Whether you're watching the world (and those incredible sea views) go by from her glorious Grand Atrium... Lazing under cloudless skies beneath her retractable SkyDome roof... Relaxing in her modern accommodation... Treating yourself to her delicious new dining experiences... Or, revelling in her exclusive entertainment and activities – Arvia is set to amaze. What's more, her unrivalled experiences give you even greater freedom to play, pamper and pick and choose how you spend your days away as a couple, with new friends, as a solo guest or with your family.

## An interactive, epic escape room adventure!

Get ready for an immersive adventure in this brand-new interactive escape room experience. Leaving the comforts of Arvia behind, your mission (should you choose to accept it), is to man the helm of Arvia II, a fictitious research submarine. You can choose to embark on one of two captivating journeys (with one crafted especially for family fun) navigating the perils of the deep. Using digital consoles in this unique submarine simulator, the challenge is on for your team to crack the codes, solve the mysteries and the puzzles in this deep underwater encounter. But will it be, mission accomplished...?

Wallace & Gromit AND Shaun the Sheep  
ARE ON BOARD!

## Aardman trio's a treat

Little ones and the young at heart are in for a treat under the stunning domed roof of Arvia's SkyDome when Wallace & Gromit take to the stage. The now iconic British duo from Bristol's Aardman Studios features Wallace, the erratic inventor, and Gromit, his loveable pooch. Look out for the characters on board Iona and Arvia where they will be joined by fellow Aardman creation, Shaun the Sheep, hosting children's parties and discos.

## Take your holiday to new heights at Altitude

Arvia's revolutionised top deck activity zone, Altitude, is outdoor on-board fun for everyone. The tropical island-themed nine-hole mini-golf course is a great place to take time out and tee off. If you've a head for heights, you'll feel on top of the world with Skywalk, the high ropes course at 54 metres above sea level and right above the mini-golf course. What a view from up here! Each time you climb, why not put yourself through your paces with a new and daring challenge to make the course trickier? Basketball and footy fans can join a team and make new friends in the Sports Arena. And after all this fun and games, the kids can cool off at Splash Valley's playful water wonderland, complete with tumbling waterfalls and bubbling fountains.

# Arvia

makes the sea the star

Meaning 'from the seashore', Arvia's name reflects the magic of sailing from different coastlines to new waters and sunshine destinations. Her modern and expansive design with luminous, wide open spaces offers incredible panoramas from her Grand Atrium, pools, bars, restaurants and SkyDome. So you can drink in the sunshine on glimmering waters as idyllic islands appear on the horizon.

## Exclusive drinks distilled on board for you

Throughout Arvia's Caribbean season, you'll be able to enjoy bespoke golden rum distilled exclusively on board. Arvia will then be switching to the deliciously smooth Marabelle Gin when in the Mediterranean. It's following the success of our one-of-a-kind Marabelle Gin, created with our award-winning partners Salcombe Distilling Co. (and made in Iona's dedicated gin still) that we're excited to again distil our own spirits on board Arvia. Whatever the holiday, with the first distilleries at sea you'll find just the right taste to toast your surroundings.

## Drink in the sunshine, and the endless vistas

With no less than seven deck bars, you'll be spoilt for choice on Arvia. She even boasts the fleet's first glamorous swim-up bar, with breathtaking views over the ship's wake. As the sun begins to set and cast a golden hue on the horizon, why not enjoy your favourite sundowner at Sunset Bar? Relax on the swinging seats and chill out to music from our live DJ. Think laid-back, beach-style vibes (minus the sand getting stuck between your toes!). And, when simply nothing will do but you and the view – her Infinity Pool will take you there...

## Arvia meets the Mediterranean

Chic promenades, rich cultures, pretty harbours and artful scoops of gelato piled high. Can spring and summer in the Med get any better? With Arvia it can... You can join her for 14-night holidays from Southampton, exploring the best of the Med. You'll discover timeless charm, hidden gems, la dolce vita, la joie de vivre (and the good life!). With beauty waiting at every stop, there's plenty to explore...

Sink your toes into Alicante's powder-soft sands; stroll Marseille's glittering harbour; try a traditional paella at a Valencian waterside restaurant; marvel at Gaudi's masterworks in vibrant Barcelona; soak up the history of Florence – and perhaps even prop up the leaning tower of Pisa! Arvia's season in the Med is set to be a memorable one.

# Iona

where innovation meets exploration

Iona, our first Excel class ship, excels with her sparkling glass-roofed SkyDome, the perfect place for relaxing days and spellbinding entertainment... Her Grand Atrium and panoramic viewing spots of the sea, sky and shore... Her staggering choice of leisure activities, shore experiences, accommodation and 30 places to wine and dine... And with innovation at her core, she's the first British cruise ship to be powered by liquefied natural gas. But her appeal doesn't stop there...

Grand Atrium

## New gin masterclasses not to be missed

You can now join Salcombe Gin experts in exclusive experiences created just for us. Let your creative juices flow in two masterclasses at Anderson's Bar and Library. The first reveals the secrets to distilling a deliciously smooth, well-balanced gin, complete with a tasting session. In the second, more intimate class, using your own gin recipe, you'll bring the blend to life and savour your own final masterpiece. And if you happen to buy a souvenir bottle of Marabelle Gin with a gold seal, it has been distilled in Iona's very own gin still, Columba – the first ever distillery at sea!

## All eyes on world-class entertainment

Catch mesmerising performances in SkyDome, like international entertainment company Creativiva's fantastical aerial shows. Enjoy the best seat in the house at Headliners Theatre with its full-stage LED backdrop. And you won't want to miss a second of Iona's immersive entertainment, such as our brand-new themed contemporary show DIGITAL.

Columba, Anderson's Bar and Library

## A world of drinks and dining

Whatever you fancy – it's on Iona's menu. Authentic flavours of your destination? Try out regional specialities by our Local Food Heroes, including José Pizarro in The Glass House and Kjartan Skjelde in Epicurean. Beautifully crafted gastropub fare? Welcome to The Keel & Cow, home to a fine selection of tipples and where you can meet (and eat) The Prime Minister (arguably the best burger at sea!). From relaxed and informal to chic and special, there's a world of drinks and dining to explore on board.

The Glass House

## Welcome to The 710 Club

Curated and crafted by Gary Barlow

As Music Director of The 710 Club on Iona, Gary Barlow makes Iona's intimate music bar one of the most exciting live music venues at sea...

The stage lights up to the sounds of its talented resident band – a group guided by Gary. Yet his involvement runs far deeper; from choosing music for the club, inspiring future performers and up-and-coming talent to even shaping the interiors and signature cocktails – all the special ingredients to ensure the good times roll long into the night.

New for 2022, a taste of Spain has arrived with Gary Barlow's red and white organic wines. Combining Gary's passion for sustainability and travel, try a glass to toast your holiday.

## See the Norwegian Fjords in widescreen

Anyone who's been here agrees: the fjords are simply spectacular. What better way to experience 'Mother Nature's wonderland' than on a summer holiday with our stunning Excel class ship, Iona? Designed with as much glass and viewing space as possible, she's the perfect ship for bringing the outside world in – and what a world! It's a world of waterfalls and snow-capped peaks, of winding valleys formed from giant glaciers. A world where you can walk in the footsteps of the Vikings and kayak on crystal-clear lakes. An unmissable world of adventure and a must-see experience on board Iona.

And the cruise-curious need look no further than the calm, sheltered conditions of Norway's fjords – an ideal first holiday destination for a perfect introduction to holidaying on board.
