# Proud to support the

NHS staff and volunteers are doing amazing work right now in caring for Covid-19 patients and we want to do our bit to show support too. In these troubling times, it gives us all as individuals, groups and organisations the chance to show we care and to make a difference.

Here at ROL Cruise we have been thinking how we can assist in the current climate. Our commitment is to raise £100,000 to show our appreciation to the amazing NHS who are working tirelessly to save lives. For every booking made with us, we will donate £25 to the NHS Charities National campaign that acknowledges and supports the health and emotional wellbeing of those at the frontline of the NHS, including NHS Staff, volunteers and patients. The money raised will cover above and beyond what the NHS alone can provide, such as wellbeing packs, accommodation, travel, parking and volunteer expenses. Support the longer term mental and rehabilitation of NHS staff, volunteers, patients and carers after the pandemic is over. Supporting NHS patients to leave hospital quickly and safely and to remain or stay out of hospital.

So far we have raised over £15,000 and hope to reach our target by the end of June to show our gratitude to the hardworking NHS who we are proud to support.

## An Exclusive Interview with Claire Irvin, Head of Travel at the Daily Telegraph

This month, we are delighted to speak to Claire Irvin, Head of Travel at the Daily Telegraph, in an exclusive interview for Blue Horizons. Claire has been leading the Telegraph's Travel team for three years and together her team provides fantastic holiday inspiration, advice, reviews, news analysis and commentary on every aspect of travel.

### 1 Thank you for joining us Claire; what's new with the Telegraph's Travel section?

I am very lucky to have a fantastic team of journalists and we're now working a 24-hour news desk, with everyone currently working remotely. These are different times for us all, but we're really proud of how we're able to support our readers, and the wider travel industry, in providing relevant, timely information.

### 2 What feedback are you receiving from your readers regarding their future travel plans?

The appetite for our readers to travel again has not diminished – in fact the contact we receive is incredible. It became clear very quickly that people are keen to know when they can start cruising again – the demand is still very much there, and rightly so.

### 3 What advice would you offer to readers – why is now a good time to book?

Cruising is such a big part of our reader's travel calendars. For those committed cruisers, they are continuing to book ahead with gusto. They have confidence in the industry, the agents, the cruise lines and ships and they know that guidelines and steps will be in place to ensure cruising continues to be a very safe way to see the world.

### 4 What holidays do you believe will see an increase in popularity?

I am sure that aspirational cruises will be snapped up by people looking to get back out and see the world. I think when the guidelines have been provided by government, confidence will return very quickly. My own parents who are now over 70 have been asking me when they can get back to cruising! They want to go to Rome and are desperate to travel again. Of course, they are just one example, but I'm confident that our readers are continuing to plan ahead into 2021 and 2022 – and make up for lost time!

### 5 Finally, what note of support do you have for ROL Cruise and its customers?

Firstly, I'm aware that ROL Cruise is aiming to raise £100,000 for the NHS Combined Charities campaign in support of the NHS. Power to you all! To give so generously to the NHS is fantastic – and at a time that hasn't been easy – is commendable. I know the team works hard to support its customers, and that is demonstrated by the fact that you're continuing to make cruise dreams a reality for your loyal customers.

## INTRODUCING CRUISE & MARITIME VOYAGES' NEW FLAGSHIP - AMY JOHNSON

*Amy Johnson* will become the proud new flagship of the Cruise & Maritime Voyages fleet in April 2021. Given her size she will provide a very generous, spacious and relaxing feel. As a celebration of the courageous exploits of past female explorers and adventurers, Cruise & Maritime Voyages have recognised their remarkable achievements by naming their new ship after Amy Johnson, the pioneering English pilot who was the first woman to fly solo from London to Australia.

Combining beautiful, contemporary decor with a more traditional cruise style, *Amy Johnson* is a mid-size cruise ship and will be a wonderful new addition to the CMV fleet. Amy Johnson offers no less than 11 different lounges and bars including Raffles Bar, The Orient, Dome Observatory, Ocean Bar and Taverner's Pub, so there's a wide choice of contrasting venues to choose from. Restaurants on board offer fantastic dining opportunities including the attractive Waterfront Restaurant which serves breakfast, lunch and dinner or for something more casual, there's the buffet-style Pantry. At lunchtimes, when the weather is fine, the Alfresco Grill adds more choice. Specialty dining options, The Fusion, Grill and Chef's Table present truly intimate and delightful settings and outstanding menus.

### ★Castries, St. Lucia★

Lush, romantic and welcoming, stunning St. Lucia is an adventure waiting to be had. The dramatic twin peaks of the Pitons make a majestic backdrop as you hike through the rainforest, sail with dolphins or sip a cocktail on a palm-fringed beach. The crystal clear waters surrounding St. Lucia are a playground for marine life. Take a sailing tour around the island and keep your eyes peeled for seasonal humpback, sperm and pilot whales as well as dolphins. Whatever you choose to fill your time on this spectacular island, don't forget to bring a book and cocktail for the ultimate in relaxation.

### ★Rio de Janeiro, Brazil★

Hot all year round and with a tropical rainforest extending down to the sea, it's easy to understand why Rio de Janeiro is known as "Cidade Maravilhosa" ("The Marvellous City"). When you need a retreat from the heat, sip on a Caipirinha in one of the area's pubs or grab a fresh açai smoothie from one of the many juice shops to be found on street corners throughout the city. Ascending to the peak of the beautiful Pão de Açúcar (Sugarloaf Mountain) should be on every visitor's trip checklist. Standing at 1,299 feet (396 metres) above sea level, the mountain offers stunning views of Niterói, Copacabana and Santa Cruz Fortress. An impressive 30 metres tall, the statue sits atop the Corcovado Mountain and is listed as one of the New Seven Wonders of the World.

### ★New York, USA★

New York is the city so good they named it twice. With more restaurants, museums and iconic sights than perhaps any other destination, there's something for everyone in the Big Apple. As the setting for so many famous films, New York City contains some of the world's most universally recognised landmarks. You could easily while away an afternoon simply taking it all in. The torch-bearing Statue of Liberty is, of course, an essential sight to see, as is the world-famous Times Square. You'll also want to visit the Empire State Building – standing at 1,454 feet high, the Art Deco-style building's observation deck offers breathtaking views of the city.

### ★Bridgetown, Barbados★

Vibrant Bridgetown buzzes with life as Bajan locals and enraptured visitors leisurely wander amidst celebrated sights. Historic Bridgetown and its Garrison are recognised as a World Heritage Site, whilst a short walk from the harbour, the bright buildings of Pelican Village Craft Centre await. Handmade apparel, rum-infused goodies and island-inspired artwork is sure to appeal to souvenir hunters. Elsewhere on the island you'll find exotic botanical gardens, the intriguing Harrison's Cave system, renowned cricket grounds and informative museums. Plus, for a true taste of the island, enjoy a tour of the Mount Gay Rum Distillery or discover the home-grown secret to delectable Agapey chocolate.

# TOP 5 TIPS for planning a Cruise IN 2021 & BEYOND

Whether you're dreaming of indulging on a luxury Caribbean cruise or want to join a voyage to Antarctica with expedition experts, staying safe at home is the perfect opportunity to plan your next cruise holiday. Here are our top 5 tips for planning a cruise in 2021 and beyond...

## 1 Speak to a cruise specialist

If you're unsure about travel at the moment, but are keen to start organising your next cruise experience, then the best thing you can do is speak to a trusted cruise specialist. At ROL Cruise, for example, we always have and always will, look after your holiday as if it were our own and can happily reassure you that your holiday is fully protected.

## 2 Make it your own

Are you dreaming of dining in a specialty restaurant? Perhaps relaxing in Iceland's natural hot springs appeals? Or maybe you want to seek out wildlife on a kayaking tour of Norway's fjords? Spending time making your cruise experience your own means that you can cater every element of your holiday to your needs. So by the time your holiday comes around, you already have each day planned to perfection.

## 3 Look forward to the future

Knowing that you have a holiday to look forward to will brighten your days no end. Safe in the knowledge that you are fully protected, you can enjoy spending time at home with your family knowing that this time next year, you will be on holiday, making memories that last a lifetime.

## 4 Plan your bucket-list experience

From witnessing the wonder of the magical Northern Lights to sailing the paradise islands of the South Pacific in 6★ luxury, whatever your holiday needs are, time spent planning at home means that you can make it happen. Or, with our Signature Experiences, you can rest assured that every part of your holiday is taken care of for you.

## 5 Enjoy time spent together

Staying at home means that we aren't getting as much time with our loved ones as we'd like at the moment. So if you're thinking of planning your next cruise, then why not see if your family and friends want to come along for the adventure too? Spending quality time with those that you love will be moments to remember for a long time to come.

## CRUISE INSPIRATION

While we can't take to the seas at the moment, there are lots of things out there to keep us occupied and inspired to cruise...

**Day 1** Fly from London to Tokyo, Japan<sup>\*</sup>

**Day 2** Tokyo, Japan

Upon arrival, transfer to a 4★ hotel<sup>†</sup> for your two night stay

**Day 3** Tokyo, Japan

You'll never forget a visit to the sensory explosion that is Tokyo. Capital of Japan, this is a city where you'll find centuries-old culture jostling for position next to cutting-edge technology – a fabulous blend of history and modernity that has to be seen to be believed. Many cities can say they're bustling, but few boast a pulsating traffic intersection that's become a tourist attraction all of its own. To get a feel for Tokyo's natural beauty, head to Yoyogi Park, where cherry blossoms are resplendent in spring. City life slows down just a touch in this former Olympic village, which also served as a military parade ground and barracks for American soldiers after the Second World War. Modern Tokyo can be deftly explored at the Roppongi Hills complex. Drink in breathtaking panoramic vistas at the 52<sup>nd</sup> floor Tokyo City View, then peruse the exhibits at the Mori Art Museum. Indulge in traditional sushi and sake at one of the complex's many restaurants, or sit back and watch the world go by in the Japanese landscape garden

**Day 4** Tokyo, Japan

Transfer to Yokohama Port and embark *Celebrity Solstice*<sup>®</sup> for your 14 night voyage of Japan in Springtime

**Day 5** Mt. Fuji (from Shimizu), Japan

On clear days, Mount Fuji (Fuji-san in Japanese) is visible from as far as Tokyo, 60 miles away. When Japan's highest mountain is capped with snow, it's a picture-postcard perfect volcanic cone. One of the best-known symbols of Japan, this iconic mountain has been considered sacred since ancient times and was even forbidden to women until the early 1900s

**Day 6** Kobe (for Kyoto/Osaka), Japan (depart late night)

Visit Osaka Aquarium, one of the world's largest aquariums which has over 580 species of sea life on display, or Universal Studios Japan, the company's first theme park outside of the U.S. Kyoto served as the nation's capital for more than 1,000 years, and is home to 17 different World Heritage Sites, including Kiyomizudera Temple and Heian Jingu Shrine

**Day 8** Kochi, Japan

**Day 9** Hiroshima, Japan

**Day 11** Nagasaki, Japan

Historically rich Nagasaki features beautiful seaside scenery and fabulous nighttime views from its mountain slopes. Secluded hot springs, fascinating museums, and ornate temples live side-by-side in this exciting city. Ten natural parks grace the area, and unique festivals can be experienced throughout the year.

Cherry Blossom season may vary. Booking conditions of Celebrity Cruises<sup>®</sup> and Reader Offers Limited Agency terms of business apply. Please see back page for full terms and conditions.

Mt Fuji, Japan

## DISCOVER JAPAN IN THE SPRINGTIME

For a just a few weeks every year, Japan blooms into vibrant pink as the nation's cherry blossom trees (also known as sakura) flower, creating stunningly beautiful scenes across the country. Delight in the fleeting beauty of these delicate flowers that frame the historic temples and towns perfectly. From snow-capped Mount Fuji to the traditions that include Geisha girls and samurai warriors. This is a Japanese experience you will not want to miss out on.

## UNCOVER TOKYO WITH A TWO NIGHT HOTEL STAY®

You'll never forget a visit to the sensory explosion that is Tokyo. Capital of Japan, this is a city where you'll find centuries-old culture jostling for a position next to cutting-edge technology – a fabulous blend of history and modernity that has to be seen to be believed. To get a feel for Tokyo's natural beauty, head to Yoyogi Park, where cherry blossoms are resplendent in spring. Close to the Yoyogi Park is the Meiji Jingu Shrine, established in 1920 and dedicated to Emperor Meiji who helped to open Japan up to the west. As impressive as anything else is its 40-foot gate, made of 1,500-year-old cypress. At the main shrine buildings, you may show respect by bowing twice, clapping your hands twice, making a wish then bowing once more. You may be lucky enough to catch a traditional Japanese wedding procession.

# THE NORTHERN LIGHTS – ENGAGE IN A TRUE ADVENTURE

## PRIME TIME

The Lights can start to make an appearance as early as September and as late as May, but it is the winter months between October and March when they are most visible, laying claim to the night sky.

## FRONT-ROW VIEWS

Travelling at sea under the Auroral Zone means that displays can appear right above the ship. Outdoor observation decks provide a clear line of sight to the sky, and the close-up view avoids the artificial ambient light common on land.

## GET READY TO EXPLORE

Hurtigruten are the expedition experts, so any voyage you undertake will be filled with unique experiences, where you decide how you spend your day. Join expert guides on included daily activities\* to some of the most picturesque and beautiful destinations that exist in the Norwegian Fjords, including maiden port Senja and the awe-inspiring Lofoten Islands.
