ROL CRUISE WIN AT THE 2018 WAVE AWARDS

We are delighted to announce that we won 'Best Digital or Web-based Platform or Service' at the 2018 Wave Awards at the beginning of March. We are proud of the development of our website which aims to improve the user experience of our digital platforms and has been a major focus for the Digital Team over recent months. Commenting on our success at the awards, Sarah Wikevand, Commercial, Marketing and Media Director of ROL Cruise said "It's a huge accomplishment to have won the Best Digital Award at one of the cruise industry's most prestigious events this year. We have continued to invest in our digital platforms to enable our customers to conveniently interact with us via their preferred media. To be recognised by The Wave Awards is very rewarding for our team."

In addition, Stacy Day, one of our highly acclaimed Cruise Consultants, also received a High Commendation in the Individual Award for Best Cruise Agent category. As last year's winner of the same award, Stacy was delighted to again be recognised for her continued efforts in supporting clients with booking the best cruise breaks to suit all wish-lists and budgets, while at the same time being one of ROL Cruise's highest performing consultants.

**YOUR CARIBBEAN
CRUISE HIGHLIGHTS**

BEACHES OF GRENADA

Grenada is one of the Caribbean's most scenic islands. Only 12 miles by 21, it is awash with waterfalls, mountain valleys, rainforests, lakes and volcanic craters. The beaches are to die for, especially Grand Anse – a two-mile stretch of pure white sand just around the bay from St. George's.

HIKE THROUGH A RAINFOREST

Hike through St. Lucia's lush rainforest, looking out for hummingbirds and parrots, and experience the incredible abundance of nature the island has to offer. To get a view of the entire island, hop on a tour up to the Soufrière Volcano and enjoy the dramatic views.

SWIM WITH STINGRAYS

In Antigua, take the wonderful opportunity to swim and snorkel with magnificent stingrays in their natural environment. See the graceful creatures glide through the clear waters; the resident rays are quite used to people in their environment.

YOUR UNMISSABLE MAIDEN EXPERIENCES

TRANSIT THE PANAMA CANAL ★MAIDEN TRANSIT★

Everyone should sail through the Panama Canal at least once. It is a remarkable and moving experience when you know the mixture of tragedy and triumph, French farce and financial meltdown that went into its construction. Look out for memorial plaques to the thousands who died in its creation, mainly of diseases rife in the forests and swamps through which the canal was forged.

PUERTO LIMON, COSTA RICA ★MAIDEN PORT★

Limon is your gateway to some of the most extraordinary experiences imaginable: ride a rainforest Aerial Tram through a canopy of a nature reserve; join a jungle boat trip where you can travel silently through the network of jungle canals and watch as multi-coloured butterflies and birds fly by. Nearly a quarter of Costa Rica is designated national parks as the country boasts 8,000 species of plants, 859 species of birds and 10% of the world's butterflies.

CARTAGENA, COLOMBIA ★MAIDEN PORT★

Cartagena is the undisputed queen of the Caribbean Coast. A fairy-tale city of legends and romance, you are sure to discover the superbly preserved beauty of this UNESCO World Heritage Site. In Cartagena forget your usual sightseeing routines and instead just stroll through the town and soak up the atmosphere and see what you discover in the maze of cobbled alleys. Enjoy great seafood, explore the 300-year-old fort & meander cobbled alleys.

Fri 31 Manaus, Brazil

FEBRUARY 2020

Sat 1 *Cruising the Amazon River*
Sun 2 Santarém, Brazil
 Santarém has been a major player in the booms of wood, rubber, minerals and now soybeans. Nearby is a 'meeting of waters' where the pale brown Amazon is joined by the darker Rio Tapajos. A few miles to the west, the town of Alter do Chão attracts visitors with its white sand beaches, a huge natural lagoon and the surrounding national forest
Mon 3 *Cruising the Amazon River*

Fri 7 Salvador, Brazil
Sun 9 - Mon 10 Rio de Janeiro, Brazil (overnight)
 Rio will command your non-stop attention from the moment you set foot on its shores – or the golden sands of Copacabana or Ipanema for that matter. Thu 13 Montevideo, Uruguay
Fri 14 - Sat 15 Buenos Aires, Argentina (overnight)
 Argentina's capital possesses a grandeur embodied by the Colon Theatre, one of the world's great opera houses. The vast Recoleta Cemetery is worth a visit too, where you'll find the black marble memorial that is the resting place of Eva Peron. For many, the city's soul lies in districts like La Boca, home to colourful houses and lively tango cafés

Thu 20 *Cruising the Beagle Channel*
Fri 21 Ushuaia, Argentina
Sat 22 *Cruise by Cape Horn*

Amalia Glacier is located in Bernardo O'Higgins National Park, which is the largest protected area in Chile, named after the republic's first head of state. To cruise by Amalia Glacier is to take a journey into a pristine wilderness. In this area of Chile, silence is punctuated only by the occasional warble of a cormorant as you glide through narrow fjords

Daphne is a satellite volcanic cone located north of Santa Cruz Island. The crater floor is an important breeding site for blue-footed boobies. This Island is famous for the scientific investigation led by Peter and Rosemary Grant on the finches' population, one of the most important studies on the field that supports Charles Darwin's Theory. The cliff shore of the island is home for sea lions, pelicans, blue-footed boobies, and tropical birds
- Day 4** **Gardner Bay, Española Island (am)**
A long white sand beach and clear blue waters make this an ideal spot for swimming, snorkelling, or just relaxing on the beach. In the water, sea turtles, rays, colourful tropical fish, and maybe even a white-tip reef shark may be seen. Excursion options include: beach walking, swimming, or a deepwater snorkel for experienced snorkellers
Suarez Point, Española Island (pm)
Española is the oldest island in the Galápagos and home to an abundance of wildlife. Excursion options include a long, rocky walk to look for albatrosses and observe an impressive blowhole that spews water like a towering geyser

- Day 6** **Moreno Point, Isabela Island (am)**
Along this beautiful rocky shore, a field of hardened black lava flows is pockmarked by shallow pools, which are home to shorebirds and flamingos. Excursion options include: a long walk and Zodiac ride, or an extended Zodiac ride
Urvina Bay, Isabela Island (pm)
Composed of five coalesced volcanoes, this is the largest island in the Galápagos and the most recently active, the latest eruption having occurred in 2009. Excursion options: a long, faster-paced hike with some rock climbing required, followed by an optional snorkel (if conditions allow), or a short walk and optional snorkel
- Day 7** **Espinoza Point, Fernandina Island (am)**

Sun 12 The infinite variety of street life, the nooks and crannies of the medieval Barri Gòtic, the ceramic tile and stained glass of Art Nouveau facades, the art and music, the throb of street life, the food (ah, the food!) – one way or another, Barcelona will find a way to get your full attention. The capital of Catalonia is a banquet for the senses, with its beguiling mix of ancient and modern architecture, tempting cafés and markets, and sun-drenched Mediterranean beaches

Tue 14 **Valencia, Spain**

Valencia is a proud city. During the Civil War, it was the last seat of the Republican Loyalist government (1935–36), holding out against Franco's National forces until the country fell to 40 years of dictatorship. Today, it represents the essence of contemporary Spain – daring design and architecture along with experimental cuisine – but remains deeply conservative and proud of its traditions. Though it faces the Mediterranean, Valencia's history and geography have been defined most significantly
