Saga are working hard so you can travel with them again soon. Their award winning cruises now offer more peace of mind: Saga Cruises now include coronavirus cancellation cover, as well as optional insurance as standard, or a price reduction if you don't need it.

Saga now provide flexible cancellation cover should you need to cancel due to coronavirus medical conditions prior to departure. This cover is available under the additional cancellation rights cover if you purchase optional travel insurance.

### A BALCONY FOR EVERY GUEST

It's one of the most distinctive feature: every cabin has a balcony, including single cabins, giving you your own outside space. So whether you're cruising the Mediterranean or discovering the delights of the Caribbean at Christmas, you have your own place to relax, enjoy the views and fresh air, and watch the sun set as you head to another incredible destination.

### SUMPTUOUS SINGLE CABINS

Solo cruisers are also spoilt for choice, with a range of over 100 single balcony cabins. This is a first for the cruising industry: no other ship has dedicated such space to single cruise-goers. ## YOUR INCREDIBLE VOYAGE

At this time of year, the fjords are quieter, the flowers are just coming into bloom, and the mountain tops are still frosted with snow. You'll see waterfalls in all their glory as the sparkling pure meltwater tumbles over rocks and makes its way to the sea. Down in the valleys, pastures are green, fruit trees are in bloom, and the idyllic fjord villages emerge from hibernation.

Heading north, visit the Frisian delights of Harlingen before crossing over into Norwegian waters and beautiful Bergen. From here on in, this expedition cruise really allows you to get to know Norway's spectacular coast, as you sail all the way above the Polar Circle to the dramatic North Cape, taking in the stunning Lofoten Islands, Arctic gateway city Tromsø, and Alta, the City of Northern Lights.

### GETTING TO KNOW NORWAY DEEPER

There are more coastal gems along your return route. Epic scenery awaits in UNESCO-listed Geirangerfjord, and the same can be said for Sognefjord with its idyllic villages and stave churches. Both are outstanding examples of iconic fjords, as is Nordfjord with its high peaks and glaciers. Exploring the untamed island archipelago of Værlandet is another highlight of this journey.

## INTRODUCING MS MAUD

*MS Maud*, previously *MS Midnatsol*, is named after one of the most famous polar vessels of all time, Roald Amundsen's "Maud" from 1917, and is equipped with advanced technology that makes her exceptionally well-suited for expedition cruises in Norway. Her bright interiors are appointed in a classic Art Deco style. Colours are inspired by the Midnight Sun, allowing you to relax in warm vibes every day of the year. Channel your inner scientist in the advanced Science Center and enjoy daily lectures in the lecture hall or from the comfort of your cabin with the new streaming service, sample delicious dishes from local suppliers in the restaurants and enjoy beverages in the Explorer lounge & bar. On deck 9, you can enjoy the spectacular views from the outdoor Observation deck, and soak in one of the hot tubs. And there's no better way to enjoy the view than with a drink in the Explorer lounge & bar.

## THE FUTURE IS GREEN

Hurtigruten have made history by removing all single-use plastics from their ships. In the hope others will follow suit, Hurtigruten, who sail to some of the world's most remote, pristine and delicate environments, have made this important commitment at a time when concern for rising plastic in the oceans is at an all time high. To ensure they are operating with the smallest footprint possible, Hurtigruten have removed plastic straws, coffee lids and plastic bags on all of their 14 ships, even single-use butter packaging!

Please note ship featured is for illustrative purposes only. <sup>1</sup>Grade has limited/no views. Please note cabins can be based on fixed double or twin bed configuration. Booking conditions of Hurtigruten (ATOL V7545) Reader Offers Limited Agency terms of business apply. Please see back page for full terms and conditions.

Transfer to the port and embark the ultra-luxurious *Silver Moon* for your 22 night all-inclusive voyage of South America, beginning with an overnight stay on board
- Mon 13 Buenos Aires, Argentina**  
Passionate, and alive with an infectious crackling energy, the Argentine capital is a breathlessly romantic city, which blends old-world colonial architecture with a down-to-earth Latin American clamour. Famed for steamy tango interplays, and expertly seared steak slabs, a visit to Buenos Aires is a fiery fiesta for the senses  
**★ COMPLIMENTARY Excursion\*: Inspiring Evita**  
Trace the life and times of Eva (Evita) Peron on her way to becoming the iconic First Lady of Argentina during this scenic, half-day excursion

- Tue 14 Montevideo, Uruguay** (depart late pm)
- Wed 15 Punta del Este, Uruguay**  
The fingertips of a showstopping sculpture, emerging from Punta Del Este's golden sands, is the perfect example of this chic beach city's creative outlook. Stunning stretches of shining sands line the peninsula's coast, attracting the great and glamorous from across Uruguay and Argentina
- Thu 16 Rio Grande do Sul, Brazil** (arrive midday)
- Sat 18 Porto Belo, Brazil**  
Beautiful beaches attract many to Porto Belo, but there are other natural attractions. The Atlantic forest of the Brazil coast has a great variety of plants and birds, including many found nowhere else. It is second only to the Amazon in diversity
- Mon 20 - Rio de Janeiro, Brazil** (three night stay on board)  
**Thu 23** Lie back on the golden sands to soak up the extraordinary setting – or watch on as muscled cariocas – locals – perform effortless athletic feats, during casual volleyball matches. A trip up to Rio de Janeiro's iconic art-deco statue of Christ the Redeemer is, of course, a must do – offering an extraordinary view of the city rolling out before your eyes. You'll also want to take a cable car to swing by the top of Sugarloaf Mountain, which juts sharply into the sky from nowhere. Brazil's second largest city moves to an infectious samba beat

This is a back to back voyage, therefore some dining and entertainment may be repeated. Booking conditions of Silversea (ATOL 4681) and Reader Offers Limited Package Holiday booking conditions apply.
