridal Veil Falls. While the latter two are on the US side, Canada is home to the largest of the three, with 90% of the Niagara River flowing over Horseshoe Falls. As soon as you arrive at Niagara Falls, you're drawn to the power and noise of the cascading water. The Skylon Tower opened in 1965, and overlooks Horseshoe Falls and American Falls. On a clear day, you might also see the distant skyline of Toronto and the surrounding vineyards that make up the Niagara wine district.

BOSTON

Hailed as the "Cradle of American Independence," Boston brims with heritage landmarks and cultural attractions that tell the story of our country's fascinating history. Boston was America's first great city and has been described as the "Athens of America." Today this vibrant city combines historic districts with revitalized urban centers. To make the most of your visit, embark on a comprehensive guided drive by motorcoach or trolley**, or take the iconic "Duck" tour showcasing the Public Gardens and picture-perfect Copley Square**. Follow the Freedom Trail along three of the most historic miles in the country and see the site of the Boston Tea Party.

HALIFAX

The capital of Nova Scotia and the largest city in Canada's Atlantic Provinces, Halifax was once Great Britain's major military bastion in North America. The beautifully restored waterfront buildings of Halifax's Historic Properties recall the city's centuries-old maritime heritage. Stroll the waterfront, and you may find Nova Scotia's floating ambassador, the schooner Bluenose II, tied up to Privateer's Wharf, just as old sailing ships have done for over 200 years. Halifax is also the gateway to Nova Scotia's stunning scenery, including famous Peggy's Cove, where surf-pounded granite cliffs and a solitary lighthouse create an unsurpassed scene of rugged natural beauty.

Follow in the Footsteps OF JENNIE BOND ON BOARD ENCHANTED PRINCESS

One of the many joys of cruising is that every ship is different and every voyage offers a new playground to explore. I've been cruising for more than 25 years, and yet there are still so many adventures to be had. My Princess experience was on board the magnificent *Enchanted Princess*.

As my husband, Jim, and I stepped onto the beautiful, sparkling ship in sunny Malaga, that familiar feeling of relief and relaxation swept over me. We had arrived: no further need to pack and re-pack bags, no need to worry about travel plans, we just had to sit back and be pampered! And that's exactly what we did.

The first novelty was receiving our medallion – which worked like magic. As we approached our stateroom, the door clicked and unlocked. No more fumbling for keys or cards...for the rest of the voyage we acted like human sensors, able to access our cabin from several yards away! It is cutting edge

technology and means that you can order food, locate your family or friends on board and effortlessly pay for anything you need with a wave of your magic disc!

Our stateroom – a mini-suite – was spacious and comfy, with a balcony and two chairs. We had two flat screen TVs as well, which were useful when we wanted to watch different programmes. And, as part of the technological revolution, you can access all services via the TV, including dining in your room.

Food is an important part of any cruise, and the options on *Enchanted Princess* were many and varied. We found the standard of cuisine in the club dining areas truly exceptional: delicate hors d'oeuvres, sumptuous main courses and exquisite desserts, all served in a quiet restaurant with views of the ocean.

We also ate in two of the speciality restaurants. The Crown Grill was spectacular. I had a seafood starter, followed by surf and turf: half a lobster and a fillet steak. Yes, you've guessed it, my eyes were bigger than my stomach and, rather like the Vicar of Dibley trying to swallow one more Christmas

sprout, I simply couldn't manage the last two mouthfuls, which was extremely annoying because it was all completely fabulous!

We also ate in the French Bistro Sur La Mer, created under the guidance of three Michelin star Chef Emmanuel Renaut. Once again, the food was delicious and there's an option for eating out on deck as you watch the sun set and the moon rise. Magical!

Entertainment Princess-style is non-stop and joyful. There was a real buzz around the ship...

in the many bars, the swimming pools and the lounge areas. There's also a gorgeous theatre where I chatted about royalty to a delightfully appreciative audience. And I watched the Jubilee Party at the Palace on the huge outdoor screen overlooking the pool: another magical moment.

Our voyage around the Mediterranean was a perfect taster of all that Princess Cruises has to offer. I didn't have time to sample the spa (but it looked fab) or to take in all the theatre shows. I'd love to have taken a peek at one of the superbly luxurious Sky suites with their huge balconies and panoramic views. But all that will have to wait for another occasion. The world of cruising is well and truly open once again, and it seems to me that it is bigger, better and more sophisticated than ever. Go and enjoy it!

NEW ORLEANS

With its atmospheric French Quarter, New Orleans oozes character quite unlike any other American city. It's the place where anything seems to go – that's why Americans call it the "Big Easy". Its melting pot of influences; African, French and Caribbean, give this city on the Mississippi River a unique vibrancy, not least after dark when the music clubs and bars strike up with authentic jazz and blues sounds.

MEMPHIS

With a world-famous musical history, top-notch BBQs and southern soul, Memphis is the mecca for food and music lovers. Visit Sun Studio – home of the 'Million Dollar Quartet' – Elvis' Graceland and Beale Street's bluesy bars. While you can't ignore Memphis' rock n roll past, there are plenty of non-musical attractions to enjoy. Memphis is also home to the National Civil Rights museum, built on the ground floor of the Lorraine Motel where Martin Luther King Jr. was assassinated. Visiting is a sobering but important experience. You can see why Memphis is a bucket list destination!

NASHVILLE

They don't call this place Music City for nothing. Be sure to hit Honky Tonk Row, which beckons with bright neon lights and bars and listening rooms with round the clock live shows. We recommend a visit to the historic Grand Ole Opry House, whose iconic stage has hosted musical greats such as Elvis Presley and Loretta Lynn. Beyond the unique sounds of this city, there are so many cultural delights for you to discover whilst on holiday in Nashville. Head to Centennial Park to see an awesome gallery housed inside a full-sized replica of the Parthenon. Other iconic attractions include the Belle Meade Historic Site & Winery, the Ryman Auditorium, and the Tennessee State Museum.

SYDNEY

Cosmopolitan Sydney offers you so much, from beaches and wineries to stunning landmarks and world-class shopping. Visit architectural marvels like the Sydney Opera House and Sydney Harbour Bridge or take it all in from above on a tour** of the Sydney Tower. With well-known surf beaches, zoos, national parks, whale watching tours**, bush tours**, and the Royal Botanic Gardens, you're never far from nature in this thriving urban centre.

THE GREAT BARRIER REEF

An attraction like no other, the Great Barrier Reef sits on the coast of Australia and is the only living thing on Earth that can be visibly seen from space. Stretching over 2,500km, the reef is an expanse of vivid coral that's home to some of the world's prettiest and rarest species of fish, turtles, and sea mammals. There is only one way to truly experience this natural wonder in all its glory and that's by taking a snorkelling or scuba diving tour**. Swim among fish, paddle into the crevices that line the coral clusters, and witness the magical colours of the reef's seabed first-hand.

MYSTERY ISLAND

This tiny, uninhabited inlet, originally named Inyeug, is located at the southernmost end of the Vanuatu archipelago approximately half a mile from the mainland, Aneityum Island. Used during World War II as an airstrip for the allied forces, it was dubbed "Mystery Island" because its location prevented the Japanese from seeing it from the water, making the appearance of allied planes a "mystery." With its white-sand beaches, swaying palm trees and spectacularly clear waters, Mystery Island still holds the allure of a secret oasis. You are greeted upon arrival by live music wafting through the air and a colourful marketplace with rows of stalls selling everything from handicrafts to local treats to hair-braiding services.

ICONIC IGUAZÚ FALLS

The Iguazú Falls were formed some 120 million years ago and can be found in the Iguazú National Park, which straddles the border with Brazil. One quarter of a million gallons of water cascades down the cliffs – some of which are taller than the Statue of Liberty – every second. This is where you will find the greatest annual flow of any waterfall in the world. You will run out of superlatives to describe just how staggering this place is and nothing will be able to describe the sound and feel of the water crashing into the plunge pools below.

BUENOS AIRES, ARGENTINA

Fall in love with the romantic city of Buenos Aires, a Latin American capital with European flair. Spend some time experiencing the rich culture of the city. Founded in the early 16th century, Buenos Aires was transformed from a colonial port into a cosmopolitan metropolis – the “Paris of the South” – by the cattle boom of the 1880s. As in the American West, boom was followed by bust. But that did not stop Buenos Aires from becoming the city it is today. With its air of haunted grandeur, Buenos Aires is a place of icy intellect and smoldering passion. It is a city where the elegant Colon Theater, one of the world’s great opera houses, stands in counterpoint to the working class barrios that gave birth to the tango.

AUTHENTIC ARGENTINE TANGO

This famous ballroom favourite evolved in the lower-class districts of Buenos Aires in the 1880s. You can experience the raw passion of this sensual dance during a **FREE** Dinner & Tango show*.
