# Top 5 Bucket List Moments

## 1 ENCOUNTER UNIQUE WILDLIFE IN BORNEO

From spotting giant tortoises in the Galápagos Islands and marvelling at the mystical Northern Lights, to taking an African Safari and watching the sun rise over the Taj Mahal, a cruise holiday can cater for the most classic and unique bucket list activities. There are an abundance of experiences to be had on a cruise, here are our top 5 bucket list moments that you can enjoy both on board and ashore...

As one of the most remote places in the world, Borneo is known for its incredible array of wildlife including orangutans. Orangutans are the world's largest tree climbing mammals and can be found deep in the forests of South East Asia. In the Malay language, orang-utan means 'person of the forest'. These remarkable creatures are known as natural gardeners, as they play a vital role in seed dispersal and in maintaining the health of the forest ecosystem. In turn, this supports other animals such as tigers, Asian elephants and Sumatran rhinos, according to the WWF. Sadly, the species' Indonesian and Malaysian forest habitats are in rapid decline. Orangutans are now critically endangered due to deforestation, palm oil production, hunting and illegal pet trade. Thankfully, organisations are working with experts all over the world to protect the species, and you can visit one on pages 34-35 with Holland America Line®.

## 2 RIDE THE MAGIC CARPET WITH CELEBRITY CRUISES®

Cruise lines often cultivate innovative experiences that are exclusive to their brand - and Celebrity Cruises® are no different. The Magic Carpet is a marvel of engineering. This unique space acts as an extension of the ship's venues and restaurants, transforming at different decks. The Magic Carpet floats along 13 stories, where expansive glass windows promise incredible ocean views. On Deck 2, Magic Carpet turns into a luxury embarkation station on the days you're exploring in port. If you're looking to celebrate a special occasion, a select number of guests can experience intimate "Dinner on the Edge" which takes you to the apex of the ship for fine dining al-fresco. Turn to pages 28-29 to join Celebrity Cruises® on an all-inclusive New Luxury Australian Exploration.

## 3 ADVENTURE IN CANADA & ALASKA ON BOARD THE ROCKY MOUNTAINEER

Every now and again an opportunity comes along that is so unique and awe-inspiring, that it is impossible not to undertake - the Rocky Mountaineer. Exclusively with ROL Cruise, you can enjoy a GoldLeaf Service upgrade on board this iconic train which includes five-star cuisine in the private dining room with gourmet à la carte menus, award-winning service and the best views from an upstairs seating area - or soak up the fresh mountain air in the exclusive outdoor viewing platform. Imagine a journey through majestic snow-capped peaks, incomparable landscapes, an abundance of wildlife, remarkable tunnels and sights of unforgettable beauty. Words simply do not do the Canadian Rockies or Alaska justice - you'll just have to see it for yourself on pages 30-31.

## 4 VISIT THE GREAT WHITE CONTINENT WITH HURTIGRUTEN

Experience ice floes, rocky coasts and spectacular wildlife on an unforgettable Antarctica expedition voyage. A land of colossal icebergs and king penguins, Antarctica is truly a once-in-a-lifetime destination. Keep your eyes peeled for penguins, which are the most common birds and four species are considered to be true Antarctic penguins - Adelie, Chinstrap, Emperor and Gentoo. Flightless, these unique birds appear clumsy on land as they sway and waddle. On entering the sea though, they demonstrate the grace and skills that have seen them master their environment. Keep your eyes peeled for whales, including Orca, and in the sky, Antarctic Terns, with their swept-back wings and graceful forked tails. Embark on a once-in-a-lifetime Antarctic voyage on pages 32-33.

## 5 EXPLORE ABOVE & DIVE BELOW WITH SCENIC

Discover the extraordinary wonders of the world in truly all-inclusive ultra-luxury on board Scenic Eclipse. The World's First Discovery Yachts™. Scenic have gone above and beyond to ensure that you have the most exclusive experience possible on board Scenic Eclipse. **ORANGUTANS**

One of the most threatened species in the world, and the only Great Ape native to Asia, orangutans are entirely endearing. During your time in Borneo, you will have the incredible opportunity to visit the renowned Sepilok Orangutan Sanctuary, a rehabilitation centre that strives to reintroduce captive orangutans back into the wild. If the nursery is open, witness baby orangutans playing amongst themselves.

**SUN BEARS**

Visit the Bornean Sun Bear Conservation Centre, where over 30 sun bears live in the bear house and outdoor enclosures. The centre rescues captured sun bears and is involved in the conversation, welfare rehabilitation and education of sun bears. Sun bears are one of the most recognisable species who inhabit the rainforests of Borneo, and you'll get the special opportunity to see the incredible work that the centre puts into the welfare of the species.

**SNOW MONKEYS**

The Japanese macaque, better known as the snow monkey are named so because they live in areas where snow covers the ground for many months each year and can be distinguished by their red faces, brown-grey fur and short tails. During your tour, you'll spend time at the Jigokudatni Monkey Park, home to the famous snow monkeys. Accustomed to humans, the monkeys can be observed from very close and almost completely ignore their human guests.

## FROM SHELF TO SEA...

Whilst many of us may not have the luxury of time to indulge in a good book back at home, cruising is the perfect opportunity to delve into a new novel – or two! If you need inspiration for what to read on your next cruise, then be sure to add the below books to your list, handpicked by ROL Cruise...

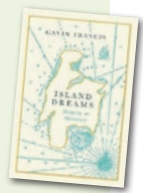

**Around the World in 80 Trains**  
BY MONISHA RAJESH  
From the cloud-skimming heights of Tibet's Qinghai railway to silk-sheeted splendour on the Venice Simplon-Orient-Express, *Around the World in 80 Trains* is a celebration of the glory of train travel and a witty and irreverent look at the world. Join Monisha Rajesh and her fiancé as they embark on an unforgettable adventure all while taking in some of the world's most breathtaking views.

**Cruise: Identity, Design and Culture**  
BY PETER QUARTERMAINE  
*Cruise: Identity, Design and Culture* delightfully recalls a time of gracious travel, as well as the modern-day evolution of cruising. It explores the design and culture of cruise ships from the golden age of the inter-war period, up to the present when cruise ships have come to embrace entertainment architecture. Packed full of illustrations of all aspects of cruise ship design – interiors, entertainment, travel posters, this book is a must-read for any cruise lover.

**Island Dreams**  
BY GAVIN FRANCIS  
In *Island Dreams*, Gavin Francis blends stories of his own travels with psychology, philosophy and great voyages from literature, shedding new light on the importance of islands from the Faroe Islands and the Aegean, to the Galápagos and the Andaman Islands. *Island Dreams* riffs on the twinned poles of rest and motion, independence and attachment, never more relevant than in today's perennially connected world.
