Accommodation is a crucial part of every holiday. From a simple space to lay your head, to something a little more luxurious. BEAUTIFUL BALI, 'ISLAND OF GODS'

Beautiful Bali is everything you imagine it will be: humbling temples, tranquil lakes, traditional villages, idyllic sands and thriving paddy fields. A relatively small island within the sprawl of Indonesia, its big personality makes it a popular draw for religious pilgrims, peace-seeking travellers and all manner of beach lovers. Bali is a deeply religious destination boasting thousands of Hindu temples, known as 'pura'. Statues of gods and sacred animals can also be found around most corners; look out for 'canang sari', the colourful offerings left before them on a daily basis. To learn more about the island's heritage, stop off in cultural Ubud to browse its museums, market and art galleries. Elsewhere, don't miss your chance to enter the dramatic Goa Gajah Elephant Cave through a stone demon's mouth or encounter the cheeky inhabitants of the Sacred Monkey Forest Sanctuary.

YOUR EXPEDITION HIGHLIGHT ★ THE MYSTERIES OF MACHU PICCHU ★

Built around 1450 and abandoned at the time of the Spanish conquest, thick tangles of vines and trees shielded it from the outside world for centuries. Since being 'found' by an American archaeologist in 1911, 'The Lost City of the Incas' has now taken centre stage as one of the greatest destinations in the world. As the Incas left no written records behind about the city's rise or fall, Machu Picchu remains one of the most archaeologically mysterious sites in the world

You'll moor at a sandy islet surrounded by transparent turquoise waters shallow enough to walk in comfortably. Stepping in, you'll be able to enjoy time for snorkelling and even glide with stingrays and sharks in clear water

Bora's perfect panoramas are further enhanced by pretty sand-edged motu (islets) and rainforest-covered ridges, while its fabulous coral reef is a joy to explore

★Recommended Excursion*: Sun Down Cruise

Watch the sun sink into a sea of blues and greens dotted with beach-rimmed islets as you cruise on an open-air boat around Bora Bora's legendary lagoon. Many consider this the most stunning island in Polynesia, if not the entire world – and it's at its peak of beauty at sunset when the sky reflects an ever-changing palette of colours and the water sparkles like a field of diamonds

Wed 3 **Rangiroa, French Polynesia** (arrive late am)

★Recommended Excursion*: Snorkel the Aquarium Garden

Enjoy a guided snorkel through one of the world's most spectacular and diverse undersea habitats. Expect to be dazzled by tropical fish of many colours, interesting corals and other undersea life

Fri 5 **Nuku Hiva, French Polynesia** (depart early pm)

Wed 10 **Hilo, Hawaii, USA** (arrive late am)

Thu 11 **Lahaina, Hawaii, USA**

Harbor by visiting the USS Arizona Memorial and Punchbowl National Cemetery, followed by a tour of Honolulu's highlights. More historical landmarks await you in downtown Honolulu, where you will pass Chinatown, the Governor's Mansion known as Washington Place and Iolani Palace

YOUR VOYAGE HIGHLIGHTS

Your three-night 5★ hotel stay in Auckland[†]

Satisfy your urban appetite with a diverse choice of bars and restaurants, spacious shopping precincts and art galleries in Auckland's bustling commercial centre. Auckland has become known as the 'City of Sails' due to the vast number of boats in the region. One look at the spectacular, undulating shoreline of the Hauraki Gulf and it's easy to see why sailing has become a popular pastime for locals. Take a trip on the sparkling waters as you search for whales, dolphins and penguins, or simply admire the luxury yachts, glitzy catamaran and nippy speedboats in the city's two major harbours; Manukau and Waitemata.

Your two-night 5★ hotel stay in Sydney[†]

If you have a head for heights, then you'll love Sydney Harbour Bridge. Bridge tours** take you to the very top of this 134-metre-high giant, which opened in 1932 and offers breath-taking views of Sydney, its harbour and the Sydney Opera House. Back on ground, the bridge is visible in the most surprising of places thanks to its enormous dimensions. It comprises of 53,000 tonnes of steel making it the biggest (if not longest) steel arch bridge in the entire world.

Milford Sound, New Zealand

INTRODUCING *SILVER DAWN*...

Explore the globe in pure sophistication

Join the very first world cruise on board Silversea's magnificent flagship, *Silver Dawn* in 2025. Enter a new world of luxury; she has a thoroughly modern design that brings together classic elements, a timeless feel and a larger variety of spaces, suites, and venues.

Join *Silver Dawn*, as she sets sail on a voyage that explores the world off-season, off-tempo, and off the beaten path. Silversea are turning classic and iconic destinations on their head, as they call at 59 ports in 30 countries and four continents, with 19 new places their world cruises have never sailed to before. See places through the eyes of locals, as they unveil their authentic stories and secrets. And access places you've never heard of.

AN EXCLUSIVE Q&A WITH KIMBERLY ALGAR

Future Cruise Manager with Silversea Expeditions, shares her experiences..

Tell us about your role as Future Cruise Manager on board?

I am very privileged to travel as part of the Silver Cloud Officers. As Future Cruise Sales Manager I sell the cruises and as a Venetian Society Representative I look after our loyal guests, arranging Captains Tables and Cocktail Parties and making sure everyone is having a fantastic experience. I am an ambassador for the Brand, always out and about meeting the guests.

The Arctic is a haven for wildlife. Have you had many wildlife sightings during your season so far?

I have been lucky enough during my time on board to see seals, many species of birds and reindeer as well as the unforgettable Walrus. Honestly, it has been an out of this world experience.

Are there any must see experiences or shore excursions you would recommend when sailing this region?

I have seen a polar bear walking with its two cubs, however, just being ashore amongst the ice you never know what you are going to see, every day is so different and such a unique experience. If you are in this region and you get the opportunity then you should do the Polar Plunge!

What is your favourite way to spend your free time on board?

I like to spend my free time on the back deck. Weather dependent, with a glass of champagne watching the world as we sail past, talking and laughing with guests about past and present cruises and experiences.

For those who haven't been on expedition voyages before, could you share your top tips so that our guests can make the most of their experience?

Come prepared. If it's a cold destination bring waterproofs and layers and appropriate footwear. Boots and Parkas are provided on the ship. Always be flexible as things can change very quickly on an expedition.

How do expedition ships differ from the main fleet?

The main difference is the entertainment and ship's dress policy. Its very laid back and informal on an expedition. On our main classic fleet you have shows most evenings and some formal nights.

What do you think sets Silversea apart from other expedition cruise lines?

Silversea have the luxuriousness of the ship to welcome you back on board as well as our highly knowledgeable Expedition staff who are all experts in their fields. As well as the wonderful Silversea staff who are from across the world and bring their own personal touches and gestures. This is what sets us apart from other cruise lines.

Expedition cruising is a once-in-a-lifetime experience. What is your bucket list moment?

Skydiving from a plane at 14,000 feet in Australia on to Mission Beach near the Great Barrier Reef. If I think about what I still have left to do, I would have to say a South Africa Safari and Wine lands tour.

Finally, if you could describe an expedition with Silversea in just three words, what would they be?

Awe-inspiring, adventurous and breathtaking.
