Nature reserves. Historic monuments. Architectural wonders. UNESCO World Heritage sites offer a fascinating glimpse into everything that makes our world special, and on *Queen Anne's* maiden World Voyage, you'll find opportunities to explore plenty of them. In Sri Lanka, perhaps make the most of a chance to spot endangered species at Sinharaja Forest Reserve. Or, if history is more your thing, discover an ancient irrigation network in Oman, dating back to around 500AD. Sailing in to New York, the Statue of Liberty welcomes you upon arrival. The ancient cities of Thebes and Cairo await in Egypt, or perhaps the eye-catching angles of Sydney Opera House pique your interest even more.

## ★YOUR VOYAGE HIGHLIGHTS★

### ★RIO DE JANEIRO★

Without question, Rio de Janeiro is one of the most beautiful harbour cities in the world. The second-largest city in the Federal Republic of Brazil, cascading mountains, sandy beaches, tropical vegetation and the South Atlantic Ocean give Rio de Janeiro a dramatic back-drop in a league of its own. The city is renowned for its spectacular carnival and world-famous sights including Pão de Açúcar (Sugar Loaf Mountain) and Corcovado (Statue of Christ the Redeemer). Whether you're taking a schooner cruise around Guanabara Bay or conquering the city's summits, Rio de Janeiro is guaranteed to amaze and inspire.

### ★BUENOS AIRES★

Argentina's capital has a unique and absorbing grandeur. Experience this in abundance at the Colon Theatre, a stunning opera house, and at Recoleta Cemetery, final resting place of Eva 'Evita' Peron. For a true taste of Buenos Aires' life and soul, many love to tour city districts like La Boca, with its colourful houses and lively tango cafés.

### ★SALVADOR★

Host of the world's largest carnival, Salvador is dubbed the Brazilian capital of happiness. It's a fine example of the country's rich cultural history, beautiful architecture and adventurous cuisine. In 1985, Salvador's historic centre Pelourinho was declared a UNESCO World Heritage Site. Gastronomy in Salvador is heavily influenced by African ingredients, flavours and techniques, with seafood featuring in many dishes. Azeite-de-dendê, a type of palm oil, is one of the most commonly-used ingredients and was introduced to Brazil by West African slaves.

### ★YOUR VOYAGE HIGHLIGHTS★

#### ★ST LUCIA★

From the port at Castries, take a trip to St. Lucia's 'drive-in' volcano, where the crater bubbles with hot sulphur springs, or visit the tropical Diamond Botanical Gardens Waterfall and Mineral Baths. For rum lovers, St. Lucia offers a behind-the-scenes tour of a traditional distillery, complete with a chance to taste the island's famous export at source.

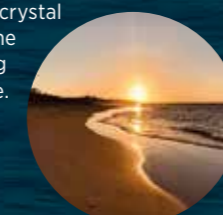

#### ★BASSETERRE★

The capital Basseterre may be French by name, but St. Kitts is part of the Caribbean's earliest British colony. The town's Georgian centrepiece named the Circus, is modelled on London's own Piccadilly. This scenic island is simply stunning when viewed from the Fortress of Brimstone Hill, where you'll see a panorama of volcanic slopes, verdant sugar cane plantations and neighbouring islands.

#### ★PHILIPSBURG★

Perched on a narrow strip of land between the crystal clear Caribbean Sea and the Great Salt Pond, the Caribbean gem Philipsburg is a fabulous setting for a wide array of things to see and experience. Stroll along the inland salt lake, or head for the gorgeous city beach. Search the quaint clothes boutiques, or browse the stores for duty-free bargains. The choice is yours.

First day on sale is from 1pm 15<sup>th</sup> March 2023 for past passengers and first day on general sale is from 1pm 16<sup>th</sup> March 2023. Booking conditions of Cunard (ATOL 6294) and Reader Offers Limited Agency terms of

### ★YOUR VOYAGE HIGHLIGHTS★

**★ADELAIDE★**  
A charming city serving exceptional views, the port of Adelaide boasts a charismatic coastline and plenty of vast, open green space. Here, if you're lucky, you might witness a magical performance courtesy of the resident population of bottlenose dolphins. This seaport suburb is situated northwest of mainland Adelaide and north of the Fleurieu Peninsula.

**★PERTH★**  
They say you can't please everyone, but Perth may prove to be the exception to that rule. The city's urban sprawl is awash with fusion flavours, fashionable boutiques and innovative museums but Western Australia's capital impresses in other ways too. Its Kings Park and Botanic Garden are one of the largest inner-city green spaces; eclipsing even New York's Central Park. Outstanding beaches decorate Perth's coastline, while verdant wineries surround its inland fringes.

**★HOBART★**  
Hobart has a distinctly European look and feel, and a unique local character. Capital of Australia's Island State, with Mt. Wellington as its backdrop, it has plenty to offer the adventurous and the inquisitive. After Sydney, Hobart is the second-oldest capital city in the country, having been established in 1804 as a penal colony. Its location in the estuary of Tasmania's Derwent River means it is sheltered and calm, although its southern latitude means it often experiences cooler climates than on mainland Australia.

## DISCOVER THE WONDERS OF JAPAN IN CHERRY BLOSSOM

Each year Japan transforms into a pink Arcadia as cherry trees (Sakura) are awash with their seasonal bloom. This natural marvel is so well followed in Japan, it even makes the daily weather report. Here are our top spots for witnessing the flourishing blossoms at this magical time of year:

### Yoyogi Park, Tokyo

With around 700 cherry trees, Yoyogi Park is one of Tokyo's most popular places for the long-standing tradition of Hanami (cherry blossom viewing party with picnic).

### Omura Park, Nagasaki

Omura Park hosts over 20 varieties of cherry blossom including Omura Zakura, a rare variety due to its appearance that's similar to a rose.

### Hirosaki Park (near Aomori)

As well as the beautiful Hirosaki Castle, spacious Hirosaki Park is home to approximately 2,600 cherry trees of 50 different varieties, including one 134-year-old Yoshino cherry tree.

### THE ICONIC IGUAZÚ FALLS

Eleanor Roosevelt was reported to have exclaimed "Poor Niagara", referring to Niagara Falls in the state of New York, when she first came across Iguazú Falls. One quarter of a million gallons of water cascades down these cliffs - some of which are taller than the Statue of Liberty - every second. This is where you will find the greatest annual flow of any waterfall in the world. You will run out of superlatives to describe just how staggering this UNESCO World Heritage Site really is, and nothing will be able to truly describe the sound and feel of the water crashing into the plunge pools below.

### BUENOS AIRES, ARGENTINA

A melting pot of European and South American cultures, Buenos Aires is the confident capital of Argentina with eclectic architecture, delicious parrilla-based cuisine and passionate Porteños (locals).

## EXPERIENCE THE DIFFERENCE WITH CUNARD & ROL CRUISE

### OUR FAMILY AT SEA

*"We have been regular guests on Cunard for many years, having tried other cruise lines before and found them not meeting our needs. Our first experience of Cunard was **Queen Victoria** but we have sailed on all three Queens.*

*The Grills is special and the treatment and standard of service is exemplary. The members of the crew there welcome us back on board with genuine warmth. We are amazed how they remember our needs and requests in the restaurant. The butlers we have had were wonderful. Nothing is too much trouble and as I had some mobility issues last time we were on board (December 2022), the assistant butler helped me unpack.*

*We tend to use shore excursions when outside Europe as it ensures we have a guide and get a flavour of city. Some of the more memorable visits include the Amazon experience on water and a night at the Opera. The stunning sights we have enjoyed include the glaciers of Southern Chile, arriving into New York and being greeted by the Statue of Liberty, the bustle of Hong Kong and the calm of the fjords in New Zealand, such as Milford Sound.*

*The formal nights may not be for everyone but it is nice to put on the posh frocks. If this is not what you want, there are other options but most tend to enter into the spirit and theme of the gala nights.*

*One of the special benefits of Cunard is meeting other guests who become friends. We have a network of Cunarders from various parts of the world whom we meet with both on board again or ashore and between times, keep in touch by email.*

*Since 2017, when we booked a World Cruise through ROL Concierge Service, we have not used anyone else. The members of the team who look after us certainly go that extra mile to accommodate our wishes and know what we like. Over the years, it is good to build up that relationship and have confidence in what they can do for us. For this we are truly appreciative."*

**K&M OF WILLASTON**

### UTTERLY PAMPERED

*"I've sailed many times with Cunard, and have to say for me, they get the balance between the 'traditional', and 'modern' elements of cruising just right. I don't think any other line offers the same mix.*

*I'm lucky to have done two World cruises on **Queen Mary 2**, and the departure from Southampton is just spectacular! From the brass-band that played rousing tunes in the*

*Queen's Room onboard ship, accompanied by passengers toe-tapping or singing along, to the fantastic fireworks display put on from shore as we sailed away.*

*Standing on our balcony watching the display, and sipping on a glass of champagne, I remember saying to my partner, "Life doesn't get better than this!"*

*Relaxing, being entertained, and feeling utterly pampered, whilst watching the World slowly unfold before you, is very special. I already have three more Cunard cruises booked, and can hardly wait to board!"*

**MR IAN ROLFE**

*"Life doesn't get better than this!"*

Rotorua's shooting geysers are only surpassed by the South Island's soaring Southern Alps, which you'll reach from charming Christchurch by way of the scenic TranzAlpine train. Throughout your tour of New Zealand, you'll have the opportunity to admire incredible views of the Franz Josef Glacier, warm your toes in natural hot springs, and partake in all of the fun that Queenstown, the "Adventure Capital of the World," has to offer.

Enjoy exploring the iconic sites from the Sydney Opera House and Sydney Harbour Bridge to the miles of ocean coastline and sandy beaches. Just a stone's throw away from the Sydney Opera House and covering a sizeable 74 acres, the Royal Botanic Garden is a beautiful showcase of Australia's native flora and fauna. Taronga Zoo is also especially popular with visitors. But an absolute must see, are the amazing Three Sisters in the Blue Mountains.
