## INTRODUCING *MS MAUD*

*MS Maud* is designed to take you on a cruise in maximum comfort, equipped for a sustainable and memorable expedition. *MS Maud* will showcase natural Scandinavian materials such as granite, oak, birch and wool with all public areas redesigned to create a relaxed and stylish look and feel, and add to the premium on board experience. A specially designed Expedition Launch – the tender pit area where guests embark on their excursions and off-ship adventures – will be added, complete with tender boats and other expedition equipment. Plus, enjoy Hurtigruten's Science Center, packed with state of the art technology and high tech gadgets. Mingle with guests and crew and create a deeper understanding for the areas you explore.

## SAIL WITH CONFIDENCE

### HIGH KNOWLEDGE

Every crew member undergoes a health check and have completed WHO's official COVID-19 course for hygiene procedures and infection management. Before

embarkation, you will be required to hand in a health questionnaire which ensures the safety of you, your fellow passengers and Hurtigruten's crew.

### SAFETY ASHORE

Hurtigruten will regulate the number of people who disembark and board the ship at the same time so as to avoid overcrowding.

Sanitising dispensers will be placed at the entrance to the ship and in other strategic locations for your use, plus Hurtigruten will collaborate closely with local suppliers to offer an exciting programme of shore excursions, implementing heightened cleaning and hygiene procedures according to national guidelines.

### CLEANING

Hurtigruten have strict cleaning practices on board that have proven themselves effective time and again over decades of safe sailing. Each ship will have a new team dedicated to ensuring communal areas are continually cleaned and disinfected, plus there will be appropriate markings on board to help you keep a safe distance from others whenever queuing on board.

### FOOD SERVICE

In Hurtigruten's roomy restaurants, more seating sessions will be added so that there will be fewer people having their meals there at any time. Instead of self-service buffets, their chefs will serve food directly to your plate. The kitchen will uphold its usual high standards of hygiene and quality.

## THE FUTURE IS GREEN

Hurtigruten have made history by becoming the world's first cruise line to remove all single-use plastics from their ships. In the hope that other cruise lines will follow suit, Hurtigruten, who sail to some of the world's most remote, pristine and delicate environments, have made their announcement at a time when concern for rising plastic in the oceans is at an all time high. To ensure they are operating with the smallest footprint possible, Hurtigruten have removed plastic straws, coffee lids and plastic bags on all of their 14 ships, even single-use butter packaging! Plus, Hurtigruten is

permanently introducing biodiesel as fuel on a number of ships – including *MS Maud*.

Biodiesel reduces (CO2) emissions with up to 80%~ (compared to regular marine diesel). Hurtigruten's environmentally certified biodiesel is produced from waste from industries such as fisheries and agriculture – which means no palm oil is used in the biofuel production and no negative effects on rainforests. Hurtigruten will use biodiesel in combination with other low emission fuel to cut emissions to zero when docked in ports with shore power facilities.

\*Compared to marine diesel. †Grade has limited / no views. Please note cabins can be based on fixed double or twin bed configuration. Booking conditions of Hurtigruten (ATOL V7545) Reader Offers Limited Agency terms of business apply. Please see back page for full terms and conditions.

## THE MAIDEN LAND OF THE MIDNIGHT SUN VOYAGE

AMY JOHNSON'S  
MAIDEN VOYAGE

16 NIGHTS DEPARTING 22<sup>ND</sup> JULY 2021

### JULY 2021

- Thu 22 **Embark the new flagship *Amy Johnson* and depart London Tilbury for your 16 night maiden season voyage**
- Sat 24 **Bergen, Norway** (depart early pm)  
Known as the 'Gateway to the Fjords', Bergen is Norway's second largest city. Yet with a population of less than a quarter of a million, it has the feel of a small town. It is beautifully sited against a backdrop of seven mountains and the funicular ride to the summit of Mount Fløien affords wonderful panoramic views of Bergen and Norway's attractive coastline. Overlooking the harbour the colourful Bryggen wharf is the face of Bergen. The characteristic wooden gabled buildings were once the home and offices of Hanseatic merchants but today house shops selling crafts and traditional souvenirs
- Sun 25 **Trondheim, Norway** (arrive early pm)
- Tue 27 **Narvik, Norway** (depart early pm)
- Wed 28 **Tromsø, Norway** (arrive early pm)  
Not surprisingly for a city that lies almost 220 miles north of the Arctic Circle many of Tromsø's landmarks lay claim to the world's 'northernmost' titles. The 'Capital of the Arctic' is home to the world's northernmost university, cathedral, botanic garden and brewery. A cable car runs to the summit of Mount Storsteinen from where there are wonderful views of the lively and beautiful city built on two islands and the mainland, which are linked by both tunnels and bridges
- Fri 30 **Longyearbyen, Svalbard** (depart late night)

### AUGUST 2021

- Sun 1 **Honningsvåg (for optional tours to North Cape\*), Norway** (arrive early pm - depart early am 2<sup>nd</sup>)  
Honningsvåg is the starting point of excursions\* to the dramatic North Cape where from a high plateau the monumental 307-metre high cliff plunges into the Atlantic. From here only endless ocean lies between the northernmost point of Europe and the North Pole
- Wed 4 **Kristiansund, Norway** (depart early pm)
- Thu 5 **Rosendal, Norway**
- Sat 7 **Arrive in London Tilbury**

Dates not mentioned are spent relaxing at sea

36 NIGHTS DEPARTING 10<sup>TH</sup> NOVEMBER 2021

### NOVEMBER 2021

- Wed 10 **Embark the new flagship *Amy Johnson* and depart London Tilbury for your 36 night maiden season voyage**
- Thu 11 **Rotterdam, Netherlands**
- Sun 14 **Vigo (for optional tours to Santiago de Compostela\*), Spain**

- Sun 28 **Basseterre, St. Kitts**
- Mon 29 **Roseau, Dominica** (depart late night)
- Tue 30 **Castries, St. Lucia**  
The mountainous island of St. Lucia with its distinctive Pitons provides a splendid backdrop to the thriving capital, Castries. Enjoy the vibrant Creole atmosphere and hustle and bustle of this colourful town or venture further afield to explore this most scenic of Caribbean Islands

### DECEMBER 2021

- Wed 1 **St. George's, Grenada** (depart late night)
- Thu 2 **Scarborough, Tobago**  
Known as 'Robinson Crusoe' island, beautiful Tobago is a tranquil destination with calm waters, fine beaches and amazing wildlife. You can sample Caribbean cooking at its best in Tobago: cream of crab is an aristocrat among soups; red snapper, scallops, swordfish or kingfish could be the 'catch of the day' but try the speciality dish, a succulent stew of pork and beef known as pepper pot
- Fri 3 **Mayreau, St. Vincent**  
Mayreau, a privately-owned island in the Grenadines, is possibly the nearest you will get to paradise. Enjoy a barbeque on the smallest of all the Grenadine islands, home to just 300 inhabitants who all work hard to preserve the natural beauty of their island
- Sat 4 **Bridgetown, Barbados**  
The capital of Barbados, and UNESCO World Heritage site, Bridgetown has a distinctly British atmosphere - you'll even find a Trafalgar Square with a statue of Nelson. Barbados typifies our idea of a classic West Indian island like no other. The island has a beautiful interior dotted with gardens and English country churches, and is rimmed with wonderful beaches
- Fri 10 **Horta, Azores** (arrive early pm)
- Sat 11 **Ponta Delgada, Azores**
- Thu 16 **Arrive in London Tilbury**

Dates not mentioned are spent relaxing at sea

# CUNARD'S FAMOUS

## *Afternoon Tea Scones*

In celebration of Cunard's 180<sup>th</sup> Anniversary we thought we'd share Cunard's iconic Afternoon Tea Scones recipe for you to try at home...

The concept of Afternoon Tea was introduced by Anna, Duchess of Bedford, who in 1840 required a little sustenance to bridge the gap between lunch and dinner. She requested that a tray of bread and butter, sweetmeats and a pot of tea be brought to her room in the late afternoon. Soon friends began to join her, and before long Afternoon Tea became a daily occasion in fashionable society.

A signature Cunard experience, Traditional Afternoon Tea is served daily in the on board. Cunard's ships provide a perfect environment to enjoy the ritual of Afternoon Tea while on holiday - amid the beautiful surroundings of the Queens Room, impeccable white-gloved service, and the melodic strains of a string trio or tinkling piano.

While the traditional elements are all present and correct, unique finishing touches and innovations ensure that Cunard's Afternoon Tea stands out from the teatime crowd. The Cunard Macaron, for instance, is red and black to match Cunard's aesthetic, whilst a specially made branding iron finishes the top of each handmade scone with the ship's logo. As well as the Traditional Afternoon Tea, Cunard guests can also enjoy a Champagne Afternoon Tea, The Lions Share - a hearty Afternoon Tea in the Golden Lion pub, or a Godiva Chocolate Afternoon Tea. This extraordinary afternoon tea on *Queen Mary 2* includes a range of delicious Godiva treats including two Godiva signature cakes and Godiva white chocolate Key Lime scones, yum!

RECREATE THE QUINTESSENTIALLY BRITISH AFTERNOON TEA EXPERIENCE AT HOME WITH THIS DELICIOUS SCONE RECIPE FROM CUNARD'S EXECUTIVE CHEF, NICK OLDROYD.

#### Ingredients for 12 scones

- 500g plain flour
- 25g baking powder
- 125g diced butter
- 75g caster sugar
- 4 eggs
- 125ml whole milk
- 60g sultanas

#### Method

1. Take the flour, baking powder, butter and sugar to breadcrumb stage by either rubbing or using a paddle on a mixer.
2. Add the sultanas and mix again.
3. Add three of the eggs and the milk, then mix well.

4. Pat down on a lightly floured surface until smooth and leave to rest for five minutes.

5. Roll out to 2cm thick, turning after each push to even the tension in the dough.

6. Cut the scone mix out and place onto a paper lined tray.

7. Using the final egg, egg wash with the yolk and rest for a further 10 minutes.

8. Bake at 180°C for approximately twelve minutes.

9. Serve with your choice of jam & clotted cream.

## SAIL ABOARD THE NEWEST SHIP IN THE FLEET – SEVEN SEAS SPLENDOR™ LUXURY PERFECTED

At every turn, *Seven Seas Splendor™* exudes excellence, comfort and grace; the perfect way to arrive at places you've always dreamed of exploring. Fostering a new level of sophisticated ambience that perfectly showcases everything Regent Seven Seas Cruises has to offer, you can enjoy all-suite all-balcony accommodation featuring more than 46,000 square-feet of Italian marble and her 375 suites include nearly 52,000 square-feet of balcony space - among the largest balconies at sea.

Each elegant speciality restaurant is defined by its cuisine, allowing you to taste the flavours of the world no matter where your itinerary takes you. Each dish is prepared with fanatical care, showcasing the quality and presentation of complex flavours, textures and colour combinations. Deftly paired with wines hand selected by expert sommeliers.

Intricate marble patterns and soaring ceilings topped by sparkling chandeliers adorn your path throughout this exquisite ship. Wherever you turn, you'll be enveloped in timeless elegance, absolute comfort and graceful hospitality, as you set off on journeys to awe-inspiring destinations around the world.

### A NEW WORLD AWAITS...

Regent Seven Seas Cruises® is working hand-in-hand with the U.S. Centres for Disease Control and Prevention and federal governments globally to develop, implement and continually evolve industry-leading standards that will meet or exceed all requirements once those have been finalised by them. This current outline of standards covers all aspects of on board and shoreside operations to ensure the continuous well-being of guests and crew.

### ROL Cruise Commercial Product Manager, Carly Goswell, shares her experience on board the brand new *Seven Seas Splendor™*...

A few colleagues and I had the very enviable task of spending a few days on board Regent's brand-new ship, *Seven Seas Splendor*, and, when I say it exceeded all expectations, that would be an understatement. From start to finish someone was there to help and from the moment you step on board *Seven Seas Splendor* you are in awe of the quality finishings, contemporary colour palette, original artwork, exquisite glassware and marble-adorned floors. What was truly amazing is that even though the ship was at full capacity, no area was ever crowded. There was never a queue, but there was always a staff member on hand to whip up a signature cocktail, bring you a pair of reading glasses or offer you a blanket if you were a bit chilly up on deck. Throughout the voyage we were spoiled every night with the most incredibly divine food; each course paired perfectly with a selection of wines to emphasize the delicate flavours. As standard, specialty dining is included for all guests, giving you multiple options for lunch and dinner.

±Based on two adults sharing the lowest grade advertised. 6★ relates to the cruise element only. \*Free shore excursions exclude Regent Choice Excursions and private arrangements. Some shore excursions will be unsuitable for guests with mobility restrictions. Shore excursions mentioned are subject to change and can be booked from 240 or 180 days prior to cruise, depending on eligibility.
