BOOK WITH CONFIDENCE WITH THE UK & IRELAND'S NO. 1 OCEAN CRUISE SPECIALIST

We are proud to announce that ROL Cruise has been named as the best agency for booking ocean cruise holidays in the UK and Ireland. We were selected for the prestigious Top Ocean Cruise Agency title as part of a power-list of the nation's best agents by industry bible, Travel Trade Gazette (TTG).

5★ SERVICE WITH ROL CRUISE

'EASIEST AND FRIENDLIEST WAY TO BOOK A CRUISE HOLIDAY'

When I talk to ROL, it is more like talking to a friend than a sales person. I have used them many times and it feels like we have a personal relationship.

They know what I want to do and always have all the information I need. I already recommend them to my friends and will continue to do so.

'A LIGHT IN THESE GLOOMY TIMES!'

Very well organised, very friendly and very helpful. I've used before and will certainly again.

'TIP TOP TEAM!'

I always find the service at Team ROL to be excellent. Even when you have probably insignificant questions, (that are so important to you, as you've maybe spent a small fortune) they are patient, diligent and so pleasant. Going the extra mile is the norm, I have yet to be disappointed with their service and happily recommend this company to all interested in cruising.

DO YOU HAVE A FUTURE CRUISE CREDIT?

At the moment we all need something to look forward to. Using your Future Cruise Credit to book your next adventure will brighten your days no end. Much like a voucher, your Future Cruise Credit has a monetary amount associated to it which can be used towards the fare of a future cruise. So why not take advantage of your Future Cruise Credit and book your next adventure today? Plus, when you use a future cruise credit with us you will earn **EXCLUSIVE DOUBLE CRUISE MILES**^{®**}.

MAY 2022

- Sun 1 **Embark *Arcadia*, exclusively for adults, and depart Southampton**
- Wed 4 **Kiel, Germany**
- Fri 6 **Helsinki, Finland**
Helsinki is cool and intriguing. The Finnish capital is dominated by a dramatic coastline, cold weather and modernist architecture. Let its offbeat charm wash over you: wander the wide streets, explore its mix of neoclassical and modern buildings and gaze out across the choppy Baltic Sea
- Sat 7 - **St. Petersburg, Russia** (overnight)
- Sun 8 Enjoy an overnight stay in St. Petersburg. On the broad banks of the River Neva and in the magnificent palaces and churches which characterise the city's skyline – you will find Russia at its most dramatic, flamboyant and captivating. Put the Hermitage Museum right at the top of your St. Petersburg cruise sightseeing list; its magnificent buildings and palaces contain the world's most comprehensive collection of art and sculpture, including works by Leonardo da Vinci, Gauguin, Rembrandt and Matisse

- Mon 9 **Tallinn, Estonia**
Tallinn enchants with its blend of medieval and modern – with narrow old fashioned streets leading to restaurants, cafés and boutiques. Visit 14th century churches or Kadriog Palace, home to Peter the Great; a baroque masterpiece surrounded by idyllic woodland

Within this edition of Blue Horizons, you will find some unmissable voyages where you may be able to discover unique and rare species of flora and fauna. All you need to decide is where to go next!

JOURNEY TO THE MIGHTY AMAZON

As the world's largest rainforest and river system, and the most biologically diverse place on Earth, the Amazon contains millions of species, most of them still undescribed. The Amazon is one of Earth's last refuges for jaguars, harpy eagles and pink river dolphins, and it is home to sloths, black spider monkeys and poison dart frogs. It contains one in 10 known species on Earth, 40,000 plant species, 3,000 freshwater fish species, and more than 370 types of reptiles. Over 2,000 new species of plants and vertebrates, including a monkey that purrs like a cat, have been described since 1999. Manaus and Santarém make for ideal starting points for jungle exploration, whilst spending a few days cruising the Amazon River itself may reward you with an extensive array of flora and fauna.

Turn to pages 16-17 to discover the Amazon and South America on an all-inclusive voyage with Saga.

EXPEDITION THROUGH THE NORTHWEST PASSAGE

Journeying with expedition experts Hurtigruten is one of the best ways to get up-close to the nature that calls this area of the world home. The Northwest Passage is known for its largely untouched landscape which is why there is such a wide array of wildlife here. There are many amazing animals both on land and below the surface of the water and with the long summer days, you have more time to spot the elusive wildlife, with July and August being the peak months. During this time there are a number of wonderful animals that you may see including: polar bears hunting along the floating sea ice; whales and Narwhals breaching; walrus relaxing by the shore; historic Muskox with their distinctive curved horns; gentle Caribou and nearly 100 species of bird.

Journey through the Northwest Passage on pages 28-29 with Hurtigruten.

GO IN SEARCH OF THE 'BIG 5'

West Africa beckons with its promise of vibrant cities, spectacular scenery and diverse wildlife. Explore one of Ghana's last remaining tropical forests at Kakum National Park and walk through the Canopy Walkway, which is suspended 100 feet above the ground and offers commanding views overlooking the flora, fauna, rare birds and butterflies of the forest. Visit unspoiled Walvis Bay, a spectacular natural lagoon that is an oasis for the local flamingos and pelicans before you conclude your journey in Cape Town, one of the most beautiful cities in the world. From here, join an optional land tour where you can embark on an unforgettable safari to discover South Africa's 'Big 5' - lions, leopards, rhinos, buffaloes and elephants.

Search for South Africa's 'Big 5' with all-inclusive 6★ Regent Seven Seas Cruises on pages 36-37.

THANK YOU

Over £100,000 raised in our commitment to support the NHS!

Seeing the profound impact the Covid-19 crisis was having on our health service, we wanted to approach the current global situation in a forward-thinking and proactive way. NHS staff and volunteers were and are doing amazing work in caring for Covid-19 patients and we here at **ROL Cruise** wanted to do our bit to show support too. In July of this year, we were delighted to announce that we had raised over **£100,000** for the NHS Charities National campaign to show our support and appreciation to the NHS. Five months on, we wanted to see how the donation has helped our amazing NHS. Here we spoke to **Susannah Howard, ICS Programme Director for Suffolk & North East Essex ICS...**

“ With such a significant donation, we have great ambition to benefit a broad spectrum of health and care staff and so the main starting point we have taken is to engage with our staff across the Alliance and consider where they feel the funds will make the biggest impact.

We have been asking our people about what the pandemic has meant to them over the last few months and to see what changes could be made to support them further. Overwhelmingly, the predominant response has been focused not just on the impact the pandemic has had on them personally but on their families. Staff would appreciate support with things like child care and days out, so that they are able to spend quality time with their families and enjoy special time together whenever possible. This is one proposal that is currently being reviewed at present.

Another interesting area is related to the redesign of staff rooms. Most of these areas are currently restricted due to measures we've had to put in place to prevent the spread of infection between staff. However having a refuge or somewhere staff can go during their working day, or a place that enables staff to connect with one another is really important.

Mental health and mindfulness is also an important area. As we go into the winter, we're very mindful that we will face additional pressures this year. The Alliance is therefore currently working with Mind to develop some mental health, mindfulness and wellness packs to go to staff's homes, using funds from **ROL Cruise's** generous donation.

I think what is phenomenal is that staff have adapted so quickly to the many new demands on them; supporting patients or residents in care homes who are unable to see their families as much as they'd like to, wearing PPE every day, using online methods to communicate with patients. I would like to pay a huge tribute to everyone working in our local health and care system for their resilience and everything they continue to do. The donation from **ROL Cruise** will help so many people across our organisations - and in so many different ways. We remain ever grateful to **ROL** for their fantastic support. ”

YOUR EXPEDITION VOYAGE HIGHLIGHTS

Be among the few to sail in the wake of great explorers on as you attempt a journey through the legendary Northwest Passage. Experience the raw and daunting beauty of wild terrain on a rarely travelled voyage. Even today, few ships have the capability to navigate this isolated sea passage that cuts through stunning Arctic landscape.

★ **Ulukhaktok** – Many in the 500-strong community are involved in the local artists co-op, producing prints, tapestries, and other crafts. This is also the location of the world's northernmost golf course which plays host a tournament each summer.

★ **Cambridge Bay** – Located on Victoria Island, this is the largest stop for vessels traversing the Northwest Passage. It is also called 'Iqaluktuuttiaq', or 'A Good Fishing Place' due to the Ekalluk River which attracts giant char, muskoxen, and caribou.

★ **Gjøa Haven** – Norwegian explorer Roald Amundsen wintered at this hamlet in 1903 on his

Gjøa expedition. There is an informative walking tour, Heritage Centre, and Hamlet Centre dedicated to the history and culture of the area.

★ **Fort Ross** – An abandoned Hudson's Bay Trading post located at the southern end of Somerset Island. The storehouse here is still used as a shelter by occasional travellers, with bunk beds and shelves of canned goods.

★ **Beechey Island** – This is the final resting place for three members of the lost Franklin expedition which sailed into the Northwest Passage in 1845 but never returned. It is customary for explorers to stop and pay their respects, as did Roald Amundsen in 1903.

★ **Devon Island** – Welcome to the largest uninhabited island on Earth. The only signs of human life are at the long-abandoned settlement of Dundas Harbour along with several archaeological sites from the Thule period.

★ **Pond Inlet** – Picturesque Pond Inlet, called 'Mittimatalik' in Inuktitut, is a traditional Inuit community on Baffin Island. It overlooks Eclipse Sound and the mountains of Bylot Island and is known as a great place to see large podsof narwhal.

×Expedition activities are optional and pre-bookable excursions are at a supplement and must be booked at least 28 days prior to departure. Excursions are subject to change. Please note this voyage may not be suitable. Hurtigruten and Reader Offers Limited Package Holiday booking conditions apply. Please see back page for full terms and conditions.

Be sure to keep a sharp eye open as you sail for Bowhead and Grey whales and you may also start seeing sea ice. Continue into the Amundsen Gulf, where you can hope to observe the remarkable Smoking Hills – an amazing sight, with smoke billowing from the cliffs on the east coast of Cape Bathurst

Wed 31 ★ **The Northwest Passage** ★

SEPTEMBER 2022

Thu 1 – ★ **The Northwest Passage** ★

Thu 8 Sail into the heart of the Northwest Passage. Since the late 15th century, the search for this fabled seaway through the Canadian Arctic was a holy grail for hardy adventurers. There are records of almost 40 expeditions that sailed these waters. The first recorded attempt was the voyage of John Cabot in 1497. The most famous journey here was James Cook's failed attempt to sail the Passage in 1776, and of course the ill-fated Franklin expedition of 1845. The first to conquer the Northwest Passage by

ship was Norwegian explorer Roald Amundsen on an expedition that lasted from 1903 to 1906. During your sailing, you will attempt to land on several sites including Ulukhaktok, Cambridge Bay, Gjøa Haven, Fort Ross, Beechey Island, Devon Island and Pond Inlet. In addition, you will be sailing in amazing straits with unique nature and hopefully enough ice to make it for excellent wildlife spotting

Fri 9 **Cross the Davis Strait**

Today, cross the Davis Strait, named for the English explorer John Davis, who led three expeditions in the area between 1585 and 1587

Sat 10 **Ilulissat, Greenland**

Ilulissat is set in the stunning scenery of the Ilulissat Icefjord, a UNESCO World Heritage Site. Just outside the town, at the mouth of the fjord, you can often see enormous icebergs that have run aground. They originate from the Jakobshavn Glacier, one of the most productive glaciers in the Northern Hemisphere. The icebergs make their way down the 20km fjord before entering Disko Bay

Sun 11 **Sisimiut, Greenland**

Sisimiut is situated 40km north of the Arctic Circle and is a modern settlement that maintains ancient traditions. Come ashore to explore the colourful town; visit the small museum, hike in the hills and shop for local handicrafts

Mon 12 – **Sail across the Labrador Sea**

Tue 13 Cross the southern part of the Labrador Sea, this time towards Newfoundland and Labrador in Canada

Wed 14 **Red Bay, Labrador, Canada**

Red Bay, on the coast of Labrador, is a classic outpost of Atlantic Canada, a coastal community with a

population of less than 200. Wander around the former whaling town and learn about its interesting history

Thu 15 **Corner Brook, Newfoundland, Canada**

Corner Brook is located on the west coast of the island of Newfoundland and has approx. 20,000 inhabitants. The area was first surveyed by Captain James Cook in 1767. Explore the charming town centre or enjoy its many walking trails amid vibrant autumn leaves

Fri 16 **Relaxing at sea**

Enjoy time with the Expedition Team to look back at experiences shared and recapping your voyage

Sat 17 **Halifax, Nova Scotia, Canada**

Disembark and transfer to a hotel for your overnight stay

Sun 18 **Halifax, Nova Scotia, Canada**

Transfer to the airport for your overnight flight to **London**

Mon 19 **Arrive in London**

Please note – weather, wind and ice conditions have a great influence on the itinerary and the ship's Captain will decide the final sailing schedule. Therefore, the itinerary is subject to change
