CELEBRATING OVER

OF EXCELLENCE

## FIRST CRUISE TAKES TO THE SEAS!

MSC Cruises' newest flagship, *MSC Virtuosa* was the first cruise line to welcome guests as cruises restart in the UK. Embarking on her maiden voyage from Southampton on 20<sup>th</sup> May 2021, the vessel circumnavigated our very own British Isles ahead of her UK summer programme which starts on 5<sup>th</sup> June 2021 with a series of mini-cruises. She has since departed on her second-ever sailing with guests. MSC's Managing Director for UK and Ireland, Antonio Paradiso, said from the ship: "I'm still emotional: we have successfully completed our very first cruise out of the UK. And people have had the time of their lives. They genuinely seem happy and, more importantly, they felt safe at all times. It's a historic moment for the UK cruise industry."

Turn to pages 10-11 to find out when your favourite Cruise Lines will be returning to the seas...

### 5★ SERVICE WITH ROL CRUISE

#### 'BEST TRAVEL AGENCY OUT THERE'

As always, the service that I received from ROL Cruise was excellent. The staff are so good at what they do, friendly, knowledgeable and helpful. I would recommend ROL to anyone thinking of booking a holiday.

#### 'EASIEST AND FRIENDLIEST WAY TO BOOK A CRUISE HOLIDAY'

When I talk to ROL, it is more like talking to a friend than a sales person. I have used them many times and it feels like we have a personal relationship. They know what I want to do and always have all the information I need. I already recommend them to my friends and will continue to do so.

#### 'EXCELLENT AS EVER'

Thank you for being there as a "real person" on the phone. Excellent, efficient and professional. I always receive a top quality service from ROL.

#### 'KNOWLEDGEABLE, EFFICIENT AND FRIENDLY. A 5★ SERVICE'

Even though we have had two cruises cancelled, ROL staff arranged a replacement cruise of our choice next year. ROL Cruise consultants are both knowledgeable and friendly, and I have always found dealing with them a pleasure. Quite frankly, I wouldn't go anywhere else!

# HELLO AND WELCOME TO YOUR EXCLUSIVE BONUS EDITION OF BLUE HORIZONS

Jeremy Dickinson,  
Chairman of ROL Cruise

We are absolutely delighted to present our exclusive special edition of Blue Horizons, celebrating the return to cruising! Last month saw MSC Cruises' *MSC Virtuosa* become the first cruise to take to the seas in over a year and we find ourselves looking ahead to a brighter future with more and more of our favourite cruise lines raising their anchors for their summer 2021 seasons.

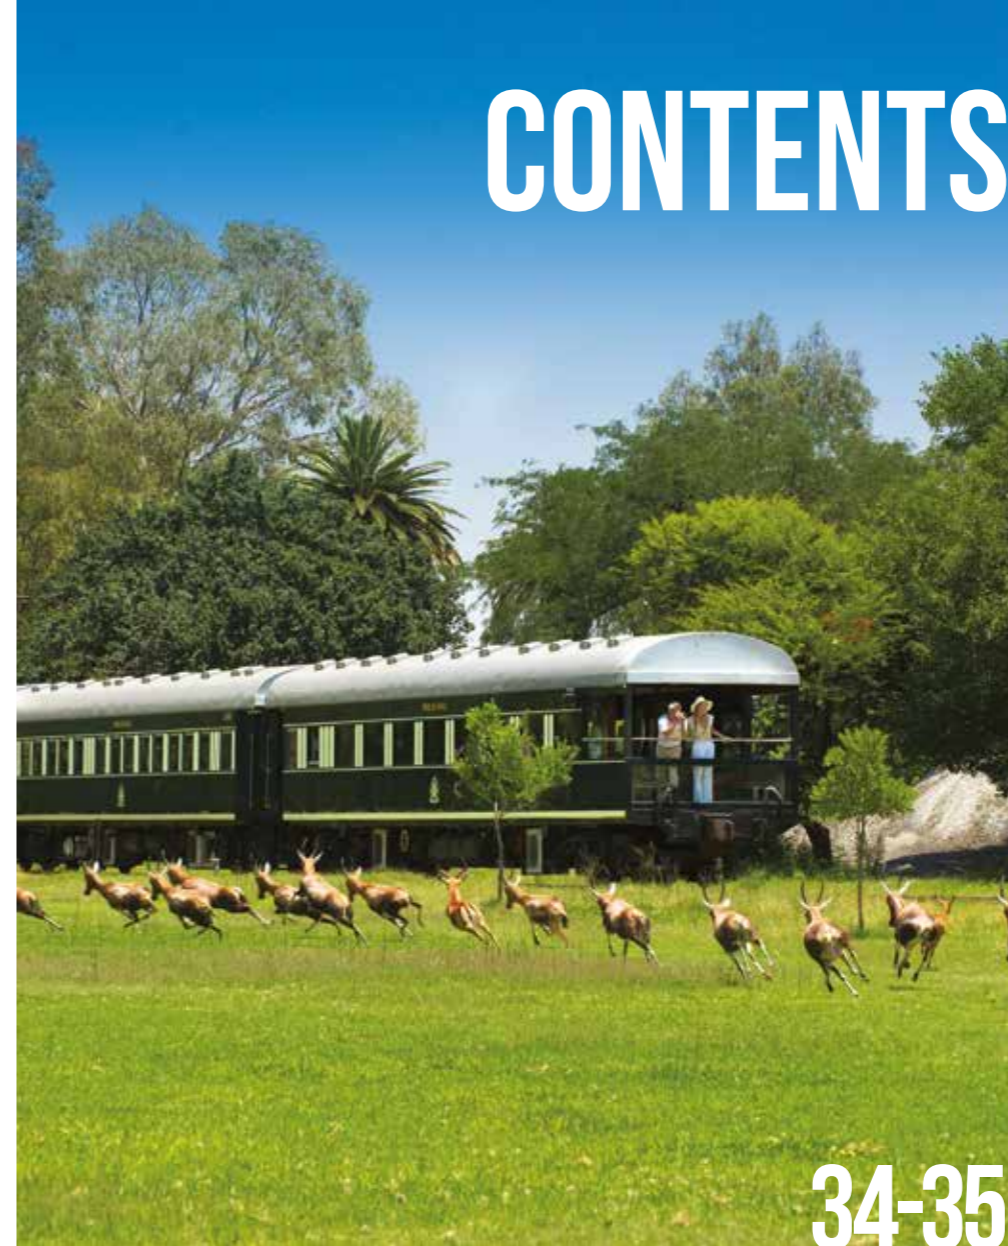

A UK summer escape offers the perfect getaway – exclusive to UK residents, enjoy the unrivalled pleasures of on board life while witnessing the beauty of our British coastlines, stunning highlands and bustling Scottish cities. Gather your family and friends and you will always have teammates ready and waiting for quiz nights, dance partners for evening galas and friendly faces to enjoy a coffee (or maybe even a cocktail!). Turn to pages 12-15 to create memories closer to home that you will talk about for years to come.

If a cruise escape isn't on the cards for you this year, then we have plenty of choice for 2022 and beyond, so why not treat yourself to that bucket-list experience? One such experience can be found on pages 34-35. Only available to book with ROL Cruise, you can enjoy the wildlife wonders of Chobe National Park before journeying on board the most luxurious train in the world, *Rovos Rail*, visiting the majestic Victoria Falls and discovering some of South Africa's top destinations. You will also enjoy a 5★ all-inclusive voyage of South Africa with *Azamara*! Please don't miss out though, as we have added a new date due to popular demand and this will sell extremely quickly!

To celebrate the return of cruising, when you book any 2022 or 2023 cruise from this special edition of Blue Horizons you will receive a free Champagne Gift Box to toast your booking, and the return of cruise!

With cruises departing imminently, we say this with the utmost happiness...

# AN EXCLUSIVE ROL CRUISE Q&A...

**Tony Roberts**, Chairman of CLIA UK and Princess Cruises' Vice President UK & Europe, speaks exclusively to ROL Cruise about the roadmap to cruise restart, Princess Cruises' innovative new features and much more...

Suite, Sky Princess

OceanNow

Sailing in Alaska

**Hi Tony! Are you able to tell us a bit about your unique position as Chairman of CLIA UK & Ireland, the world's largest cruise industry trade association?**

As Chairman, my role entails representing and speaking on behalf of the cruise industry at events and with media and journalists, as well as working with the Executive Committee. The past several months, since the voluntary pause of cruise operations, much of that focus has shifted to working closely with Government, operational and medical experts, and port authorities to develop health protocols and outline a roadmap to cruise restart.

**You are also Vice President UK & Europe for Princess Cruises. What can guests look forward to when cruising with Princess?**

A cruise with Princess is like no other. We have always prided ourselves on being destination experts and providing our guests with extraordinary service and fantastic on board experiences, from fine dining to West End-style entertainment. On top of that, our entire fleet is now MedallionClass™, meaning we can offer guests the ultimate in effortless, connected and personalised cruising, with the award-winning OceanMedallion™ wearable device, which replaces the traditional cruise card, and our fast and reliable MedallionNet Wi-Fi.

**The Princess MedallionClass™, TrulyTouchless™ and Dine My Way experiences are just some of the innovations from Princess Cruises. Are you able to tell us a bit more about how these work and what guests can expect?**

Guests sailing with Princess Cruises can enjoy 'Truly Touchless™' experiences and personalised services through our MedallionClass™ Experience, such as touchless check-in and disembarkation, keyless stateroom entry, and completely contactless payments, all of which support new health protocols. And, instead of restricting dining choices during the pandemic, we've been able to expand dining options for our guests, reducing wait times and eliminating the need to stand in line through our on-demand service 'OceanNow™', which enables guests to order food and drink to anywhere on board, and 'Dine My Way™', a new MedallionClass™ enhancement that makes it easy for guests to pre-plan and tailor their dining experiences.

**Representing the global cruise community during such an unprecedented time can't have been easy. What do you think you have learnt about the travel industry over the last year?**

Our industry has always been a strong, close-knit community and it has been incredible to see how we have supported one another over these last several months. While it has been quite some time since we've been able to welcome guests on board our ships, people will always love to cruise, and it is because of our collaborative culture that makes the cruise industry so resilient in the face of adversity.

**With ships set to return to the water later this year, including Princess' very own Seacations, how do you feel this positive step forwards will affect the industry?**

While international travel remains uncertain, these new cruises mean that UK residents can take a well-deserved holiday around the UK and can once again enjoy all the experiences only a cruise can offer. In addition, the gradual and phased-in manner

of restart will help to restore confidence in our industry. We have already seen a successful restart of cruise in Europe and other parts of the world, and these UK voyages will build on that confidence as we work towards eventually bringing all our ships back to service.

**What are you most excited about for the future of travel for Princess and the cruise industry generally?**

It is fantastic to see that cruise lines are continuing to invest in new ships, illustrating the confidence in our industry. Pre-pandemic, the UK and Ireland cruise market saw over two million guests choose to take a cruise, and I believe we will reach those numbers again in the future. For Princess Cruises, we welcomed *Enchanted Princess* to the fleet last year, and she is yet to sail with guests, so we are looking forward to welcoming guests on board for the first time. We are also very excited for the arrival of our newest ship – *Discovery Princess* – due to launch next year.

**You have a huge amount of travel expertise under your belt, including 16 years with Carnival UK before your positions with Princess and CLIA. Do you have any top tips for our readers on how to make the most out of their cruise holidays?**

Make sure to find the cruise itinerary and ship that is right for you. With so much choice out there, using a professional travel advisor can be extremely useful. And don't be afraid to ask crew if you have any questions or need assistance on board – they are always happy to help and are there to make sure you have the best holiday possible.

**Do you have any personal highlights from cruise holidays you've been on?**

For me, it is the warm and friendly service received across the cruise industry that is truly unique. I have visited many resorts and hotels around the world but can honestly say that the warm and conscientious service received on board really sets the cruise industry apart.

**Which destinations appear on your bucket list and why?**

I would love to go to Alaska, a firm favourite for UK guests cruising with Princess. Alaska offers epic scenery and a huge array of wildlife that you can only really appreciate from the sea, and on top of that there are many incredible and unique shore excursions to choose from.

**What do you think the benefits are of booking with a cruise travel agent such as ROL Cruise?**

Travel agents have always been incredibly important to Princess Cruises and the cruise industry as a whole, and even more so now as we navigate through this new climate. The travel sector is very different to what we knew before, and the knowledge, expertise and personalised service from travel agents like ROL Cruise that truly work in partnership with Princess is invaluable. As professional travellers, their first-hand experiences enables them to make recommendations on which ships and itineraries are right for their customers, and they can provide support throughout the whole journey, from researching and booking through to travel and returning home.

# SOUTH AFRICA BY LAND, RAIL & SEA JOURNEY HIGHLIGHTS

Discover Rovos Rail

Rovos Rail has earned an international reputation for its truly world-class travel experiences. With discreet and friendly service, 5★ cuisine and a selection of South Africa's finest wines included, Rovos Rail harks back to a simpler, more elegant era encompassing the timeless grace and high romance of African exploration. Step aboard for your three night journey from Victoria Fall to Pretoria.

Victoria Falls

The spectacular Victoria Falls, known locally as the 'smoke that thunders', were 'discovered' and named by David Livingstone in 1855. One of the Seven Wonders of the World, the falls thundering water leaps over the edge of the gorge into a transverse chasm of black basalt rock nearly 108 metres below, sending up great clouds of mist that drift gently down to water the luxuriant rain forest. Although not the widest or tallest waterfalls, Victoria Falls forms the largest falling sheet of water in the world with approximately half a million tons of water pouring over every minute, generating a spray cloud that can rise to 500 metres above the falls. A tour of the famous falls awaits on your Signature Experience, along with a cruise down the mighty Zambezi River.

## Chobe National Park

The Chobe National Park covers 10,566 square kilometres and has one of the greatest concentrations of game found on the African continent. Its uniqueness in the abundance of wildlife and the true African nature of the region offers the safari experience of a lifetime. A trip to Chobe is not complete without a boat trip on the beautiful river itself, which is included in your ROL Cruise Signature Experience. Being on the river offers the best perspective of the vast herds of elephants and other wildlife on the river's lush green banks.

Wed 8 **Lautoka, Fiji**

**★Recommended Shore Excursion<sup>\*</sup>: Fijian Natural Thermal Mud Bath**

Your relaxing tour begins with a picturesque drive south into the lush Sabeto River valley, flanked by the dramatic silhouette of the Sleeping Giant Mountains. This is inland Fiji at its most scenic, and it's the setting of your destination today: the Sabeto Mud Pool, a natural geothermal bath. The warmth starts with a traditional Fijian welcome ceremony, after which you'll prepare for your immersion into the pond. To experience the full benefits, slather the mineral-rich mud all over your body and as the mud coating is removed, it gently exfoliates your skin - leaving you silky-smooth and glowing
