HELLO AND WELCOME TO THE SEPTEMBER EDITION OF BLUE HORIZONS

Jeremy Dickinson
Chairman, ROL Cruise

With exciting new itineraries, maiden voyages, once-in-a-lifetime bucket list experiences and incredible no-fly cruising on offer for 2021 and beyond, we can't help but feel inspired to travel – and with this edition of Blue Horizons, we hope to inspire you too.

Many of us would love nothing more than to escape to the pure white sands of the Caribbean for our next holiday, and on pages 10-11 you can do just that with P&O Cruises. In 2022, enjoy discovering the Treasures of the Caribbean on a bestselling no-fly voyage, or explore the Caribbean and Bermuda, including an overnight stay on board in vibrant New Orleans! Over on pages 12-13 you can join Cunard's iconic *Queen Mary 2* for your choice of unmissable grand voyage: discover New York, Canada & New England in the Fall, or experience the Caribbean and New York for a winter escape.

Throughout this edition, you'll also find exclusive Signature Experiences to tick off your bucket list – many of which only available to book with ROL Cruise. These include the chance to visit a number of wildlife parks including one of the best places to see wild elephants, Minneriya National Park, on pages 28-29 with Celebrity Cruises® and Wendy Wu Tours. Or, on pages 38-39 enjoy the chance to join *Silver Dawn* on her maiden South America season in 2022, including an unmissable Iguazú Falls tour.

You can also find closer-to-home cruises, sailing direct from the UK from only £899pp on pages 6-7. With our very own British Isles at the top of many must-visit lists, these sailings will sell fast, so please don't miss out!

With so much on offer, we're looking ahead to a brighter future for cruising and we hope that you are too.

Here, you will enjoy a tour before returning to Luxor for some time at leisure before visiting the ancient Temple of Luxor. MINNERIYA NATIONAL PARK

As one of the best places to see wild elephants, a game drive within Minneriya National Park will surely be a highlight of your incredible wildlife-rich holiday. Home to over 200 elephants, you can expect to see these majestic animals come to feed and bathe during what is known as 'the Gathering'; and flocks of birds, such as little cormorants, painted storks, herons and large pelicans as they fish in the shallow waters.

KOSGODA TURTLE HATCHERY

Established in 1981, the Kosgoda Turtle Hatchery is one of 18 turtle hatcheries to be found along the southern coast of Sri Lanka. Unlike other hatcheries across Sri Lanka, all five species of turtles that visit this area nest in Kosgoda, including the Hawksbill turtle, Green turtle, Loggerhead turtle and Olive Ridley turtle. The centre functions mainly as a hatchery and makes huge efforts to increase the rate of hatching, and survival of baby turtles in their very initial stages. However the care centre also works on sick or injured adults; treating them and releasing them back into the ocean.

UDAWALAWA ELEPHANT TRANSIT HOME

Supported by the Born Free Foundation this complex is a halfway house for orphaned elephant calves. After rehabilitation, the baby elephants are released back into the wild so that they can re-integrate with wild herds, many into the Udawalawa National Park. Over 100 elephants have been rehabilitated at the Elephant Transit Home and subsequently released into the wild. The elephants are free to roam around and are never chained - Elephant Transit Home ensures that human contact is kept to a minimum in order to maximize their chance of survival when they are returned to the wild.

Celebrity Cruises[®] have been navigating the waters of the Galápagos Islands for over a decade, bringing guests to a land that resides at the intersection of natural splendour and historical iconography, a place that not only draws the admiration of the eye but demands your respect both for its ecological importance and its continuing role as a beacon for responsible ecotourism. In this place of immense historical significance and unflinching beauty, **Celebrity Cruises[®]** are committed to ensuring that you have an unrivalled travel experience – but also, that the islands and the waters that surround them are treated with the utmost care and respect they so richly deserve. The Galápagos is one of those special places. The kind that makes you want to remember every detail with crystal clarity.

You can rest assured that as the No. 1 Global Agent for Galápagos, ROL Cruise, together with **Celebrity Cruises[®]** will ensure everything is taken care of, making your trip as convenient, relaxing and memorable as possible. The remote location of this volcanic archipelago has allowed for a unique and diverse range of species, found nowhere else in the world. Their isolation and subsequent adaptations inspired Charles Darwin's Theory of Evolution. This is your opportunity to embark on a once-in-a-lifetime discovery, to explore for yourself these remote islands and the exceptional creatures that call them home.

Access to the Experts

On this sailing you will be accompanied by highly qualified naturalist guides, who will share with you their deep knowledge of the Galápagos archipelago. Together, you will explore each island, trekking over black lava rocks where marine iguanas sun themselves, to see Galápagos tortoises, sea turtles and the iconic blue-footed Boobies.

Galápagos Wildlife Watchlist...

MARINE IGUANA

Found only in the Galápagos Islands, the iconic Marine Iguanas are distinguishable by the white "wigs" of salt expelled from glands near their noses. They look fierce, but are actually gentle herbivores, surviving exclusively on underwater algae and seaweed. Their short snouts and razorsharp teeth help them scrape algae off rocks.

GALÁPAGOS SEA LION

The cute Galápagos Sea Lion is the most abundant marine mammal in the archipelago and is often seen sleeping on the beaches or swimming close to shore. Their streamlined bodies make them very efficient swimmers and hunters, especially of sardines. If you're lucky, you may get the chance to witness young pups chasing each other along the sand.

SALLY LIGHTFOOT CRAB

The brightly coloured Sally Lightfoot crab is a common sight along the shores and beaches of most of the Galápagos Islands. They are rumoured to have been named after a Caribbean dancer, due to their extreme agility, jumping from rock to rock. Their striking colours make for a stunning appearance too.

CRUISE INSPIRATION

While we can't take to the seas at the moment, there are lots of things out there to keep us occupied and inspired to cruise...

Pamper

DIY Spa Treatments

During a cruise, nothing says a pampering session more than the on board spa. Although at home you may not have access to the same high-quality treatments and world-class professionals, you can still recreate the experience using everyday ingredients found around the house. Inspire a Caribbean cruise with this Tropical Fruit Face Mask.

What you'll need:

- Mango
- Avocado
- Honey

What to do:

Mash together one whole mango with two tablespoons of both avocado and honey. Apply evenly to your face and neck and leave to dry before washing off. Mango contains antioxidants that help reduce signs of ageing so this fruity recipe will keep you feeling young.

★ YOUR FIVE NIGHT LIMA, BUENOS AIRES & IGUAZÚ FALLS LAND TOUR* HIGHLIGHTS ★

TWO NIGHT HOTEL STAY IN LIMA, PERU

Splashing colour and culture into the arid Peruvian landscape, Lima is a city bedecked with grand colonial splendour. The Basilica Cathedral of Lima watches over Plaza Mayor – listen out for the stomps of boots outside, as the pomp and ceremony of the Changing of the Guards draws crowds to the Government Palace. The Barranco district is Lima's artsy area, and you can walk from modern art galleries to see the local muse, the Bridge of Sighs. Afterwards, sample some of Lima's cuisine, and the zingy flavours of spicy, lime-marinated fish ceviche – so revered in these parts, ceviche even has its own national day! Sipping a Pisco Sour is the perfect way to round off your visit to this engrossing, multi-layered city.

DISCOVER THE MIGHTY IGUAZÚ FALLS

One of the most beautiful natural features of not only South America, but the world, the Iguazú Falls sit on the border of Argentina and Brazil and are surrounded by glorious flora and fauna.

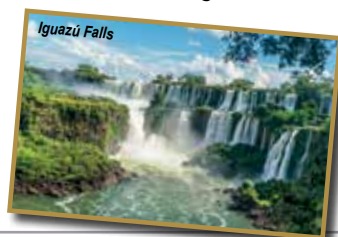

Perhaps one of the world's most impressive waterfalls, Iguazú Falls spans almost three kilometres across the border of Argentina and Brazil. Made up of many cascades, the vast sprays of water contribute to lush vegetation and more than 2,000 types of vascular plants within the rainforest. Wildlife in the area includes tapirs, coati, giant anteaters, howler monkeys, ocelots, jaguars and caymans. Those travelling South America will not want to miss this spectacle: panoramic views of the falls can be witnessed from Brazil while those wanting to get a little closer can do so in Argentina – both of which can be experienced during this incredible holiday.

TWO NIGHT HOTEL STAY IN BUENOS AIRES

An optional guided city tour* can introduce you to Buenos Aires' top highlights including the glamorous neighborhoods of Recoleta and its most famous cemetery, Palermo. Your visit would not be complete without the sights of the first settlements of the city of Buenos Aires: the neighborhood of San Telmo, residence to the porteño aristocracy until the end of the XIX century and where the renowned antiques market is held every Sunday; Caminito Street, in the colourful neighbourhood of La Boca. During your stay, look forward to an included dinner and Tango show* at Cafe de los Angelitos. This complete Tango show covers the history of Buenos Aires' most iconic music from the 1920s to the modern edge of composer Astor Piazzolla, with a cast of twenty dancers and a talented music quintet.
