CRUISE NEWS

CELEBRATING THE KEEL LAYING OF QUEEN ANNE

The arrival of their 249th ship, *Queen Anne*, marks a very special time for Cunard. The company is excited to continue celebrating each and every step of her creation, the most recent of which is known as the Keel Laying.

This significant moment in *Queen Anne's* history happened on 8th September 2022, at the Fincantieri Marghera shipyard in Venice, Italy. The historic day was attended by the Fincantieri shipyard team and Carnival leadership team, as well as selected journalists. The guest of honour was the Captain of *Queen Anne*, Inger Thorhaug.

Steeped in tradition, the Keel Laying ceremony is designed to bring luck to a ship during its construction, and to her Captain and crew while she is in service. To mark the occasion and acknowledge the significance of old and new, a unique Queen Anne coin has been commissioned that now sits alongside an original coin from her namesake's reign. Together, these were embedded into the ship by her Captain.

PARTIAL TRANSIT OF THE PANAMA CANAL

Undeniably, Panama's biggest attraction is the Panama Canal, a modern day wonder of the world. Constructed between 1903 and 1914, the canal's three locks allow 14,000 boats a year to cross a 48 mile body of water from the Pacific Ocean to the Atlantic. Its role in revolutionising maritime trade and the sheer feat of engineering skill makes the canal a fascinating place to sail through.

The Seabourn Difference

Where hand-selected itineraries take you to places beyond the reach of larger ships. From the beginning, a hallmark of Seabourn's reputation for luxury has been the concept of accommodating its guests in spacious, well-designed suites. They are rich in thoughtful details such as roomy wardrobes, comfortable seating and sleeping areas, elegant bathrooms, a well stocked in-suite bar and personal entertainment options. It is in the quality and style of service on board that Seabourn truly excels. On board staff number nearly as many as guests on each ship. On Seabourn, regardless of which suite you book, you will receive superbly skilled attention and sincere, heartfelt hospitality from every member of staff, on every occasion.

WORLD-CLASS DINING

Award-winning dining carefully prepared with the freshest quality ingredients, including seasonal specialties that are perfectly executed to orders by Seabourn's skilled Chefs. Dishes inspired by Michelin-starred Chef Thomas Keller further elevate Seabourn's cuisine, contributing to an unsurpassed dining experience unlike any other at sea. All dining venues are complimentary – dine where, when and with whom you wish. From casual to elegant indoors, al fresco or in your suite, a range of choices invites you to be spontaneous. Open bars throughout the ship, and fine wines poured at lunch and dinner. Meet and mingle with fellow guests in a carefree atmosphere, where no one has to pick up the tab.

UNRIVALLED SERVICE

It is supremely relaxing to be looked after by thoughtful hosts, whose knack for anticipating what you might like borders on the clairvoyant. Tipping is neither required nor expected – service simply to delight you. Seabourn's award-winning staff are driven only by their sincere desire to please, and with a smile that comes from the heart.

ROL CRUISES' COMMERCIAL ACCOUNT MANAGER POPPY ELLIS OFFERS AN INSIGHT INTO SILVER DAWN...

"*Silver Dawn* is a beautiful ship with the most incredible service. The food is beyond anything I have ever experienced at sea or on land and they offer unique on board programs such as S.A.L.T which stands for Sea and Land taste.

With so many other cruises I've been on you don't always get to experience the local cuisine of the destinations you are visiting, so with the S.A.L.T experience you get to learn and taste local.

My experience started with a cookery lesson in the S.A.L.T Lab where we made three Salt Fish dishes (Bacalhau) as it's known in Portugal, all absolutely delicious. The next day we took a S.A.L.T excursion in the Algarve, these are designed to bring you authentic, local experiences. The tour provided us with local history on all subjects, but especially the local food. Our trip ended with an incredible lunch paired with local wines all enjoyed with a breath-taking view of the Atlantic ocean.

The S.A.L.T Experience continued back on board within the S.A.L.T Kitchen Restaurant as we enjoyed another sumptuous Portuguese feast. We absolutely loved these experiences and, although *Silver Dawn* was our luxurious home for the week, we felt as though we had truly experienced Portugal as a destination.

Just imagine the flavours and spices you might encounter on this Caribbean voyage, it will leave you in foodie Paradise."

- Day 3 – **★ Exploring Northwest Spitsbergen National Park ★**
Discover the natural beauty and rugged tundra of Northwest Spitsbergen National Park. In this pristine Arctic wilderness of steep mountains, stark glaciers and beautiful offshore islands, keep your eyes peeled for animals of the Arctic – whales, seals, walrus and reindeer. If luck is on your side, you may even see the elusive polar bear hunting on the ice. In stunning Kongsfjord, you may see glaciers calving into the sea. Be ready for adventure; any opportunity to launch kayaks or use small expedition boats and go ashore will be seized upon

- Day 6 – **★ Exploring Eastern Svalbard ★**
Day 7 Eastern Svalbard is home to the archipelago's largest population of polar bears, which you may be fortunate enough to witness. Look out for walrus and colonies of Brünnich's guillemots and other seabirds in the Hinlopen Strait. You may head south to Freemansundet and Kapp Lee or take small expedition boats to Edge Island or the Barents Sea. The Expedition Team will monitor local ice and weather conditions to take you on exhilarating landings, hikes and kayaking tours*

Sailing towards the southernmost tip of Spitsbergen, enter Hornsund, one of Svalbard's most beautiful fjords. Rich, colourful vegetation makes way for towering mountains here. This in turn attracts Svalbard reindeer and Arctic foxes, so keep your eyes peeled

Day 9 **Isfjord, Spitsbergen, Svalbard, Norway**

Your Svalbard circumnavigation continues into Isfjord's lush fjord system, characterised by immense, glacier-carved valleys. To the north, Alkehornet is home to guillemots,

kittiwakes, Svalbard reindeer and Arctic foxes. Further south, pass the former Isfjord Radio satellite communication station, now a beautifully situated hotel. Activities will be determined by the ever-changing weather conditions of Isfjord
