YOUR WORLD VOYAGE HIGHLIGHTS

Circumnavigate the world on Borealis

This immersive, once-in-a-lifetime circumnavigation of the globe features destinations that dreams are made of, from the volcanic islands of Hawaii to the far-flung idylls of French Polynesia. Experience all this and more on board the newest addition to the Fred. Olsen fleet. Stylish, spacious and comfortable, and with capacity for fewer than 1,400 guests, *Borealis* is in keeping with Fred. Olsen's commitment to a more traditional style of cruising.

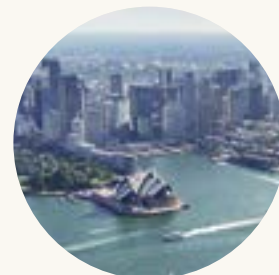

ASIA

A cruise is the perfect way to experience the continent's fascinating contrasts. The vibrant city-state of Singapore encapsulates this in itself, with ultra-modern skyscrapers overlooking historic temples. With buzzing cities, laidback islands, verdant rice fields, endemic wildlife, ancient traditions and a stunning cultural diversity, Asia has many layers waiting to be uncovered.

SCENIC CRUISING

As you'd expect with Fred. Olsen, the long list of highlights on this voyage is not limited to destinations visited ashore. There are full-day transits of the Panama and Suez canals, as well as a chance to discover the fiords of New Zealand, including the 1,692-metre-high Mitre Peak piercing the sky above Milford Sound.

SYDNEY

Sydney is one of the world's most exciting, must-see modern cities. Home to the famous Harbour Bridge and Opera House – two of the most iconic cityscapes on Earth – the capital of New South Wales has a visual wow factor that most other cities can only dream of. The imposing Darling Harbour is the hub of waterside life, with the revered Royal Botanic Garden nearby. For the more adventurous, Sydney Tower's outdoor platform, the Skywalk, offers 360-degree views of the city.

Treasured travel moments

& WHY WE LOVE TO TRAVEL...

Snorkelling in the warm waters of the South Pacific; watching the sun rise above mystical Angkor Wat; listening to the roar of the mighty Niagara Falls – there is nothing that has the potential to be as life-altering as a remarkable travel experience. It is wanderlust that keeps us seeking new lands, cultures, and experiences, but it is the memories that we make there that keep us returning to those beloved places. Here are some of ROL's most treasured travel moments and why we love to travel...

“ My favourite cruise moment is when I travelled on *Braemar* in 2016. It was my birthday and I felt so special when the Fred Olsen staff bought out a cake and sang happy birthday to me! It just encompasses the Fred Olsen motto of always going the extra mile, those special touches are what makes cruising the best way to travel. ”

Roxy Anderson,
ROL Web Content
Executive

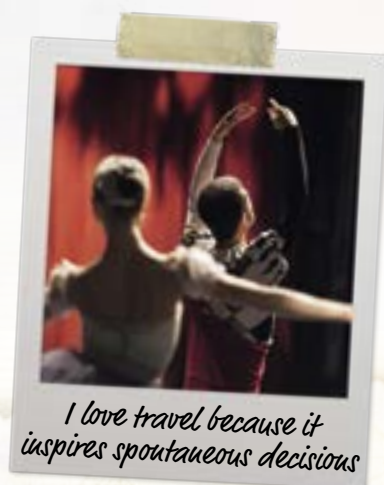

“ I love to travel as these are the moments and memories I hold dearest to me. From sweet sentiments such as proposals and romantic Caribbean sunsets, to seeking the thrill from paragliding, helicopter rides and white-water rafting. I truly feel fulfilled, inspired and grateful to have such precious memories I will hold on to for a lifetime. ”

Georgia Jaggs,
ROL Cruise Head of
Digital Strategy

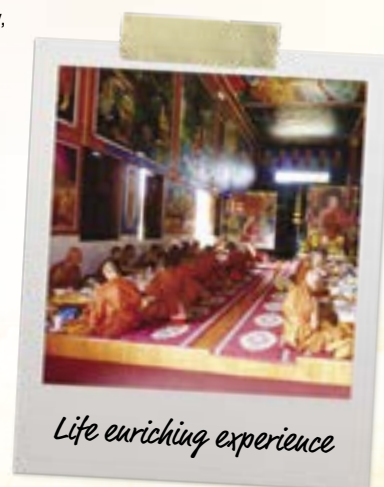

“ I love travel because it inspires those spontaneous decisions you never dreamed you'd make. I never thought I would ever attend the Russian ballet but being in St. Petersburg for the night gave me a chance to experience this delicate art form and appreciate the dedication, precision and sheer beauty involved – all while enjoying a glass of the finest Russian Champagne! ”

Jody Sparrow,
ROL Marketing Executive

“ Naturally, working in the travel industry, I have a huge passion for travel but I would say one of the most inspiring trips I have been on was to Vietnam and Cambodia with Scenic. From the guides to the food, the beautiful ship to its crew, the incredible excursions and the wonderful people of Vietnam and Cambodia, this was a truly life-enriching experience I will treasure forever. ”

Gemma Pallister,
ROL Head of Commercial

“ My favourite travel moment is when I was sitting along the banks of the Venetian Lagoon, delighting in a freshly cooked pizza with my friend by my side, I can think of no other place I'd rather be. To be able to walk along the historic and ethereal city of Venice is an experience that I'll never forget. ”

Amber Bellinger,
ROL Commercial
Account Manager

INTRODUCING MS MAUD

After transforming into an expedition ship running on Biofuel, **MS Maud** is designed to take you on a cruise in maximum comfort, equipped for a sustainable and memorable expedition. Her bright interiors are appointed in a classic Art Deco style. Colours are inspired by the Midnight Sun, allowing you to relax in warm vibes every day of the year. A specially designed Expedition Launch – the tender pit area where guests embark on their excursions and off-ship adventures – will be added, complete with tender boats and other expedition equipment. Plus, enjoy Hurtigruten's Science Center, an edutainment venue which is the hub of on board learning.

THE FUTURE IS GREEN

Hurtigruten have made history by removing all single-use plastics from their ships. In the hope others will follow suit, Hurtigruten, who sail to some of the world's most remote, pristine and delicate environments, have made this important commitment at a time when concern for rising plastic in the oceans is at an all time high. To ensure they are operating with the smallest footprint possible, Hurtigruten have removed plastic straws, coffee lids and plastic bags on all of their 14 ships, even single-use butter packaging!

YOUR THREE NIGHT ALASKA WILDLIFE EXPRESS LAND TOUR^{®*}

THE ICONIC WILDERNESS EXPRESS TRAIN[®]

Locally owned and operated, Wilderness Express railcars are the most innovative in the travel industry. Custom built for use on the Alaska Railroad, the railcars are among the largest in the world. The most notable feature is a full-length curved glass dome that provides panoramic views. All guests have forward-facing seats beneath that upper level dome window. The lower level includes a private dining room, small gift shop, restrooms, and outdoor viewing platform. There is also a full-service bar in the upper level seating area offering cocktails, wine, and craft beer for purchase.

Your journey begins in Denali where you will bid adieu to the national park. A view of Mt. Denali is slowly revealed on clear days as the track winds closer to the range. After crossing Hurricane Gulch and the Susitna River, you will stop briefly in Talkeetna. Spend your remaining time on board journeying through spruce forest and wide glacial river valleys before arriving in Anchorage.

MARVEL AT THE MAGICAL SNOW MONKEYS OF JAPAN

The Japanese macaque, better known as the Snow Monkey are named so because they live in areas where snow covers the ground for many months each year and can be distinguished by their red faces, brown-grey fur and short tails. During your tour, you'll spend time at the Jigokudani Monkey Park, home to the famous snow monkeys. Here you'll have the incredible opportunity to see wild monkeys bathing in a natural hot spring, known in Japan as an onsen. Accustomed to humans, the monkeys can be observed from very close quarters but as a highly protected species there are strict rules in place meaning you mustn't touch them – but you can watch! Marvel as large families of monkeys relax in the warm water – watching how they interact can be highly entertaining.

YOUR EXPEDITION VOYAGE HIGHLIGHTS

★ ANTARCTICA – THE WORLD'S LAST FRONTIER ★

Holland America Line travel along a route that includes the Antarctic regions of the Palmer Archipelago, the Danco Coast and Antarctic Sound.

Located at the end of the Antarctic Peninsula, the Palmer Archipelago is one of the most accessible parts of the continent. Being an archipelago, it's made up of 52 ice-covered islands that are separated from the Antarctic Peninsula by the Gerlache Strait.

Opportunities abound for viewing icebergs, and the Antarctic Sound is one of the best places to view the fascinating activities of the gentoo penguin. The third-largest of its species, the gentoo can grow up to 30 inches in height and weigh up to 12 pounds.

★ CHILEAN FJORDS ★

Lined with rugged mountains and glacier-covered valleys, the Chilean Fjords are unlike any other fjord system in the world. Home to many of Chile's national parks, early Spanish explorers came here in search of the mythical City of the Caesars, believed to be rich in gold and diamonds.

28 NIGHTS DEPARTING

Day 1 **Fly from London to Buenos Aires, Argentina[‡]**

Day 2 **Buenos Aires, Argentina**

Upon arrival, transfer to a 4★ hotel for your two night stay[‡]

Day 3 **Buenos Aires, Argentina**

Spend today exploring at your leisure. A melting pot of European and South American cultures, Buenos Aires is the confident capital of Argentina. Beside the busy port is a metropolis boasting eclectic architecture, delicious parrilla-based cuisine and passionate Porteños. It is the birthplace of Pope Francis and Diego Maradona, resting place of Evita and home of the smouldering tango

Day 4 **Buenos Aires, Argentina**

Transfer to the port and embark the 5★ *Oosterdam* for your 22 night voyage, beginning with an overnight stay on board

Day 5 **Buenos Aires, Argentina**

Day 6 **Montevideo, Uruguay**

Day 7 **Punta del Este, Uruguay**

Day 9 **Puerto Madryn, Argentina**

Day 11 **Stanley, Falkland Islands**

The world's southernmost capital, Stanley is proud of its British heritage, evidenced everywhere from its red telephone boxes to its pubs. During the early years of their colonization, the Falklands were used as a base for ships hunting sperm whales for oil, followed by those hunting seals for fur

Day 13 - **★ Antarctic Experience★**

Day 16

On your Antarctic Expedition you will sail through the bays and islands of the Palmer Archipelago, off the northern tip of the long Antarctic Peninsula, which reaches out toward South America. Encircled in a landscape of snow and ice in every direction, your ship will slowly navigate the iceberg-dotted waters. The surroundings are hauntingly quiet as well, an aspect of the continent that comes as a surprise to many first-time visitors. Along the way, the ship's naturalists will point out the birds – terns, petrels, and gulls – found on the coast and on small islets at stops like Dallmann Bay. As you pass dark, rocky Cuverville Island, you'll see some of the 6,500 pairs of gentoo penguins that make their home there, the largest known colony in the world. Continuing on to Paradise Harbor, where you'll have a chance to observe not only gentoo and chinstrap penguins

Please note, Antarctica days are scenic cruising only. 5★ relates to cruise element only. Holland America Line, Reader Offers Limited Package Holiday booking conditions apply. Please see back page for full terms and conditions.

JANEIRO†

Your Incredible 4★ Hotel Stays

DISCOVER BUENOS AIRES

A melting pot of European and South American cultures, Buenos Aires is the confident capital of Argentina. Beside the busy port is a metropolis boasting eclectic architecture delicious parrilla-based cuisine and passionate Porteños. The famously seductive Argentine tango was born in the cobbled backstreets of the La Boca area, so there's no better place to experience this sultry dance. Follow the sound of a bandoneon to watch street performers and nostalgic locals entertain entranced crowds, then let the seasoned professionals wow you with a staged display of seductive moves at Senor Tango or La Ventana.

EXPLORE RIO DE JANEIRO

Hot all year round and with a tropical rainforest extending down to the sea, it's easy to understand why Rio de Janeiro is known as "Cidade Maravilhosa" ("The Marvellous City"). Ascending to the peak of the beautiful Pão de Açúcar (Sugarloaf Mountain) should be on every visitor's trip checklist. Standing at 1,299 feet (396 metres) above sea level, the mountain offers stunning views of Niterói, Copacabana and Santa Cruz Fortress. Elsewhere at an impressive 30 metres tall, the Christ the Redeemer Statue sits atop the Corcovado Mountain and is listed as one of the New Seven Wonders of the World. For a closer look, take a cogwheel train or minibus to the top of the mountain, where you'll also enjoy 360 degree panoramic views of the city.

FROM SHELF TO SEA...

Whilst many of us may not have the luxury of time to indulge in a good book back at home, cruising is the perfect opportunity to delve into a new novel – or two! If you need inspiration for what to read on your next cruise, then be sure to add the below books to your list, handpicked by ROL Cruise...

The Edible Atlas: Around the World in Thirty-Nine Cuisines

BY MINA HOLLAND

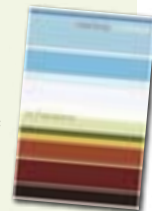

'When we eat, we travel.' So begins The Edible Atlas. Mina Holland takes you on a journey around the globe, demystifying the flavours, ingredients and techniques at the heart of thirty-nine cuisines. With recipes and tips from food experts such as Yotam Ottolenghi, Jose Pizarro and Giorgio Locatelli, The Edible Atlas is an irresistible tour of the cuisines of the world for food lovers and armchair travellers alike.

In Patagonia

BY BRUCE CHATWIN

With its unique, roving structure and beautiful descriptions, In Patagonia offers an original take on the age-old adventure tale. Bruce Chatwin's journey through South America to a remote country in search of a strange beast brings along with it a cast of fascinating characters. Their stories delay him on the road, but will have you tearing through to the book's end.

Under The Tuscan Sun

BY FRANCES MAYES

In this enchanting memoir, Frances Mayes - poet, gourmet cook and travel writer - takes the reader on a journey to restore a crumbling villa and build a new life in the Italian countryside. Filled with evocative landscapes, delicious recipes and colourful characters, Under the Tuscan Sun is a book to savour. It's a love letter to Tuscany, good food, and the joys of starting over.
