In this special Summer Sale edition of Blue Horizons we are delighted to showcase what makes ROL Cruise the UK's No.1 Independent Cruise Specialist: bespoke cruise and stay packages only available to book with ROL; exclusive fares and promotions you won't find anywhere else; unique features and competitions and, of course, exclusive Cruise Miles® on every booking.

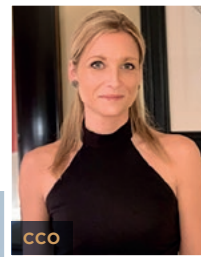

It's not all about a great deal of course, although we're sure you'll agree that does help! When we look at some of our bespoke packages, such as our Fiji Stay on pages 40-41. We can't help but smile at the thought of lying on those pristine beaches, from the tranquility of a 5★ resort. Before arriving on those paradisaal shores there's a luxury cruise on board **Celebrity Edge®** to enjoy, sailing from Sydney to Auckland, with hotel stays at both ends. This delightful package that really sums up what the team here aim to deliver when putting together your dream itineraries.

On pages 11-14 we are delighted to present a special selection of itineraries in partnership with Holland America Line. From the mysteries of Machu Picchu to the Canary Islands and Morocco, we have exclusive benefits waiting for you.

Lastly, and to see out the summer in style, we've included a Gift Voucher worth up to £200! Book any voyage from this edition of Blue Horizons and you can redeem the voucher straight away.

Happy Cruising!

## Savour the beauty & romance

Bordeaux is famous for the incredible wines that are produced throughout its fertile countryside, but these world-class drops are just one reason why you should explore this region. Bordeaux's wine production has been refined to an art and some of the best wines in the world are made right here. With a wine region comes extraordinary undulating landscapes, rolling vineyards and lush green vistas, as well as delicious fare prepared with French finesse. As you cruise along the Gironde, Dordogne and Garonne rivers, cycle through picture-book landscapes, learn about the winemaking process, and try your hand at preparing French cuisine in a cooking class. Beyond the culinary, the region serves up a wealth of historical landmarks, from elegant châteaux to churches that have been around for longer than most of the new world. You'll find that Bordeaux is everything you imagined it to be: beautiful, romantic and a feast for all senses.

### YOUR BORDEAUX HIGHLIGHTS

- ✦ Visit the fortified town of Cognac including a visit to the estate of Remy Martin, one of the finest producers in the region
- ✦ Cycle through this acclaimed wine-growing region to the impressive estate of Château Siaurac and enjoy wine tasting
- ✦ Join Scenic's chef at a local food market to shop for and taste the best ingredients this region has to offer, before returning to Scenic Diamond for a cooking demonstration to learn the art of French fare.

# ANTARCTICA & THE FALKLANDS SALE

FEATURING 5 DAYS OF ANTARCTICA EXPLORATION

## WILDLIFE WATCH LIST

Thanks to its untouched landscapes and pristine waters, a huge array of wildlife thrives here.

You'll have the opportunity to spot Humpback, Orca and Minke Whales and could even see the largest animal ever known to have lived on Earth: the Blue Whale. While Emperor and Adélie Penguins live exclusively on the Antarctic Continent, Chinstrap, Gentoo and Macaroni penguins can be found on the northern tip of the Antarctic Peninsula.

In Antarctica, you'll spot Fur, Leopard, Ross and Southern Elephant Seals, with plenty of Crabeater Seals and Weddell Seals.

## FROM THE TEAM:

### Senior Account Manager Rebecca Reviews HX

*Waking up on the first day in Antarctica truly felt like we were somewhere special. I was lucky enough to have a balcony cabin (which I highly recommend). When I opened up the curtains I audibly gasped (which I actually did each day!) at the sight in front of me – the icebergs, snow and ice covered mountains, calm sea and bright blue sky were breathtaking.*

*Each day in Antarctica really was more stunning than the last. Penguins, whales, and seals were just some of the amazing wildlife I experienced during my time on the icy continent alongside a backdrop of glaciers and icebergs.*

*The Expedition Team are a credit to HX and I would recommend anyone to get chatting to them.*

*Antarctica truly was a once in a lifetime experience that I will remember forever.*

*As Captain Trond of MS Roald Amundsen said, "If you can describe Antarctica, you haven't been there".*

# "The Experts in Tailormade Cruise Holidays"

## CUSTOMERS WHO HAVE

# Experienced the Difference

### "ROL provide a fantastic service"

ROL provide a fantastic service. My amazing holiday consisted of a USA coach trip, followed by an Alaskan Cruise.

ROL organised my flights (four), hotels, limos to and from hotels, ship and airports. I particularly want to thank the taxi/limo companies that ROL used, they were completely on the ball. They took the stress out of getting to places on time. Thank you.

ROL thank you for your service and expertise.

Mr Nye, June 2025

### "Booking a cruise through ROL offers good value"

Booking a cruise through ROL offers good value, often with complimentary upgrades and generous on board spend or drinks package. Staff are courteous and helpful and happy to answer any questions. I always book at least one holiday a year with them.

Mrs Lovatt & Mrs Gush, June 2025

### "ROL stands head and shoulders above the rest"

We have used various cruise specialists before but ROL stands head and shoulders above the rest.

Easy to deal with, helpful, knowledgeable and everything they said would be done happened.
