The renovation of the *S.S. La Venezia* drew influence from the fine Fortuny fabrics displayed prominently on board. Murano glass, gilded accents and artistic etched elements pay homage to popular Venetian aesthetics of the early 20th century, creating an on board atmosphere that is at once elegant and nostalgic. On board the *S.S. La Venezia* guests can enjoy four unique dining venues, each serving classic Italian cuisine. Ranging from top-deck dining to private chef-tables experiences, there's no better way to experience the best of Italy on board.

MARINE IGUANA

Found only in the Galápagos Islands, iconic marine iguanas are distinguishable by the white 'wigs' of salt expelled from glands near their noses. They look fierce but are actually gentle herbivores surviving exclusively on underwater algae and seaweed.

GALÁPAGOS SEA LION

The cute Galápagos sea lion is the most abundant marine mammal in the archipelago and is often seen lazing on the beaches or swimming close to shore.

SALLY LIGHTFOOT CRAB

The brightly coloured Sally Lightfoot crab is a common sight on the shores and beaches of most of the Galápagos Islands. They are rumoured to have been named after a Caribbean dancer due to their extreme agility when jumping from rock to rock.
