GRAND AMBITIONS WITH AMBASSADOR CRUISE LINE

Ambassador Cruise Line has announced a second ship will join its fleet in summer 2023. *Ambition*, like *Ambience*, will offer no-fly sailings from London Tilbury and a number of other UK ports including Newcastle, Dundee, Belfast, Liverpool, Bristol and Falmouth. *Ambition's* full programme is being finalised and will be on sale from spring 2022, according to Ambassador Cruise Line.

Christian Verhounig, Ambassador Cruise Line CEO, said on the new ship, "We are particularly excited to be offering regional departure options for *Ambition* in 2023 whilst also offering guests who travel from London Tilbury a greater choice of sailings and ships on which to enjoy them. Clearly, we are all focused on the success of *Ambience's* maiden season which commences in April this year but we believe existing and new guests, as well as our trade partners, will be thrilled to hear about Ambassador's growth plans."

5★ SERVICE WITH ROL CRUISE

'EASIEST AND FRIENDLIEST WAY TO BOOK A CRUISE HOLIDAY'

When I talk to ROL, it is more like talking to a friend than a sales person. I have used them many times and it feels like we have a personal relationship.

They know what I want to do and always have all the information I need. I already recommend them to my friends and will continue to do so.

'TIP TOP TEAM!'

I always find the service at Team ROL to be excellent. Even when you have probably insignificant questions, (that are so important to you, as you've maybe spent a small fortune) they are patient, diligent and so pleasant. Going the extra mile is the norm, I have yet to be disappointed with their service and happily recommend this company to all interested in cruising.

INTRODUCING YOUR WORLD CRUISE...

This is more than a holiday. This is the ultimate travel experience. Your chance to explore the furthest reaches, unique cultures and world wonders you've always dreamed of. Stunning iconic coastlines, these destinations are gateways to unique sights and unforgettable experiences. Walk on golden sands, take a cultural journey through the ages, set your pulse racing in rolling countryside and listen to the heartfelt sounds of local musicians.

TIME STOPS ON A WORLD CRUISE

A world cruise gives you the opportunity to slow down, allowing you to absorb everything at your own pace and enjoy every precious moment. Only unpack once so you have ample time to yourself to do the things you don't usually have time to do; why not pamper yourself with a dip in the Jacuzzi or a rejuvenating spa treatment**.

EXPERIENCE UNFORGETTABLE PORTS OF CALL

This has to be the number one reason to take a world cruise. Think of all those places you've always wanted to visit and then imagine seeing them all in one journey. In just one journey you can visit 28 ports and enjoy five overnight stays on board ensuring you endure experiences that are unique to travelling by sea – from transiting the renowned Panama Canal and gliding right into the heart of Sydney, to discover ancient Hong Kong and transiting the Suez Canal.

ADVENTURE AWAITS ON ARCADIA

A perfect blend of classic and modern, *Arcadia* offers everything you need for bodily relaxation while feeding your mind with theatre, art and film. Exclusively for adults, *Arcadia* offers a wonderful blend of features tailored to relaxation. Step aboard your ship and you'll find you're spoilt for choice. In addition to an expansive spa, *Arcadia* houses an art gallery, a three-tiered theatre and a boutique cinema. Foodies will be spoilt for choice on cruises on *Arcadia* with Sindhu where you'll be treated to authentic Indian cuisine with a British twist, and Marco Pierre White's devilishly delicious Ocean Grill.

THE BENEFITS OF NO-FLY CRUISING

When it comes to luxury cruising, Saga believe that your experience should start as soon as you step outside your front door. It begins the moment your **FREE** Chauffeur picks you up at home, and continues as you step aboard one of their smaller, British ships into a world of first-class service, exceptional cuisine and beautiful surroundings. Take away the tiresome flights and the hassle of navigating the airport and relax as you're taken directly to your ship. Unpack only once and set your horizons towards discovery.

A BALCONY FOR EVERY GUEST

It's one of the most distinctive feature: every cabin has a balcony, including single cabins, giving you your own outside space. So whether you're cruising into the Gulf of Bothnia or discovering the flavours of the Western Mediterranean, you have your own place to relax, enjoy the views and fresh air, and watch the sun set as you head to another incredible destination.

ON BOARD LUXURIES AND SERVICE

Once you're on board, you can enjoy Saga's boutique service. Such as not having to carry your bags, and the invitation to

THE 6★ ALL-INCLUSIVE JAPAN IN THE SPRINGTIME DOUBLE UPGRADE SALE

Each year Japan transforms into a pink Arcadia as cherry trees are awash with their seasonal bloom. This natural marvel is so well followed in Japan, it even makes the daily weather report.

Very few realise that Japan is an archipelago of 6,852 islands, of which only 430 are inhabited. Japan's southernmost islands are subtropical, and here cherry blossoms can open from as early as January whereas further north, this can be as late as May. All the while people gather under the blossoms for food, drink, songs and company to celebrate Hanami, a long-standing tradition of welcoming spring.

Your Galápagos Wildlife Watchlist...

Access to the Experts

On this sailing you will be accompanied by highly qualified naturalist guides, who will share with you their deep knowledge of the Galápagos archipelago. Together, you will explore each island, trekking over black lava rocks where marine iguanas sun themselves, to see Galápagos tortoises, sea turtles and the iconic blue-footed Boobies.

MARINE IGUANA

Found only in the Galápagos Islands, the iconic Marine Iguanas are distinguishable by the white "wigs" of salt expelled from glands near their noses. They look fierce, but are actually gentle herbivores, surviving exclusively on underwater algae and seaweed. Their short snouts and razorsharp teeth help them scrape algae off rocks.

GALÁPAGOS SEA LION

The cute Galápagos Sea Lion is the most abundant marine mammal in the archipelago and is often seen sleeping on the beaches or swimming close to shore. Their streamlined bodies make them very efficient swimmers and hunters, especially of sardines. If you're lucky, you may get the chance to witness young pups chasing each other along the sand.

SALLY LIGHTFOOT CRAB

The brightly coloured Sally Lightfoot crab is a common sight along the shores and beaches of most of the Galápagos Islands. They are rumoured to have been named after a Caribbean dancer, due to their extreme agility, jumping from rock to rock. They're striking colours make for a stunning appearance too.

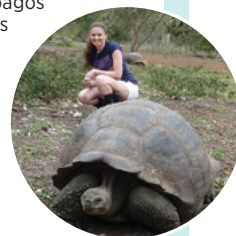

GALÁPAGOS PENGUIN

The Galápagos penguin is one of the smallest penguins in the world and is endemic to the Galápagos Islands. It is the most northerly occurring penguin species, nesting entirely in the tropics.

Gemma, Head of Commercial at ROL Cruise, experienced the wonders of the Galápagos first hand...

"Experiencing the Galápagos on a Celebrity cruise was without a doubt a once-in-a-lifetime experience and one I will look back on with fond memories for the rest of my life. When you set foot on the lava rock of the Galápagos you feel like you've entered another world! It's amazing how fearless the wildlife is, you have to be careful where you step in case there is an iguana underfoot, they really get that close. The guides from Celebrity Cruises are so knowledgeable and passionate about the islands, you could listen to their stories all day! This truly is a destination to be ticked off your bucket list."
