Pioneers of the World Voyage, Cunard has been at the forefront of ocean travel since 1840, elevating the experience through Signature touches like Afternoon Tea and Gala Balls. Their ships offer a world at sea – a destination to immerse in, between each enriching port of call. And what a world it is. Waiters wearing white gloves, expansive decks free from crowds and West End calibre theatre shows (just for starters). This combined with an insights programme of guest speakers on board – and a curated selection of shore excursions – only serves to make the destinations they call at all the more captivating.

EXCEPTIONAL VALUE

And with up to \$3,100 on board spend* you can treat yourself to some luxuries along the way. Plus, with our exclusive world cruise benefits you can be sure that you are booking the best deal.

EXPERIENCE UNFORGETTABLE PORTS OF CALL

INTRODUCING *MS MAUD*

MS Maud is designed to take you on a cruise in maximum comfort, equipped for a sustainable and memorable expedition. *MS Maud* will showcase natural Scandinavian materials such as granite, oak, birch and wool with all public areas redesigned to create a relaxed and stylish look and feel, and add to the premium on board experience. A specially designed Expedition Launch – the tender pit area where guests embark on their excursions and off-ship adventures – will be added, complete with tender boats and other expedition equipment. Plus, enjoy Hurtigruten's Science Center, packed with state of the art technology and high tech gadgets. Mingle with guests and crew and create a deeper understanding for the areas you explore.

YOUR VOYAGE HIGHLIGHTS

Set sail from the south of England to the most northerly region of Scotland – covering a vast area in between. As you head for

remote destinations, the true meaning of expedition cruising will become apparent as the ideal way to discover these often inaccessible places.

Along with towns and villages you will encounter diverse landscapes, coastal paths

for exploring, nature landings and scenic coastal cruising through unique pristine waters. As you voyage, be sure to keep an eye out for the astounding wildlife that calls this area of the world home including: Minke Whales, puffins, guillemots, kittiwakes, razorbills, fulmars and seals. Highlights of your voyage include the remarkable birdlife of Rathlin Island and the abandoned village of St. Kilda, ancient history of Isle of Man and Waterford, naval history and scenic beauty of Devon, the whisky island of Islay, but we invite you to discover your own highlights and create your own remarkable memories.

THE FUTURE IS GREEN

Hurtigruten have made history by becoming the world's first cruise line to remove all single-use plastics from their ships. To ensure they are operating with the smallest footprint possible, Hurtigruten have removed plastic straws, coffee lids and plastic bags on all of their 14 ships, even single-use butter packaging! Plus, Hurtigruten is permanently introducing bio-diesel as fuel on a number of ships – including *MS Maud*.

VICTORIA FALLS – YOUR TWO NIGHT STAY AT THE VICTORIA FALLS HOTEL[†]

The spectacular Victoria Falls, known locally as the 'smoke that thunders', were 'discovered' and named by David Livingstone in 1855. One of the Seven Wonders of the World, the falls thundering water leaps over the edge of the gorge into a transverse chasm of black basalt rock nearly 108 metres below, sending up great clouds of mist that drift gently down to water the luxuriant rain forest. Although not the widest or tallest waterfalls, Victoria Falls forms the largest falling sheet of water in the world with approximately half a million tons of water pouring over every minute, generating a spray cloud that can rise to 500 metres above the falls.

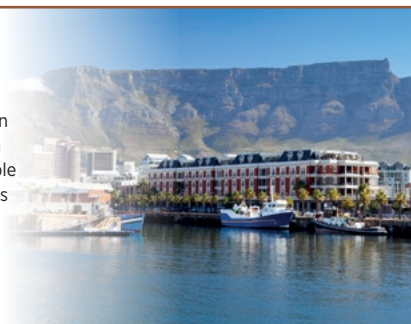

With dramatic views of the gorges of Zimbabwe's spectacular Victoria Falls, the Victoria Falls Hotel, built by the British in 1904, was originally conceived as accommodation for workers on the Cape-to-Cairo railway, today however, it is a member of The Leading Hotels of the World. Serene Lily ponds, arched loggias and broad verandas – offering magnificent vistas – seem custom-built for a spot of high tea or a relaxed gin and tonic.

Echoing its glorious pedigree, the Victoria Falls Hotel features 161 rooms and suites – truly a 5★ experience of pure grandeur. Style, glamour and sophistication are hallmarks of the Victoria Falls Hotel experience and serves as a reminder of the distinguished and elegant era to which it was born.

TWO NIGHT STAY AT THE LUXURIOUS VICTORIA & ALFRED HOTEL IN CAPE TOWN[†]

Located right in the heart of the V&A Waterfront, this luxurious hotel offers views of the Alfred Basin, Table Mountain or the piazza, all the rooms and lofts at the V&A Hotel offer king-size beds, a minibar and an en suite bathroom with bathrobes. The Victoria & Alfred Hotel's Ginja Restaurant serves meals on the quayside terrace with harbour and Table Mountain views. The surrounding area provides ample shopping and entertainment opportunities, from craft markets to cinemas and amphitheatres. The Nelson Mandela Gateway to Robben Island is within 250 yards of the hotel.

During your stay at the Cape Grace Hotel, you will be delighted to enjoy a Welcome Dinner at GOLD Restaurant. With a 14 course tasting menu of Cape Malay cuisine on offer, this is a truly spectacular start to a wonderful adventure indeed.

Ranthambore also boasts being home to a large number of mammals, reptile, and bird species with the national park in Rajasthan primarily known as the home to Royal Bengal Tigers. Other than this, the national park also has a rich population of leopards, sloth bears, several deer species like chital (spotted deer), marsh crocodile, palm civet, jackal, desert fox, serpent eagle, waterfowl that along with others make 40 species of mammals, 35 species of reptiles and 320 species of birds. MARVEL AT THE MAGICAL SNOW MONKEYS OF JAPAN

The Japanese macaque, better known as the snow monkey are named so because they live in areas where snow covers the ground for many months each year and can be distinguished by their red faces, brown-grey fur and short tails. During your tour, you'll spend time at the Jigokudani Monkey Park, home to the famous snow monkeys. Here you'll have the incredible opportunity to see wild monkeys bathing in a natural hot spring, known in Japan as an onsen. Accustomed to humans, the monkeys can be observed from very close quarters but as a highly protected species there are strict rules in place meaning you mustn't touch them – but you can watch! Marvel as large families of monkeys relax in the warm water – watching how they interact can be highly entertaining.

INTRODUCING DENALI NATIONAL PARK

Visitors to Alaska's most well known national park, Denali, are often rewarded with sights that will stay with them the rest of their lives. A golden eagle may be seen soaring off the colourful cliffs at Polychrome Pass, or a herd of Dall's sheep could be spotted resting along the green shoulder of Primrose Ridge. A massive grizzly bear might ramble over the tundra at Sable Pass. Maybe a caribou will pause on a ridgetop, silhouetted by the warm light of day's end, or a loon will call across Wonder Lake.

KARSTENS PUBLIC HOUSE

Karstens Public House restaurant is the bustling heart of Denali Square. With soaring ceilings and magnificent two storey park views, this spacious restaurant is the perfect setting for a delightful meal, a refreshing glass of beer or wine, or a delicious grab-and-go lunch.

GOLD NUGGET SALOON

In the evenings, visit the "Music of Denali Dinner Theatre" at the Gold Nugget Saloon and get ready for a thoroughly entertaining show and a raucous good time. After the performance, settle back, relax and enjoy a drink and some live music.

ARTISTS-IN-RESIDENCE

Artists have come to national parks for inspiration since the 19th century. Today, there are more than 50 residency programmes across the country. The new Artists-in-Residence Cabin will house artists creating Denali-inspired work. Drop in and watch as they work.

WATCH & LEARN

The new centrally located amphitheatre is a comfortable place to take in lectures by National Park rangers and naturalists, as well as locally themed demonstrations and musical performances.

Plain Sailing

An East Coast Distillery Cocktail

Exclusively Handcrafted for Blue Horizons Readers

Essex's East Coast Distillery has spent a huge amount of time perfecting their signature gin, Tide's Fortune. From the moment they began crafting it, they knew that they wanted to use local botanicals to infuse their gin with the fortune of the east coast. Based in Thorpe-le-Soken, the company is perfectly placed to use the amazing Sea Buckthorn which grows wild on the sandy beaches nearby and is also farmed just a stone's throw from the distillery, as well as Sea Purslane which carpets much of the coastline, especially the muddy coastal inlets around north Essex. With everything done by hand – from foraging and picking the local botanicals, to filling, labelling and hand stamping each bottle, East Coast Distillery have managed to craft the perfect gin.

Exclusively for Blue Horizons, East Coast Distillery have created a delicious cocktail for our readers to inspire your next cruise holiday – aptly named Plain Sailing. Plus, simply book from this edition of Blue Horizons and email gift@rolcruise.co.uk with your booking reference number before 8:00pm 30th September 2020 and you'll receive a free bottle of Tide's Fortune Gin so that you can have fun making this exclusive cocktail at home!

METHOD

1. In a cocktail shaker, mix all your ingredients together except for the soda water.
2. Shake vigorously for 15 seconds, then add in ice (just enough to cool things down) and shake for another 30 seconds.
3. Strain into your glass of choice and top up slowly with soda water. Watch as the white sea peaks emerge.
4. Garnish with a twist of lime (origami boat optional!)

GIN. WIN. GRIN

We were delighted to hear from Mr & Mrs Court who won a bottle of Tide's Fortune Gin in a recent ROL Cruise competition! Here's what they said...

"We just wanted to thank all at ROL Cruise for the fine bottle of Tide's Fortune Gin (a most appropriate name!) which we have received for winning the competition. As I think this photo indicates, my wife Janet and I were both very thrilled to get it and we raise our glasses to you all as we look forward to happy cruising days again!"
