But wait, there's more. You'll also take a ride in a felucca – a traditional Egyptian sailboat – and enjoy afternoon tea at a famous hotel depicted in Agatha Christie's novel 'Death on the Nile'. After dinner on board this evening, you'll be treated to an enchanting Nubian show featuring traditionally attired performers, live music and dancing (B, L, D)

YOUR WILDLIFE WATCHLIST:

17 NIGHTS DEPARTING 23RD JUNE, 8TH & 23RD JULY 2022

- Day 1 Fly from London to Reykjavik, Iceland.** Upon arrival, transfer to a 4★ hotel for your two night stay†
- Day 2 Reykjavik, Iceland** Reykjavik is the northernmost capital city in the world. The name means 'Smokey Bay', so called because of the columns of steam that rise from the many hot springs in the area. It is well worth exploring the surrounding geysers, mountains, glaciers and geothermal baths
- Day 3 Reykjavik, Iceland** After breakfast, transfer to the port and embark *MS Fridtjof Nansen* for your 15 night voyage through the Heart of Greenland
- Day 4 - Crossing the Denmark Strait**
- Day 5** Leave Iceland behind and sail across the Irminger Sea. This is the same crossing that was used by the Vikings to migrate from Iceland to Greenland some 1,000 years ago. Enjoy introductory lectures on local history and biology for insights into the upcoming destinations
- Day 6 Qaqortoq, Greenland** Many consider Qaqortoq one of the most beautiful towns in Greenland for its colourful houses and photogenic setting. It is the biggest town in South Greenland, with some 3,000 inhabitants, but still easy to explore on foot. You can also join an excursion* to get even more insight into local culture
- Day 7 Kvanefjord, Greenland** Discover the beautiful region of Paamiut by sailing deep into Kvanefjord. Your experienced captain and Expedition Leader will take advantage of the current weather and ice conditions to identify suitable activities for the day. This could be a hike ashore for a scenic view of the area, or possibly small-boat cruising or kayaking
- Day 8 Maniitsoq, Greenland** Maniitsoq was founded in 1755 and its name means 'The Uneven Place', referring to the rocky hills and mountains shaping the layout of the town. It is also known as the 'Venice of Greenland' as it is situated in an archipelago, intersected by natural canals. The local museum charts the town's rich history and culture
- Day 9 Sisimiut, Greenland** Sisimiut is situated 40km north of the Arctic Circle and is a modern settlement that maintains ancient traditions. Come ashore to explore the colourful town; visit the small museum, hike in the hills and shop for local handicrafts
- Mon 12 - Sail across the Labrador Sea**
- Tue 13** Cross the southern part of the Labrador Sea, this time towards Newfoundland and Labrador in Canada
- Day 10 Ilulissat, Greenland** Ilulissat is set in the stunning scenery of the Ilulissat Icefjord, a UNESCO World Heritage Site. Just outside the town, at the mouth of the fjord, you can often see enormous icebergs that have run aground. They originate from the Jakobshavn Glacier, one of the most productive glaciers in the Northern Hemisphere. The icebergs make their way down the 20km fjord before entering Disko Bay
- Day 11 Vaigat Sound** Arrive at the northernmost point in your itinerary. There are several excellent landing sites in Vaigat Sound offering breathtaking landscape and Arctic flora
- Day 12 Evighed Fjord** On one side of the meandering Evighed Fjord is an ice cap that often crashes massive chunks of ice into the water. Find yourself surrounded by the highest mountains in West Greenland with peaks, up to 2,000 m (6,600 ft.) in height, sometimes swirling with mist
- Day 13 Nuuk, Greenland** Nuuk is situated at the mouth of one of the most spectacular fjord systems in the world. The capital city is where old and new traditions meet, from historic buildings in 'Kolonihavnen' to the modern Centre for Greenland Self Rule. Another feature is the National Museum - home to the famous mummies of Qilakitsoq
- Day 14 Ivittuut, Greenland** According to archaeologists, Vikings settled in this area more than a thousand years ago but didn't remain. Ivittuut is believed to be the last Norse settlement in Greenland, but first to be abandoned. Nowadays, the only inhabitants that might appear in the town are wandering muskoxen
- Day 15 Prins Christian Sund** This long fjord is surrounded by mountains. Many glaciers go straight into its waters where they calve icebergs of all shapes, shades, and sizes. If the channel is blocked with ice, you will sail around Nunap Isua (Cape Farewell) instead
- Day 16 - Cruising the Irminger Sea**
- Day 17** After exploring exhilarating Greenland, set course back to Iceland. Spend the days at sea recapping your experiences, having fun in the Science Center or just relaxing on deck, looking at the sea birds which follow the ship or maybe even spotting whales
- Day 18 Reykjavik, Iceland** Disembark and transfer to the airport for your flight to **London***

Itinerary is based on 23rd June 2022 departure and may vary on other dates. Please note - weather, wind and ice conditions have a great influence on the itinerary and the ship's Captain will decide the final sailing schedule. Therefore, the itinerary is subject to change

From Australasia and the Far East, to Antarctica and the Canary Islands, our world has plenty of rich offerings, many of which can be discovered on a cruise. With the New Year ahead of us and 2020 firmly in the past, why not break from tradition and cruise somewhere you have never been before?

2. Cruise with a cruise line you've never tried before...

With an abundance of fantastic cruise lines to choose from, broadening your horizons to holiday with more than one will open doors to a variety of unforgettable experiences. From experiencing everything that expedition leaders *Hurtigruten* have to offer to enjoying an all-inclusive luxury river cruise with *Scenic* and journeying far and wide with traditional *Cunard*, the possibilities are endless.
