For the last three months, we have been donating £25 for every booking made to the NHS Charities National campaign, in our commitment to raise over £100,000 to show our support and appreciation to the amazing NHS who are working tirelessly to save lives.

CRUISE WITH CONFIDENCE

As we begin to return to travel, many cruise lines and travel partners are working hard to establish new and elevated health and safety procedures and protocols in line with Cruise Lines International Association (CLIA) recommendations. Your safety and wellbeing are always the cruise lines' first priority and they want to ensure that you can travel without worry and stay safe throughout your holiday. Cruise lines already have medical facilities and doctors on board ships, they already do pre-screening, and are already used to cleaning and sanitisation, but we are all adjusting to a new way of travel.

One of the great things about the cruise industry is its ability to adapt, and, in taking advice from public health authorities, cruise lines are implementing ways in which they can keep you safe at sea.

Over £100,000 raised in our commitment to support the NHS!

Seeing the profound impact the Covid-19 crisis was having on our health service, we wanted to approach the current global situation in a forward-thinking and proactive way. NHS staff and volunteers are doing amazing work right now in caring for Covid-19 patients and we here at ROL Cruise wanted to do our bit to show support too - during these times it gives us all as individuals, groups and organisations the chance to show we care and to make a difference. So, for the last three months, we have been donating £25 for every booking made to the NHS Charities National campaign, in our commitment to raise over £100,000 to show our support and appreciation to the amazing NHS who are working tirelessly to save lives.

We are delighted to announce that we have reached our target and have raised over £100,000!

Left to right: Lisa Andrew, Deputy Chief Officer, Community Voluntary Services Tendring; Rachel Hunt, Paramedic for the East of England Ambulance Service NHS Trust; Sarah Wikevand, MD ROL Cruise; Pam Green, Chief Operating Officer, North East Essex Clinical Commissioning Group; Dr Karen Chumbley, Clinical Director, St Helena Hospice; John Schultz Wendy Russell; Emma Strivens, Associate Director at Essex Partnership University NHS Foundation Trust; Kay Hamilton, Deputy Chief Nurse, East Suffolk and North Essex NHS Foundation Trust; Jill Jostlin, Driver, Community 360; Martin Joslin, Driver, Community 360; Susannah Howard, Programme Director, Suffolk and North East Essex Integrated Care System

THANK YOU

This donation will make a significant difference to a wide range of NHS partners across North East Essex and Suffolk who have worked closely in partnership to care for people living with Covid-19. This includes Colchester Hospital, Clacton and Harwich Community Hospitals, District Nursing and therapy services, Mental Health services, the Voluntary sector, St. Helena Hospice, GPs and primary care, Care Homes and the Ambulance Service.

Dr Ed Garratt, the Chief Executive of the clinical commissioning groups across Suffolk and North East Essex, described the generosity as a 'wonderful show of support' to the local system. He added: "This is a huge donation and we are all extremely grateful to ROL Cruise, its staff and its customers. This will strongly recognise all of our colleagues who have worked tirelessly to respond to this outbreak not just in the NHS, but also in care home settings and voluntary sector partners. The kind generosity will help us as a system to support the recovery process to help ensure the people we serve are able to access the care and support they need."

Nick Hulme, Chief Executive at Colchester and Ipswich Hospitals said "Colchester Hospital is only one part of the local health and care system in North East Essex. I am particularly pleased that this donation recognises the contribution that all local services continue to make to the health and wellbeing of our local communities."

Susannah Howard, Programme Director for the Suffolk and North East Essex Integrated Care System commented, "The quality of collaboration between partners in the North East Essex Alliance has been exceptional over

recent months. I am pleased that this donation will help the Alliance to build on their work during the pandemic to the benefit of local patients, staff and communities."

Cllr John Spence, Essex County Council Cabinet Member for Health and Adult Social Care, said: "Caring is carried out with love, compassion, and good neighbourliness which can often be unrecognised by the community. With this kind donation the staff of ROL Cruise have demonstrated to all carers in Essex that their efforts are valued and visible. The generosity of Essex businesses through this crisis on a range of issues has been striking and is deeply appreciated."

Sarah Wikevand, Managing Director, ROL Cruise added, "We are so proud to have been able to raise over £100,000 for the NHS and care partnerships, and are delighted to hear the difference it will make across such a wide spectrum of services that are supporting people living with the impact of Covid 19.

The NHS staff and volunteers are doing such amazing work in caring for Covid-19 patients and their families and we are very thankful that we have been able to show our support. I would also like to extend our thanks to our cruising customers whose support has enabled us to reach the fundraising target so quickly."

A presentation of the cheque was made at the ROL Cruise offices in Lexden, where Managing Director Sarah Wikevand presented the cheque to senior representatives from across the NHS.

“

We've all been humbled by the extraordinary, heroic work of NHS staff up and down the country. They are working tirelessly, selflessly, and courageously to save as many lives as they can, all too often at the cost of their own lives. As an Ambassador for ROL Cruise, I'm proud of the initiative they have launched to raise £100,000 to support NHS workers. And I'm sure that everyone who books a holiday will be delighted to know that £25 will go to this hugely worthwhile cause. I hope you agree with me that it's gratifying to know that, even in this these difficult times for the industry, ROL Cruise is prepared to dig deep and make a material difference to NHS staff.

8 MAIN ISLANDS | 4 NATIONAL PARKS | 2 UNESCO WORLD HERITAGE SITES | 2 BIOSPHERE RESERVES

There are seven main islands offering a plethora of sandy beaches, many of which are golden, but some have black sand ground from the dark, volcanic obsidian. The smaller westerly slopes, which are ideal for walking, are awash with wildflowers and cloud forests influenced by the Atlantic Gulf Stream. While the easterly islands are more barren but still impressive.

IN CELEBRATION OF CUNARD'S 180TH ANNIVERSARY

With a fascinating history dating back 180 years, Cunard's sea-faring expertise and destination knowledge is incomparable. Their fleet of magnificent ships is manned by the most professional crews at sea today, and when you sail into a destination you can be assured of the highest level of local knowledge to enhance your time ashore.

Cunard measures its age not from signatures on a piece of paper, but from the first day on which it had a ship loaded and ready to sail. The day was 4th July 1840, 180 years ago this year. The ship was the 1,100 ton *Britannia*, the first of an initial fleet of four, which set out from Liverpool bound for Halifax and Boston – and so inaugurating the

first scheduled transatlantic steamship service.

From those small beginnings, primarily to carry the Royal Mail, Cunard blossomed into one of the most famous and respected brand names in the world. In its 180 years the company has owned and operated some 250 ships, the bulk of them built on the Clyde, England and which includes some of the truly iconic liners of the past – *Mauretania*, *Queen Mary*, *Queen Elizabeth* and *QE2* among them.

That enviable tradition continues with today's famous fleet of *Queen Mary 2*, *Queen Elizabeth* and *Queen Victoria*, recognised the world over.

SAN FRANCISCO, USA

Sitting between the Pacific Ocean and the Sierra Nevada mountains, laid-back San Francisco is "The City by the Bay" and is home to an eclectic mix of cultures and the world-famous Golden Gate Bridge.

Enjoy the superb bay views, cross the steep rolling hills by tram, explore eerie Alcatraz and visit the Museum of Modern Art. **We recommend** heading for the celebrated vineyards of Napa Valley, America's most well known wine making region on an excursion*.

BAY OF ISLANDS, NEW ZEALAND

North of Auckland, along the narrow Northland peninsula, lies a shady 'cathedral' of some of the world's largest trees. These hulking specimens stand up to 170 feet tall, and are over 1,200 years old. The captivating Bay of Islands shelters 150 islands and enchanting wetlands of birdlife, fish, seals, dolphins, and even whales. No wonder it's one of New Zealand's favourite destinations. **We recommend** the Maori Canoe Experience*, an excursion which invites you to immerse yourself in Maori culture whilst paddling a traditional canoe through beautiful scenery.

CAPE TOWN, SOUTH AFRICA

Cape Town isn't just one of the most beautiful cities in the world – it's also circled by magnificent beaches, rugged mountains and idyllic vineyards. **We recommend** taking a cable car trip up Table Mountain, visiting Robben Island to view 130 different bird species including the 3rd largest colony of African Penguins, or enjoying a wine-tasting session in a privately-owned wine estate in Stellenbosch.

SYDNEY, AUSTRALIA

As the ship glides towards the port, the view of the Sydney cityscape in the distance is enough to take your breath away. Attracting visitors with its iconic harbour, glorious beaches and the stunning Blue Mountains to the west, Sydney hosts nearly half of all international visits to Australia. An overnight stay on board gives you ample opportunity to explore, **we recommend** a guided Sydney Harbour Bridge Evening Climb* for once-in-a-lifetime views of Sydney Harbour against the evening skies.

YOUR CUNARD GRAND WORLD VOYAGE EXPERIENCE

The iconic ships of Cunard have been defining sophisticated ocean travel for over a century. Cunard Line has undertaken more world voyages and sent more ships around the globe than any other shipping line, making them the true experts in World Voyages. For 2022 and lasting 108 nights, Cunard's iconic, *Queen Victoria*, takes you on an unforgettable Western Circumnavigation beginning with an Atlantic crossing to Florida via Bermuda, followed by a transit of the world-renowned Panama Canal. *Queen Victoria* will then cross the Pacific via Hawaii and Samoa to New Zealand. From there she will take in Sydney, Australia's Gold Coast and Great Barrier Reef before travelling to Hong Kong via Papua New Guinea and the Philippines. Following the visit to Asia, *Queen Victoria* will return to Southampton via Singapore, the Indian Ocean and South Africa. The magic of travelling between the world's most iconic destinations on board one of the world's most luxurious ships simply cannot be matched. It's a lifestyle choice that offers the opportunity to explore everything from bustling metropolises to remote villages, over the course of more than three months, all from the comfort of your ship.

THE ICONIC QUEEN VICTORIA

The newest luxury liner, named in 2010 by Her Majesty the Queen recalls the rich heritage of the first Cunarder to bear the name. Recently, she underwent a refit and you are invited to immerse yourself in endless entertainment, luxurious accommodation and an array of dining choices. Her Art Deco features and gleaming chandeliers blend with contemporary attractions to ensure a remarkable holiday.

SAIL WITH CONFIDENCE

HIGH KNOWLEDGE

Every crew member undergoes a health check and have completed WHO's official COVID-19 course for hygiene procedures and infection management. Before embarkation, you will be required to hand in a health questionnaire which ensures the safety of you, your fellow passengers and Hurtigruten's crew.

SAFETY ASHORE

Hurtigruten will regulate the number of people who disembark and board the ship at the same time so as to avoid overcrowding. Sanitising dispensers will be placed at the entrance to the ship and in other strategic locations for your use, plus Hurtigruten will collaborate closely with local suppliers to offer an exciting programme of shore excursions, implementing heightened cleaning and hygiene procedures according to national guidelines.

CLEANING

Hurtigruten have strict cleaning practices on board that have proven themselves effective time and again over decades of safe sailing. Each ship will have a new team dedicated to ensuring communal areas are continually cleaned and disinfected, plus there will be appropriate markings on board to help you keep a safe distance from others whenever queuing on board.

FOOD SERVICE

In Hurtigruten's roomy restaurants, more seating sessions will be added so that there will be fewer people having their meals there at any time. Instead of self-service buffets, their chefs will serve food directly to your plate. The kitchen will uphold its usual high standards of hygiene and quality.

- Day 1** Fly from London to Tokyo, Japan[‡]
- Day 2** Tokyo, Japan
Upon arrival, transfer to a 4★ hotel[‡] for your two night stay
- Day 3** Tokyo, Japan
You'll never forget a visit to the sensory explosion that is Tokyo. Capital of Japan, this is a city where you'll find centuries-old culture jostling for position next to cutting-edge technology – a fabulous blend of history and modernity that has to be seen to be believed. Many cities can say they're bustling, but few boast a pulsating traffic intersection that's become a tourist attraction all of its own. To get a feel for Tokyo's natural beauty, head to Yoyogi Park, where cherry blossoms are resplendent in spring. City life slows down just a touch in this former Olympic village, which also served as a military parade ground and barracks for American soldiers after the Second World War. Modern Tokyo can be deftly explored at the Roppongi Hills complex. Drink in breathtaking panoramic vistas at the 52nd floor Tokyo City View, then peruse the exhibits at the Mori Art Museum. Indulge in traditional sushi and sake at one of the complex's many restaurants, or sit back and watch the world go by in the Japanese landscape garden
- Day 4** Tokyo, Japan
Transfer to Yokohama Port and embark *Celebrity Solstice*[®] for your 14 night voyage of Japan in Springtime

- Day 5** Mt. Fuji (from Shimizu), Japan
On clear days, Mount Fuji (Fuji-san in Japanese) is visible from as far as Tokyo, 60 miles away. When Japan's highest mountain is capped with snow, it's a picture-postcard perfect volcanic cone. One of the best-known symbols of Japan, this iconic mountain has been considered sacred since ancient times and was even forbidden to women until the early 1900s
- Day 6** Kobe (for Kyoto/Osaka), Japan (depart late night)
Visit Osaka Aquarium, one of the world's largest aquariums which has over 580 species of sea life on display, or Universal Studios Japan, the company's first theme park outside of the U.S. Kyoto served as the nation's capital for more than 1,000 years, and is home to 17 different World Heritage Sites, including Kiyomizudera Temple and Heian Jingu Shrine
- Day 8** Kochi, Japan
- Day 9** Hiroshima, Japan
- Day 11** Nagasaki, Japan
Historically rich Nagasaki features beautiful seaside scenery and fabulous nighttime views from its mountain slopes. Secluded hot springs, fascinating museums, and ornate temples live side-by-side in this exciting city. Ten natural parks grace the area,

UNCOVER TOKYO WITH A TWO NIGHT HOTEL STAY®

You'll never forget a visit to the sensory explosion that is Tokyo. Capital of Japan, this is a city where you'll find centuries-old culture jostling for a position next to cutting-edge technology – a fabulous blend of history and modernity that has to be seen to be believed.

To get a feel for Tokyo's natural beauty, head to Yoyogi Park, where cherry blossoms are resplendent in spring. Close to the Yoyogi Park is the Meiji Jingu Shrine, established in 1920 and dedicated to Emperor Meiji who helped to open Japan up to the west. As impressive as anything else is its 40-foot gate, made of 1,500-year-old cypress. At the main shrine buildings, you may show respect by bowing twice, clapping your hands twice, making a wish then bowing once more. You may be lucky enough to catch a traditional Japanese wedding procession.

Geishas in Tokyo

★ YOUR SEVEN NIGHT BORNEO LAND TOUR* HIGHLIGHTS ★

FULL DAY TOUR OF KOTA KINABALU

Kota Kinabalu, the glistening jewel of Malaysia, is a dynamic, multicultural city whose exuberance will delight you. During your full day tour, you'll begin by visiting Yayasan Sahah (Sabah Foundation) building, one of the few buildings in the world to utilize a single column structure. Head to Phu Tho Se Chinese Temple, the Sabah State Mosque (one of the most outstanding pieces of architecture in Sabah) and the Sabah Museum, home to fine exhibits that chronicle Sabah's fascinating historical past and rich cultural heritage.

SEPILOK ORANGUTAN SANCTUARY

During your time in Borneo, you will have the incredible opportunity to visit the renowned

Sepilok Orangutan Sanctuary, a rehabilitation centre that strives to reintroduce captive orangutans back into the wild. Here, you'll be able to observe orangutans at their feeding stations in the rainforest and, if the nursery is open, witness baby orangutans playing amongst themselves. We promise, this is a very special moment that you will cherish forever.

MANGROVE FORESTS

From Sandakan, embark on a boat cruise up the Lower Kinabatangan River, passing pristine mangrove forests in search of wildlife. These watery forests are unlike the forests we know and are a haven for all manner of strange and beautiful creatures. Look out for the Proboscis Monkey with its unusually long nose, that can only be found in the rainforests of

Borneo, or keep your eyes peeled of an array of colourful species of bird, including the Bornean bristlehead, Rhinoceros hornbill, woodpeckers and much more.

BORNEAN SUN BEAR CONSERVATION CENTRE

Visit the Bornean Sun Bear Conservation Centre, where over 30 sun bears live in the bear house and outdoor enclosures. The centre rescues captured sun bears and is involved in the conversation, welfare rehabilitation and education of sun bears. Sun bears are one of the most recognisable species who inhabit the rainforests of Borneo, and you'll get the special opportunity to see the incredible work that the centre puts into the welfare of the species.
