# Embark On An Incredible Journey With ROL Cruise

Look no further than ROL Cruise, the UK's No.1 Independent Cruise Specialist, for incredible Solo Traveller Cruise Holidays.

Cruising and solo travellers could have been made for each other. Holiday with individuals who also share a passion for travel, whom you can discover exciting new destinations with. You'll be amongst other like-minded travellers on each voyage you book, so you can share your new experiences. Your travel arrangements are handled by the experts here at ROL Cruise, so once on board, relax knowing you are in a safe environment, and secure in the knowledge that the attentive crew will be around to look after your every wish. Travelling solo has become a much-desired holiday experience, with the number of solo traveller bookings increasing year by year.

## Why choose to cruise solo?

Travelling with friends and family is great, but there's nothing quite like holidaying solo. An element of compromise is inevitable when you travel in a group, whereas solo cruises give you the freedom to choose what's best for you. This newfound freedom will likely make you feel liberated to try new things you wouldn't usually feel able to.

With a cruise, there's no switching hotels or arranging transfers to and from cities to worry about - the ship takes you where you need to go, when you need to be there. There's plenty of dining options available to you - no matter when you're feeling peckish and the excursions have been designed to ensure you see the very best of each destination.

All that's left for you to think about is simply relaxing and having a good time.

## Our Top 5 reasons why Solo Cruises are the perfect way to travel:

1. You'll never be on your own – unless you want to be
2. You're in good company
3. There's plenty of choice of accommodation
4. Friendly, attentive crews
5. Make new friends
