STAFF STORIES

ROL Cruise team member Roxy was recently fortunate enough to cruise Alaska aboard Cunard's iconic Queen, **Queen Elizabeth**. Here, she shares highlights of this truly once-in-a-lifetime experience:

Day 1 - "Upon embarking the ship, we were greeted by two bellhops in the traditional red uniform that I have come to associate with Cunard. It was such a lovely welcome and that, combined with the startling beauty of *Queen Elizabeth*, made me quite awestruck. We headed straight to enjoy the sail away party. There was a great atmosphere as we sailed away from Vancouver - helped by the diverse age range and sense of community. This was the beginning of our Alaskan adventure."

Day 3 - "After a delicious buffet breakfast in the Lido Restaurant on Deck 9, where the choices range from a full English breakfast to cereal, pastries, fruit and more, we decided what better way to witness the stunning scenery and be on the lookout for wildlife than to sit with a cocktail in the hot tub at the stern of the ship. There was another pool at the bow, but we had panoramic views from the stern."

Day 4 - "I went straight out the exit door to be confronted by icebergs covered in seals. As we sailed through the fjords, the icebergs gave way to waterfalls and then we reached the end of the fjord, it was the furthest *Queen Elizabeth* has been down the Tracy Arm Fjord and it was worth it. Before our eyes was the most incredible sparkling white-blue glacier, it was truly captivating."

Day 5 - "For my first time in a kayak, I was surprised by how easily I picked it up. We took a leisurely trip around some of the islands and saw bald eagles, jellyfish, starfish and some crabs along the way. The scenery was incredible and we stopped every now and then for photo opportunities. Our guide was very knowledgeable about Sitka and made us laugh with stories about the people living in the area. The excursion was just under two hours and I loved every minute of it - it's definitely the most incredible thing I've ever done!"

Day 6 - "We arrived at the port and boarded a small boat. It had two levels with a viewing platform outside, complimentary hot drinks and complimentary smoked salmon crackers. We were wrapped up warm as it was freezing out on the deck! We passed incredible sights and saw the gigantic Mendenhall Glacier. Just when we had given up hope of seeing whales, two appeared and graced us with a double-tail splash. It was incredible!"

Day 7 - "Just a short walk from where we were docked was the Great Alaskan Lumberjack Show. Two teams of burly lumberjack performers threw axes, climbed trees, chopped wood and ran atop logs floating in the water. While both teams tried to win at each stage, we booted the opponents and cheered our team, being swept up in the fun and excitement."

CUNARD

THE CUNARD EXPERIENCE

Cunard's fleet comprises four wonderful ships: *Queen Mary 2*, *Queen Elizabeth*, *Queen Victoria*, and *Queen Anne* once she joins the fleet in May 2024. Each is grand in scale, with her own distinct personality and feel, and stylish down to the tiniest detail – the perfect setting for visiting favourite destinations or exploring new lands.

WHITE STAR SERVICE – AS IMMACULATE AS A PAIR OF WHITE GLOVES

Cunard pride themselves on a service that goes above and beyond your expectations. It's the warm smile that welcomes you on embarkation, the white gloved hand that serves you Afternoon Tea, and the polite yet friendly greeting in the corridor. From then on, you'll notice that every detail of your cruise has been carefully considered to make sure you have the most enjoyable, memorable and luxurious experience on board.

ENTERTAINMENT & ACTIVITIES ON BOARD

- Cunard Insights – fascinating talks on a range of topics by guest speakers, from astronauts to writers.
- Spectacular musical productions in the Royal Court Theatre, along with comedy, dance and drama.
- Film screenings in Illuminations and the Royal Court Theatre.
- Swimming pools, whirlpools and gym.
- Daily activities taught by professional hosts, quizzes and informative talks.
- Live music from resident bands, such as jazz ensembles, classical recitals, singers and soloists.
- On board library, which holds up to 8,000 books, plus puzzles and a card room.
- Captain's Cocktail Party.

In the 1930s, Cunard began its close and enduring relationship with the British Royal Family. In 1934, *RMS Queen Mary* was named after HM Queen Mary, who subsequently visited the flagship in Southampton prior to its maiden voyage. HM Queen Elizabeth (later known as the Queen Mother) also maintained an enduring love for the ship, visiting it several times during the liner's service career, and travelling on board as well: even briefly taking the wheel from Captain Bisset.

The Cunard link with royalty grew and strengthened over the following years, with HM Queen Elizabeth (later known as The Queen Mother) launching the *RMS Queen Elizabeth* in 1938.

In 1967, HM The Queen launched *Queen Elizabeth 2* in Scotland, furthering the bond between Cunard and royalty. She even travelled on board the ship in 1990 – the first time a reigning monarch had sailed on board a passenger ship operating a commercial voyage. In 2004 she became godmother to *Queen Mary 2*, and six years later also christened *Queen Elizabeth*.

CUNARD'S HISTORY THROUGH THE DECADES

From welcoming legends of the silver screen to transporting troops during WWII, Cunard's 180-year legacy is an incredible story of mechanical feats, heroic acts and historic world-firsts at sea. Here are just a handful of the extraordinary moments that define their past and continue to inspire their future.

1840: The beginning

In 1840, Samuel Cunard, a war veteran and timber merchant from Halifax, Nova Scotia, established the Cunard line. His ships were steam powered ferries – the first in the area – and over the next few years Cunard branched out to ocean steam, providing a mail service to Prince Edward Island, along the coast and, later, across the Atlantic.

1850 – 1880: A developing company

The next few decades solidified Cunard's place in the world of international shipping, and in history. In the 1850s, Cunard was used to carry horses to the Crimean war, aiding in the charge of the Light Brigade. In the 1860s, Mark Twain sailed with Cunard and praised the ability of the captains.

In 1870, Cunard introduced the first flushing toilets at sea, providing relief for passengers and crew members alike!

1890 – 1900: Cutting edge technology

In the early 20th century, Cunard was advancing full steam. The ships were advertised as 'floating palaces', and shared design features with opulent venues such as The Ritz. Two superliners, *Lusitania* and *Mauretania* (pictured) were launched, with revolutionary steam turbines to increase maximum speed, and the first ever wireless transmission was made from a Cunard ship to the shore by Marconi in 1897.

1950s and 1960s: Welcoming stars of stage and screen

In the 1950s, Hollywood greats and stars of the silver screen were among those to make the iconic Transatlantic Crossing with Cunard. Rita Hayworth, Judy Garland, Vera Lynn, Sir Noel Coward and even Walt Disney all travelled as guests on board. The decade ended on a high with *Queen Elizabeth 2* making her debut at sea.

2000's

Queen Mary 2 and *Queen Victoria* joined the Cunard fleet in 2004 and 2007 respectively, while *Queen Elizabeth 2* made her final ocean voyage before retiring from service in 2008.

THE NEXT QUEEN... QUEEN

The next in a fine line. For over 180 years Cunard's set the bar, and then raised it. They have constantly refined the definitive experience of ocean travel. From this spirit comes the finest ship of its era, *Queen Anne*. Due to grace the seas in early 2024, the 249th addition to the fleet extends the Cunard Line for future generations.

Every detail has been considered to instil a sense of occasion, and to ultimately give guests more choice. Many of the popular venues have been reimagined, while staying true to the much-loved hallmarks of Cunard brand.

An Oasis of Calm

On *Queen Anne*, Mareel Wellness & Beauty finds its perfect home. This tranquil setting provides a sanctuary, where you can relax, rejuvenate and enjoy the use of luxurious facilities, leaving you feeling refreshed and radiant from inside out.

Let stress melt away in the steam room or sauna, feel reinvigorated in the icy cold room, and find a sense of weightless relaxation as you float in the thermal pool. After a swim or steam, enjoy the therapeutic benefits of the thermal loungers.

Find time to delight in a new addition that makes its debut on *Queen Anne*: the top deck wellness studio. Here you can relish a sense of calm as you lose yourself in a sequence of yoga postures or mindful meditation, while the sun sets over the horizon.

NEW YORK

Whether you know it as the 'Big Apple' or the 'City That Never Sleeps', New York is a shoppers' paradise, crammed full of exceptional sights and experiences, and pulsing with palpable energy. Divided into five boroughs: Manhattan, the Bronx, Staten Island, Brooklyn and Queens, the city sits on the country's east coast at the mouth of the Hudson River. It's in Manhattan that New York's most famous attractions can be found, from Times Square and Central Park to the iconic Empire State Building. Venture to Little Italy and Chinatown, see an award-winning show on Broadway or take a ferry to visit nearby Ellis Island and the Statue of Liberty.

BASSETERRE

The capital Basseterre may be French by name, but St. Kitts is part of the Caribbean's earliest British colony. The town's Georgian centrepiece named the Circus, is modelled on London's own Piccadilly. This scenic island is simply stunning when viewed from the Fortress of Brimstone Hill, where you'll see a panorama of volcanic slopes, verdant sugar cane plantations and neighbouring islands.

★ YOUR HIGHLIGHTS ★

NEW YORK

New York is the city so good they named it twice. With more restaurants, museums and iconic sights than perhaps any other destination, there's something for everyone in the 'Big Apple'. As the setting for so many famous films, New York City contains some of the world's most universally recognised landmarks. You could easily while away an afternoon simply taking it all in. The torchbearing Statue of Liberty is, of course, an essential sight to see, as is the world-famous Times Square.

SYDNEY

Off the east coast of Canada lies a group of large islands that make up the region of Nova Scotia. The port of Sydney is at the end of a long waterway to Canada's ocean gateway to Cape Breton Island. Sydney is the historic capital and the largest urban conurbation of Cape Breton. The stunning coastline and panoramic vistas will make you gasp at their magnificence. But for those who enjoy a more urban experience, the city itself will not disappoint.

HALIFAX

Halifax is the principal city of Nova Scotia and one of the most dramatically indented coastlines in the world. For lovers of maritime history, a call at the cruise port Halifax will be one of the most memorable of a cruise around the USA's Eastern Seaboard and the Canadian Maritimes.

A star-shaped fortress welcomes you to this fascinating city. Here you can stand beside the visionary Sir Samuel Cunard himself, or rather the bronze statue that presides over his hometown waterfront.

QUEBEC CITY

Sailing into Quebec City you arrive at the oldest inland port in Canada, just minutes from the city centre. As you head inland to explore the Old Town, you begin to sense a unique history and romance. The only fortified city in North America, Old Quebec is a true one-off. There's nowhere quite like it in Canada, or maybe anywhere in the world. The architecture is thoroughly European and remains untouched by time. The district is best explored on foot so as not to miss any gems. The city walls are close to three miles in length and the cliff-top location is a perfect vantage point to view the distinctive cityscape which spans 300 years.

OCTOBER 2025

Fri 3 **New York City, New York, USA**

Sat 4 **Newport, Rhode Island, USA**

Mon 6 **Halifax, Nova Scotia, Canada**

Wed 8 **Sept Îles, Québec, Canada**

Sept-Îles stands proud in the Côte-Nord region, where roads are scarce. It looks over the St. Lawrence River as it widens into the mighty Gulf of St. Lawrence. While this corner of Canada may be better known for its endless landscapes of forests, lakes and mountains, there are in fact long stretches of sandy beach mere minutes from the centre of town

Thu 9 **Saguenay, Québec, Canada**

As it flows into the St. Lawrence River, the Saguenay River winds through a majestic fjord to reveal a host of picturesque villages. Natural beauty surrounds Saguenay Harbour, this vibrant conurbation. For those who like to increase their knowledge of local culture and heritage, there are many museums to discover

Rugged coastal scenery framed by towering mountains, where ocean spray is in the air. Brimming with rich history and colourful stories of pirates and explorers. Lying on the west coast of Newfoundland at the mouth of the Bay of Islands, Corner Brook is also an exceptional area for outdoor activities. In 1767, Captain Cook was the first to map the Bay of Islands

CUNARD

Sophisticated Dining

Eating on board a Cunard Queen is a pleasure.
Take your pick of elegant fine dining,
gastro pubs, and indulgent buffets.

You'll enjoy a sense of freedom regarding the
array of places to eat, from hearty to healthy, light
bites to fine dining. With so much to choose from
the only challenge is deciding what to order.

INTRODUCING MICHEL ROUX EXCLUSIVE PARTNERSHIP ON QUEEN ANNE

Cunard are delighted to reveal that they will be exclusively partnering with renowned chef Michel Roux.

Legendary chef Michel Albert Roux is the two Michelin-starred Chef Patron at Le Gavroche. During a career spanning over 40 years, he has opened multiple restaurants including Roux at Parliament Square and two restaurants at The Langham, London.

Michel Roux will be working alongside Cunard's culinary development chefs to create an exclusive gala menu for new ship *Queen Anne's* Queens Grill restaurant and a new menu for *Queen Anne's* pub, the Golden Lion.

The new menu, currently in development, will feature a selection of refined pub favourites, reimagined by chef Michel. It will launch on board *Queen Anne* in May 2024, before being rolled out to the existing fleet later in the year.

YOUR CHOICES

MAIN DINING

Your stateroom grade is linked to one of Cunard's four main dining restaurants (Queens Grill, Princess Grill, Britannia Club, or Britannia). Whatever your grade, you'll find imaginative menus, flawless service and an unforgettable sense of occasion.

The main restaurants on all the ships are an inviting place to dine, on a wide range of dishes in effortless style and comfort. You can choose to eat breakfast, lunch, dinner or all 3 if you like in here. Offering everything from a varied breakfast menu, (including fresh juices and pastries as well as a full selection of hot favourites) to a five-course evening menu that changes daily and included British classics and taste of the region. This is all served by white-gloved waiters on elegantly dressed table, with white linen table covers.

CASUAL DINING

From cosy cafes to relaxed buffets and tasty snacks to pub classics, the choice is hard to resist.

Looking for a laid-back venue open early until late, The Lido and Kings Court is the perfect place for you. Offering a varied breakfast until late morning, then switching to a world of choices for the day, then in the late evening you can wind down with a cocoa or even a late-night snack!

A true British classic, The Golden Lion is loved by many. Offering true British classics such as Beer battered Atlantic cod to lights bites and a daily pie special, perfect with a Signature Cunard Ale™. Showing sports, hosting quizzes and darts, even having occasional live music all leads to a relaxed and jubilant atmosphere.

SPECIALITY DINING**

If you are looking to celebrate a special occasion or just treat yourself on holiday, Cunard have tasty options from around the world!

Dinner at the Lido offers a unique culinary experience inspired by the destination you have sailed to. Be treated to the signature flavours of Asia at Bamboo, where traditional ingredients are reimagined and balanced with European influences. Or perhaps La Piazza beckons, where you'll find dishes inspired by the classic flavours of Italy. Here, sun-kissed tomatoes and fragrant basil complement tasty pasta dishes. No matter what destination you are sailing to, Cunard's brilliantly talented brigade of chefs will bring you mouthwatering taste of the region.

The very best of land and sea! Steakhouse at The Verandah is perfect for a special occasion, the exceptional menu features USDA Prime-certified cuts and superb seafood. Buttery soft wagyu. Flavourful Black Angus beef. A fruit de mer platter laden with lobster, Scottish langoustines, and Atlantic crab. When ordering from the range of steaks, not only will it be cooked exactly to your preference, but you'll even be presented with a selection of steak knives to choose from. This restaurant truly showcases Steaks and seafood of the highest calibre.

MARVEL AT THE MAGICAL SNOW MONKEYS OF JAPAN

The Japanese macaque, better known as the Snow Monkey, are named so because they live in areas where snow covers the ground for many months each year and can be distinguished by their red faces, brown-grey fur and short tails. During your tour, you'll spend time at the Jigokudani Monkey Park, home to the famous Snow Monkeys. Here you'll have the incredible opportunity to see wild monkeys bathing in a natural hot spring, known in Japan as an onsen. Accustomed to humans, the monkeys can be observed from very close quarters. Marvel as large families of monkeys relax in the warm water – watching how they interact can be highly entertaining.

MAGNIFICENT MOUNT FUJI

Parting earth and sky with remarkable symmetry, Mount Fuji has become famous throughout the world and is considered the sacred symbol of Japan, known for its graceful conical form like a stairway to heaven. Situated on the mountain are the many hot springs that are heated by the volcano. For those wishing to fully immerse themselves in Japanese culture, Mount Fuji is a sacred mountain surrounded by temples and shrines as the mountain has become an important pilgrimage to many.

INTO THE WILDERNESS

There's something almost prehistoric about Alaska; the air is fresh, the sound of nature may be all you hear and beyond the city, you're unlikely to see a single soul for miles. Millions of years ago this is how the world looked and, to its credit, much of the great land of Alaska has remained unchanged ever since.
