Embark On An Incredible Journey With ROL Cruise

Look no further than ROL Cruise, the UK's No.1 Independent Cruise Specialist, for incredible Solo Traveller Cruise Holidays.

Cruising and solo travellers could have been made for each other. Holiday with individuals who also share a passion for travel, whom you can discover exciting new destinations with. You'll be amongst other like-minded travellers on each voyage you book, so you can share your new experiences. Your travel arrangements are handled by the experts here at ROL Cruise, so once on board, relax knowing you are in a safe environment, and secure in the knowledge that the attentive crew will be around to look after your every wish. Travelling solo has become a much-desired holiday experience, with the number of solo traveller bookings increasing year by year.

Why choose to cruise solo?

Travelling with friends and family is great, but there's nothing quite like holidaying solo. An element of compromise is inevitable when you travel in a group, whereas solo cruises give you the freedom to choose what's best for you. This newfound freedom will likely make you feel liberated to try new things you wouldn't usually feel able to.

With a cruise, there's no switching hotels or arranging transfers to and from cities to worry about - the ship takes you where you need to go, when you need to be there. There's plenty of dining options available to you - no matter when you're feeling peckish and the excursions have been designed to ensure you see the very best of each destination.

All that's left for you to think about is simply relaxing and having a good time.

Our Top 5 reasons why Solo Cruises are the perfect way to travel:

- 1.** You'll never be on your own – unless you want to be
- 2.** You're in good company
- 3.** There's plenty of choice of accommodation
- 4.** Friendly, attentive crews
- 5.** Make new friends

WILDLIFE OF ANTARCTICA

MEET THE PENGUINS

Penguins are the most common birds in the Antarctic. Living in colonies with populations larger than some cities, and surviving in the harshest of conditions, it is no wonder that penguins are seen as the emblem of the Great White Continent. However, of the 17 different species of penguin, only two (Emperor and Adélie) make the Antarctic continent their true home, although others (Chinstrap, Gentoo and Macaroni) breed on the northern tip of the Antarctic Peninsula, where conditions are less harsh.

WONDERFUL WHALES

A favourite among Antarctica cruise goers, whales are beautiful, enigmatic and fascinating creatures. Highly intelligent creatures with complex social lives, Antarctica whales capture the imagination of all who witness the spectacle. Few sights on Earth can beat seeing a pod of Killer whales or seeing a Humpback breaching the surface of the water. Almost 75% of the world's Killer whales live in Antarctica, which is truly a paradise for whales.

ANTARCTICA'S SIX SEALS

One of the joys of an Antarctica cruise is being able to observe seals up close. Whilst only six of the 35 species of seal live in Antarctica, Antarctic Fur Seals, Leopard Seals, Ross Seals, Crabeater Seals and Weddell Seals, these six species actually make up the vast majority of all seals on Earth.

Tours may be at a further supplement, subject to change and additional excursions must be booked at least 28 days prior to departure. only. Weather and sea conditions have a great influence on the programme and schedule. Safety is always the priority and the ship's captain is for illustrative purposes only.
