ROL Cruise 5★ Reviews

“Excellent service as usual”

As usual, excellent service received from ROL with my recent booking. The agent who dealt with my booking was very polite and cheerful. Obviously, was experienced, which gave me confidence to go ahead and feel comfortable with my decision. Thank you ROL!

“Excellent first time experience”

This is the first time I have booked with ROL and hopefully this will be the start of a long term 'relationship'. The advisor I spoke to was excellent and we got the best outcome for both parties.

Well done, you exceeded my expectations!

“Our go-to company”

ROL is our "go to" favourite company to book a cruise with. Nothing is too much for the team they are always helpful and knowledgeable regarding cruise lines and destinations.

YOUR GRAND VOYAGE HIGHLIGHTS

KEY WEST, FLORIDA, USA

Here, where bohemians and artists reside in wooden houses amid lush tropical vegetation, is a religion for whom the term "laid back" might have originally been coined. Meander down Duval Street and enjoy its numerous shops, bars and cafés, witness the island's best architecture on a walking tour* or simply soak up the year-round tropical climate.

NEW ORLEANS, LOUISIANA, USA

The birthplace of jazz, New Orleans, is a great 'Southern Belle' of a city. Enjoy the spectacular Creole cooking, the lacy balconied mansions of Vieux Carre and a 'steam-wheeler' cruise down the Mississippi to Scarlet O'Hara country. Nestled in the Mississippi River's crescent, New Orleans is home to fantastic natural wonders – such as the mighty Mississippi – as well as Jean Lafitte National.

PARTIAL TRANSIT OF THE PANAMA CANAL

Undeniably, Panama's biggest attraction is the Panama Canal, a modern day wonder of the world. Constructed between 1903 and 1914, the canal's three locks allow 14,000 boats a year to cross a 48 mile body of water from the Pacific Ocean to the Atlantic. Its role in revolutionising maritime trade and the sheer feat of engineering skill makes the canal a fascinating place to sail through.

PUERTO LIMON, COSTA RICA

Set foot on 'the Rich Coast' to appreciate just how rich it really is. Strolling the city's palm-lined promenade or verdant Parque Vargas will tell you that much. But no visit would be complete without admiring the vast swathes of dense rainforest, and Braulio Carrillo National Park obliges with an aerial tram ride through the lush canopy.

If you need inspiration for what to read on your next cruise, then be sure to add the below books to your list, handpicked by ROL Cruise...

A Year Off: A Story about Traveling the World

BY ALEXANDRA & DAVID BROWN

A Year Off documents the story of Alexandra and David Brown, a couple who decided to take a year off from their jobs and 'regular lives' to travel the world together. With many gorgeous photographs and actionable travel advice, *A Year Off* captures all the beauty and magic of the wanderlust spirit, guiding readers on how to take the same leap and showing them just how doable a journey this type of round-the-world travel is.

Wildlife Photography at Home

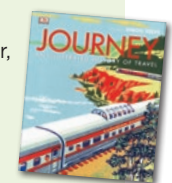

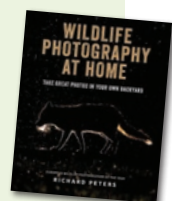

BY RICHARD PETERS

Richard Peters won the European Wildlife Photographer of the Year award for a photograph taken in his very ordinary suburban back garden. In this book, he shares the methods he used to get stunning professional nature photos without leaving his home. This is the perfect book for bird-watchers and animal lovers who want to capture what they see and share their passion with the world.

Journey: An Illustrated History of Travel

Jane ARCHER

Jane Archer is one of the UK's leading cruise journalists and cruise expert for the Daily Telegraph. She has been sharing her experiences with Blue Horizons' readers for the past 13 years.

NOW IT'S HI-TECH ON THE HIGH SEAS

'How do you know that won't happen if I go up to the door?' I ask as my friend approaches her cabin and it unlocks as if by magic. She opens and shuts the door, backs away and I have a go. Nothing.

We've just come on board *Sky Princess* for one of her staycation cruises along the UK south coast, and I'm keen to test drive the line's hi-tech Medallion, a token no bigger than a 10p piece that has replaced the keycard you used to get at check in.

My experiment at my friend's cabin over, I find my room and bingo, my picture pops up on a welcome screen by the door followed by a satisfying click. Phew. I'm not only at the right room – a rather inviting Mini Suite with a balcony – but my Medallion works!

But that is only the start of what this nifty little device – now on all Princess Cruises' ships – does. If you have booked a table in, say, the Crown Grill steakhouse, your picture pops up on the restaurant's booking screen as you arrive so the maitre d' can greet you by name. It's clever stuff that both

enhances the service and makes you feel a bit special.

Princess provides a lanyard for the Medallion, but I preferred to carry it in my pocket. If neither option appeals, there are all sorts of fashion accessories you can buy and attach it to, including bracelets, necklaces and even a clip to fasten it to a breast pocket. And don't worry about taking it for a swim or into the shower as it's waterproof too!

One morning I ordered a drink on the TV in my cabin, but it was such a lovely day that while waiting I decided to go and enjoy some sun in the Retreat, an adults-only area at the top of the ship. That was test number two, as in theory the waiter can find you anywhere on the ship thanks to a GPS or some such techie thing in the Medallion that links to the gadgets the crew carry and on which they have your picture.

Never mind the theory, that worked too! And you can also have pizzas, burgers or whatever you fancy, delivered. As an aside, I did notice that waiters found it tricky to find people if they were

wearing hats or sunglasses or looking out to sea with their back to the pool, so you do need to keep an ear out for someone calling your name.

All that and of course you also use the Medallion to pay for anything you buy on board, just as you would a normal keycard.

The Medallion experience is enhanced by having the Princess app on your Smartphone but it's not vital. It would have been great to have it to check in (I had an old phone that couldn't download the app) as that would have allowed me to breeze through the terminal, stopping only to pick up my Medallion, but otherwise it wasn't a problem.

It just meant I had to order food and drink deliveries from my cabin (you can do it on the app while lazing by the pool) and trust my rather shaky sense of direction and touchscreens by the lifts to find my way around the ship instead of looking at the deck plans on the app.

**IT'S CLEVER STUFF
THAT BOTH ENHANCES
THE SERVICE AND
MAKES YOU FEEL A
BIT SPECIAL.**

The app is also handy for booking restaurants, but you can do that on the touchscreens as well. Step one, touch the Medallion to the screen; step two, select where and when you want to eat; step three, it's booked; step four, use the same screen to find your way to the restaurant. How smart is that!

- Mon 20 **Singapore**
Upon arrival, transfer to the 5★ *Sofitel Singapore Sentosa Hotel* for your three night stay, including breakfast[‡]
- Tue 21 – **Singapore**
- Wed 22 Explore this cultural metropolis at your leisure. As a city-state, Singapore is both the country and its capital and this immaculately clean region is one of many contrasts. Ultra-modern skyscrapers overlook historic temples, while a tropical rainforest lies a few miles outside the urban buzz of the central Business District
- Thu 23 **Singapore**
Transfer to the port and embark *Spectrum of the Seas*[®] for your nine night voyage of the Far East, beginning with an overnight stay on board
- Fri 24 **Singapore**
- Sun 26 **Nha Trang, Vietnam**
The easy-going city of Nha Trang is known for its six-mile palm-lined sandy beach with clear turquoise water. Spend some time relaxing by the bay at Nha Trang Beach or the more secluded but arguably even more beautiful Bai Duong Beach, shaded by lushly forested mountains. See the picturesque boulders overlooking the waters at Hon Chong. Then, check out the ancient Po Nagar Cham Towers, with its sand-coloured temples that date back to the 700s. Head

to the Hon Mun Marine Protected Area for scuba diving and snorkelling, or take the 45-minute drive past rice paddies and coastline and hike to the contemplative Ba Ho Waterfall and its three swimmable pools

- Mon 27 **Ho Chi Minh City (from Phu My), Vietnam**
Ho Chi Minh City (formerly Saigon) is perhaps most famous for its role in the Vietnam War. Today, the city's French colonial landmarks, including the Notre-Dame Cathedral, are its most notable feature. Bustling food stalls can be found throughout the city, serving the unique flavours of Vietnam

MARCH 2023

- Wed 1 – **Bangkok (from Laem Chabang), Thailand** (overnight)

There'll be plenty of time to pay your royal respects at the Grand Palace, before trying some street food, some of the best in Asia!
- Sat 4 **Singapore**
