RETREAT

TO YOUR PRIVATE SANCTUARY

Luxurious Suites

Scenic Eclipse sets a new standard in luxury cruising with 114 luxurious all-verandah suites across five decks.

From our generous 32-square-metre Verandah Suites to the 247-square-metre two-bedroom Penthouse Suite, we're redefining the standard of ocean cruising accommodation, with every aspect tailored to make for a unique travel experience like nothing you've encountered before.

Individually appointed and replete with elegant furnishings and 6-star amenities opening onto your private verandah or terrace, our plush king-size Scenic Slumber Beds feature electronic controls to adjust your sleeping position, and come dressed in Egyptian cotton linen, with an extensive pillow menu.

Ambient lighting and a hypoallergenic air purification system encourage complete relaxation within your separate lounge area after a day of discovery, and every guest will enjoy the services of a butler, on-hand for 24-hour in-suite dining. They'll also ensure you're never without complimentary refreshments and a re-stocked minibar, for whenever the mood strikes.
