DISCOVER LISBON:

Europe's Leading Lady

Lovely Lisbon, Portugal's hilly, coastal capital is as vibrant as it is diverse. It is a city that seamlessly blends traditional heritage with striking modernism and cultural innovation, creating a thriving hub of activity for you to explore during your next cruise holiday!

Nestled on Portugal's coast, Lisbon hosts a warm Mediterranean climate and is ideal for those seeking authentic Portuguese experiences. Wander the streets and intimate alleyways for colourful and characterful architecture; explore the city centre, including Praça do Comércio; climb Cristo Rei, a huge statue of Christ with beautiful views across the whole city; enjoy a traditional ride on one of Lisbon's famed trams to Belém where you can explore Belém Tower and the Belém Cultural Centre, which features a fantastic art collection including works by Dali, Picasso, Warhol and Magritte, and be sure to visit Portugal's answer to the British museum, the Gulbenkian.

One of Lisbon's most enthralling attractions is its superb natural setting. Spread across seven hills facing the Tagus River, Lisbon's location lends itself to showcasing simply stunning views from atop a choice of terraces known as miradouros (viewpoints). With seven hills in total including Portas do Sol, São Pedro de Alcântara, da Graça, da Senhora do Monte, Santa Luzia and Castelo de São Jorge these sun-spots offer panoramic views as well as stunning areas to enjoy bica (espresso) or refreshing glasses of sangria.

Once you've had your fill of sightseeing, why not visit one of Lisbon's many eateries for traditional Portuguese dining experiences? From world-renowned pastries including pastel de nata, and Portugal's beloved bacalhau (salted codfish), to Michelin-starred restaurants and Azeitão Cheese, one of the greatest gastronomic specialities of the Lisbon region, whatever flavours tantalise your taste buds, Lisbon is sure to have something to suit. Once you've finished sampling Lisbon's delicacies, you may require something to quench your thirst. Lisbon is one of Portugal's most exciting wine regions and sets itself apart from others by combining traditional Portuguese grape varieties, enthusing even the most demanding of connoisseurs.

Once you've had your fill of glorious wine and delicious Portuguese delicacies, the sun-drenched afternoons are ideal for exploring Lisbon's many antique shops, many of which can be found on Rua de São Bento and Rua de São José. The Feira da Ladra market also has a rich variety of trinkets and vintage goodies to browse, whilst the Arco da Velha hosts tea and cake whilst you shop the bric-a-brac wares.

Uncover the Mysteries of Easter Island

Just south of the Tropic of Capricorn, Easter Island, or Rapa Nui, lies 3,790 kilometres to the west of Chile. Extraordinarily remote, this island was first inhabited by Polynesians who are believed to have arrived by sea about 1,200 years ago. The island is best known as the site of more than 600 stone statues, or Moai, which stand up to nine metres in height. The statues were carved in the spectacular Rano Raraku quarry and were then believed to have been transported on wooden rollers to their destinations. Little is known about these fascinating statues, and during your full day tours, you can begin to uncover the legends that surrounds Easter Island.

Your Three Night Stay at the 5★ Hangaroa Eco Village & Spa[‡]

Ranked within the top 25 resorts in the world, your stay at the Hangaroa Eco Village & Spa is the perfect setting to unwind after full days exploring. Set by the ocean, overlooking the most spectacular sunsets, and constructed with impeccable detail and care, the hotel combines social and cultural responsibility with the forefront of luxury and comfort. Inspired by the local culture and natural resources of Easter Island, the rooms allow guests to feel the magical energy of the island. They invite you to rest, relax and feel at home. The ambience, highlighted by items made by local artisans, prioritises natural light and features the use of natural materials all intended to further connect your stay to the spirit of Rapa Nui. All rooms feature a terrace with ocean views, premium bedding, rain shower and free standing bathtub and bathrobes. You'll return feeling refreshed, relaxed and renewed in both body, mind and soul.

This is a voyage to the Arctic wilderness at its most extreme, aiming to sail above 80° N while circumnavigating Svalbard in search of the mighty polar bear. YOUR VOYAGE HIGHLIGHTS

ULTIMATE ADVENTURE

Beginning in Norway's amazing Arctic frontier town, you will have a chance to discover the many things to do in Longyearbyen. Next, set sail and travel well above the 80th parallel to closer than 600 nautical miles from the Geographical North Pole.

LIVING LANDSCAPE

The frozen tundra is teeming with life. Scan for seals, thousands of seabirds, Arctic fox, reindeer and, of course, keep a sharp eye out for the top predator: the mighty polar bear. There's a good chance that you'll see one of the polar bears of Svalbard – after all, there are more polar bears than people on the archipelago.

This Spitsbergen adventure offers incredible beauty: deep fjords, mighty glaciers and pure wilderness. The Midnight Sun makes it possible to fill your days and nights with unforgettable experiences.

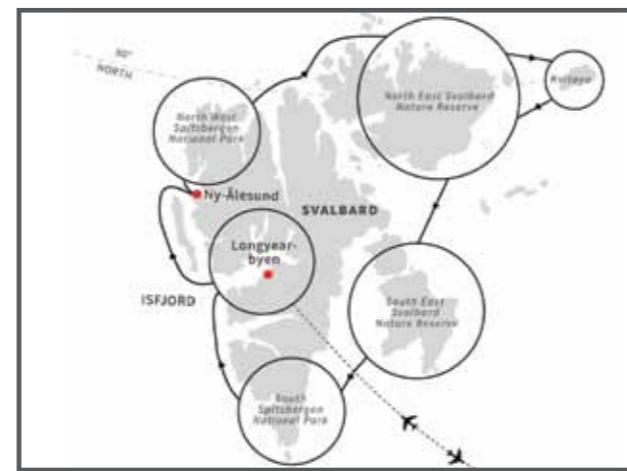

Please note, drinks are included with on board meals only. *Tours may be at a further supplement, subject to change and additional excursions must be booked at least 28 days prior to departure. +John Lewis and ice conditions have a great influence on the programme and schedule. Safety is always the first priority and the ship's captain will decide the final sailing schedule during the voyage therefore itinerary is

11 NIGHTS DEPARTING 30TH JUNE & 10TH JULY 2020

- Day 1** Fly from London to Oslo, Norway^{*}. This evening, take an onward flight to Longyearbyen, Svalbard
- Day 2** Longyearbyen, Svalbard
Upon arrival in the early hours, transfer to a hotel for your stay[†]. The incredible Arctic wilderness dominates life here, but Longyearbyen maintains a lively cultural life and serves as a prime destination for adventure travellers. Join an excursion to get to know this unique town^{*}. In the afternoon, transfer to the port and embark *MS Spitsbergen* for your 10 night voyage
- Day 3 - Day 5** North West Spitsbergen National Park
The North West Corner is scattered with lovely islands, fjords and beaches. If conditions allow, you will explore Svalbard's rich history in the area. You may visit Kongsfjorden, one of the most beautiful fjord areas in Spitsbergen, with impressive glaciers calving icebergs into the sea, framed by stunning mountain formations. You may also call on the former mining settlement of Ny-Ålesund, now an international centre for research, with a picturesque mix of old and new buildings. There will be exciting landings and scenic kayaking^{*} opportunities as you go further north
- Day 6 - Day 8** Eastern Svalbard Nature Reserves
Eastern Svalbard boasts the highest population of polar bears on the archipelago – and there is a good chance of spotting one on this journey! The ocean is full of drifting ice and the frozen landscape changes constantly. This is true wilderness, so the captain will work with the elements to decide where you can safely land or sail. Hurtigruten aim to cross 80° N, and possibly head even further north to Sjuøyane (Seven Islands), at the extreme of the Svalbard archipelago. You may also sail east of Nordaustlandet to Kvitøya, before continuing towards Edgeøya, the third-largest island in the Svalbard archipelago
- Day 9 - Day 10** South Spitsbergen National Park & Bellsund Area
Make your way to the southern cape and the southernmost tip of Spitsbergen, where Hornsund hosts a wonderfully varied landscape and geology. Ice pushed into the fjord early in the season attracts polar bears that hunt on the floes, so with a bit of luck you may spot some of these magnificent predators
- Day 11** The Isfjord
Spend the day exploring the Isfjord, the most prominent fjord system on Svalbard. In the inner parts of Isfjorden, the landscape is forever changing. The immense U-shaped valleys, carved out of the mountains by the giant glaciers that covered the area some ten thousand years ago, are home to large populations of the Svalbard reindeer
- Day 12** Longyearbyen, Svalbard - Oslo, Norway - London
Disembark and transfer to the airport for your return flight to London via Oslo^{*}

Please note weather, wind and ice conditions have a great influence on the itinerary and the ship's captain will decide the final sailing schedule. Therefore, itinerary is subject to change
