### 5★ SERVICE WITH ROL CRUISE

#### 'BEST TRAVEL AGENCY OUT THERE'

As always, the service that I received from ROL Cruise was excellent. The staff are so good at what they do, friendly, knowledgeable and helpful. I would recommend ROL to anyone thinking of booking a holiday.

#### 'EASIEST AND FRIENDLIEST WAY TO BOOK A CRUISE HOLIDAY'

When I talk to ROL, it is more like talking to a friend than a sales person. I have used them many times and it feels like we have a personal relationship. They know what I want to do and always have all the information I need. I already recommend them to my friends and will continue to do so.

#### 'KNOWLEDGEABLE, EFFICIENT AND FRIENDLY. A 5★ SERVICE'

Even though we have had two cruises cancelled, ROL staff arranged a replacement cruise of our choice next year. ROL Cruise consultants are both knowledgeable and friendly, and I have always found dealing with them a pleasure. Quite frankly, I wouldn't go anywhere else!

## YOUR VOYAGE HIGHLIGHTS

Portobelo, Panama

Delight in wildlife encounters and cultural experiences aplenty on this fascinating maiden voyage. You may choose to tour the Gatún Locks and lake area of the Panama Canal\*, gain an insight into the Mayan civilisation at Chichen Itza\* (from Cozumel) or delve into the history of navigators and privateers such as Christopher Colombus and Francis Drake at Portobelo\* (from Colón). Those who are looking for adventure may opt to sail down the Costa Rican canal\* and spot wildlife in the rainforest, such as monkeys, sloths and toucans, or embark on a river tour in Belize and spot iguanas, crocs and manatees\*.

### OVERNIGHT STAY IN PUERTO LIMÓN, COSTA RICA

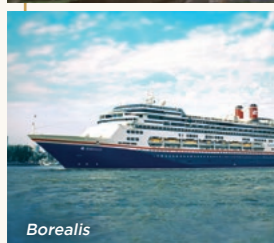

Although the harbour was not built until 1870 – to export Costa Rican bananas and grain – Puerto Limón is one of the oldest cities in Latin America. It was established in 1502 by Christopher Columbus and that long history has given the place some fascinating architecture and a vibrant atmosphere. The open-air market in the centre of town is a must-see, and offers anything from local handicrafts to clothes and household goods. In the side streets are interesting little bars and cafés: cashew nuts are an important crop locally, and the cashew wine is a speciality. With enough time, it is fun to take a trip\* in a panga – a motorboat – along the Tortuguero Canal, which runs parallel with the coast for about 200km. Even during a short trip it is possible to see many unusual birds, as well as alligators, turtles and bats.

Turtles, Tortuguero Canal

### SMALL SHIPS FOR A BIG WORLD

Fred. Olsen have always believed that small is better, because smaller ships bring big benefits. They mean Fred. Olsen can treat passengers as guests, like the family-run business they are. They can dock at smaller ports, much closer to the parts of our planet Fred. Olsen are most passionate about showing. They mean Fred. Olsen can avoid overcrowding, both aboard and ashore, so you can disembark easily and enjoy the freedom to see, explore and experience. They mean they can offer warmer, more personal levels of service. It would be easy to scale up, cram in and cut corners, but Fred. Olsen never will. Because to Fred. Olsen, the size they are, is the size they should be.

- Mon 17 **Basseterre, St. Kitts and Nevis**  
With some of the oldest colonial buildings in the Caribbean, the elegant St. Kitts & Nevis capital of Basseterre is a beautiful town bursting with history. Long sandy beaches, an array of architectural highlights and equal amounts of sun and rum make Santa Marta a great place to explore or relax. - Fri 28 **Cozumel (for Chichen Itza\*), Mexico**

FROM 9<sup>TH</sup> APRIL – 17<sup>TH</sup> SEPTEMBER 2022

- Day 1 **Embark the brand new Iona and depart Southampton**
- Day 2 *Relaxing at sea*  
Nowhere offers vistas like the Norwegian Fjords. And no other ship offers you such astonishing views. Iona's itineraries include cruise-bys in five magnificent fjords as you work your way along the coast. All you have to do is sit back and soak it all in...
- Day 3 **Stavanger, Norway**  
Stavanger is a former European Capital of Culture, and it's not hard to see why. The city is heaven for culture vultures, boasting an impressive mix of museums, galleries and events celebrating Norway's rich heritage. The gateway to Norway's spectacularly scenic fjordland, Stavanger is also a town with its own rich heritage as it is regarded as the 'Cradle of the Vikings'
- Day 4 **Olden, Norway**  
The magnificent Nordfjord divides into three arms beneath the glaciers of the Jotunheimen Mountains, and Olden sits at the beginning of the southernmost of these arms. Olden is a charming village set in green meadows ablaze with colourful flowers throughout the summer  
*Cruising Innvikfjorden*  
*Cruising Nordfjord*
- Day 5 **Ålesund, Norway**  
Everything about Ålesund is pretty. From its location at the entrance of Geirangerfjord to its unique architecture, it's the kind of place that sticks with you long after you've left. Because it was completely rebuilt after being destroyed by fire in 1904, Ålesund looks quite different to other Norwegian towns along the country's west coast now better known as simply 'Fjordland'
- Day 6 **Haugesund, Norway**
- Day 7 *Relaxing at sea*
- Day 8 **Arrive in Southampton**

Formed from the remnants of an extinct volcano, Bora Bora appears to be of another world.

Be among the few to explore the beautiful and biologically diverse Galápagos Islands before embarking on an expedition cruise along the scenic west coast of South America. Discover the differences and similarities between modern cities and historic ancient civilisations as you experience charming architecture, beautiful beaches, archaeological mysteries and UNESCO sites across Peru and Chile.

### ★ MARINE IGUANA

Found only in the Galápagos Islands, the iconic Marine Iguanas are distinguishable by the white "wigs" of salt expelled from glands near their noses. They look fierce, but are actually gentle herbivores, surviving exclusively on underwater algae and seaweed. Their short snouts and razorsharp teeth help them scrape algae off rocks.

### ★ GALÁPAGOS SEA LION

The cute Galápagos Sea Lion is the most abundant marine mammal in the archipelago and is often seen sleeping on the beaches or swimming close to shore. Their streamlined bodies make them very efficient swimmers and hunters, especially of sardines. If you're lucky, you may get the chance to witness young pups chasing each other along the sand.

### ★ SALLY LIGHTFOOT CRAB

The brightly coloured Sally Lightfoot crab is a common sight along the shores and

beaches of most of the Galápagos Islands. They are rumoured to have been named after a Caribbean dancer, due to their extreme agility, jumping from rock to rock. They're striking colours make for a stunning appearance too.

### ★ GALÁPAGOS PENGUIN

The Galápagos penguin is one of the smallest penguins in the world and is endemic to the Galápagos Islands. It is the most northerly occurring penguin species, nesting entirely in the tropics.

## 16 NIGHTS DEPARTING 9<sup>TH</sup> OCTOBER 2022

### OCTOBER 2022

Sun 9 **Fly from London to Quito, Ecuador\***  
Upon arrival, transfer to a 4★ hotel for your two night stay†

Mon 10 **Quito, Ecuador**  
Visit Inti Ñan Museum and observe gravitational effects that can only occur at the equator. Ascend the Teleférico, a journey that takes you up an altitude of 4,050m. This afternoon, enjoy a sightseeing tour of Quito (B, D)

Tue 11 **Quito, Ecuador – Santa Cruz Island, Galápagos Islands**  
Transfer to Quito Airport for your flight to Baltra, followed by a short ferry crossing to Santa Cruz Island. Wed 12 - **Galápagos Islands**  
Thu 13 Enjoy two full day tours of the nearby islands. One of the following six islands will be visited per day: Bartolomé Island which is famous for its Galápagos penguins or South Plaza Island which is home to a colony of land iguanas which reside amongst the prickly pear cactus trees. Or, Santa Fe Island, known for the most beautiful coves; or North Seymour Island home to a large population of blue footed boobies. Perhaps it'll be southernmost Floreana Island with its bright green and red marine iguanas. Or Isabela, which houses more wild tortoises than anywhere in the archipelago (B, L, D)

## EXPLORE ALASKA, THE LAST FRONTIER

To say that Alaska is beautiful would be a tremendous understatement. The first thing you notice when you reach America's 49<sup>th</sup> state is the magnificent snow-capped mountains lining the distance. These rugged, majestic peaks are perfectly positioned to emphasise the dramatic landscape as they slope all the way down to jagged trims of Sitka Spruce trees, still dressed in their evergreen coniferous foliage. Tall and towering above the forest floors, these trees line the waterways and stretch across the great expanse of wilderness that is Alaska. Positioned starkly against these awe-inspiring structures are the elegant and slow-moving channels of water of the Alaskan archipelagos, which cut their way through the landscape as though intricately carved all the way to the ocean. These winding waterways of the Inside Passage will guide you between the mountains on your Alaska cruise, revealing remote towns and cities along the way.
