## ROL CRUISE AMBASSADORS

### JOHN & LIZ SCHULTZ TAKE TO THE SEAS...

Our ROL Cruise Ambassadors John & Liz Schultz recently joined *Celebrity Silhouette*® as she returned to cruising. Here, we speak to them about their experiences back on board.

**Hi John & Liz! The last time we spoke to you in Blue Horizons, you were very much looking forward to cruising again. You recently joined Celebrity Silhouette on an eight-night voyage around the British Isles. What was it like to return to cruising?**

One word answer – Fantastic. We returned to cruising with the confidence of added safety and a truly warm welcome back on board. We enjoyed it from the moment we stepped onto the ship.

**After not sailing for some time, we can imagine that the atmosphere on board was fantastic. Do you have any favourite moments from your time on board?**

This was our first visit back on *Celebrity Silhouette*® since her refurbishment and she looked fabulous, and this added to the great atmosphere on board with compliments from everyone we spoke with. Every area seemed so fresh and comfortable, we really enjoyed the enhancements to the outside areas and the new, comfortable furniture throughout the ship.

**Our British Isles are often an undiscovered gem – do you have any memorable destinations from your holiday?**

As always, we enjoyed Liverpool, but the visit to Kirkwall on the Orkney Islands was very special. A lovely little town and the visits to the famous Gin and Whiskey distilleries rounded off a great day.

**Can you tell us a bit about what our guests can expect from the cruise experience now that ships are sailing again?**

You can expect the already high service to be at an even higher level, with extra attention in all areas for the safety of all on board. Everyone is working to give you even more confidence in cruising again.

**What reassurances would you give to our customers who might be nervous about booking their holidays at the moment?**

We can assure you that we felt comfortable from the moment we arrived. The precautions taken throughout should give you every confidence to book your next cruise and start enjoying cruising again as soon as possible.

**Do you have any tips for those yet to enjoy their next cruise holiday?**

Always plan your holiday and discuss your requirements with the team at ROL Cruise to ensure everything is right for you from the very first minute. If Ambassadors are on board, speak with them about tips for the current cruise and any that you are considering. Whilst on board it was lovely to meet up with so many ROL Cruise customers who were all full of praise for the way they had been looked after in the last couple of years – it was lovely to hear their comments and their plans for future cruises.

## SUITE DREAMS...

What can you reply to a text that pings in as you land in Athens saying 'we've had to move you to a Villa Suite. Hope that's OK'? My none-too-imaginative response was "I think we'll cope". Readers, let me assure you my husband and I not only coped, but fell in love all over again - this time with the villa.

I don't need to remind you what a terrible year and a half it has been for life generally and travel and cruise in particular, but here we are heading for a voyage around the Greek Isles on Celebrity Cruises' new *Celebrity Apex* that promises sun, sea and an even suiter (pun intended!) cruise than we had expected.

Talk about excited! We were always destined to stay in one of Apex's suites but the villa promises quite a step up. Twenty minutes after getting into the room, there's a knock at the door. It's Izzy, our butler, asking if he can show us around. Of course, we say, too embarrassed to admit we raced around the villa like kids in a sweet shop as soon as we'd entered.

The villa has two storeys. On the ground floor, there's the dining and sitting areas, a bathroom, massive TV, a free bar with soft drinks and spirits ('let me know if you want to change to anything else,' says the wonderful Izzy) and a hot tub on the balcony.

Upstairs, the bed faces a huge two-storey window, so you wake with a glorious view out to sea. Behind the bedroom is another bathroom and wardrobes galore. Oh, and a secret door to the Retreat, an outdoor area just for suite passengers. The villas (there are only six on *Celebrity Apex*, so we are really exclusive!) are the only suites with this access and we love it. As we do the Retreat, an outdoor area decked out by British designer Kelly Hoppen with a pool and bars, an outdoor restaurant and ample space to lounge in the sun or shade.

One deck below it is the Retreat Lounge, also showcasing Hoppen's chic designer style, where suite residents are looked after royally by the attentive staff; go down again and there's Luminae, a stylish suite-only restaurant with a dinner menu that changes daily and dishes created by Michelin-starred Daniel Boulud, a French chef with a restaurant empire that stretches across North America, Dubai and Singapore.

The Retreat is so gorgeous we could remain within its embrace the entire cruise, but we creep out now and then to watch the shows and try other bars and restaurants. *Celebrity Cruises* now includes tips, Wi-Fi and both alcoholic and soft drinks in the price, and suite passengers also enjoy free laundry, a premium drinks package and complimentary dining in all the restaurants so you can indulge to your heart's content.

We have fab nights out in Fine Cut, a steakhouse, the al-fresco Rooftop Grill and Eden, which is into creative dining and serves the most delicious Tandoori-style beef, but miss fishy Raw on Five and Le Grand Bistro, a French fest of charcuterie, cheese and baguettes by day that in the evening becomes Le Petit Chef, where an animated version of your dish is created in front of you before the real thing is served.

Seems seven nights just isn't long enough to try all the restaurants - goodness I haven't even mentioned the four main dining rooms or beautiful Blu - but as I see it, that is reason enough to get back on Apex. In a villa of course.

*MS Maud*, previously MS Midnatsol, is named after one of the most famous polar vessels of all time, Roald Amundsen's "Maud" from 1917, and is equipped with advanced technology that makes her exceptionally well-suited for expedition cruises in Norway.

Her bright interiors are appointed in a classic Art Deco style. Colours are inspired by the Midnight Sun, allowing you to relax in warm vibes every day of the year. Channel your inner scientist in the advanced Science Center and enjoy daily lectures in the lecture hall or from the comfort of your cabin with the new streaming service, sample delicious dishes from local suppliers in the restaurants and enjoy beverages in the Explorer lounge & bar. On deck 9, you can enjoy the spectacular views from the outdoor Observation deck, and soak in one of the hot tubs. And there's no better way to enjoy the view than with a drink in the Explorer lounge & bar.

### MORE SUSTAINABLE VOYAGES — POWERED WITH BIOFUEL

Sustainability is the core of every detail of your Hurtigruten adventure. Hurtigruten is constantly pushing boundaries, and aim to become completely emission free.

The ship will be powered with Biofuel, mixed in with Marine gasoil, to reduce emissions of carbon dioxide, nitrogen oxides and sulphur oxides. Furthermore, the Biofuel used will be environmentally certified and made from waste produce from other industries such as fishing, meaning no palm oil used in its production and no negative effects on rainforests.

As the rest of the Hurtigruten fleet, single-use plastic is banned on *MS Maud*. This ship is also equipped for shore power, completely eliminating emissions when docked in ports with shore power facilities.

### THE NORTHERN LIGHTS — ENGAGE IN A TRUE ADVENTURE

#### PRIME TIME

The Lights can start to make an appearance as early as September and as late as May, but it is the winter months between October and March when they are most visible, laying claim to the night sky.

#### FRONT-ROW VIEWS

Travelling at sea under the Auroral Zone means that displays can appear right above the ship. Outdoor observation decks provide a clear line of sight to the sky, and the close-up view avoids the artificial ambient light common on land.

#### GET READY TO EXPLORE

Hurtigruten are the expedition experts, so any voyage you undertake will be filled with unique experiences, where you decide how you spend your day. Join expert guides on included daily activities\* to some of the most picturesque and beautiful destinations that exist in the Norwegian Fjords, including maiden port Senja and the awe-inspiring Lofoten Islands.

#### SIGNATURE EXPERIENCES DESIGNED EXCLUSIVELY FOR APT GUESTS

Francesca Hayden, ROL Cruise Marketing Executive, enjoyed the luxury of an exclusive concert at Palais Liechtenstein. Here she shares her experience...

"I was lucky enough to experience an exclusive private Viennese concert at Palais Liechtenstein – a truly once-in-a-lifetime experience.

Upon arrival at Palais Liechtenstein, my breath was simply taken away. Magnificent art, highly-decorated ceilings and an enormous golden carriage awaited us, as did a glass of the finest Austrian Sekt.

Soon enough, we were called upstairs for the performance, and what a performance it was. From Mozart to Strauss, the Viennese orchestra and opera singers absolutely stunned with their prowess. They were also joined by members of the Viennese Ballet Company who conducted an exquisite and moving performance.

My exclusive experience is still one of my most-cherished travel memories – and if you're lucky enough to experience it, it will undoubtedly become one of yours too."

## UNIQUELY UNI<sup>W</sup>ORLD

I had the very great pleasure of joining Uniworld on the 'Venice & Gems of Italy' river cruise. It was my first experience travelling with Uniworld, and I certainly was not disappointed.

Upon arrival, we were met by a Uniworld representative who took us swiftly to join the ship. She is elegantly decorated in colours and prints that reflect Italian design and so much light filled her space, that I felt as though I could sit back in the lounge with a freshly-made cocktail in hand, watching the Venetian lagoon forever. It was simply an unmatched pleasure.

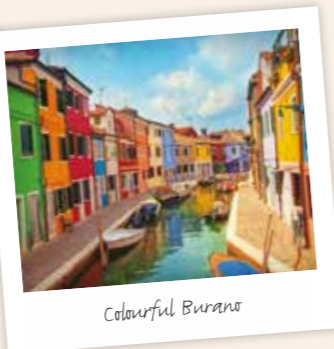

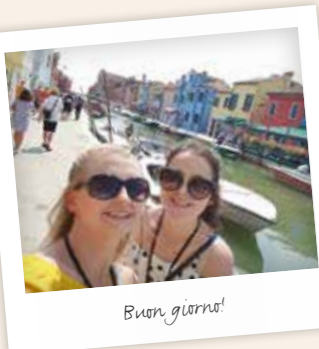

I found that my stateroom exceeded my expectations. The beautifully crafted Savoir® of England bed with the finest Egyptian cotton was truly the most comfortable night's sleep I have ever had.

The restaurant, with its large windows and elegant furniture, was the perfect venue for the delectable cuisine I experienced on board. The hand-selected wines perfectly married with the menu every night. I've never tasted finer breads or pastries than what were produced in the on board bakery.

But the most wonderful aspect of my entire experience was the immersion into Venice that I experienced. I experienced things I wouldn't expect to as an ordinary traveller! And the knowledge of the tour guides were second-to-none.

It's in the little details, the fine wines, the elegant stateroom, the enriching excursions. This is the Uniworld difference.

### TWO NIGHT 4★ HOTEL STAY IN LOS ANGELES<sup>‡</sup>

The busy City of Los Angeles is recognised by various names; City of Angels, Entertainment Capital of the World, Tinseltown, La-La Land. Of course, it is best known as the home of Hollywood – the destination of choice for anyone with dreams of getting their name up in lights. Located on the western coast of North America, this sun-kissed destination encompasses a variety of well-known regions. Enjoy its laid-back beachfront living, prestigious museums and galleries, fashionable celebrity haunts and exhilarating theme parks.

### OVERNIGHT STAY ON BOARD IN BORA BORA, FRENCH POLYNESIA

As you approach this French Polynesian island, you may genuinely think your eyes are deceiving you. - Day 5 **Juneau, Alaska, USA**  
Migrating whales, rivers of ice and super fresh seafood capture the hearts of its visitors, although Alaska's capital city also has a strong mining history. Once the sacred territory of the Auke and Taku tribes, Juneau was named after the gold prospector Joe Juneau. Across the Gastineau Channel from Douglas Island, it is nestled at the base of Mount Juneau, its rugged terrain meaning no roads join it to the rest of North America
- Day 6 **Haines, Alaska, USA**
- Day 7 **Cruising Tracy Arm Fjord & Glacier**
- Day 8 **Relaxing at Sea**
- Day 9 **Vancouver, Canada**

- through forests and winding river canyons surrounded by the peaks of the Coast and Cascade Mountains, to the desert-like environment of the BC interior. Highlights include the rushing waters of Hell's Gate in the Fraser Canyon and the steep slopes and rock sheds along the Thompson River. Your day concludes as *Rocky Mountaineer* travels along the shores of Kamloops Lake into Kamloops. Overnight in Kamloops (B, L)
- Day 11 **Kamloops - Banff, Canada ★ Rocky Mountaineer ★**  
Once again you will see a spectacular array of scenery as you travel across ranchlands, along rocky lakeshores, over high mountain passes and through the remarkable tunnels that form part of the rich rail history of the Canadian Rockies. Today's highlights include Craigellachie, where the last spike of the Canadian Pacific Railway was driven, the climb over Rogers Pass, Kicking Horse Canyon, the Spiral Tunnels and, of course, the glaciers and snow-capped peaks of the Canadian Rockies. Your rail journey ends this evening in the resort town of Banff. Overnight in Banff (B, L)
- Day 12 **Banff - Calgary, Canada**  
Today you will enjoy a full-day tour concluding in Calgary. Begin the morning with a sightseeing tour of Banff. Among the points of interest are Bow Falls, Surprise Corner and the Hoodoos.
