HELLO AND WELCOME TO THE JANUARY 2022 EDITION OF BLUE HORIZONS

Jeremy Dickinson,
Chairman of ROL Cruise

Happy New Year from all at ROL Cruise! Here we are again, looking ahead to a brand new year, with a whole host of exciting new opportunities. The new ships that have been eagerly-awaited begin to set sail, destinations both old and new are set to receive visitors and ROL Cruise are ready with the exclusive savings and benefits you have all come to expect from the UK's No.1 Independent Cruise Specialist.

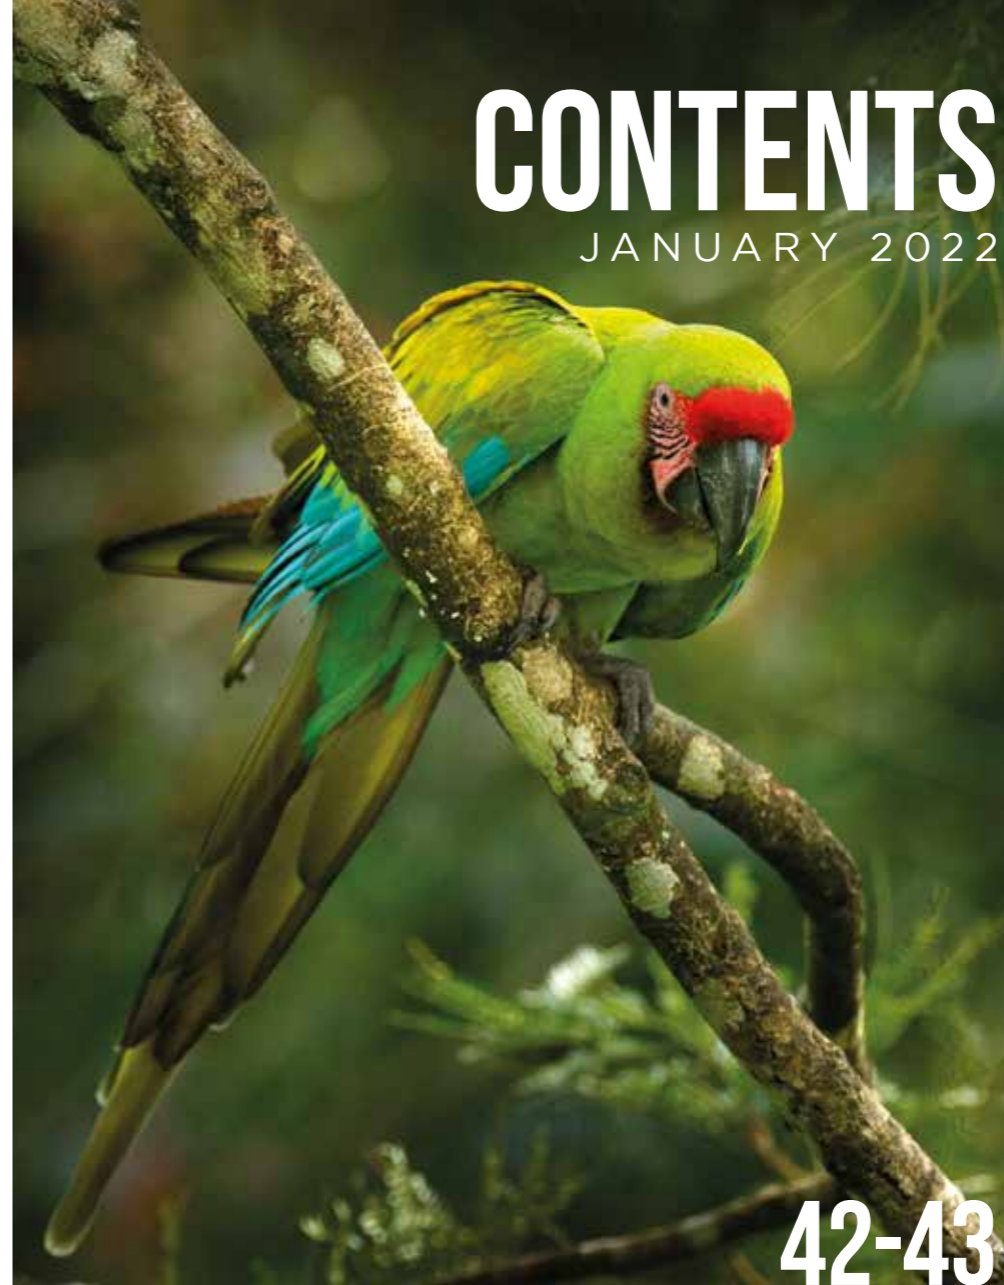

If you've been putting off booking that all important cruise holiday, then wait no longer. We have a host of departures this year from as little as **£499^{pp}**! Join Ambassador for a slice of adults-only cruising on pages 10-11, or enjoy free flights from Celebrity Cruises on pages 14-15, taking you to that long awaited Mediterranean sunshine. Or even take the plunge and join Cunard's iconic **Queen Mary 2** on a Grand Circumnavigation of Australia, with exclusive savings and on board spend, you'll even be back in time for Christmas. But hurry, availability is limited!

An often over-looked gem, Croatia combines the best of medieval history and modern living. Discover its islands for yourself on board a 34-guest private yacht with APT. You'll find further details of this exciting maiden season promotion on pages 24-25.

I mentioned new ships and I have an extra special one on pages 44-45. Its none other than Silversea's newest ship, **Silver Nova**. She is the world's first hybrid luxury ship and set to become a cruising icon.

I couldn't sign off without mentioning one of our bespoke Signature Experiences - ROL Cruise are proud to present a Grand Canada & Alaska Adventure by Land, Rail & Sea in partnership with Cosmos Tours. Discover this incredible journey on pages 34-35.

Happy Cruising!

YOUR GRAND VOYAGE HIGHLIGHTS

KEY WEST, FLORIDA, USA

Here, where bohemians and artists reside in wooden houses amid lush tropical vegetation, is a religion for whom the term "laid back" might have originally been coined. Meander down Duval Street and enjoy its numerous shops, bars and cafés, witness the island's best architecture on a walking tour* or simply soak up the year-round tropical climate.

NEW ORLEANS, LOUISIANA, USA

The birthplace of jazz, New Orleans, is a great 'Southern Belle' of a city. Enjoy the spectacular Creole cooking, the lacy balconied mansions of Vieux Carre and a 'steam-wheeler' cruise down the Mississippi to Scarlet O'Hara country. Nestled in the Mississippi River's crescent, New Orleans is home to fantastic natural wonders – such as the mighty Mississippi – as well as Jean Lafitte National.

PARTIAL TRANSIT OF THE PANAMA CANAL

Undeniably, Panama's biggest attraction is the Panama Canal, a modern day wonder of the world. Constructed between 1903 and 1914, the canal's three locks allow 14,000 boats a year to cross a 48 mile body of water from the Pacific Ocean to the Atlantic. Its role in revolutionising maritime trade and the sheer feat of engineering skill makes the canal a fascinating place to sail through.

PUERTO LIMON, COSTA RICA

Set foot on 'the Rich Coast' to appreciate just how rich it really is. Strolling the city's palm-lined promenade or verdant Parque Vargas will tell you that much. But no visit would be complete without admiring the vast swathes of dense rainforest, and Braulio Carrillo National Park obliges with an aerial tram ride through the lush canopy.

FROM SHELF TO SEA...

Whilst many of us may not have the luxury of time to indulge in a good book back at home, cruising is the perfect opportunity to delve into a new novel – or two! If you need inspiration for what to read on your next cruise, then be sure to add the below books to your list, handpicked by ROL Cruise...

The View from the Hill: Four Seasons in a Walker's Britain

BY CHRISTOPHER SOMERVILLE

Assembled from 450 of Somerville's notebooks, *The View From the Hill* details the accumulated thoughts and experiences of a career spent exploring Britain on foot over four decades. Ranging across the British Isles from Hampshire to the Isle of Mull and is packed with a plethora of evocative gems from this most distinguished of travel and nature writers.

Indochine: The Collection

BY LUKE NGUYEN

The French colonisation of Vietnam, which lasted for nearly one hundred years, had a profound influence on Vietnamese lifestyle, architecture and cuisine. Chef and author Luke Nguyen once again revisits his beloved Vietnam to talk to chefs, bakers, farmers and family members to explore the impact the French had on what the Vietnamese eat and cook today.

World of Wonders

BY AIMEE NEZHUKUMATATHIL

A book about nature that is also a deft and deeply evocative, personal story of belonging and the immigrant experience, Aimee Nezhukumatathil's extraordinary collection of nature essays is a thing of wonder indeed and a book that opens readers eyes to a truly new way of looking at the world around us.

INTRODUCING *MS MAUD*

After transforming into an expedition ship running on Biofuel, *MS Maud* is designed to take you on a cruise in maximum comfort, equipped for a sustainable and memorable expedition. Her bright interiors are appointed in a classic Art Deco style. Colours are inspired by the Midnight Sun, allowing you to relax in warm vibes every day of the year. A specially designed Expedition Launch – the tender pit area where guests embark on their excursions and off-ship adventures – will be added, complete with tender boats and other expedition equipment. Plus, enjoy Hurtigruten's Science Center, an edutainment venue which is the hub of on board learning.

THE FUTURE IS GREEN

Hurtigruten have made history by removing all single-use plastics from their ships. In the hope others will follow suit, Hurtigruten, who sail to some of the world's most remote, pristine and delicate environments, have made this important commitment at a time when concern for rising plastic in the oceans is at an all time high. To ensure they are operating with the smallest footprint possible, Hurtigruten have removed plastic straws, coffee lids and plastic bags on all of their 14 ships, even single-use butter packaging!

SEVEN NIGHT STAY IN BARBADOS

Get to know this quintessential Caribbean island. You'll find that Bridgetown strikes a fine mix of island warmth and English heritage. Stately colonial buildings intermingle with colourful wooden homes, open-air markets and catch-of-the-day cafés. Sit back and relax on the powdery white sands of Harbour Lights on Carlisle Bay Beach. If kicking back with a rum punch in hand is a little too laidback, you can snorkel around shipwrecks, rent a jet ski or even visit Tortuga to swim with turtles*. This island is a seafood lover's dream come true. Bajan (or Barbadian) cuisine blends African, Indian and British influences. For a truly authentic experience, don't shy away from the street food – try the fried fish cakes, macaroni pie, tamarind balls and the national dish, cou-cou with flying fish.

RHAPSODY OF THE SEAS®

Sea days on board *Rhapsody of the Seas*® are as exciting as each day in port. Get ready for a world of new discoveries on deck – like world-class dining, award-winning entertainment, electrifying nightlife and unforgettable activities for every kind of traveller.

After a day spent exploring Caribbean islands, there's nothing like a night out on board. Head to the theatre for a show-stopping original production, or raise a glass of your favourite vintage or cocktail at one of the many bars.
