## ROL Cruise – supporting charities close to our heart

Back in March 2022 we announced we would be working in partnership with the British Red Cross to help raise urgent funds for their Ukraine Crisis Appeal. Since then we have raised over £10,000 to the appeal, which is providing vital aid to families and children, including food, water, medicines, warm clothes and shelter. We want to continue to help make a difference, so we are pleased to continue to support this appeal into 2023. We will keep you updated on our efforts to help Ukraine in future editions of Blue Horizons.

We are also delighted to confirm our donation of £10,000 to the Royal British Legion's 2022 Poppy Appeal. Commenting on the donation, Sarah Wikevand, Managing Director at ROL Cruise said: "We are absolutely delighted to have raised such an incredible sum for the Royal British Legion's Poppy Appeal fund. It is a cause we are all proud to support and the amount raised will really help to make a difference in supporting the Armed Forces' community."

In October everyone at ROL Cruise got involved to raise money for Macmillan Cancer Support by hosting a Coffee Morning. After a fantastic day of cake, raffles and of course coffee, our fabulous team raised over £12,500. This donation could pay for a Macmillan nurse for 10 weeks, helping people living with cancer and their families receive vital support.

## CRUISE NEWS

### Fred. Olsen Cruise Lines to introduce Journey Navigators

Fred. Olsen Cruise Lines recently announced the introduction of their Journey Navigators for 2023. The Journey Navigators will be on board every Fred. Olsen ship (that's *Balmoral*, *Bolette*, *Borealis* and *Braemar*) to provide insights with talks, presentations and private lunches and will include a Nature Scout, a Culture Curator, an Entertainment Host and a Maritime Guide.

Also new for 2023 are five new Signature Experiences that guests will find on every sailing:

- You can join fascinating talks as part of Fred. Olsen Cruise Lines Itinerary Insights programme.
- The Sky at Sea sessions will invite you out on deck to enjoy sunrise and sunset events.
- During Treats of the Region cookery demonstrations, chefs will show you how to prepare local dishes.
- Each cruise is planned with Scenic Discovery routes in mind. These routes are designed to take in all the islands, ports, waterways, lochs and lakes, fjords and interesting seascapes that are out there.
- The Ship and The Sea programme allows you to join their friendly Maritime Guides to explore the ship on a small private tour or join in with interview sessions with the Captain and Officers on board.

Hello and welcome to your exclusive December edition of Blue Horizons.

Christmas is in the air, and so are some spectacular cruise line launches. These eagerly anticipated promotions herald the release of brand new dates, itineraries, ships and, of course, exclusive benefits you won't receive anywhere else! We begin on pages 04-09 with Cunard's 2024 No-Fly Launch Promotion. Whether you choose the iconic *Queen Mary 2* or the brand new *Queen Anne and her maiden season*, you'll benefit from exclusive double Cruise Miles\*. By pre-registering for your chosen cruise you will be ahead of the game; securing your preferred cabin, receiving exclusive benefits – only with ROL Cruise – and booking before fares increase. So please do not delay and call ROL Cruise today!

Secondly, its ultra all-inclusive Saga, who offer boutique cruising exclusively for the over 50's. We've hand-picked two incredible launch itineraries, taking you to the exotic climes of the Caribbean or the astonishing coast of Africa. What's more, we've included exclusive double cruise miles, but hurry, this exciting offer must end soon!

Japan recently announced it was fully re-opening to tourists, a most welcome piece of news for all those who have long-yearned to visit. There's no better time of course than in cherry blossom season, so I am thrilled to present a brand new Signature Experience on pages 28-29. See the blooms, marvel at Tokyo, admire Mount Fuji and get under the skin of this truly unique country.

Happy cruising!

# YOUR GRAND VOYAGE HIGHLIGHTS

### DISCOVER JAPAN IN THE SPRINGTIME

For a just a few weeks every year, Japan blooms into vibrant pink as the nation's cherry blossom trees (also known as sakura) flower, creating stunningly beautiful scenes across the country. Delight in the fleeting beauty of these delicate flowers that frame the historic temples and towns perfectly.

From snow-capped Mount Fuji to the traditions that include Geisha girls and samurai warriors. This is a Japanese experience you will not want to miss out on.

### PEARL HARBOUR: THE DAY OF. THE DAY AFTER.

On a quiet Sunday in December 1941, the day started out like any other until a surprise military attack by the Imperial Japanese Navy changed the course of history. Guest speaker Doug Keeney recalls the events of this infamous attack, the timeline of the assault and the remarkable engineering feat that returned all but one of the damaged ships to active duty. He will also share the unknown tale of the heroic US Navy pilot who sank the last participating Japanese aircraft carriers in an incredible bombing run that ended in near catastrophe.

### SAILING UNDER THE GOLDEN GATE BRIDGE

As we sail under this historical landmark, head out on deck to take in the views of San Francisco, Marin County and the infamous Alcatraz Island. Upon its completion in 1937, it was the tallest and longest suspension bridge in the world. It gets its name from the Golden Gate Strait, the narrow, turbulent stretch of water that links the Pacific Ocean to San Francisco Bay, and is one of the seven wonders of the modern world.

### PANAMA CANAL TRANSIT

An immense complex of locks, dams, artificial lakes and channels, it stretches around 44 nautical miles from the Atlantic Ocean to the Pacific Ocean, shortening voyages which would previously needed to have sailed round Cape Horn, by around 8,000 nautical miles. Join us in the stylish Observatory or out on deck as we sail through the Panama Canal. As Borealis traverses the waterway's locks, lakes and long-span bridges, enjoy a detailed commentary and discover more about this man-made channel and the ships that use it to cross the South American continent.

## DISCOVER JAPAN IN THE SPRINGTIME

For a just a few weeks every year, Japan blooms into vibrant pink as the nation's cherry blossom trees (also known as sakura) flower, creating stunningly beautiful scenes across the country. Delight in the fleeting beauty of these delicate flowers that frame the historic temples and towns perfectly. From snow-capped Mount Fuji to the traditions that include Geisha girls and samurai warriors. This is a Japanese experience you will not want to miss out on.

## UNCOVER TOKYO WITH A TWO NIGHT 4★ HOTEL STAY<sup>†</sup>

You'll never forget a visit to the sensory explosion that is Tokyo. Capital of Japan, this is a city where you'll find centuries-old culture jostling for a position next to cutting-edge technology – a fabulous blend of history and modernity that has to be seen to be believed. To get a feel for Tokyo's natural beauty, head to Yoyogi Park, where cherry blossoms are resplendent in spring. Close to the Yoyogi Park is the Meiji Jingu Shrine, established in 1920 and dedicated to Emperor Meiji who helped to open Japan up to the west. As impressive as anything else is its 40-foot gate, made of 1,500-year-old cypress. At the main shrine buildings, you may show respect by bowing twice, clapping your hands twice, making a wish then bowing once more. You may be lucky enough to catch a traditional Japanese wedding procession.

- Sun 3 **Boca Da Valeria, Brazil**  
Surrounded by the Amazonian rain forest, Boca da Valeria, a small Brazilian settlement of fewer than 100 people, boasts no tourism infrastructure. Yet the destination lures travelers by offering an authentic glimpse of the simple river life that the Amerindians have followed for centuries. Meaning "Mouth of the Valeria River," the remote fishing and trading village sits at the convergence of the Amazon and the Rio da Valeria

### YOUR SIGNATURE EXPERIENCE HIGHLIGHTS

#### BUENOS AIRES, ARGENTINA

A melting pot of European and South American cultures, Buenos Aires is the confident capital of Argentina with eclectic architecture, delicious parrilla-based cuisine and passionate Porteños (locals). Take in the famous Recoleta Cemetery, the Plaza de Mayo, the Casa Rosada, the Metropolitan Cathedral, Caminito Street and many other landmarks of cultural and historical significance.

#### THE MIGHTY AMAZON RIVER, BRAZIL

Everyone knows the name, but only an intrepid handful of travellers get to experience the remarkable sights and sounds of the Amazon. Sail along the vast Amazon River as it flows through the heart of the world's largest tropical rainforest on a cruise holiday with a difference. Immerse yourself in exoticism; search for vivacious wildlife as you float amongst trees. The Amazon River affords its visitors incomparable experiences, unlike any other in the world.

- Mon 4 – **Manaus, Brazil** (overnight)
- Tue 5
- Wed 6 **Parintins, Brazil**
- Thu 7 **Alter Do Chao, Brazil**  
Known as the Caribbean of the Amazon. Taken as a whole, the village's white powdery beaches, transparent blue-green waters and hang-loose vibe would make a perfectly convincing addition to the Lesser Antilles. Of course, there are tip-offs that you're still in the midst of South America's River Sea, not least the neighboring rain forest and the pink dolphins – those local mascots – that periodically surface in the water
