HELLO AND WELCOME TO YOUR 2021 CRUISE MILES® SPECIAL EDITION

Jeremy Dickinson,
Chairman of ROL Cruise

A welcome chill is in the air, reminding us to take a little 'me time' as the nights draw in. Dig out the slippers, turn on the heating, indulge in a hot chocolate and settle on the sofa with your **Exclusive Double Cruise Miles Special Edition** of Blue Horizons. We've a host of all-inclusive offerings to ensure peace of mind, allowing you to relax and fully indulge whilst on your long-awaited cruise holiday.

There's nothing to match the Autumn foliage for a final blaze of colour before winter, except perhaps to see this display where trees outnumber people 9,000 to 1 – which is why we are delighted to present an ROL Cruise bestseller, the No-Fly All-Inclusive 2023 Canada & New England in the Fall with Princess Cruises, find the details on pages 10-11. With drinks, tips and Wi-Fi all taken care of, there's nothing left to do but sit back and admire the scenery.

A little closer to home, the oft-overlooked Douro Valley delights from April to October on an all-inclusive river cruise with APT Travelmarvel. Included shore excursions ensure you won't miss a single chance to enjoy the nation's favourite tipple, Port, whilst launch savings of up to £1,000+ make this a promotion not to be missed on pages 22-23.

I'm mindful of that autumn chill, which makes a 5★ hotel stay in Thailand all the more appealing. Enjoy four nights of bliss at the Katathani Phuket Beach Resort before a seven night voyage to Singapore with Princess Cruises. Discover more about this deluxe beachfront hotel and all-inclusive voyage on pages 34-35, but hurry, places will sell fast on this incredible Signature Experience.

Happy Cruising!

YOUR WORLD VOYAGE HIGHLIGHTS

Circumnavigate the world on Borealis

This immersive, once-in-a-lifetime circumnavigation of the globe features destinations that dreams are made of, from the volcanic islands of Hawaii to the far-flung idylls of French Polynesia. Experience all this and more on board the newest addition to the Fred. Olsen fleet. Stylish, spacious and comfortable, and with capacity for fewer than 1,400 guests, *Borealis* is in keeping with Fred. Olsen's commitment to a more traditional style of cruising.

ASIA

A cruise is the perfect way to experience the continent's fascinating contrasts. The vibrant city-state of Singapore encapsulates this in itself, with ultra-modern skyscrapers overlooking historic temples. With buzzing cities, laidback islands, verdant rice fields, endemic wildlife, ancient traditions and a stunning cultural diversity, Asia has many layers waiting to be uncovered.

SCENIC CRUISING

As you'd expect with Fred. Olsen, the long list of highlights on this voyage is not limited to destinations visited ashore. There are full-day transits of the Panama and Suez canals, as well as a chance to discover the fiords of New Zealand, including the 1,692-metre-high Mitre Peak piercing the sky above Milford Sound.

SYDNEY

Sydney is one of the world's most exciting, must-see modern cities. Home to the famous Harbour Bridge and Opera House – two of the most iconic cityscapes on Earth – the capital of New South Wales has a visual wow factor that most other cities can only dream of. The imposing Darling Harbour is the hub of waterside life, with the revered Royal Botanic Garden nearby. For the more adventurous, Sydney Tower's outdoor platform, the Skywalk, offers 360-degree views of the city.

Poppy, Commercial Account Manager at ROL Cruise, shares her experiences on board the brand new Iona...

Stepping back on board a cruise ship after the 18 month travel pause was an extremely exciting time for me last month when I was lucky enough to enjoy a sneak-preview of Iona. She really didn't disappoint – your first impression of the ship is the Atrium, which really is spectacular with windows spanning over three levels giving fantastic ocean views on each side of the ship. The Atrium is also a fantastic hub of restaurants bars and shops. We enjoyed watching an Irish Shanty band as we began to sail away, while we dined in the Glass House on a selection of small-plate tasting dishes and wines.

Although Iona is within the large ship class, she has been designed in such a way that you will find plenty of smaller intimate areas scattered all across the ship so there are plenty of spaces where you can find a quiet spot just to sit and enjoy the views.

If you do get the chance to travel on this incredible new ship I would highly recommend an evening in one of the speciality restaurants, for only a small supplement, it was a dining highlight! We booked a table at Sindhu, which serves Indian cuisine with a twist which I was still thinking about many days after my trip!

I can't wait to get back on board Iona for my Fjords cruise in 2022.

MARVEL AT THE MAGICAL SNOW MONKEYS OF JAPAN

The Japanese macaque, better known as the Snow Monkey are named so because they live in areas where snow covers the ground for many months each year and can be distinguished by their red faces, brown-grey fur and short tails.

During your tour, you will spend time at the Jigokudani Monkey Park, home to the famous Snow Monkeys. Here you'll have the incredible opportunity to see wild monkeys bathing in a natural hot spring, known in Japan as an onsen.

Accustomed to humans, the monkeys can be observed from very close quarters but as a highly protected species there are strict rules in place meaning you mustn't touch them – but you can watch! Marvel as large families of monkeys relax in the warm water – watching how they interact can be highly entertaining.

SEVEN SEAS CRUISES®

AN UNRIVALLED EXPERIENCE™

Amber Bellinger, Commercial Account Manager at ROL Cruise enjoyed the luxury of *Seven Seas Splendor™*. Here, she shares her experience...

I was truly blessed to be invited to join *Seven Seas Splendor™* on her first cruise back to the waters. It was a very special moment to step on board; immaculately presented and flawlessly detailed, the first impressions of the grand staircase with its ornate glass chandelier set the tone for the whole ship.

The Penthouse Suite, of which I had the pleasure of calling home for the duration of my stay, was incredibly spacious with a separate living space with dining table, a large walk in wardrobe with ample storage, the most comfortable king-sized bed I've ever had the pleasure to grace (It was extremely hard to get up each morning!), a wonderful balcony and a large bathroom complete with a marble double vanity and the most indulgent shower.

Regent are known for the high quality of food on board, so I went in with high expectations and I was not disappointed. From freshly made Alaskan king crab sushi and BBQ pork ribs in their Asian-fusion restaurant, Pacific Rim to the finest filet mignon I've ever had in Prime 7, it was a delight to be able to dine in the speciality restaurants on board.

The level of service continued ashore on the shore excursions – expertly thought out and every aspect of the trips were considered to ensure that we had the best experience in each port of call. I had a wonderful time exploring the history of Stonehenge and exploring Cornwall off the beaten track in St. Mawes.

Regent Seven Seas Cruises® have truly surpassed themselves with achieving 'Luxury Perfected' with *Seven Seas Splendor™*.

THE PRESIDENTIAL TRAIN

The crown jewel of Portugal's railway, the **Presidential Train** has hosted kings, presidents, heads of state and popes for over a century. Built in 1890, it served the court of King D. Luis I as the Portuguese Royal Train, transporting dignitaries like Queen Elizabeth II and Pope Paul VI. Renamed the **Presidential Train** at the turn of the century, it proudly transported Portugal's Heads of State until 1970, when it was officially retired. The **Presidential Train** is a time capsule in which to travel through history. When its distinct sound is heard, here it comes with its imposing structure, and when you get on board its luxurious carriages you'll feel like royalty. Rescued from the past, it is again in motion and the great protagonist of this unforgettable journey. Magnificently restored in 2010, the furniture and charm that made it iconic remains intact and has since been showcased at the National Railway Museum as a most emblematic piece of railway history.

ALL-INCLUSIVE COMFORT WITH SILVERSEA

With Silversea, you'll enjoy free-flowing premium wines and spirits**, included shore excursions*, delicious gourmet cuisine, in-suite dining, full butler service for every suite and of course all gratuities.
