JAPAN IN THE SPRINGTIME

Each year Japan transforms into a pink Arcadia as cherry trees become awash with their seasonal bloom. This natural marvel is so well followed in Japan, it even makes the daily weather report. Few realise that Japan is an archipelago of 6,852 islands, of which only 430 are inhabited. Japan's southernmost islands are subtropical, and here cherry blossoms can open from as early as January whereas further north, this can be late in May. All the while people gather under the blossoms to celebrate Hanami, a long-standing tradition of welcoming spring, often by gathering under the blossoms for food, drink, songs and company.

THE BESTSELLING 2022 ALL-INCLUSIVE *Galápagos Islands Discovery*

Celebrity Cruises® have been navigating the waters of the Galápagos Islands for over a decade, bringing guests to a land that resides at the intersection of natural splendour and historical iconography, a place that not only draws the admiration of the eye but demands your respect both for its ecological importance and its continuing role as a beacon for responsible ecotourism. In this place of immense historical significance and unfailing beauty, **Celebrity Cruises®** are committed to ensuring that you have an unrivalled travel experience – but also, that the islands and the waters that surround them are treated with the utmost care and respect they so richly deserve. The Galápagos is one of those special places. The kind that makes you want to remember every detail with crystal clarity.

You can rest assured that as the No. 1 Global Agent for Galápagos, ROL Cruise, together with **Celebrity Cruises®** will ensure everything is taken care of, making your trip as convenient, relaxing and memorable as possible. The remote location of this volcanic archipelago has allowed for a unique and diverse range of species, found nowhere else in the world. Their isolation and subsequent adaptations inspired Charles Darwin's Theory of Evolution. This is your opportunity to embark on a once-in-a-lifetime discovery, to explore for yourself these remote islands and the exceptional creatures that call them home.

Access to the Experts

On this sailing you will be accompanied by highly qualified naturalist guides, who will share with you their deep knowledge of the Galápagos archipelago. Together, you will explore each island, trekking over black lava rocks where marine iguanas sun themselves, to see Galápagos tortoises, sea turtles and the iconic blue-footed Boobies.

Galápagos Wildlife Watchlist...

MARINE IGUANA

Found only in the Galápagos Islands, the iconic Marine Iguanas are distinguishable by the white "wigs" of salt expelled from glands near their noses. They look fierce, but are actually gentle herbivores, surviving exclusively on underwater algae and seaweed. Their short snouts and razorsharp teeth help them scrape algae off rocks.

GALÁPAGOS SEA LION

The cute Galápagos Sea Lion is the most abundant marine mammal in the archipelago and is often seen sleeping on the beaches or swimming close to shore. Their streamlined bodies make them very efficient swimmers and hunters, especially of sardines. If you're lucky, you may get the chance to witness young pups chasing each other along the sand.

SALLY LIGHTFOOT CRAB

The brightly coloured Sally Lightfoot crab is a common sight along the shores and beaches of most of the Galápagos Islands. They are rumoured to have been named after a Caribbean dancer, due to their extreme agility, jumping from rock to rock. They're striking colours make for a stunning appearance too.

The beach at Gardner Bay, with its sparkling white sand, offers one of the best places to relax and swim in the Galápagos. It's home to one of the most important colonies of sea lions in the archipelago, and is also a nesting site for sea turtles. Three species of Darwin's finches and Española mockingbirds may also be seen here

FOUR NIGHTS IN SYDNEY, AUSTRALIA

During your four nights in Sydney you will have ample time to explore this world-famous destination at your leisure. Attracting visitors with its iconic harbour, glorious beaches and the stunning Blue Mountains to the west, Sydney hosts nearly half of all international visits to Australia. Of Sydney's beaches, the glorious Bondi Beach is the most famous and is the place to go to watch surfers catch waves. If more active pursuits are what you're after, then why not enjoy a bridge tour* of Sydney's iconic Harbour Bridge? Not for the faint of heart, these tours will take you to the very top of this 134 metre giant for breathtaking views. Taronga Zoo is also especially popular with visitors – here you'll meet the cutest, cuddliest and most endangered of Australia's incredible wildlife. **Concierge Class Stateroom (C3) & above will also enjoy a FREE Blue Mountains and Australian Wildlife Tour*!**

TWO NIGHTS IN AUCKLAND, NEW ZEALAND

One of the best ways to appreciate Auckland's amazing vistas is from the 328m tall Sky Tower. The tallest man-made structure in the Southern Hemisphere, it offers 360-degree views of the city from three observation decks, plus a glass floor for a heart-stopping look straight down. Auckland has become known as the 'City of Sails' due to the vast number of boats in the region. Take a trip on the sparkling waters as you search for whales, dolphins and penguins. For those who enjoy a spot of relaxation, take a trip to Waiheke Island, where an ideal micro-climate enables the bountiful growth of delicious produce. Perhaps tour a vineyard* and try an acclaimed artisan wine. **Concierge Class Stateroom (C3) & above will also enjoy a FREE Auckland City, Bush & Beaches tour*!**
