YOUR SAGA EXPERIENCE

A BALCONY FOR EVERY GUEST

It's one of the most distinctive feature: every cabin has a balcony, giving you your own outside space. So whether you're cruising into Valencia, or around the villages of Norway, you have your own place to relax, enjoy the views and fresh air, and watch the sun set as you head to another incredible destination.

FINE DINING IS ONE OF THE REAL PLEASURES OF CRUISING WITH SAGA

You can eat wherever and whenever you like, in a choice of venues to suit your every mood, at no extra cost. Such as The Club by Jools (on board *Spirit of Discovery* only), a steakhouse with a quality menu to rival some of the world's finest supper clubs, and a sociable atmosphere and line-up of evening entertainment to match.

SUITE DREAMS

For even more luxury, why not upgrade to a sumptuous Suite? They're the most exclusive accommodation that *Spirit of Discovery* and *Spirit of Adventure* have to offer, packed with extra features and butler service designed to make your cruise even more special. Offering far more space up to a staggering 730 square feet per cabin, they feature elegant living and dining areas and much more.

SUMPTUOUS SINGLE CABINS

Solo cruisers are also spoiled for choice, with a range of over 100 single balcony cabins. This is a first for the cruising industry: no other ship has dedicated such space to single cruise-goers. In keeping with the ship's theme of choice, single cabins are available in a wide selection of grades, giving solo travellers just as much choice.

DID YOU KNOW?

Saga have been creating cruises exclusively for over 50s (a travelling companion can be over 40) for more than 60 years, with incredible destinations, memorable experiences and fantastic value at the heart of what they do.

Today, the task of taking these ships, some close to 85 years old, across one of the world's busiest shipping lanes, is by no means insignificant. INTRODUCING
PANDAW

The Pandaw experience is all about exploring remote and often hard-to-navigate rivers in specially designed luxury small ships. Each ship, hand-crafted in brass and teak, is an object of beauty in itself, and with small-scale ships, the atmosphere is informal, and very friendly.

Sailing on a Pandaw ship is an outdoor, fresh air experience. However comfortable and roomy the staterooms, passengers prefer to spend their time sitting outside, on the promenade decks or on the vast observation deck above. Unlike most other cruise ships, every window on board (except for the portholes on the lower deck) can be opened and closed to suit your comfort. As you sail, you may wish to sit on deck, absorbed by the awe-inspiring riverside panoramas that unfold before you. From the comfortable vantage point of a teak-floored Pandaw deck, it's hard not to become hypnotised by the unceasing human and wildlife activity that characterises the great rivers of Asia.

YOUR INCREDIBLE TOUR HIGHLIGHTS

4 Rivers Floating Resort, Tatai[‡]

Like a rare butterfly, Cambodia has emerged from a troubled past to show off its beauty. Away from the tourist trail there is another country, a land of unspoilt virgin forest, rare orchids, startling colours and calls of birds of paradise, secretive jungle creatures and a perfumed air of peace and solitude. This ecological miracle deserves an environmentally friendly resort that captures the imagination while offering the luxury of a boutique resort. Peaceful seclusion, privacy, luxury, exclusivity... welcome to 4 Rivers Floating Lodge[‡].

Koh Kong is one of Cambodia's most forested provinces which offers some exceptional experiences. A maze of rivers flow into the Gulf of Thailand and create an incredibly unique natural environment of waterfalls, dense jungle and little islands with small farming communities. Situated along the Tatai River and overlooking the Cardamom Mountains, a peaceful and private sanctuary awaits at this luxury eco lodge. Built using only eco-friendly materials, cocoon in comfort in one of the 12 floating tents, each with its own private terrace. Swim in the rivers, visit the waterfalls or hike across the islands, and capture the beauty of one of the world's largest rainforests. Every experience in this dense jungle is exceptional and easy to enjoy.

18 NIGHTS DEPARTING 10TH & 24TH MARCH 2022

- Day 1** Fly from London to Tokyo, Japan[~]
- Day 2** **Tokyo, Japan**
 Upon arrival, transfer to a 4★ hotel[‡] for your two night stay
- Day 3** **Tokyo, Japan**
 You'll never forget a visit to the sensory explosion that is Tokyo. Capital of Japan, this is a city where you'll find centuries-old culture jostling for position next to cutting-edge technology – a fabulous blend of history and modernity that has to be seen to be believed. Many cities can say they're bustling, but few boast a pulsating traffic intersection that's become a tourist attraction all of its own. To get a feel for Tokyo's natural beauty, head to Yoyogi Park, where cherry blossoms are resplendent in spring. City life slows down just a touch in this former Olympic village, which also served as a military parade ground and barracks for American soldiers after the Second World War. Modern Tokyo can be deftly explored at the Roppongi Hills complex. Drink in breathtaking panoramic vistas at the 52nd floor Tokyo City View, then peruse the exhibits at the Mori Art Museum. Indulge in traditional sushi and sake at one of the complex's many restaurants, or sit back and watch the world go by in the Japanese landscape garden
- Day 4** **Tokyo, Japan**
 Transfer to Yokohama Port and embark the newly-revolutionised *Celebrity Solstice*[®] for your 14 night voyage of Japan in Springtime

- Day 5** **Mt. Fuji (from Shimizu), Japan**
 On clear days, Mount Fuji (Fuji-san in Japanese) is visible from as far as Tokyo, 60 miles away. When Japan's highest mountain is capped with snow, it's a picture-postcard perfect volcanic cone. One of the best-known symbols of Japan, this iconic mountain has been considered sacred since ancient times and was even forbidden to women until the early 1900s
- Day 6** **Kobe (for Kyoto/Osaka), Japan** (depart late night)
 Visit Osaka Aquarium, one of the world's largest aquariums which has over 580 species of sea life on display, or Universal Studios Japan, the company's first theme park outside of the U.S. Kyoto served as the nation's capital for more than 1,000 years, and is home to 17 different World Heritage Sites, including Kiyomizudera Temple and Heian Jingu Shrine
- Day 8** **Kochi, Japan**
- Day 9** **Hiroshima, Japan**
- Day 11** **Nagasaki, Japan**
 Historically rich Nagasaki features beautiful seaside scenery and fabulous nighttime views from its mountain slopes. Secluded hot springs, fascinating museums, and ornate temples live side-by-side in this exciting city. Ten natural parks grace the area, and unique festivals can be experienced throughout the year.

Cherry Blossom season may vary. Booking conditions of Celebrity Cruises[®] and Reader Offers Limited Agency terms of business apply. Please see back page for full terms and conditions.

Mt Fuji, Japan

Delight in the fleeting beauty of these delicate flowers that frame the historic temples and towns perfectly. From snow-capped Mount Fuji to the traditions that include Geisha girls and samurai warriors. This is a Japanese experience you will not want to miss out on.

CELEBRITY SOLSTICE®

The ship that inspired Celebrity's celebrated Solstice® Class and one of the most decorated ships in the fleet, *Celebrity Solstice®* will undergo a refurbishment as part of the \$500-million Celebrity Revolution in October 2021, just in time for your voyage of Japan. YOUR VOYAGE HIGHLIGHTS

THREE NIGHT 4★ HOTEL STAY IN SYDNEY*

As the ship glides towards the port, the view of the Sydney cityscape in the distance is enough to take your breath away. Attracting visitors with its iconic harbour, glorious beaches and the stunning Blue Mountains to the west, Sydney hosts nearly half of all international visits to Australia. **BOOK** a Concierge Class Stateroom (C3) or above and receive an **EXCLUSIVE FREE** Blue Mountains tour*. Life really is a beach in Sydney – this city boasts more than 40 of them. The glorious Bondi Beach is the most famous and the place to go to watch surfers catch waves, while Maroubra Beach is a lovely location for a barbecue and simply watching the world go by. If more active pursuits are what you're after, then why not enjoy a bridge tour* of Sydney's iconic Harbour Bridge? Not for the faint of heart, these tours will take you to the very top of this 134 metre giant. You'll see breathtaking views of Sydney, the Harbour and the Opera House. Just a stone's throw away from the Sydney Opera House and covering a sizeable 74 acres, the Royal Botanic Garden is a beautiful showcase of Australia's native flora and fauna. Taronga Zoo is also especially popular with visitors – here you'll meet the cutest, cuddliest, most endangered and most downright dangerous (but not right up close) of Australia's incredible wildlife.

TWO NIGHT 4★ HOTEL STAY IN AUCKLAND*

Stretched over a volcanic field on New Zealand's North Island is multicultural Auckland. The country's largest city, this thriving hub offers everything you would expect – enchanting scenery at every turn, fascinating Maori heritage and friendly locals. The urban centre occupies a narrow isthmus between two harbours, while the outer region boasts beautiful beaches, fertile farmlands and rainforest-covered hills.

One of the best ways to appreciate Auckland's amazing vistas is from the 328m tall Sky Tower. The tallest man-made structure in the Southern Hemisphere, it offers 360-degree views of the city from three observation decks, plus a glass floor for a heart-stopping look straight down. **BOOK** a Concierge Class Stateroom (C3) or above and receive **EXCLUSIVE FREE** admission tickets to the Sky Tower*. For glorious scenery head to the idyllic Coromandel Peninsula, the spectacular Bay of Islands or the pine-clad Waitakere Mountains. Or, for something a little different, seek out the glowworms and stalactites of Waitomo Caves, the geothermal mud pools of Rotorua or marvel at Middle Earth on a Lord of the Rings tour*.

Uncover the Mysteries of Easter Island

Just south of the Tropic of Capricorn, Easter Island, or Rapa Nui, lies 3,790 kilometres to the west of Chile. Extraordinarily remote, this island was first inhabited by Polynesians who are believed to have arrived by sea about 1,200 years ago. The island is best known as the site of more than 600 stone statues, or Moai, which stand up to nine metres in height. The statues were carved in the spectacular Rano Raraku quarry and were then believed to have been transported on wooden rollers to their destinations. Little is known about these fascinating statues, and during your full day tours, you can begin to uncover the legends that surrounds Easter Island.

Your Three Night Stay at the 5★ Hangaroa Eco Village & Spa[‡]

Ranked within the top 25 resorts in the world, your stay at the Hangaroa Eco Village & Spa is the perfect setting to unwind after full days exploring. Set by the ocean, overlooking the most spectacular sunsets, and constructed with impeccable detail and care, the hotel combines social and cultural responsibility with the forefront of luxury and comfort. Inspired by the local culture and natural resources of Easter Island, the rooms allow guests to feel the magical energy of the island. They invite you to rest, relax and feel at home. The ambience, highlighted by items made by local artisans, prioritises natural light and features the use of natural materials all intended to further connect your stay to the spirit of Rapa Nui. All rooms feature a terrace with ocean views, premium bedding, rain shower and free standing bathtub and bathrobes. You'll return feeling refreshed, relaxed and renewed in both body, mind and soul.

Here, you will enjoy a wine tasting and lunch (L)
- Thu 3** Santiago – Easter Island, Chile
Transfer to the airport for your flight to Easter Island. Upon arrival, transfer to the 5★ Hangaroa Eco Village & Spa† for your three night stay, including breakfast. Tonight, enjoy a wonderful dinner (B, D)
- Fri 4** ★Full day excursion to Rano Raraku, Anakena and "Moai" platforms★
The excursion includes a selection of sites depending on local conditions at the time. These may include Ahu Tongariki, the largest ahu (or statue platform) ever built and other platforms on the island such as Ahu Vaihu and Ahu Akahanga. You will also visit the quarry of Rano Raraku from which most of the moai on the island were cut. Paths lead around the volcano's slopes, where hundreds of statues still lie scattered in various stages of completion. The tour will finish with a stop at the beautiful Anakena beach, the site where King Hotu Matua first landed accompanied by the early Polynesian settlers (B, L, D)
- Sat 5** ★Morning excursion to Aku Akivi & Puna Pau quarry★
Ahu Akivi is one of the few Rapa Nui platforms not located by the coast. Its seven resurrected moai directly face sunset during the spring and autumn equinox, showing the advanced astronomical knowledge of the native inhabitants of the island. Also included is a visit to the Puna Pau quarry, where the red stone headdresses that were fixed on top of the moa were quarried
★Afternoon excursion to Orongo & Rano Kau Volcano★
Rano Kau is a dormant volcano at the southern tip of the island. The lake in the caldera is almost totally covered by islands of vegetation. Nearby is the ceremonial village of Orongo, located on a narrow ridge between the deep crater on one side and a 1,000-foot drop into the ocean on the other. The most sacred area at Orongo is called Mata Ngarau, where priests chanted and prayed for success in the annual egg hunt-and seemingly also carved the petroglyphs. You will learn about the Birdman Cult, which emerged after the collapse of the moai culture, and was specifically focused on fertility (B, D)

THE WHITE CONTINENT IN ULTRA-LUXURY

For the first time, fly with Silversea for free in Business Class^{>>} to the White Continent to board *Silver Explorer*, saving you four days at sea crossing the Drake Passage, and taking you straight to the heart of Antarctica. Silversea will be the first ultra-luxury cruise line to fly guests directly to Antarctica in Business Class. Follow in the footsteps of great explorers and make history by booking this unique adventure.

ANTARCTIC SOUND

Few voyages ignite the imagination like a journey down to one of the planet's most remote, extreme and enchanting wilderness, Antarctica. An adventure in its purest form, only a handful of people will ever be lucky enough to experience the majestic beauty of these monochrome landscapes first-hand. The Antarctic Sound is located at the northerly tip of the Antarctic. The Sound is a raw, sensory assault of imposing iceberg slabs, broken away from the disintegrating Larsen Ice Shelf. Come face-to-face with stadium-sized islands of ice and meet the extraordinary birdlife that calls this white kingdom home. Watch on, as colonies of Gentoo penguins hop around, and cape petrels swoop overhead, as the continent's unique wildlife thrives around you.

ANTARCTIC PENINSULA

Stretching up from the heart of the world's southernmost continent, the Antarctic Peninsula lies 620 mile from Tierra del Fuego and, for many, offers a spectacular first taste of the snow-blanketed landscapes and colossal ice sculptures which make up Earth's least-explored continent. The vast peninsula is sprinkled with research bases, which are at the frontline of human scientific endeavour, pushing to study and understand this unique landscape, its exceptional wildlife, and the impact that humans are having on this pristine continent. Witness cathedral-sized icebergs up close, and blue-hued glaciers, slowly slipping from imposing locations like Hope Bay. Blanched mountain peaks cover the peninsula, and you'll find thousands of adorable Adelie penguin pairs thriving undisturbed in this peninsula's unique setting.

SOUTH SHETLAND ISLANDS

The ice-coated Antarctic Peninsula forms perhaps the most accessible region of mainland Antarctica, lying a mere 480-miles away from South America, across the fabled waters of the Drake Passage. Several countries maintain research bases here, along with plump elephant seals, and crowds of Gentoo, Chinstrap and Adelie Penguins who also call the islands home. King George Island is the largest and most hospitable island, hosting the majority of the research stations – some of which are populated all-year-round by tiny, hardy crews. Hike the luna landscapes within, and even dip into the improbably warm, geothermally-heated waters of Pendulum Cove. Elephant Island, meanwhile, is written deep into the annals of Antarctic expedition legend, as the site where Ernest Shackleton and the stricken crew of the *Endurance* miraculously survived a harsh Antarctic winter, in 1916.
