So far this month it has been incredibly busy here at ROL, the new year and the cold weather is definitely having an impact, with many of you planning your next holiday and looking at all the fabulous offers we have coming out in January. We are delighted to see lots of wonderful opportunities for keen cruisers becoming available for us to share with you, and remember we also like you to share your amazing experiences with us when you return home.

Celebrity Cruises have been a really strong partner for ROL Cruise for many years now where we have seen them introduce more ships and more destinations to their ever evolving business. They really do have a ship positioned in every corner of the world ready for guests to explore, whether it is a cruise from the UK which interests you or perhaps a cruise to a long haul destination, there are many included in this edition for you to peruse at your leisure. We have both been fortunate enough to go on board the Celebrity ships and can recommend them whole heartedly. Our team

are experts and very knowledgeable when it comes to Celebrity Cruises so please make sure you ask them any questions, especially when it comes down to the different categories of staterooms and suites.

A couple of highlights we thought you might like to read about is the 2024 no-fly sale on pages 06-07, this is an excellent all-inclusive offer which includes drinks and Wi-Fi. On pages 32-33 you will see the brand new Japan in Springtime Launch Promotion which has been incredibly popular, this really is a Japanese experience you might want to consider. Day 1 **Embark *Celebrity Apex*<sup>\*</sup> and depart Southampton**

Day 2 **Bruges (from Zeebrugge), Belgium**

Ålesund's turrets, spires, and other whimsical art nouveau architectural touches give the town its distinctive, fairytale-like character. Hundreds of rocky islets and skerries, remnants of the last Ice Age, are scattered across the sea

Often referred to as the Arctic's capital, this colourful northern Norwegian city is located above the Arctic Circle and is one of the best places to see the Northern Lights. ## WITH **CELEBRITY ASCENT'S<sup>SM</sup>** NAMING CEREMONY

Join ROL Cruise Managing Director Sarah Wikevand as she reflects on **Celebrity Ascent's** naming ceremony in Miami, Florida.

**Hi Sarah! Last month, you attended the naming ceremony of **Celebrity Ascent** in Miami. Can you tell us what the ship is like?**

As soon as I saw **Celebrity Ascent** I thought, "That's one stylish vessel!" Seeing a brand-new ship is always a very special experience, but **Celebrity Ascent** has so much to offer and many new innovations that I'm confident guests will love.

Celebrity Cruises ships are modern and elegant, but **Celebrity Ascent** offers more public areas which have been designed with a great deal of thought. In total, **Celebrity Ascent** boasts 32 distinctive restaurants, bars and lounges, including the multi-deck Sunset Bar and the open Rooftop Garden, which I think are key highlights.

**What was the atmosphere like on board?**

The Grand Plaza which features The Martini Bar and Café Al Bacio and is situated on Decks 3, 4 and 5, really is the hub of **Celebrity Ascent**. Numerous bars, shops and restaurants are located in the area, which produces a real buzz. There's so much to see, even the walk from one area of the ship to another is special - no matter where I was, there was lots of excitement over where to go next. I think the fact the ship was beautifully decorated for Christmas added to the atmosphere, too.

**The ships in Celebrity Cruises Edge Series are well known for their innovative design. What was your favourite feature on **Celebrity Ascent**?**

The Aurora installation (a digital inspiration of the aurora borealis featuring 1,600 lights) of **Celebrity Ascent** is a totally mesmerising space.

I particularly like Eden, which is an incredible open space across the aft of the ship. It enables you to view the ocean and the wake as the ship is sailing. It boasts quite possibly the most relaxing view.

The Magic Carpet, which is the stylish bar located on the side of the ship, is unique to the Edge Series. It can move from one deck to another - luckily not when you're on it, though! As a key design feature, it makes the ship instantly recognisable.

**And tell us about the food! Did you have a favourite restaurant on board?**

When you step foot in a restaurant on board any ship, you're instantly reminded of how incredible the food and service are. I had the opportunity to dine in a couple of the speciality restaurants on board **Celebrity Ascent** and I also went to the Oceanview Café which I was really impressed with. The quality of the food, service and cleanliness was remarkable.

**Lastly, what was the highlight of your trip?**

Whilst on board, I was lucky enough to experience **Celebrity Ascent's** remarkable naming ceremony.

We all stood on the top deck listening to speeches and live music and watching performances. The atmosphere was incredible! Everybody was so excited to watch as, for the first time in the industry, the co-godmothers, Captain Sandy Yawn and her sister Michelle Dunham, named **Celebrity Ascent**.

It was a privilege to witness such an important moment in Celebrity Cruises history.

# A family affair

What was it that made you both want to embark on a career at sea?

**Dimitrios** My father was a ship supplier and whenever there was a cruise ship to supply in Piraeus, he would take me with him to have lunch at the buffet. For me, it was a magical world on a cruise ship with swimming pools, Jacuzzis and endless buffet food islands! It seemed like Disneyland and since then I have wanted to work in the cruise industry, and what a better company to do so than Celebrity Cruises.

**Tasos** The reason I pursued a career at sea is because of my brother, Dimitrios. We have a very special bond and I look up to him. Every time he came back from a contract I used to view his photos, listen to his stories and all this made me want to do the same job! I've been with Celebrity for 26 years!

As with any career, there are probably times where it isn't all plain sailing. What are some of the toughest jobs you have to do as a captain?

**Dimitrios** One of the toughest jobs is to protect life at sea using all means necessary. I have participated in many rescue operations, medical evacuations and man overboard incidents.

**Tasos** Keeping everyone safe is the most demanding task we have. Luckily, it's not a one person job but nevertheless, a captain has the ultimate responsibility for every single life on board.

We have no doubt you've visited many incredible destinations around the world. Do you have a favourite?

**Dimitrios** I have two favourite destinations: Honolulu, Hawaii and Vancouver, Canada.

**Tasos** The more I travel the more I fall in love with our planet. There are so many beautiful destinations but if I had to choose my absolute favourite would be Santorini Greece, where the scenery of the caldera and the volcano are hard to beat; and

*From brothers to co-captains, Dimitrios and Tasos Kafetzis will jointly take the helm of Celebrity Ascent, the next Edge series ship to join the Celebrity Cruises' fleet. Here, we get under the skin of what it's like to captain this exciting new ship, with your brother alongside.*

Sydney Australia where the views of the early arrival between the opera house and Sydney Harbour Bridge with the sun rising is breath-taking.

You have been sharing the helm of the brand-new *Celebrity Ascent* since December 2023, how does a co-captain role work?

**Dimitrios** Every ship has two captains with a work schedule of three months on duty and three months off. Tasos and I spent time with *Celebrity Ascent* for months before she first sailed. We spent two months in France at the shipyard, followed by the crossing, the inaugural sailings and the Maiden voyage.

**Tasos** Being a co-captain has been a unique experience and I think we did well. It's always fun working alongside my brother as we really enjoy each other's company.

Can you share with our readers a little more information on the revolutionary features on board *Celebrity Ascent*?

**Dimitrios** The bridge is exceptional, it's the first ship to sail with a revolutionary and ergonomic set up, including 50-inch radar screens.

**Tasos** The fuel efficiency of this class is really impressive as our Edge ships are 20% more fuel efficient than our previous class. Reasons include the parabolic bow and the hull design and the ALS system (Automated lubrication system) creating small bubbles around the hull making it easier to slide through water.

Do you have a favourite restaurant you could recommend?

**Dimitrios** Well I recommend all of them but if I have to choose one, that will be the FINE CUT steak house.

**Tasos** I love all the restaurants on board *Celebrity Ascent* but if I had to choose it would be the Fine Cut - I can't resist the tomahawk dry aged steak- and I love Eden. The crab cake is a dish you need to try!

The beach at Gardner Bay, with its sparkling white sand, offers one of the best places to relax and swim in the Galápagos. Three species of Darwin's finches and Española mockingbirds may also be seen here

Rich in history, this site is home to the post office barrel established in about 1793, where pirates, buccaneers, whalers, and others could leave their mail to be picked up by outbound ships. ## STAFF STORIES THE TRIP OF A LIFETIME

**Hi Kelly! You were lucky enough to travel to the Galápagos Islands with Celebrity Cruises. What did you think of *Celebrity Flora*? And what was your suite like?**

Wow, it was amazing! Very bright and airy with floor-to-ceiling windows and a large glass balcony so when you lay in bed, you could see right through, meaning you wouldn't miss any scenery. The furniture was modern and every little detail was thought of with a refillable bottle and a drinking water tap in the cabin. The complimentary laundry which was offered twice a week was very good and much-needed!

**Which islands did you visit? And which was your favourite?**

We sailed to several different islands during our cruise. If I'm honest, every island was amazing. They're all so different from Isabela Island with all the sea lions and birds to visiting the Post Office where we sent postcards home.

We visited Floreana Island which was full of greenery and different species of birds from blue-footed boobies to flamingos. We also went snorkelling here, which was incredible as we got to see sea lions and lots of different fish. But my favourite island was Santa Cruz which was full of enormous land iguanas. Here, we were lucky enough to spend the day at the tortoise sanctuary and we even planted two trees alongside Celebrity Cruises who work closely with local authorities to help preserve the Galápagos Islands.

**What native wildlife did you encounter along the way?**

When we got off the plane and were waiting for our tender to *Celebrity Flora*, we were greeted by a sea lion and colourful crabs. Throughout our trip, we were lucky enough to see sea lions, Galápagos penguins swimming alongside our Zodiac, blue-footed boobies, albatross, sea turtles, tortoises, cormorant birds, land and sea iguanas and flamingos.

**Lastly, what was the most memorable part of your Galápagos cruise?**

All of it!! From the moment we arrived, the staff from Celebrity Cruises were there to help us. When we embarked *Celebrity Flora*, the service was amazing from cold fresh face cloths every time we returned to enjoying a 5-course dinner on the top deck and sleeping under the stars, it was magical. We were even given an iPad to see what the constellations were above us. Nothing was too much and the crew were so knowledgeable about the Galápagos Islands.

**Wow, what an experience! You can follow in Kelly's footsteps with a *Celebrity Flora* cruise to the Galápagos.**

### DISCOVER JAPAN IN THE SPRINGTIME

For just a few weeks every year, Japan blooms into vibrant pink as the nation's cherry blossom trees (also known as Sakura) flower, creating stunningly beautiful scenes across the country. Delight in the fleeting beauty of these delicate flowers that frame the historic temples and towns perfectly. From snow-capped Mount Fuji to the traditions that include Geisha girls and samurai warriors. This is a Japanese experience you will not want to miss out on!

### DISCOVER TOKYO WITH A TWO NIGHT 4★ PRE- CRUISE HOTEL STAY

You'll never forget a visit to the sensory explosion that is Tokyo. Capital of Japan, this is a city where you'll find centuries-old culture jostling for a position next to cutting-edge technology – a fabulous blend of history and modernity that has to be seen to be believed.

To get a feel for Tokyo's natural beauty, head to Yoyogi Park, where cherry blossoms are resplendent in spring. City life slows down just a touch in this former Olympic village, which also served as a military parade ground and barracks for American soldiers after the Second World War.

Close to the Yoyogi Park is the Meiji Jingu Shrine, established in 1920 and dedicated to Emperor Meiji who helped to open Japan up to the west. As impressive as anything else is its 40-foot gate, made of 1,500-year-old cypress. At the main shrine buildings, you may show respect by bowing twice, clapping your hands twice, making a wish then bowing once more. You may be lucky enough to catch a traditional Japanese wedding procession.

Cherry Blossom Season may vary. Celebrity Cruises and Reader Offers Limited Package Holiday booking conditions apply. Please see back page for full terms and conditions.

## YOUR INCREDIBLE GOLDEN TRIANGLE & TIGER SAFARI LAND TOUR HIGHLIGHTS

### THE TAJ MAHAL

One of the New Seven Wonders of the World, the Taj Mahal is ubiquitously recognised as one of the world's greatest landmarks and finest examples of Mughal architecture. Enjoy a once-in-a-lifetime opportunity to admire Emperor Shah Jahan's creation at sunrise. The close-up detail is as exquisite as the overall architectural design, with semi-precious stones and beautiful patterns adorning the marble surface.

### RANTHAMBORE NATIONAL PARK & TIGER SAFARI

Centred around the impressive 10<sup>th</sup> century Ranthambore Fort, Ranthambore National Park is scattered with old mosques, temples and hunting pavilions. The highlight of your visit will undoubtedly be the moment that you set eyes upon one of the regal Bengal tigers that live in the park – an experience that few get to have, and once had, very few forget. While on your guided safaris, look out for leopards, boars, hyenas, sloth bears and rhesus macaques, too.
