CELEBRATING OVER
25 YEARS
OF EXCELLENCE

RIDING THE *Wave*

Jane ARCHER

Jane Archer is one of the UK's leading cruise journalists and cruise expert for the Daily Telegraph. She has been sharing her experiences with Blue Horizons' readers for the past 14 years.

January and February always get a lot of stick. The tinsel is put away, mince pies are but a distant memory, the New Year fireworks have been and gone and what are we left with? As I write this, it's grey skies, drizzle and dark morning and evenings. Ho hum.

But there is another way of looking at it, as one canny cruiser I met last year pointed out to me as we sailed around the Greek Isles together. She can't get enough of January and February as they are the main months for what cruise lines call Wave season, which loosely translates into a massive sales push to bring in lots of early bookings.

Shop around and you can land complimentary drinks' packages and enjoy your favourite wine or cocktails throughout the cruise without worrying about breaking the budget (and it makes it so much friendlier when drinks are on the house and no one is wondering whose turn it is to buy the next round).

There are also cabin upgrades that take you from an inside cabin to a room with a view or even a balcony. Regent Seven Seas Cruises has an even more generous two-category upgrade on more than 400 sailings that set you up in a Penthouse with butler service or Concierge suite that comes with a free one-night pre-cruise hotel stay. And that's on top of everything else Regent always includes - flights, drinks, shore excursions, tips, the lot. Don't hang around through - they sell out fast.

Maybe onboard credit appeals more? It's basically free money you can use to treat yourself to a massage or two in the spa or a special excursion. A daytrip to see the Colosseum in Rome maybe, or the world-class Uffizi Gallery in Florence if you're in the Mediterranean. Heading to the Norwegian fjords? Then why not splash it on a free excursion on the Flam Railway, a tour to the Briksdal glacier in Olden or even kayaking in Geirangerfjord. That's the best thing about the credit. The choice is yours.

Rome, Italy

Let's face it, whether you are a millionaire or watching the budget, there is nothing like bagging something for nothing to make your holiday go with a swing. I was upgraded to first class on a flight to the US last summer and it felt so good. "I hope that's OK," the lady at the British Airways' check-in desk at Heathrow said. I thanked her and told her I would manage. And folks I really did.

And then there was summer 2021, when the hubbie and me were bumped up to an Edge Villa on *Celebrity Apex*. The villas, split over two floors, are 88 square metres of wow and come loaded with premium drinks packages, butlers and free access to all the ships' speciality restaurants (as do all the suites in the ship's Retreat area, by the way). Talk about a spoil.

There are some great Wave offers to be snapped up this year, but you need to be quick as many expire on February 28th. Cunard is giving away up to \$2,000 credit per cabin on loads of 2023 and 2024 sailings - including on the new *Queen Anne*. Over at Holland America Line, there are cabin upgrades and free fares for kids - and that's on top of HAL's usual Have it all perks, namely free drinks and Wi-Fi, complimentary dinner for two in a speciality restaurant and shore excursion credit.

Book with Celebrity and you'll get up to \$400 per cabin onboard credit and save 75% off the cost of a second person sharing the cabin or with Princess Cruises to secure discounts on 2023 or 2024 cruises from Southampton, in the Mediterranean, Alaska, Asia, Australia or the Americas with just a £50 per person deposit. Go for the Princess Plus fare and all your drinks, tips and Wi-Fi will be included, which is definitely worth having.

I reckon my canny cruising friend will be having a field day snapping up some of these offers, many of which you will find in this edition of Blue Horizons. Don't let her be the only one!

For the first time since 2019, *Aurora* will journey up the mightiest river on Planet Earth. Exclusively in the company of adults, marvel at this last great wilderness, the lungs of the planet, and the astounding wildlife found both above and below the water.

PARTIAL TRANSIT OF THE PANAMA CANAL

Undeniably, Panama's biggest attraction is the Panama Canal, a modern day wonder of the world. Constructed between 1903 and 1914, the canal's three locks allow 14,000 boats a year to cross a 48 mile body of water from the Pacific Ocean to the Atlantic. Its role in revolutionising maritime trade and the sheer feat of engineering skill makes the canal a fascinating place to sail through.

YOUR GRAND WORLD VOYAGE HIGHLIGHTS

THE GREAT BARRIER REEF

The jewel in Australia's crown, the Great Barrier Reef is blessed with the magnificent beauty of the world's largest coral reef. As one of the Seven Natural Wonders of the World, you'd expect great things from a visit here, and you can rest assured that you will not be disappointed!

HISTORIC HONOLULU

Capital of Hawaii, Honolulu is located on the island of Oahu, home to the famous Waikiki Beach with its calm waters, and overlooked by Mount Le'ahi. The most important historical point on Oahu is Pearl Harbor – where, on December 7th 1940, a surprise air attack by the Japanese threw the USA into World War II. It is still possible to see oil pooling on the surface of the harbour where the USS Arizona sank, and now rests with its 1000 lost souls.

SPARKLING SINGAPORE

Located at the tip of the Malay Peninsula, Singapore is a melting pot of culture, architecture and the arts. Modern skyscrapers sit alongside tropical rainforests, and there are reminders of its colonial past in buildings.

- Day 3 **Cruising the Inside Passage**
- Day 4 **Sitka, Alaska, USA**
Sitka truly offers the best of Alaska. Its small-town appeal stems from a unique blend of Russian, Tlingit and American history. Its snow-capped peaks and volcanic Mount Edgecumbe pose amongst the state's most postcard-worthy scenes
- Day 5 **Cruising Tracy Arm Fjord & Glacier Juneau, Alaska, USA**
Migrating whales, rivers of ice and super fresh seafood capture the hearts of its visitors, although Alaska's capital city also has a strong mining history. Once the sacred territory of the Auke and Taku tribes, Juneau was named after the gold prospector Joe Juneau. Nestled at the base of Mount Juneau, its rugged terrain means no roads join it to the rest of North America
- Day 6 **Haines, Alaska, USA**
- Day 7 **Ketchikan, Alaska, USA**
- Day 8 **Relaxing at Sea**
- Day 9 **Vancouver, Canada**
Disembark and transfer to a hotel to begin your overnight stay and begin your five night *Rocky Mountaineer Tour**
- Day 10 **Vancouver – Kamloops, Canada ★ Rocky Mountaineer ★**
Travel on board *Rocky Mountaineer* from the coastal city of Vancouver to Kamloops, in the heart of British Columbia's interior. On today's journey you will see dramatic changes

- in scenery, from the lush green fields of the Fraser Valley, through forests and winding river canyons surrounded by the peaks of the Coast and Cascade Mountains, to the desert-like environment of the BC interior. Highlights include the rushing waters of Hell's Gate in the Fraser Canyon and the steep slopes and rock sheds along the Thompson River. Your day concludes as *Rocky Mountaineer* travels along the shores of Kamloops Lake into Kamloops. Overnight in Kamloops (B, L)
- Day 11 **Kamloops – Lake Louise – Banff ★ Rocky Mountaineer ★**
Continue your journey east to the mighty Canadian Rockies and the province of Alberta. Travel across ranchlands, along rocky lakeshores, over high mountain passes and through the remarkable tunnels that form part of the rich rail history of the Canadian Rockies. Today's highlights include Craigellachie, where the last spike of the Canadian Pacific Railway was driven, the climb over Rogers Pass, Kicking Horse Canyon, the Spiral Tunnels and, of course, the glaciers and snow-capped peaks of the Canadian Rockies. Your rail journey ends this evening in the resort town of Banff. Overnight in Banff (B, L)
- Day 12 **Banff, Canada**
Spend the day exploring as you wish
- Day 13 **Banff – Calgary, Canada**
Today you will enjoy a full-day tour concluding in Calgary. Begin the morning with a sightseeing tour of Banff. Among the points of interest are Bow Falls, Surprise Corner and the Hoodoos. A stop is made at the Banff Gondola to ride to the summit of Sulphur Mountain for a breath-taking views. Overnight in Calgary

WITNESS THE FAMOUS CHERRY BLOSSOM SEASON

For a just a few weeks every year, Japan blooms into vibrant pink as the nation's cherry blossom trees (also known as sakura) flower, creating stunningly beautiful scenes across the country. Delight in the fleeting beauty of these delicate flowers that frame the historic temples and towns perfectly. From snow-capped Mount Fuji to the traditions that include Geisha girls and samurai warriors. This is a Japanese experience you will not want to miss out on.

UNCOVER TOKYO WITH A TWO NIGHT 4★ HOTEL STAY[†]

You'll never forget a visit to the sensory explosion that is Tokyo. Capital of Japan, this is a city where you'll find centuries-old culture jostling for a position next to cutting-edge technology – a fabulous blend of history and modernity that has to be seen to be believed. To get a feel for Tokyo's natural beauty, head to Yoyogi Park, where cherry blossoms are resplendent in spring. Close to the Yoyogi Park is the Meiji Jingu Shrine, established in 1920 and dedicated to Emperor Meiji who helped to open Japan up to the west. As impressive as anything else is its 40-foot gate, made of 1,500-year-old cypress. At the main shrine buildings, you may show respect by bowing twice, clapping your hands twice, making a wish then bowing once more. You may be lucky enough to catch a traditional Japanese wedding procession.

SCENIC ECLIPSE II'S GODMOTHER**

The new ultra-luxury Discovery Yacht, *Scenic Eclipse II*, names acclaimed NASA scientist Dr Kathy Sullivan as Godmother. The ship will be christened in June 2023. Anna Wolfsteiner Chief Sales & Marketing Officer, Scenic Group, said, "We are immensely proud to have Dr Kathy Sullivan as Godmother to *Scenic Eclipse II*. She truly is the living embodiment of what our yachts stand for - innovation, pushing the boundaries, making discoveries and revelling in the sense of adventure." "It's a high honour to be a ship's Godmother," said Dr Sullivan upon accepting the role. "I'm especially delighted to be Godmother to a vessel as well-designed for exploration and discovery as *Scenic Eclipse II*."

★East Coast Antarctica★
The east coast of Antarctica is a region that is travelled by very few, but loved by all who go. One of the least visited coastlines in the world, it is complete with dramatic windswept landscapes, legendary history and the excitement of wildlife sightings. Commonwealth Bay, known as 'home of the blizzard', will be one of our attempted landings. If conditions allow, you will have the opportunity to step back in time as you see the historic Mawson's Hut. Located west is Dumont D'Urville station, where you'll have the opportunity to spot emperor penguins. The conditions will dictate the course of each day with the team

making every attempt to have many landings and discovery excursions, including Zodiac cruising, kayaking, stand-up paddleboarding, as well as optional helicopter** and submarine** outings (B,L,D)
